*Compiled under the direction of the  
Secretary of the Senate and Chief Clerk of the House*

In compliance with Section 2.080, RSMo 2000

## Missouri General Assembly

### USER ADVISORY

This Index is for use with the bound version of the Journals of the Senate and House, Second Regular Session, First Extra Session and Veto Session 101st General Assembly, State of Missouri.

The Journals are printed daily by the Senate and House. Corrections made in a daily journal subsequent to the printing of the Journal may be located by examining the "corrections" heading in this index.

The bound sets of Senate and House Journals constitute the official version of the Journals and take precedence over other versions which might be available electronically or otherwise.

Journal page numbers are given only in the numerical listing of SENATE BILLS INTRODUCED and HOUSE BILLS INTRODUCED. When using the TRULY AGREED TO and the CLASSIFIED INDEX, please refer to the numerical listing for journal page numbers.

Bill authors are not listed for substitute bills.

In the CLASSIFIED INDEX, bill captions (listed under SUBJECT) have been revised to take into account changes that occurred after introduction. Bills are classified in this portion of the index by the last version acted upon.

### AUTHORITY FOR PUBLICATION

**2.080.** 1. Copies of the journals of the proceedings of each house of the general assembly shall be compiled under the superintendence and direction of the secretary of the senate and chief clerk of the house, in such number as may be determined to be necessary by the committee on legislative research, to be distributed as directed by the committee. After each session of the general assembly, the secretary of the senate and chief clerk of the house shall examine and correct the proof sheets of the journals of their respective chambers and prepare a table of the errata, if any errors have been made, and shall prepare an index of the journals. The secretary of the senate and chief clerk of the house shall develop and use a common indexing system for the journals.

2. Copies of the journals may be printed and bound into books, may be microphotographed, or may otherwise be copied so as to preserve the record of proceedings and to facilitate the use and storage of the journals.

**2.091.** The secretary of the senate and chief clerk of the house shall deliver, upon request, one copy of the journal of their respective chambers to the judge of any court of record, any member of either house of the general assembly, the head of any state department, bureau or state institution, the state university, the Missouri state historical society and any public library in the state, two copies of each to the law library association of St. Louis, and three copies of each to the Library of Congress at Washington, D.C. The remaining copies shall be preserved, subject to the orders of the general assembly.
