

SENATE COMMITTEE SUBSTITUTE

FOR

HOUSE BILL NO. 1584

AN ACT

To amend chapter 67, RSMo, by adding thereto one new section relating to electric vehicle charging station requirements.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 67, RSMo, is amended by adding thereto one new section, to be known as section 67.288, to read as follows:

67.288. 1. For purposes of this section, the following terms mean:

(1) "Electric vehicle", any vehicle that operates, either partially or exclusively, on electrical energy from the grid or an off-board source that is stored onboard for a motive purpose;

(2) "Electric vehicle charging station", a public or private parking space that is served by battery charging station equipment that has as its primary purpose the transfer of electric energy by conductive or inductive means to a battery or other energy storage device in an electric vehicle.

2. Notwithstanding any other provision of law, a political subdivision that adopts an ordinance, resolution, regulation, code, or policy that requires installation of electric vehicle charging stations or infrastructure for future installation at any business shall pay all costs associated with the installation, maintenance, and operation of the electric vehicle charging stations.

3. Subsection 2 of this section shall apply only to or within a city not within a county, and a county with more than one million inhabitants.

4. Subsection 2 of this section shall not apply to any grant agreements between businesses and political subdivisions that include requirements for charging stations, and those businesses enter into the agreements voluntarily.

5. Nothing in this section shall prohibit private business or property owners from paying for the installation, maintenance, and operation of electric vehicle charging stations.
