---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Sections 84.480 and 84.730, RSMo, are repealed and two new sections enacted in lieu thereof, to be known as sections 84.480 and 84.730, to read as follows:

84.480. The board of police commissioners shall appoint a chief of police who shall be the chief police administrative and law enforcement officer of such cities. The chief of police shall be chosen by the board solely on the basis of his or her executive and administrative qualifications and his or her demonstrated knowledge of police science and administration with special reference to his or her actual experience in law enforcement leadership and the provisions of section 84.420. At the time of the appointment, the chief shall not be more than sixty years of age, shall have had at least five years' executive experience in a governmental police agency and shall be certified by a surgeon or physician to be in a good physical condition, and shall be a citizen of the United States and shall either be or become a citizen of the state of Missouri and resident of the city in which he or she is appointed as chief of police. [In order to secure and retain the highest type of police leadership within the departments of such

cities, the chief shall receive a salary of not less than eighty thousand two hundred eleven dollars, nor more than one hundred eighty-nine thousand seven hundred twenty-six dollars per annum.]

84.730. It shall be the duty of the board, on the fifteenth day of January of each year, to prepare, in writing, a budget estimating the sum of money which will be necessary for the next fiscal year, to enable the board to discharge the duties hereby imposed upon it, and to meet the expenses of the police department, which it shall forthwith certify to the governing body of such cities, and the budget shall itemize purposes of expenditure by organization units, activities, functions, and character classes in not less detail than "personal services", "contractual services", "commodities", and "capital outlays", and shall in any event be prepared in form and detail similar to the form and detail in which budgets for the various departments of such city government are prepared. The governing body of the cities is hereby required to appropriate the total amount so certified, payable out of the revenue of the cities after first having deducted the amount necessary to pay the interest on the indebtedness of the cities, the amount necessary for lighting the city, and any sum required by law to be placed to the credit of the sinking fund of the cities, and if the board shall be required to call out extra police force and the expense thereof shall not have been contemplated in their estimate for the fiscal year during which the extra police force is called out, it shall immediately certify the expense of such additional force, and the additional amount so required shall be appropriated for that purpose, except that in no event shall the governing body of the cities be required to appropriate for the use of the police board in any fiscal year an amount in

excess of [~~one-fifth~~] one-fourth of the general revenue fund of such year.

Section B. Because immediate action is necessary to ensure police protection of the community, the repeal and reenactment of section 84.730 of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the repeal and reenactment of section 84.730 of this act shall be in full force and effect upon its passage and approval.
