

SENATE BILL NO. 910

101ST GENERAL ASSEMBLY

INTRODUCED BY SENATOR EIGEL.

3577S.01H

ADRIANE D. CROUSE, Secretary

AN ACT

To amend chapters 260 and 644, RSMo, by adding thereto two new sections relating to processed recycled asphalt shingles.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapters 260 and 644, RSMo, are amended by adding thereto two new sections, to be known as sections 260.221 and 644.060, to read as follows:

260.221. 1. As used in this section, the term "processed recycled asphalt shingles" means manufacture waste scrap shingles and post-consumer tear-off scrap shingles that do not contain extraneous metals, glass, rubber, nails, soil, brick, tars, paper, wood, and plastics, and which have been reduced in size to produce a commercially reasonable usable product. "Processed recycled asphalt shingles" shall also be considered clean fill, as such term is defined in section 260.200.

2. Processed recycled asphalt shingles may be used for fill, reclamation, and other beneficial purposes without a permit under sections 260.200 to 260.345, provided that processed recycled asphalt shingles shall not be used for such purposes within fifty feet of any lake, river, sink hole, perennial stream, or ephemeral stream.

644.060. Processed recycled asphalt shingles, as defined in section 260.221, may be used for fill, reclamation, and other beneficial purposes without a permit

4 under sections 644.006 to 644.141, provided that processed
5 recycled asphalt shingles shall not be used for such
6 purposes within fifty feet of any lake, river, sink hole,
7 perennial stream, or ephemeral stream.
