32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

2. Any local sales tax so adopted shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of

the local sales tax, except as provided in subsection [18] 17 of this section, and shall be imposed on all transactions on which the Missouri state sales tax is imposed.

3. (1) Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

(2) For all tax years beginning on or after January 1, 2023, the rate of sales taxes imposed under the local sales tax law shall not exceed the following amounts:

(a) For local sales taxes imposed under the local sales tax law by a taxing entity that is incorporated as a city, town, or village, four and one-half percent;

(b) For local sales taxes imposed under the local sales tax law by a county, excluding cities not within a county, three and one-fourth percent;

(c) For local sales taxes imposed under the local sales tax law by all taxing jurisdictions other than those described in paragraphs (a) and (b) of this subdivision, the total combined rate of sales taxes in any given taxing jurisdiction shall not exceed three and one-fourth percent. For the purposes of this paragraph, local sales taxes imposed by taxing entities described in paragraphs (a) and (b) of this subdivision, in a given taxing jurisdiction

shall not be included in the calculation of the total combined rate of sales taxes under this paragraph.

(3) For the purposes of subdivision (2) of this subsection, no transient guest tax or convention and tourism tax, including sections 92.325 to 92.340, shall be considered a local sales tax under the local sales tax law.

(4) In any election in which more than one sales tax levy is approved by the voters, and the passage of such levies results in a combined rate of sales tax in excess of the limits provided for under subdivision (2) of this subsection, only the sales tax levy receiving the most votes shall become effective, provided such levy does not result in a combined rate of sales tax in excess of the limits provided for under subdivision (2) of this subsection.

4. [The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5.] (1) The ordinance or order imposing a local sales tax under the local sales tax law shall impose a tax upon all transactions upon which the Missouri state sales tax is imposed to the extent and in the manner provided in sections 144.010 to [144.525] 144.527, and the rules and regulations of the director of revenue issued pursuant thereto[; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of the local sales tax law].

(2) Notwithstanding any other provision of law to the contrary, local taxing jurisdictions, except those in which voters have approved a local use tax under section 144.757, shall have placed on the ballot on or after the general

election in November 2014, but no later than the general election in November 2022, whether to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 and purchased from a source other than a licensed Missouri dealer. The ballot question presented to the local voters shall contain substantially the following language:

Shall the _____ (local jurisdiction's name) discontinue applying and collecting the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer?

Approval of this measure will result in a reduction of local revenue to provide for vital services for _____ (local jurisdiction's name) and it will place Missouri dealers of motor vehicles, outboard motors, boats, and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers.

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(3) If the ballot question set forth in subdivision (2) of this subsection receives a majority of the votes cast in favor of the proposal, or if the local taxing jurisdiction fails to place the ballot question before the voters on or before the general election in November 2022,

the local taxing jurisdiction shall cease applying the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer.

(4) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters, the governing body of any local taxing jurisdiction that had previously imposed a local use tax on the use of motor vehicles, trailers, boats, and outboard motors may, at any time, place a proposal on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(5) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters on or after the general election in November 2014, and on or before the general election in November 2022, whenever the governing body of any local taxing jurisdiction imposing a local sales tax on the sale of motor vehicles, trailers, boats, and outboard motors receives a petition, signed by fifteen percent of the registered voters of such jurisdiction voting in the last gubernatorial election, and calling for a proposal to be

placed on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer, the governing body shall submit to the voters of such jurisdiction a proposal to repeal application of the local sales tax to such titling. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(6) Nothing in this subsection shall be construed to authorize the voters of any jurisdiction to repeal application of any state sales or use tax.

(7) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is repealed, such repeal shall take effect on the first day of the second calendar quarter after the election. If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is required to cease to be applied or collected due to failure of a local taxing jurisdiction to hold an election pursuant to subdivision (2) of this subsection, such cessation shall take effect on March 1, 2023.

(8) Notwithstanding any provision of law to the contrary, if any local sales tax on the titling of motor

vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is repealed after the general election in November 2014, or if the taxing jurisdiction failed to present the ballot to the voters at a general election on or before November 2022, then the governing body of such taxing jurisdiction may, at any election subsequent to the repeal or after the general election in November 2022, if the jurisdiction failed to present the ballot to the voters, place before the voters the issue of imposing a sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 that were purchased from a source other than a licensed Missouri dealer. The ballot question presented to the local voters shall contain substantially the following language:

Shall the _____ (local jurisdiction's name) apply and collect the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 and purchased from a source other than a licensed Missouri dealer? Approval of this measure will result in an increase of local revenue to provide for vital services for _____ (local jurisdiction's name), and it will remove a competitive advantage that non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers have over Missouri dealers of motor vehicles, outboard motors, boats, and trailers.

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are

opposed to the question, place an "X" in the box opposite "NO".

(9) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is adopted, such tax shall take effect and be imposed on the first day of the second calendar quarter after the election.

[6.] 5. On and after the effective date of any local sales tax imposed under the provisions of the local sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. All local sales taxes imposed under the local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

[7.] 6. All applicable provisions contained in sections 144.010 to **[144.525]** 144.527 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

[8.] 7. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to **[144.525]** 144.527, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax

exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

[9.] 8. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to **[144.525]** 144.527 for the administration and collection of the state sales tax shall satisfy the requirements of the local sales tax law, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from any local sales tax imposed by the local sales tax law.

[10.] 9. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

[11.] 10. The penalties provided in section 32.057 and sections 144.010 to **[144.525]** 144.527 for a violation of the provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

[12.] 11. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales, except the sale of motor vehicles, trailers, boats, and outboard motors required to be titled under the laws of the state of Missouri, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be

deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, the sales tax upon the titling of all motor vehicles, trailers, boats, and outboard motors shall be imposed at the rate in effect at the location of the residence of the purchaser, and remitted to that local taxing entity, and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

(3) For the purposes of any local tax imposed by an ordinance or under the local sales tax law on charges for mobile telecommunications services, all taxes of mobile telecommunications service shall be imposed as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended.

[13.] 12. Local sales taxes shall not be imposed on the seller of motor vehicles, trailers, boats, and outboard motors required to be titled under the laws of the state of Missouri, but shall be collected from the purchaser by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

[14.] 13. The director of revenue and any of his deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping,

accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering himself and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

[15.] 14. The director of revenue shall annually report on his management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. He shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by him for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

[16.] 15. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by him under the local sales tax law or in the event a determination has been made against him for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to **[144.525]** 144.527. Where

the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

[17.] 16. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

[18.] 17. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of

such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.

32.310. 1. The department of revenue shall create and maintain a mapping feature on its official public website that displays sales and use tax information of political subdivisions of this state that have taxing authority, including the current tax rate for each sales and use tax imposed and collected. Such display shall have the option to showcase the borders and jurisdiction of the following political subdivisions on a map of the state to the extent that such political subdivisions collect sales and use tax:

- (1) Ambulance districts;
- (2) Community improvement districts;
- (3) Fire protection districts;

2. The mapping feature shall also have the option to superimpose state house of representative districts and state senate districts over the political subdivisions.

3. A political subdivision collecting sales or use tax listed in subsection 1 of this section shall provide to the department of revenue mapping and geographic data pertaining to the political subdivision's borders and jurisdictions. The political subdivision shall certify the accuracy of the data by affidavit and shall provide the data in a format

specified by the department of revenue. Such data relating to sales taxes shall be sent to the department of revenue by April 1, 2019, and shall be updated and sent to the department if a change in the political subdivision's borders or jurisdiction occurs thereafter. Such data relating to use taxes shall be sent to the department of revenue by January 1, 2022. If a political subdivision fails to provide the information required under this subsection, the department of revenue shall use the last known sales or use tax rate for such political subdivision.

4. The department of revenue may contract with another entity to build and maintain the mapping feature.

5. By July 1, 2019, the department shall implement the mapping feature using the sales tax data provided to it under subsection 3 of this section. By August 28, 2022, the department shall implement the mapping feature using use tax data provided to it under subsection 3 of this section.

6. If the boundaries of a political subdivision listed in subsection 1 of this section in which a sales or use tax has been imposed shall thereafter be changed or altered, the political subdivision shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance adding or detaching territory from the political subdivision within ten days of adoption of the ordinance. The ordinance shall reflect the effective date of the ordinance and shall be accompanied by a map in a form to be determined by the director of revenue. Upon receipt of the ordinance and map, the tax imposed under the local sales tax law shall be effective in the added territory or abolished in the detached territory on the first day of a calendar quarter after one hundred twenty days' notice to sellers.

The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

2. (1) The state general revenue portion from remittances made pursuant to section 144.752 and paragraph (e) of subdivision (3) of section 144.605, with the exception of revenues collected pursuant to section 144.701 and Article IV, Sections 43(a) and 47(a) of the Missouri Constitution, shall be deposited into the fund.

(b) Any funds appropriated to the fund by the general assembly or otherwise credited to the fund.

3. In any fiscal year in which actual revenues are less than the revenue estimates upon which appropriations

were based or in which there is a budget need due to a natural disaster, as proclaimed by the governor to be an emergency, the governor may, subject to appropriation, transfer from the fund to the general revenue fund such moneys as are necessary to make up all or part of the deficit between the actual revenues and the revenue estimates or to meet the needs of the emergency caused by the natural disaster, as the case may be.

4. When the balance in the fund at the close of any fiscal year exceeds two and one-half percent of net general revenue collections for the previous fiscal year, the excess balance shall be transferred to the general revenue fund.

5. For the purposes of this section, "net general revenue collections" means all revenue deposited into the general revenue fund less refunds and revenues originally deposited into the general revenue fund but designated by law for a specific distribution or transfer to another state fund.

(b) If local and long distance telecommunications services subject to tax under this subdivision are aggregated with and not separately stated from charges for telecommunications service or other services not subject to tax under this subdivision, including, but not limited to, interstate or international telecommunications services, then the charges for nontaxable services may be subject to taxation unless the telecommunications provider can identify by reasonable and verifiable standards such portion of the charges not subject to such tax from its books and records that are kept in the regular course of business, including, but not limited to, financial statement, general ledgers, invoice and billing systems and reports, and reports for regulatory tariffs and other regulatory matters;

(c) A telecommunications provider shall notify the director of revenue of its intention to utilize the standards described in paragraph (b) of this subdivision to determine the charges that are subject to sales tax under this subdivision. Such notification shall be in writing and shall meet standardized criteria established by the department regarding the form and format of such notice;

(d) The director of revenue may promulgate and enforce reasonable rules and regulations for the administration and enforcement of the provisions of this subdivision. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. The purchase, rental or lease of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors shall be taxed and the tax paid as provided in this section and section 144.070. In no event shall the rental or lease of boats and outboard motors be considered a sale, charge, or fee to, for or in places of amusement, entertainment or recreation nor shall any such rental or lease be subject to any tax imposed to, for, or in such places of amusement, entertainment or recreation. Rental and leased boats or outboard motors shall be taxed under the provisions of the sales tax laws as provided under such laws for motor vehicles and trailers. Tangible personal property which is exempt from the sales or use tax under section 144.030 upon a sale thereof is likewise exempt from the sales or use tax upon the lease or rental thereof;

Where a purchaser and seller are located in two different time zones, the time zone of the seller's location shall determine the authorized exemption period.

3. [If the governing body of any political subdivision adopted an ordinance that applied to the 2004 sales tax holiday to prohibit the provisions of this section from

allowing the sales tax holiday to apply to such political subdivision's local sales tax, then, notwithstanding any provision of a local ordinance to the contrary, the 2005 sales tax holiday shall not apply to such political subdivision's local sales tax. However, any such political subdivision may enact an ordinance to allow the 2005 sales tax holiday to apply to its local sales taxes. A political subdivision must notify the department of revenue not less than forty-five calendar days prior to the beginning date of the sales tax holiday occurring in that year of any ordinance or order rescinding an ordinance or order to opt out.

4.] This section shall not apply to any sales which take place within the Missouri state fairgrounds.

[5.] 4. This section applies to sales of items bought for personal use only.

7.] 5. This section may not apply to any retailer when less than two percent of the retailer's merchandise offered for sale qualifies for the sales tax holiday. The retailer [shall] may offer a sales tax refund in lieu of the sales tax holiday.

6. A sale of property which is eligible for an exemption under subsection 1 of this section but is

purchased under a layaway sale shall only qualify for an exemption if:

(1) Final payment on a layaway order is made by, and the property is given to, the purchaser during the exemption period; or

(2) The purchaser selects the property and the seller accepts the order for the property during the exemption period, for immediate delivery upon full payment, even if delivery is made after the exemption period.

7. The exemption of a bundled transaction shall be calculated as provided by law for all other bundled transactions.

8. (1) For any discount offered by a seller that is a reduction of the sales price of the product, the discounted sales price shall determine whether the sales price falls below the price threshold provided in subsection 1 of this section. A coupon that reduces the sales price shall be treated as a discount only if the seller is not reimbursed for the coupon amount by a third party.

(2) If a discount applies to the total amount paid by a purchaser rather than to the sales price of a particular product and the purchaser has purchased both exempt property and taxable property, the seller shall allocate the discount based on the total sales prices of the taxable property compared to the total sales prices of all property sold in the same transaction.

9. Items that are normally sold as a single unit shall continue to be sold in that manner and shall not be priced separately and sold as individual items.

10. Items that are purchased during an exemption period but that are not delivered to the purchaser until after the exemption period due to the item not being in stock shall qualify for an exemption. The provisions of

this subsection shall not apply to an item that was delivered during an exemption period but was purchased prior to or after the exemption period.

11. (1) If a purchaser purchases an item of eligible property during an exemption period, but later exchanges the item for a similar eligible item after the exemption period, no additional tax shall be due on the new item.

(2) If a purchaser purchases an item of eligible property during an exemption period, but later returns the item after the exemption period and receives credit on the purchase of a different nonexempt item, the appropriate sales tax shall be due on the sale of the newly purchased item.

(3) If a purchaser purchases an item of eligible property before an exemption period, but during the exemption period returns the item and receives credit on the purchase of a different item of eligible property, no sales tax shall be due on the sale of the new item if the new item is purchased during the exemption period.

(4) For a sixty-day period immediately following the end of the exemption period, if a purchaser returns an exempt item, no credit for or refund of sales tax shall be given unless the purchaser provides a receipt or invoice that shows tax was paid, or the seller has sufficient documentation to show that tax was paid on the item being returned.

144.054. 1. As used in this section, the following terms mean:

[The exemptions granted in this subsection shall not apply to local sales taxes as defined in section 32.085 and the provisions of this subsection shall be in addition to any state and local sales tax exemption provided in section 144.030.] The construction and application of this subsection as expressed by the Missouri supreme court in DST Systems, Inc. v. Director of Revenue, 43 S.W.3d 799 (Mo. banc 2001); Southwestern Bell

4. In addition to all other exemptions granted under this chapter, there is hereby specifically exempted from the provisions of [sections 144.010 to 144.525 and 144.600 to 144.761, and section 238.235,] this chapter and the local sales tax law as defined in section 32.085, and from the

It shall be the duty of every person making any purchase or receiving any service upon which a tax is imposed by sections 144.010 to 144.510 to pay, to the extent possible under the provisions of section 144.285, the amount of such tax to the person making such sale or rendering such service. Any person who shall willfully and intentionally refuse to pay such tax shall be guilty of a

misdemeanor. The provisions of this section shall not apply to any person making any purchase or sale of a motor vehicle subject to sales tax as provided by the Missouri sales tax law, unless such person making the sale is a motor vehicle dealer authorized to collect and remit sales tax pursuant to subsection 10 of section 144.070.

2. A purchaser shall be relieved from any additional tax, interest, additions, or penalties for failure to collect and remit the proper amount of tax owed on a purchase subject to sales tax under this chapter if:

Every person receiving any payment or consideration upon the sale of property or rendering of service, subject to the tax imposed by the provisions of sections 144.010 to ~~[144.525]~~ 144.527, is exercising the taxable privilege of selling the property or rendering the service at retail and is subject to the tax levied in section 144.020. The person shall be responsible not only for the collection of the amount of the tax imposed on the sale or service to the extent possible under the provisions of section 144.285, but shall, on or before the last day of the month following each calendar quarterly period of three

months, file a return with the director of revenue showing the person's gross receipts and the amount of tax levied in section 144.020 for the preceding quarter, and shall remit to the director of revenue, with the return, the taxes levied in section 144.020, except as provided in subsections 2 and 3 of this section. The director of revenue may promulgate rules or regulations changing the filing and payment requirements of sellers, but shall not require any seller to file and pay more frequently than required in this section.

2. (1) Where the aggregate amount levied and imposed upon a seller by section 144.020 is in excess of two hundred fifty dollars for either the first or second month of a calendar quarter, the seller shall file a return and pay such aggregate amount for such months to the director of revenue by the twentieth day of the succeeding month.

(2) Beginning January 1, 2022, where the aggregate amount levied and imposed upon a seller by section 144.020 is in excess of two hundred fifty dollars for either the first or second month of a calendar quarter, the seller shall file a return and pay such aggregate amount for such months to the director of revenue on or before the last day of the succeeding month.

The return shall be filed and the taxes paid on or before January thirty-first of the succeeding year.

4. The seller of any property or person rendering any service, subject to the tax imposed by sections 144.010 to ~~[144.525]~~ 144.527, shall collect the tax from the purchaser of such property or the recipient of the service to the

extent possible under the provisions of section 144.285, but the seller's inability to collect any part or all of the tax does not relieve the seller of the obligation to pay to the state the tax imposed by section 144.020; except that the collection of the tax imposed by sections 144.010 to ~~[144.525]~~ 144.527 on motor vehicles and trailers shall be made as provided in sections 144.070 and 144.440.

5. Any person may advertise or hold out or state to the public or to any customer directly that the tax or any part thereof imposed by sections 144.010 to ~~[144.525]~~ 144.527, and required to be collected by the person, will be assumed or absorbed by the person, provided that the amount of tax assumed or absorbed shall be stated on any invoice or receipt for the property sold or service rendered. 3. Any certified service provider receiving an allowance under subsection 2 of this section shall not be entitled to simultaneously deduct the allowance provided for under subsection 1 of this section.

4. For the purposes of this section, "certified service provider" shall mean an agent certified by the department of revenue to perform all the seller's sales and use tax functions, other than the seller's obligation to remit tax on its own purchases.

the sales tax holiday occurring in that year of any such ordinance or order.

5. This section may not apply to any retailer when less than two percent of the retailer's merchandise offered for sale qualifies for the sales tax holiday. The retailer shall offer a sales tax refund in lieu of the sales tax holiday.] A sale of property which is eligible for an exemption under subsection 1 of this section but is purchased under a layaway sale shall only qualify for an exemption if:

(1) Final payment on a layaway order is made by, and the property is given to, the purchaser during the exemption period; or

(2) The purchaser selects the property and the seller accepts the order for the property during the exemption period, for immediate delivery upon full payment, even if delivery is made after the exemption period.

5. (1) For any discount offered by a seller that is a reduction of the sales price of the product, the discounted sales price shall determine whether the sales price falls below the price threshold provided in subsection 1 of this section. A coupon that reduces the sales price shall be treated as a discount only if the seller is not reimbursed for the coupon amount by a third party.

(2) If a discount applies to the total amount paid by a purchaser rather than to the sales price of a particular product and the purchaser has purchased both exempt property and taxable property, the seller shall allocate the discount based on the total sales prices of the taxable property compared to the total sales prices of all property sold in the same transaction.

6. Items that are normally sold as a single unit shall continue to be sold in that manner and shall not be priced separately and sold as individual items.

7. Items that are purchased during an exemption period but that are not delivered to the purchaser until after the exemption period due to the item not being in stock shall qualify for an exemption. The provisions of this subsection shall not apply to an item that was delivered during an exemption period but was purchased prior to or after the exemption period.

8. (1) If a purchaser purchases an item of eligible property during an exemption period, but later exchanges the item for a similar eligible item after the exemption period, no additional tax shall be due on the new item.

(2) If a purchaser purchases an item of eligible property during an exemption period, but later returns the item after the exemption period and receives credit on the purchase of a different nonexempt item, the appropriate sales tax shall be due on the sale of the newly purchased item.

(3) If a purchaser purchases an item of eligible property before an exemption period, but during the exemption period returns the item and receives credit on the purchase of a different item of eligible property, no sales tax shall be due on the sale of the new item if the new item is purchased during the exemption period.

(4) For a sixty-day period immediately following the end of the exemption period, if a purchaser returns an exempt item no credit for or refund of sales tax shall be given unless the purchaser provides a receipt or invoice that shows tax was paid, or the seller has sufficient documentation to show that tax was paid on the item being returned.

If the vendor met such requirements for any such twelve-month period, such vendor shall collect and remit the tax as provided under section 144.635 for a period of not less than twelve months, beginning not more than three months following the close of the preceding calendar quarter, and shall continue to collect and remit the tax for as long as the vendor is engaged in business activities within this state, as provided for under this paragraph, or otherwise maintains a substantial nexus with this state;

144.608. 1. For the purpose of more efficiently securing the payment of and accounting for the tax collected and remitted by retailers and vendors, the department is hereby authorized:

(1) To consult, contract, and work jointly with the streamlined sales and use tax agreement's governing board to allow sellers to use the governing board's certified service providers and central registration system services; or

(2) To consult, contract, and work with certified service providers independently. The department is authorized to determine the method and amount of compensation to be provided to certified service providers by this state for the services of such certified service providers to certain sellers, provided that no certified service provider or seller utilizing a certified service provider shall be entitled to the deduction provided in subsection 1 of section 144.140.

2. The director of revenue shall make, promulgate, and enforce reasonable rules and regulations for the administration and enforcement of the provisions of this chapter relating to the collection and remittance of sales and use tax by certified service providers. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 1, 2023, shall be invalid and void.

144.637. 1. The director of revenue shall provide and maintain a database that describes boundary changes for all taxing jurisdictions and the effective dates of such changes

for the use of vendors collecting the tax imposed under sections 144.600 to 144.745.

2. For the identification of counties and cities, codes corresponding to the rates shall be provided according to Federal Information Processing Standards (FIPS) as developed by the National Institute of Standards and Technology. For the identification of all other jurisdictions, codes corresponding to the rates shall be in a format determined by the director.

3. The director shall provide and maintain address-based boundary database records for assigning taxing jurisdictions and associated rates. The database records shall meet the requirements developed pursuant to the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a). If a vendor is unable to determine the applicable rate and jurisdiction using an address-based database record after exercising due diligence, the vendor may apply the nine-digit zip code designation applicable to a purchase. If a nine-digit zip code designation is not available for a street address or if a vendor is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the vendor may apply the rate for the five-digit zip code area. For the purposes of this section, there shall be a rebuttable presumption that a vendor has exercised due diligence if the vendor has attempted to determine the tax rate and jurisdiction by utilizing software approved by the director and makes the assignment from the address and zip code information applicable to the purchase. The databases shall be in the same approved format as the database records under this section and meet the requirements developed pursuant to the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a).

If the director certifies an address-based database provided by a third party, a vendor may use such database in place of the database provided for in this subsection.

4. The electronic database provided for in subsections 1, 2, and 3 of this section shall be in a downloadable format as determined by the director. The database may be directly provided by the director or provided by a third party as designated by the director. The database provided by the director shall be provided at no cost to the user of the database. The provisions of subsection 3 of this section shall not apply if the purchased product is received by the purchaser at the business location of the vendor.

5. No vendor shall be liable for reliance upon erroneous data provided by the director on tax rates, boundaries, or taxing jurisdiction assignments.

144.638. 1. The director shall provide and maintain a taxability matrix. The state's entries in the matrix shall be provided and maintained by the director in a database that is in a downloadable format.

2. The director shall provide reasonable notice of changes in the taxability of the products or services listed in the taxability matrix.

3. A seller or CSP shall be relieved from liability to this state or any local taxing jurisdiction for having charged and collected the incorrect amount of state or local sales or use tax resulting from such seller's or CSP's reliance upon erroneous data provided or approved by the director in the taxability matrix, and a seller shall be relieved from liability for erroneous returns made by a CSP on behalf of the seller.

144.710. [From every remittance made by a vendor as required by sections 144.600 to 144.745 to the director of revenue on or before the date when the remittance becomes

due, the vendor may deduct and retain an amount equal to two percent thereof.] The provisions of section 144.140 relating to the allowance for timely remittance of payment shall be applicable to the tax levied under sections 144.600 to 144.745.

144.752. 1. For the purposes of this section, the following terms shall mean:

(1) "Marketplace facilitator", a person that:

(a) Facilitates a retail sale by a marketplace seller by listing or advertising for sale by the marketplace seller in any forum, tangible personal property or services that are subject to tax under this chapter; and

(b) Either directly or indirectly through agreements or arrangements with third parties collects payment from the purchaser and transmits all or part of the payment to the marketplace seller.

A marketplace facilitator is a seller and shall comply with the provisions of this chapter. A marketplace facilitator does not include a person who provides internet advertising services, or product listing, and does not collect payment from the purchaser and transmit payment to the marketplace seller, and does not include a person with respect to the provision of travel agency services or the operation of a marketplace or that portion of a marketplace that enables consumers to receive travel agency services. For the purposes of this subdivision, "travel agency services" means facilitating, for a commission, fee, or other consideration, vacation or travel packages, rental car or other travel reservations, tickets for domestic or foreign travel by air, rail, ship, bus, or other medium of transportation, or hotel or other lodging accommodations;

(2) "Marketplace seller", a seller that makes sales through any electronic marketplace operated by a marketplace facilitator;

(3) "Person", any individual, firm, copartnership, joint venture, association, corporation, municipal or private, whether organized for profit or not, state, county, political subdivision, state department, commission, board, bureau or agency, except the department of transportation, estate, trust, business trust, receiver or trustee appointed by the state or federal court, syndicate, or any other group or combination acting as a unit;

(4) "Purchaser", any person who is the recipient for a valuable consideration of any sale of tangible personal property acquired for use, storage, or consumption in this state;

(5) "Retail sale", the same meaning as defined under sections 144.010 and 144.011, excluding motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors required to be titled under the laws of the state and subject to tax under subdivision (9) of subsection 1 of section 144.020;

(6) "Seller", a person selling or furnishing tangible personal property or rendering services on the receipts from which a tax is imposed under section 144.020.

2. (1) Beginning January 1, 2023, marketplace facilitators that engage in business activities within this state shall register with the department to collect and remit use tax, as applicable, on sales made through the marketplace facilitator's marketplace by or on behalf of a marketplace seller that are delivered into the state, whether by the marketplace facilitator or another person, and regardless of whether the marketplace seller for whom sales are facilitated possesses a retail sales license or

would have been required to collect use tax had the sale not been facilitated by the marketplace facilitator. Such retail sales shall include those made directly by the marketplace facilitator and shall also include those retail sales made by marketplace sellers through the marketplace facilitator's marketplace. The collection and reporting requirements of this subsection shall not apply to retail sales other than those made through a marketplace facilitator's marketplace. Nothing in this section shall be construed to limit or prohibit the ability of a marketplace facilitator and a marketplace seller to enter into agreements regarding the fulfillment of the requirements of this chapter.

(2) All taxable sales made through a marketplace facilitator's marketplace by or on behalf of a marketplace seller shall be deemed to be consummated at the location in this state to which the item is shipped or delivered, or at which possession is taken by the purchaser.

3. Marketplace facilitators that are required to collect use tax under this section shall report and remit the tax separately from any sales and use tax collected by the marketplace facilitator, or by affiliates of the marketplace facilitator, which the marketplace facilitator would have been required to collect and remit under the provisions of this chapter prior to January 1, 2023. Such tax shall be reported and remitted as determined by the department. Marketplace facilitators shall maintain records of all sales delivered to a location in the state, including electronic or paper copies of invoices showing the purchaser, address, purchase amount, and use tax collected. Such records shall be made available for review and inspection upon request by the department.

4. Marketplace facilitators who properly collect and remit to the department in a timely manner use tax on sales in accordance with the provisions of this section by or on behalf of marketplace sellers shall be eligible for any discount provided under this chapter.

5. A marketplace facilitator shall separately state on an invoice provided to a purchaser the use tax collected and remitted on behalf of a marketplace seller.

6. Any taxpayer who remits use tax under this section shall be entitled to refunds or credits to the same extent and in the same manner provided for in section 144.190 for taxes collected and remitted under this section. Nothing in this section shall relieve a purchaser of the obligation to remit use tax for any retail sale taxable under this chapter for which a marketplace facilitator or marketplace seller does not collect and remit the use tax.

7. Except as provided under subsections 8 and 9 of this section, marketplace facilitators shall be subject to the penalty provisions, procedures, and reporting requirements provided under the provisions of this chapter.

8. No class action shall be brought against a marketplace facilitator in any court in this state on behalf of purchasers arising from or in any way related to an overpayment of use tax collected on retail sales facilitated by a marketplace facilitator, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection shall affect a purchaser's right to seek a refund as provided under section 144.190.

9. (1) A marketplace facilitator shall be relieved from liability under this section for the failure to collect and remit the correct amount of use tax on retail sales facilitated for marketplace sellers under the following circumstances:

(a) To the extent that the marketplace facilitator demonstrates to the satisfaction of the department that the error was due to insufficient or incorrect information given to the marketplace facilitator by the marketplace seller; provided, however, that a marketplace facilitator shall not be relieved of liability under this paragraph if the marketplace facilitator and the marketplace seller are affiliated;

(b) To the extent that the marketplace facilitator demonstrates to the satisfaction of the department that:

a. The marketplace facilitator is not the seller and that the marketplace facilitator and marketplace seller are not affiliated;

b. The retail sale was facilitated for a marketplace seller through a marketplace operated by the marketplace facilitator; and

c. The failure to collect and remit the correct amount of use tax was due to an error other than an error in sourcing the sale under the provisions of this chapter.

(2) The relief from liability provided under subdivision (1) of this subsection shall not exceed the following percentage of the total use tax due on retail sales facilitated by a marketplace facilitator for marketplace sellers and sourced to this state during a calendar year, which such retail sales shall not include retail sales made directly by the marketplace facilitator or affiliates of the marketplace facilitator:

(a) For retail sales made or facilitated during the 2023 calendar year, four percent;

(b) For retail sales made or facilitated during the 2024 calendar year, two percent;

(c) For retail sales made or facilitated during the 2025 calendar year, one percent; and

(d) For retail sales made or facilitated for all years beginning on or after January 1, 2026, zero percent.

(3) To the extent that a marketplace facilitator is relieved of liability for the collection of use tax under this subsection, the marketplace seller for whom the marketplace facilitator has made or facilitated the sale shall also be relieved of liability under this subsection.

(4) The department shall determine the manner in which a marketplace facilitator or marketplace seller shall apply for and claim the relief from liability provided for under this subsection.

10. For the purposes of this section, a marketplace facilitator shall not include a third party financial institution appointed by a merchant or a marketplace facilitator to handle various forms of payment transactions, such as processing credit cards and debit cards, and whose sole activity with respect to marketplace sales is to facilitate the payment transactions between two parties.

11. The state general revenue portion from remittances made pursuant to this section, with the exception of revenues collected pursuant to section 144.701 and Article IV, Sections 43(a) and 47(a) of the Missouri Constitution, shall be deposited to the credit of the cash operating expense fund established pursuant to section 33.575.

12. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay

the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 1, 2023, shall be invalid and void.

144.757. 1. Any county or municipality[, except municipalities within a county having a charter form of government with a population in excess of nine hundred thousand,] may, by a majority vote of its governing body, impose a local use tax if a local sales tax is imposed as defined in section 32.085 or if a sales tax is imposed pursuant to section 94.850 or 94.890, with such local use tax imposed at a rate equal to the rate of the local sales tax [in effect in] and any sales tax imposed pursuant to section 94.850 or 94.890 by such county or municipality; provided, however, that no ordinance or order enacted pursuant to sections 144.757 to 144.761 shall be effective unless the governing body of the county or municipality submits to the voters thereof at a municipal, county or state general, primary or special election a proposal to authorize the governing body of the county or municipality to impose a local use tax pursuant to sections 144.757 to 144.761. [Municipalities within a county having a charter form of government with a population in excess of nine hundred thousand may, upon voter approval received pursuant to paragraph (b) of subdivision (2) of subsection 2 of this section, impose a local use tax at the same rate as the local municipal sales tax with the revenues from all such municipal use taxes to be distributed pursuant to subsection 4 of section 94.890. The municipality shall within thirty days of the approval of the use tax imposed pursuant to paragraph (b) of subdivision (2) of subsection 2 of this section select one of the distribution options permitted in

3. The local use tax may be imposed at the same rate as the local sales tax then currently in effect in the county or municipality upon all transactions which are subject to the taxes imposed pursuant to sections 144.600 to 144.745 within the county or municipality adopting such tax; provided, however, that if any local sales tax is repealed or the rate thereof is reduced or raised by voter approval, the local use tax rate shall also be deemed to be repealed, reduced or raised by the same action repealing, reducing or raising the local sales tax.

4. For purposes of sections 144.757 to 144.761, the use tax may be referred to or described as the equivalent of a sales tax on purchases made from out-of-state sellers by in-state buyers and on certain intrabusiness transactions.
