

Journal of the Senate

FIRST REGULAR SESSION

FORTY-SECOND DAY—WEDNESDAY, MARCH 31, 2021

The Senate met pursuant to adjournment.

Senator Crawford in the Chair.

The Reverend Carl Gauck offered the following prayer:

“God has not given us the spirit of fear, but rather a spirit of power and of love and of disciplined mind.” (2 Timothy 1:7)

Almighty God, help us to see that there is nothing mutually exclusive about using our hearts and our minds for they often help us to make the best of all possible decisions. And help us, Lord, to strive for a balance between boldness and love, between power and wise discretion so we act with wholesome ways that produce equity and justice for all we encounter this day. And we pray that the product of our efforts with one another will aid the people of Missouri. In Your Holy Name we pray. Amen.

2. The municipality issuing the license shall determine the license fee. The license shall expire June thirtieth of each year. Each license shall bear a separate number, the name and address of the licensee, and telephone number of the licensee. The license shall be available only to the person in whose name it is issued and shall not be used by any person other than the original licensee. (4) Except as provided in subsection 2 of this section **and section 115.160**, no officer, agency, or organization shall collect or submit a voter registration application with an electronic signature to an election authority without first obtaining approval of the data and signature format from the local election authority and the approval of the voter to collect and store the signature and data; and

(1) Within thirty days of, but in no event prior to January 1, 2017, the president of the Missouri Association of County Clerks and Election Authorities shall appoint fourteen of its members to serve on a committee to approve and develop uniform standards, systems, and modifications that shall be used by the secretary of state in any electronic voter registration application system offered by that office. In addition, one representative appointed by the secretary of state's office shall serve on the committee;

(2) The committee shall immediately meet to approve electronic signature formats and a minimum set of data collection standards for use in a voter registration application system maintained by the secretary of state;

(3) Once the format and data collection standards are approved by the committee and implemented for the system maintained by the secretary of state, local election authorities shall accept the transmission of voter registration applications submitted to the approved system under the provisions of sections 432.200 to 432.295;

(4) The secretary of state's office shall direct eligible voters to a local election authority's system to accept voter registration applications electronically if the local election authority has a system in place as of August 28, 2016, or implements a system that meets the same standards and format that has been approved by the committee for the secretary of state's system;

(5) The committee shall meet not less than semiannually through June 30, 2019, to recommend and approve changes and enhancements proposed by the secretary of state or election authorities to the electronic voter registration application system. Vacancies that occur on the committee shall be filled by the president of the Missouri Association of County Clerks and Election Authorities at the time of the vacancy;

(6) To improve the accuracy of voter registration application data and reduce costs for local election authorities, the system maintained by the secretary of state shall, as soon as is practical, provide a method where the data entered by the voter registration applicant does not have to be re-entered by the election authority to the state voter registration database.

3. Each applicant who registers using an approved electronic voter registration application system shall be deemed to be registered as of the date the signed application is submitted to the system, if such application is accepted and not rejected by the election authority and the verification notice required under section 115.155 is not returned as undeliverable by the postal service.

4. This section shall not apply to voter registration and absentee records submitted by voters authorized under federal law, section 115.291, or sections 115.900 to 115.936 to submit electronic records and signatures.

7. [Notwithstanding the provisions of section 432.230] **Except as provided under sections 115.160 and 432.230**, nothing in this section shall require the election authority to accept voter registration records or

signatures created, generated, sent, communicated, received, stored, or otherwise processed, or used by electronic means or in electronic form from any officer, agency, or organization not authorized under subsection 2 of this section without prior approval from the election authority. **Election authorities shall accept and process voter registration records, including electronic images of applicant signatures, transmitted electronically by the division of motor vehicle and drivers licensing of the department of revenue under section 115.160.** Except as provided in subsection 2 of this section **and section 115.160**, no officer, agency, or organization shall give the voter the opportunity to submit a voter registration application with an electronic signature without first obtaining the approval of the local election authority.

8. An election authority that agrees to conduct a transaction by electronic means may refuse to conduct other transactions by electronic means.

9. No election authority or the secretary of state shall furnish to any member of the public any data collected under a voter registration application system except as authorized in subsections 1 to 5 of section 115.157.

10. Nothing in this section shall be construed to require the secretary of state to cease operating a voter registration application in place as of the effective date of this act.”; and

HOUSE COMMITTEE SUBSTITUTE FOR
HOUSE CONCURRENT RESOLUTION NOS. 4 and 5

WHEREAS, Missouri was part of the 1803 Louisiana Purchase and became a state in 1821; and

WHEREAS, the terms of Missouri's statehood included that Missouri would be the only state north of the Mason-Dixon line that was a slave state; and

WHEREAS, the tensions in the nation regarding racial equality, or lack thereof, have played out in profound ways in the state of Missouri; and

WHEREAS, St. Louis, being situated on the Mississippi River, was uniquely positioned to be a destination for the slave trade; and

WHEREAS, tensions of human inequality are profoundly apparent in the history of the state; and

WHEREAS, when persons with African ancestry in Missouri sued for their freedom, such freedom was sometimes granted, within the legal parameters allowed; and

WHEREAS, the tension in the nation over the issue of slavery and human inequality resulted in Dred and Harriet Scott, persons with African ancestry, being denied freedom in this state in a decision by the Missouri Supreme Court on March 22, 1852; and

WHEREAS, that 1852 Missouri Supreme Court decision deviated from Court precedent freeing former slaves and stated: "Times are not now as they once were when the former decisions on this subject were made. Since then not only individuals but States have been possessed with dark and fell spirit in relation to slavery ... the state of Missouri is willing to assume her full responsibility for the existence of slavery within her limits, nor does she seek to share or divide it with others;"; and

WHEREAS, after this decision, the Scotts persisted in their pursuit for freedom, ultimately resulting in the infamous decision by the Supreme Court of the United States on March 6, 1857, holding that as African Americans, Dred and Harriet Scott did not have the right to sue for their freedom, consigning African Americans to a permanent inferior status in this country; and

WHEREAS, the March 22, 1852, Dred Scott decision is a regrettable legacy for this state and antithetical to the nation's founding values, specifically the tenet that all men are created equal; and

WHEREAS, the 1852 Missouri Supreme Court Dred Scott decision opened the door for the 1857 United States Supreme Court's decision declaring that people of African ancestry "had for more than a century before been regarded as beings of an inferior order, and altogether unfit to associate with the white race, either in social or political relations; and so far inferior, that they had no rights which the white man was bound to respect; and that the negro might justly and lawfully be reduced to slavery for his benefit", an expression of racism and a precursor to Jim Crow laws, which perpetrated over a century of injustice; and

WHEREAS, it is time for these open doors to be unequivocally closed; and

WHEREAS, all political power is vested in and derived from the people; and

WHEREAS, all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole; and

WHEREAS, all constitutional government is intended to promote the general welfare of all people; and

WHEREAS, all persons have a natural right to life, liberty, and the pursuit of happiness; and

WHEREAS, no person shall be deprived of life, liberty, or property without the due process of law; and

WHEREAS, all human beings are created equal and are entitled to equal rights and opportunity under the law; and

WHEREAS, two hundred years after this State's founding, during the bicentennial of this State's founding, it is time to draw a line between Missouri's history, which encompassed such inhumane and unfair treatment to our citizens, and the present and future Missouri, which aims to be a place of equal treatment for all:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the One Hundred First General Assembly, First Regular Session, the Senate concurring therein, that, as the 1852 Missouri Supreme Court decision recognized "times are not now as they once were when the former decisions on this subject were made"; and, that the times have once again changed and we declare the March 22, 1852, Missouri Supreme Court Dred Scott decision is fully and entirely renounced; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Governor, the Clerk of the Supreme Court of Missouri, the justices of the Supreme Court of Missouri, and the members of the Missouri Congressional delegation.

In which the concurrence of the Senate is respectfully requested.
