

# Journal of the Senate

FIRST REGULAR SESSION

---

FIFTIETH DAY—THURSDAY, APRIL 15, 2021

---

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

The Reverend Carl Gauck offered the following prayer:

“I declare that your steadfast love is established forever; your faithfulness is as firm as the heavens.” (Psalm 89:2)

Gracious God, we are grateful to bring another week to a close and pray that we have made good use of the time we have spent here. Those things we have done according to Your will we ask that You may bless. And those things we have failed to do as You require, we ask Your forgiveness and tolerance as we work our way through this life together. We pray that you watch over “Our going out and coming in” so nothing may interfere with our travel home to be with those we love as together we worship and give You thanks to You, our God. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

**PETITIONS**

Senator Wieland submitted the following:

*Paul Wieland #22*  
Printed 4/15/21

**PETITION TO THE 101<sup>ST</sup> MISSOURI GENERAL ASSEMBLY**

In 1976 the Hyde Amendment was first enacted by the U.S. Congress and has been the first line of defense against taxpayer funded abortion ever since. Studies have shown that nearly 2.5 million unborn babies' lives have been saved due to the Hyde Amendment. Studies also suggest that approximately one-fourth of women who would have Medicaid-funded abortions, instead give birth when taxpayer funding of abortion is unavailable.

Federal requirements under 42 U.S.C. requires Medicaid participation in family planning but does not define family planning, leaving the decision up to the states. States have had the ability to allocate Medicaid funds to pay only for *non*-abortifacient family planning services.

Since the 1973 Roe v. Wade abortion decision, the Missouri General Assembly has defended the 'Right to Life' and passed numerous laws protecting the lives of unborn children. While the General Assembly has been successful in their efforts of decreasing the amount of abortions in Missouri, the state's Medicaid program operated by MO HealthNet has continued to pay for and provide abortifacient drugs.

During the First Regular Session of the 101<sup>st</sup> Missouri General Assembly, Senate Substitute for Senate Bill 1 was amended by Senator Wieland and supported by twenty-one Senators. This amendment would prevent MO HealthNet from spending tax dollars on any drug or device approved by the federal Food and Drug Administration that may cause the destruction of, or prevent the implantation of, an unborn child.

We urge the Missouri General Assembly to continue to support pro-life legislation and support prohibition of taxpayer-funded abortions. We encourage the General Assembly to support Senate Amendment 1 to Senate Substitute for Senate Bill 1, in order to ensure that the conscience rights of Missourians are protected.

This petition of the General Assembly is attested to and undersigned by the citizens of Missouri.
