2020 COMMUNITY
SERVICES
DIRECTORY

Dear friend,

This Community Services Directory has been created for the citizens of our community to provide contact information for local, state and federal entities and officials. Filled with important resources, this directory is a great starting place for connecting with your state government.

This Community Services Directory includes a School Report Card for the school districts in our community.

This chart includes information about students' post-high school plans, ACT scores and how much money each school district spends per student.

At the end of this directory, you'll find information about the 2021 state operating budget, as well as photos of constituents who visited my office in the State Capitol.

Thank you for the opportunity to represent you in the Missouri Senate. It is truly an honor and privilege to serve you. If I can be of any assistance, please do not hesitate to contact my office.

Sincerely,

Senator Eric Burlison
20th Senatorial District
