SENATE BILLS FOR PERFECTION

Senator Bean moved that **SB 141** be taken up for perfection, which motion prevailed.

Senator Bean offered SS for **SB 141**, entitled:

SENATE SUBSTITUTE FOR SENATE BILL NO. 141

An Act to amend chapter 386, RSMo, by adding thereto one new section relating to renewable natural gas.

Senator Bean moved that SS for **SB 141** be adopted.

Senator Eigel offered SA 1:

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Bill No. 141, Page 1, In the Title, Line 3, by striking “renewable natural gas” and inserting in lieu thereof the following: “energy management”; and

Further amend said bill, page 3, Section 386.895, line 78, by inserting after all of said line the following:

“643.310. 1. The commission may, by rule, establish a decentralized motor vehicle emissions inspection program pursuant to sections 643.300 to 643.355 for any portion of a nonattainment area located within the area described in subsection 1 of section 643.305, **except that no decentralized motor vehicle emissions inspection program shall be established in any county with a charter form of government and with more than three hundred thousand but fewer than four hundred fifty thousand inhabitants.** The decentralized motor vehicle emissions inspection program shall be implemented and applied in the same manner throughout every portion of a nonattainment area located within the area described in subsection 1 of section 643.305 **except any county with a charter form of government and with more than three hundred thousand but fewer than four hundred fifty thousand inhabitants.** The commission shall ensure that, for each nonattainment area, the state implementation plan established pursuant to subsection 1 of section 643.305 incorporates and receives all applicable credits allowed by the United States Environmental Protection Agency for emission reduction programs in other nonattainment areas of like designation in other states. The commission shall ensure that emission reduction amounts established pursuant to subsection 2 of section 643.305 shall be consistent with and not exceed the emissions reduction

amounts required by the United States Environmental Protection Agency for other nonattainment areas of like designation in other states. No motor vehicle emissions inspection program shall be required to comply with subsection 1 of section 643.305 unless the plan established thereunder takes full advantage of any changes in requirements or any agreements made or entered into by the United States Environmental Protection Agency and any entity or entities on behalf of a nonattainment area concerning compliance with National Ambient Air Quality Standards of the federal Clean Air Act, as amended, 42 U.S.C. Section 7401, et seq., and the regulations promulgated thereunder.

2. (1) The department, with the cooperation and approval of the commissioner of administration, shall select a person or persons to operate an inspection facility or inspection program pursuant to sections 643.300 to 643.355, under a bid procedure or under a negotiated process or a combination thereof based on criteria and expectations established by the department. This process may use either a licensing arrangement or contractual arrangement with the selected party or parties. The selection of persons to operate inspection facilities or inspection programs shall be exempt from the provisions of all site procurement laws. Each person who is authorized to operate a station pursuant to this section shall be capable of providing adequate and cost-effective service to customers.

(2) Service management, coordination and data processing may be provided by the department or by another person, including a contractor or licensee, based upon the most cost-effective proposal for service.

(3) A license or contract shall be for a period of up to seven years, consistent with the provisions of Article IV, Section 28 of the Missouri Constitution, and licenses or contracts shall be annually reviewed. A license or contract may be suspended or revoked if the licensee or contractor is not meeting the conditions of sections 643.300 to 643.355, all applicable rules, the license agreement or contract as determined by the department. A licensee or contractor found to have violated sections 643.300 to 643.355, applicable rules or the conditions of the license agreement or contract shall be in violation of section 643.151 and subject to the penalties provided thereunder.

3. The commission, the department of economic development and the office of administration shall, in cooperation with the minority business advocacy commission, select the contractor or contractors to provide an inspection program which satisfies the minimum requirements of this section in accordance with the requirements of section 37.014 and chapter 34. The commission, the office of administration and the department of economic development, in cooperation with the minority business advocacy commission, shall ensure adequate minority business participation in the selection of the contractor or contractors to provide an inspection program pursuant to this section. The commission, the office of administration and the department of economic development shall ensure adequate participation of Missouri businesses in the selection of the contractor or contractors to provide an inspection program pursuant to this section.

4. With approval of the commission and pursuant to rules adopted by the commission, an organization whose members are motor vehicle dealers or leasing companies may establish one or more additional emissions inspection facilities, which may be either mobile or stationary, to be used solely to inspect motor vehicles owned and held for sale or lease by the members of the organization. With approval of the commission and pursuant to rules adopted by the commission, any person operating a fleet of motor vehicles may establish one or more additional emissions inspection facilities, which may be either mobile or stationary, to be used solely to inspect motor vehicles owned or leased and operated by the person establishing the facility. The inspections performed in facilities established pursuant to this subsection shall be performed by a contractor selected by the commission pursuant to this section and the contractor

performing such inspections shall be responsible solely to the department and shall satisfy all applicable requirements of sections 643.300 to 643.355.

5. If the governor applies to the administrator of the Environmental Protection Agency to require federal reformulated gasoline in nonattainment areas, nothing in sections 643.300 to 643.355 shall prevent the storage of conventional gasoline in nonattainment areas which is intended for sale to agricultural, commercial or retail customers outside said nonattainment areas subject to reformulated gasoline.”; and

Further amend the title and enacting clause accordingly.

Senator Eigel moved that the above amendment be adopted.

Senator Bean raised the point of order that **SA 1** is out of order as it goes beyond the scope of the underlying bill.

The point of order was referred to the President Pro Tem.

At the request of Senator Eigel, **SA 1** was withdrawn, rendering the point of order moot.

Senator Riddle offered **SA 2**:

SENATE AMENDMENT NO. 2

Amend Senate Substitute for Senate Bill No. 141, Page 2, Section 386.895, Lines 33-34, by striking all of said lines and inserting in lieu thereof the following:

“2. The commission shall adopt rules for gas corporations to offer a voluntary renewable natural gas program. Rules adopted by”.

Senator Riddle moved that the above amendment be adopted, which motion prevailed.

Senator Burlison offered **SA 3**:

SENATE AMENDMENT NO. 3

Amend Senate Substitute for Senate Bill No. 141, Page 1, In the Title, Lines 2-3, by striking “renewable natural gas” and inserting in lieu thereof the following: “types of energy”; and

Further amend said bill and page, Section A, line 3 by inserting after all of said line the following:

“67.309. No political subdivision of this state, including any referenced in section 386.020, shall adopt an ordinance, resolution, regulation, code, or policy that prohibits, or has the effect of prohibiting, the connection or reconnection of a utility service based upon the type or source of energy to be delivered to an individual customer. Nothing in this section shall limit the ability of a political subdivision to choose utility services for properties owned by such political subdivision.”; and

Further amend the title and enacting clause accordingly.

Senator Burlison moved that the above amendment be adopted, which motion prevailed.

Senator Bean moved that **SS** for **SB 141**, as amended, be adopted, which motion prevailed.

On motion of Senator Bean, **SS** for **SB 141**, as amended, was declared perfected and ordered printed.

At the request of Senator Cierpiot, **SB 163** was placed on the Informal Calendar.

Senator Burlison moved that **SB 40**, with **SCS**, be taken up for perfection, which motion prevailed.

SCS for **SB 40**, entitled:

SENATE COMMITTEE SUBSTITUTE FOR
SENATE BILL NO. 40

An Act to repeal sections 260.373, 260.380, 260.437, 260.475, 260.520, 643.079, 644.057, and 644.079, RSMo, and to enact in lieu thereof nine new sections relating to the department of natural resources.

Was taken up.

Senator Burlison moved that **SCS** for **SB 40** be adopted.

Senator Eigel offered **SA 1**:

SENATE AMENDMENT NO. 1

Amend Senate Committee Substitute for Senate Bill No. 40, Page 22, Section 643.079, Line 203, by inserting after all of said line the following:

“643.310. 1. The commission may, by rule, establish a decentralized motor vehicle emissions inspection program pursuant to sections 643.300 to 643.355 for any portion of a nonattainment area located within the area described in subsection 1 of section 643.305, **except that no decentralized motor vehicle emissions inspection program shall be established in any county with a charter form of government and with more than three hundred thousand but fewer than four hundred fifty thousand inhabitants.** The decentralized motor vehicle emissions inspection program shall be implemented and applied in the same manner throughout every portion of a nonattainment area located within the area described in subsection 1 of section 643.305 **except any county with a charter form of government and with more than three hundred thousand but fewer than four hundred fifty thousand inhabitants.** The commission shall ensure that, for each nonattainment area, the state implementation plan established pursuant to subsection 1 of section 643.305 incorporates and receives all applicable credits allowed by the United States Environmental Protection Agency for emission reduction programs in other nonattainment areas of like designation in other states. Senator Brattin offered SA 3:

SENATE AMENDMENT NO. 3

Amend Senate Committee Substitute for Senate Bill No. 40, Page 1, Section A, Line 5, by inserting after all of said line the following:

“253.387. 1. As provided in Article III, Section 48 of the Constitution of Missouri, the department of natural resources is hereby authorized to acquire by purchase, from funds appropriated or otherwise available to the department, or to acquire by gift, if such gift is unencumbered by any lien or mortgage, the Antioch Cemetery located at 2300 Antioch Road, Clinton, Missouri, to be operated and maintained by the division of state parks within the department of natural resources.

2. In acquiring this cemetery, which may include both real and personal property, the department shall make adequate provisions for the proper care, maintenance, and safekeeping of the property. The department may contract for maintenance of the property.

3. The attorney general shall approve the form of the instrument of conveyance.

4. Upon acquisition of the property, the department shall allow for burials to continue in the same manner as they had been conducted prior to acquisition until all burial plots have been purchased.

The department shall charge no more than one hundred dollars per burial credited to the Antioch cemetery fund established in this section and shall not be liable for any additional costs associated with any burial.

5. (1) There is hereby created in the state treasury the “Antioch Cemetery Fund”, which shall consist of gifts, bequests, and moneys donated or collected under this section. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely for the administration of this section.

(2) Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

(3) The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.”; and

Further amend the title and enacting clause accordingly.

Senator Brattin moved that the above amendment be adopted, which motion prevailed.
