practice is provided by the attorney without compensation. In the case of any claim or judgment that arises under this subdivision, the aggregate of payments from the state legal expense fund shall be limited to a maximum of five hundred thousand dollars for all claims arising out of and judgments based upon the same act or acts alleged in a single cause and shall not exceed five hundred thousand dollars for any one claimant, and insurance policies purchased pursuant to the provisions of section 105.721 shall be limited to five hundred thousand dollars;

3. Moneys in the state legal expense fund shall be available for the payment of any claim or any amount required by any final judgment rendered by a court of
competent jurisdiction for the purposes of paying judgments arising from claims under section 506.400.

4. The department of health and senior services shall promulgate rules regarding contract procedures and the documentation of care provided under paragraphs (b), (c), (d), (e), and (f) of subdivision (3) of subsection 2 of this section. The limitation on payments from the state legal expense fund or any policy of insurance procured pursuant to the provisions of section 105.721, provided in subsection [7] 8 of this section, shall not apply to any claim or judgment arising under paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section. Any claim or judgment arising under paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section shall be paid by the state legal expense fund or any policy of insurance procured pursuant to section 105.721, to the extent damages are allowed under sections 538.205 to 538.235. Liability or malpractice insurance obtained and maintained in force by any health care professional licensed or registered under chapter 330, 331, 332, 334, 335, 336, 337, or 338 for coverage concerning his or her private practice and assets shall not be considered available under subsection [7] 8 of this section to pay that portion of a judgment or claim for which the state legal expense fund is liable under paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section. However, a health care professional licensed or registered under chapter 330, 331, 332, 334, 335, 336, 337, or 338 may purchase liability or malpractice insurance for coverage of liability claims or judgments based upon care rendered under paragraphs (c), (d), (e), and (f) of subdivision (3) of subsection 2 of this section which exceed the amount of
liability coverage provided by the state legal expense fund under those paragraphs. Even if paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section is repealed or modified, the state legal expense fund shall be available for damages which occur while the pertinent paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section is in effect.

[4.] 5. The attorney general shall promulgate rules regarding contract procedures and the documentation of legal practice provided under subdivision (5) of subsection 2 of this section. The limitation on payments from the state legal expense fund or any policy of insurance procured pursuant to section 105.721 as provided in subsection [7] 8 of this section shall not apply to any claim or judgment arising under subdivision (5) of subsection 2 of this section. Any claim or judgment arising under subdivision (5) of subsection 2 of this section shall be paid by the state legal expense fund or any policy of insurance procured pursuant to section 105.721 to the extent damages are allowed under sections 538.205 to 538.235. Liability or malpractice insurance otherwise obtained and maintained in force shall not be considered available under subsection [7] 8 of this section to pay that portion of a judgment or claim for which the state legal expense fund is liable under subdivision (5) of subsection 2 of this section. However, an attorney may obtain liability or malpractice insurance for coverage of liability claims or judgments based upon legal practice rendered under subdivision (5) of subsection 2 of this section that exceed the amount of liability coverage provided by the state legal expense fund under subdivision (5) of subsection 2 of this section. Even if subdivision (5) of subsection 2 of this section is repealed
SB 1132

or amended, the state legal expense fund shall be available for damages that occur while the pertinent subdivision (5) of subsection 2 of this section is in effect.

[5. ] 6. All payments shall be made from the state legal expense fund by the commissioner of administration with the approval of the attorney general. Payment from the state legal expense fund of a claim or final judgment award against a health care professional licensed or registered under chapter 330, 331, 332, 334, 335, 336, 337, or 338, described in paragraph (a), (b), (c), (d), (e), or (f) of subdivision (3) of subsection 2 of this section, or against an attorney in subdivision (5) of subsection 2 of this section, shall only be made for services rendered in accordance with the conditions of such paragraphs. In the case of any claim or judgment against an officer or employee of the state or any agency of the state based upon conduct of such officer or employee arising out of and performed in connection with his or her official duties on behalf of the state or any agency of the state that would give rise to a cause of action under section 537.600, the state legal expense fund shall be liable, excluding punitive damages, for:

(1) Economic damages to any one claimant; and
(2) Up to three hundred fifty thousand dollars for noneconomic damages.

The state legal expense fund shall be the exclusive remedy and shall preclude any other civil actions or proceedings for money damages arising out of or relating to the same subject matter against the state officer or employee, or the officer's or employee's estate. No officer or employee of the state or any agency of the state shall be individually
liable in his or her personal capacity for conduct of such 
officer or employee arising out of and performed in 
connection with his or her official duties on behalf of the 
state or any agency of the state. The provisions of this 
subsection shall not apply to any defendant who is not an 
officer or employee of the state or any agency of the state 
in any proceeding against an officer or employee of the 
state or any agency of the state. Nothing in this 
subsection shall limit the rights and remedies otherwise 
available to a claimant under state law or common law in 
proceedings where one or more defendants is not an officer 
or employee of the state or any agency of the state.

[6.] 7. The limitation on awards for noneconomic 
damages provided for in this subsection shall be increased 
or decreased on an annual basis effective January first of 
each year in accordance with the Implicit Price Deflator for 
Personal Consumption Expenditures as published by the Bureau 
of Economic Analysis of the United States Department of 
Commerce. The current value of the limitation shall be 
calculated by the director of the department of commerce and 
insurance, who shall furnish that value to the secretary of 
state, who shall publish such value in the Missouri Register 
as soon after each January first as practicable, but it 
shall otherwise be exempt from the provisions of section 
536.021.

[7.] 8. Except as provided in subsection [3] 4 of this 
section, in the case of any claim or judgment that arises 
under sections 537.600 and 537.610 against the state of 
Missouri, or an agency of the state, the aggregate of 
payments from the state legal expense fund and from any 
policy of insurance procured pursuant to the provisions of 
section 105.721 shall not exceed the limits of liability as
provided in sections 537.600 to 537.610. No payment shall
be made from the state legal expense fund or any policy of
insurance procured with state funds pursuant to section
105.721 unless and until the benefits provided to pay the
claim by any other policy of liability insurance have been
exhausted.

[8.] 9. The provisions of section 33.080
notwithstanding, any moneys remaining to the credit of the
state legal expense fund at the end of an appropriation
period shall not be transferred to general revenue.

[9.] 10. Any rule or portion of a rule, as that term
is defined in section 536.010, that is promulgated under the
authority delegated in sections 105.711 to 105.726 shall
become effective only if it has been promulgated pursuant to
the provisions of chapter 536. Nothing in this section
shall be interpreted to repeal or affect the validity of any
rule filed or adopted prior to August 28, 1999, if it fully
complied with the provisions of chapter 536. This section
and chapter 536 are nonseverable and if any of the powers
vested with the general assembly pursuant to chapter 536 to
review, to delay the effective date, or to disapprove and
annul a rule are subsequently held unconstitutional, then
the grant of rulemaking authority and any rule proposed or
adopted after August 28, 1999, shall be invalid and void.

506.400. 1. As used in this section, "claimant" means
a person convicted and subsequently imprisoned for one or
more offenses that such person did not commit.

2. Notwithstanding any other provision of law, a
claimant may bring an action in the circuit court seeking
damages from the state under this section.

3. (1) The claimant shall establish the following by
a preponderance of evidence:
(a) The claimant was convicted of a felony offense and subsequently imprisoned;

(b) The claimant's judgment of conviction was reversed or vacated and either the charges were dismissed or on retrial the claimant was found to be not guilty;

(c) The claimant did not commit the offense or offenses for which the claimant was convicted and was not an accessory or accomplice to the acts that were the basis of the conviction and resulted in a reversal or vacation of the judgment of conviction, dismissal of the charges, or finding of not guilty on retrial; and

(d) The claimant did not commit or suborn perjury, fabricate evidence, or by the claimant's own conduct cause or bring about the conviction. Neither a confession or admission later found to be false nor a guilty plea shall constitute committing or suborning perjury, fabricating evidence, or causing or bringing about the conviction under this subsection.

(2) The court, in exercising its discretion as permitted by law regarding the weight and admissibility of evidence submitted under this section, may, in the interest of justice, give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence, or other factors not caused by such persons or those acting on their behalf.

4. (1) The suit, accompanied by a statement of the facts concerning the claim for damages, verified in the manner provided for the verification of complaints in the rules of civil procedure, shall be brought by the claimant within a period of two years after the:

(a) Dismissal of the criminal charges against the claimant or finding of not guilty on retrial; or
(b) Grant of a pardon to the claimant.

(2) A claimant convicted, imprisoned, and released from custody before August 28, 2022, shall commence an action under this section no later than August 28, 2024.

(3) All pleadings shall be captioned "In the matter of the wrongful conviction of".

(4) Any claim filed under this section shall be served on the attorney general.

(5) The suit for a claim filed under this section shall be tried by the court, and no request for a jury trial shall be made.

5. (1) Damages awarded under this section shall be:

(a) Except as provided in subdivision (2) of this subsection, one hundred seventy-nine dollars per day for each day of imprisonment but no more than sixty-five thousand dollars per fiscal year; and

(b) Not less than twenty-five thousand dollars for each additional year served on parole or postrelease supervision or each additional year the claimant was required to register as a sexual offender under sections 589.400 to 589.425, whichever is greater.

(2) A claimant shall not receive compensation for any period of incarceration during which the claimant was concurrently serving a sentence for a conviction of another crime for which such claimant was lawfully incarcerated.

(3) (a) Except as provided in paragraph (b) of this subdivision, the court shall order that the award be paid as a combination of an initial payment not to exceed one hundred thousand dollars or twenty-five percent of the award, whichever is greater, and the remainder as an annuity not to exceed eighty thousand dollars per year. The
claimant shall designate a beneficiary or beneficiaries for
the annuity by filing such designation with the court.

(b) The court may order that the award be paid in one
lump sum if the court finds that it is in the best interests
of the claimant.

(4) In addition to the damages awarded under
subdivision (1) of this subsection, the claimant:

(a) Shall be entitled to receive reasonable attorney's
fees and costs incurred in the action brought under this
section not to exceed a total of twenty-five thousand
dollars, unless a greater reasonable total is authorized by
the court upon a finding of good cause shown;

(b) May also be awarded other nonmonetary relief as
sought in the complaint including, but not limited to,
counseling, housing assistance, and personal financial
literacy assistance, as appropriate; and

(c) Shall be entitled to receive tuition assistance
under section 506.403.

6. (1) If, at the time of the judgment entry referred
to in subsection 5 of this section, the claimant has won a
monetary award against the state or any political
subdivision thereof in a civil action related to the same
subject, or has entered into a settlement agreement with the
state or any political subdivision thereof related to the
same subject, the amount of the award in the action or the
amount received in the settlement agreement, less any sums
paid to attorneys or for costs in litigating the other civil
action or obtaining the settlement agreement, shall be
deducted from the sum of moneys to which the claimant is
entitled under this section. The court shall include in the
judgment entry an award to the state of any amount deducted
under this subsection.
(2) If subdivision (1) of this subsection does not apply and if, after the time of the judgment entry referred to in subsection 5 of this section, the claimant wins a monetary award against the state or any political subdivision thereof in a civil action related to the same subject, or enters into a settlement agreement with the state or any political subdivision thereof related to the same subject, the claimant shall reimburse the state for the sum of moneys paid under the judgment entry referred to in subsection 5 of this section, less any sums paid to attorneys or for costs in litigating the other civil action or obtaining the settlement agreement. A reimbursement required under this subsection shall not exceed the amount of the monetary award the claimant wins for damages in the other civil action or the amount received in the settlement agreement.

7. If the court finds that the claimant is entitled to a judgment, it shall enter a certificate of innocence finding that the claimant was innocent of all offenses for which the claimant was mistakenly convicted. The clerk of the court shall send a certified copy of the certificate of innocence and the judgment entry to the attorney general for payment under section 105.711.

8. Upon entry of a certificate of innocence, the claimant shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records or recordations of his or her arrest, plea, trial, or conviction. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and only available to the parties or
by order of the court for good cause shown. The effect of
such order shall be to restore such person to the status he
or she occupied prior to such arrest, plea, or conviction
and as if such event had never taken place. No person as to
whom such order has been entered shall be held thereafter
under any provision of any law to be guilty of perjury or
otherwise giving a false statement by reason of his or her
failure to recite or acknowledge such arrest, plea, trial,
conviction, or expungement in response to any inquiry made
of him or her for any purpose whatsoever, and no such
inquiry shall be made for information relating to an
expungement under this subsection.

9. Upon entry of a certificate of innocence, the court
shall order the expungement and destruction of the
associated biological samples authorized by and given to the
Missouri state highway patrol. The order shall state the
information required to be stated in a petition to expunge
and destroy the samples and profile record and shall direct
the Missouri state highway patrol to expunge and destroy
such samples and profile record. The clerk of the court
shall send a certified copy of the order to the Missouri
state highway patrol, which shall carry out the order and
provide confirmation of such action to the court. Nothing in
this subsection shall require the Missouri state highway
patrol to expunge and destroy any sample or profile record
associated with the claimant that was related to any offense
other than the offense for which the court has entered a
certificate of innocence.

10. The decision to grant or deny a certificate of
innocence shall not have a res judicata effect on any other
proceedings.
11. Nothing in this section shall preclude the department of corrections from providing reentry services to a claimant that are provided to other persons including, but not limited to, financial assistance, housing assistance, mentoring, and counseling. Such services shall be provided while an action under this section is pending and after any judgment is entered, as appropriate for such claimant.

12. A decision under this section may be appealed to the supreme court.

506.403. 1. Any individual awarded tuition assistance under section 506.400 shall receive a waiver of tuition and required fees for attendance at a public institution of higher education for up to one hundred twenty credit hours. Such individual may attend a public institution of higher education either full-time or part-time.

2. (1) Subject to appropriations, the department of higher education may make expenditures to reimburse each individual awarded tuition assistance under section 506.400 who is enrolled in a public institution of higher education for additional fees including, but not limited to, fees for room and board, technical equipment, and course-required books.

(2) No public institution of higher education shall delay enrollment of an individual who is awarded tuition assistance under section 506.400 because appropriations are not available for any additional fees provided to such individual.

3. To remain eligible for the tuition and fees waiver under this section, an individual shall remain in good standing at the public institution of higher education where the individual is enrolled.
4. Individuals shall provide a written or electronic copy of the court order awarding relief in the form of tuition assistance to the public institution of higher education or the department of higher education.

5. The department of higher education shall adopt rules and regulations to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

[650.058. 1. Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such crime solely as a result of DNA profiling analysis may be paid restitution. The individual may receive an amount of one hundred dollars per day for each day of postconviction incarceration for the crime for which the individual is determined to be actually innocent. The petition for the payment of said restitution shall be filed with the sentencing court. For the purposes of this section, the term "actually innocent" shall mean:

(1) The individual was convicted of a felony for which a final order of release was entered by the court;

(2) All appeals of the order of release have been exhausted;

(3) The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another]
concurrent sentence because his or her parole
was revoked by a court or the parole board in
connection with the crime for which the person
has been exonerated. Regardless of whether any
other basis may exist for the revocation of the
person's probation or parole at the time of
conviction for the crime for which the person is
later determined to be actually innocent, when
the court's or the parole board's sole stated
reason for the revocation in its order is the
conviction for the crime for which the person is
later determined to be actually innocent, such
order shall, for purposes of this section only,
be conclusive evidence that their probation or
parole was revoked in connection with the crime
for which the person has been exonerated; and
(4) Testing ordered under section 547.035,
or testing by the order of any state or federal
court, if such person was exonerated on or
before August 28, 2004, or testing ordered under
section 650.055, if such person was or is
exonerated after August 28, 2004, demonstrates a
person's innocence of the crime for which the
person is in custody.
Any individual who receives restitution under
this section shall be prohibited from seeking
any civil redress from the state, its
departments and agencies, or any employee
thereof, or any political subdivision or its
employees. This section shall not be construed
as a waiver of sovereign immunity for any
purposes other than the restitution provided for
herein. The department of corrections shall
determine the aggregate amount of restitution
owed during a fiscal year. If insufficient
moneys are appropriated each fiscal year to pay
restitution to such persons, the department
shall pay each individual who has received an
order awarding restitution a pro rata share of
the amount appropriated. Provided sufficient
moneys are appropriated to the department, the
amounts owed to such individual shall be paid on
June thirtieth of each subsequent fiscal year,
until such time as the restitution to the
individual has been paid in full. However, no
individual awarded restitution under this
subsection shall receive more than thirty-six
thousand five hundred dollars during each fiscal
year. No interest on unpaid restitution shall
be awarded to the individual. No individual who
