Annual reductions shall be made pursuant to this subdivision until December 31, 2075. Thereafter, 23 the percentage of true value in money at which personal 24 25 property is assessed shall be equal to the percentage in 26 effect on December 31, 2075. 27 (2) The provisions of subdivision (1) of this subsection shall not be construed to relieve a political 28 29 subdivision from adjustments to property tax levies as 30 required by section 137.073. (3) For the purposes of subdivision (1) of this 31 32 subsection, "real property assessment growth" shall mean the growth in revenue from increases in the total assessed 33 valuation of all real property in a political subdivision 34 over the revenue generated from the assessed valuation of 35 such real property from the previous calendar year. The assessor shall annually assess all real 46 2. property, including any new construction and improvements to 47 real property, and possessory interests in real property at 48 49 the percent of its true value in money set in subsection [5] 6 of this section. The assessor shall annually assess all real 64 65 property in the following manner: new assessed values shall be determined as of January first of each odd-numbered year 66 and shall be entered in the assessor's books; those same 67 assessed values shall apply in the following even-numbered 68 year, except for new construction and property improvements 69 70 which shall be valued as though they had been completed as 71 of January first of the preceding odd-numbered year. The assessor may call at the office, place of doing business, or 72 residence of each person required by this chapter to list 73 property, and require the person to make a correct statement 74 of all taxable tangible personal property owned by the 75 76 person or under his or her care, charge or management, 77 taxable in the county. On or before January first of each 78 even-numbered year, the assessor shall prepare and submit a 79 two-year assessment maintenance plan to the county governing body and the state tax commission for their respective 80 approval or modification. The county governing body shall 81 approve and forward such plan or its alternative to the plan 82 to the state tax commission by February first. If the 83 county governing body fails to forward the plan or its 84 85 alternative to the plan to the state tax commission by

86 February first, the assessor's plan shall be considered 87 approved by the county governing body. If the state tax 88 commission fails to approve a plan and if the state tax commission and the assessor and the governing body of the 89 90 county involved are unable to resolve the differences, in 91 order to receive state cost-share funds outlined in section 92 137.750, the county or the assessor shall petition the 93 administrative hearing commission, by May first, to decide 94 all matters in dispute regarding the assessment maintenance 95 plan. The assessor shall not use a value that 224 225 is greater than the average trade-in value in determining 226 the true value of the motor vehicle without performing a 227 physical inspection of the motor vehicle. For vehicles two 228 years old or newer from a vehicle's model year, the assessor 229 may use a value other than average without performing a 230 physical inspection of the motor vehicle. In the absence of 231 a listing for a particular motor vehicle in such 232 publication, the assessor shall use such information or publications which in the assessor's judgment will fairly 233 234 estimate the true value in money of the motor vehicle.

[10.] <u>11.</u> Before the assessor may increase the assessed valuation of any parcel of subclass (1) real property by more than fifteen percent since the last assessment, excluding increases due to new construction or improvements, the assessor shall conduct a physical inspection of such property.

No county or city collector may charge 266 surcharge for payment by credit card which exceeds the fee 267 or surcharge charged by the credit card bank, processor, or issuer for its service. 317 its own property taxes or satisfies the entire cost of the 318 billing and collection of such separate and differing tax 319 rates. Such separate and differing rates shall not exceed 320 such city's tax rate ceiling.

321 [16.] 17.
