Missouri Constitution, Article XII, Section 2(b) and 116.260 RSMo require the Secretary of State to publish the full text of each statewide ballot measure in local newspapers prior to an election. Additional funds are required to cover the cost of publishing the measures in local newspapers, which provides Missouri voters with necessary material to make informed voting choices. This request will allow the State to meet its constitutional and statutory obligations during FY23.

As a result of the cyclical nature of elections, the expense of this program will increase in FY23 from the current fiscal year. In FY19, there was a primary election as well as general election held for both Federal and State races. FY23 will include those same races. Expenditures have increased due to an increase in postage and an increase in voters utilizing absentee voting. All 116 election jurisdictions are eligible for absentee postage reimbursement under 115.285 RSMo.

The current starting salary for an Unclaimed Property Processing Clerk is \$27,112. In order to return the money owed to Missouri's taxpayers in an efficient and expedient manner, a new pay plan for these positions is essential to this process. The state of Missouri relies on the positions included in this pay plan to contact, verify and return unclaimed property to its rightful owner. To remain competitive in the current employment landscape the State Treasurer's Office must increase the salaries for positions in the Unclaimed Property and General Services divisions.
