Copies of any records 44 requested by the department shall be prepared by the staff 45

- sections 198.003 to 198.096 is operating without a license,
- 61 and the department is not permitted access to inspect the

  - 198.026. 1. Whenever a duly authorized representative
- 2 of the department finds upon an inspection of a facility

- 3 that it is not in compliance with the provisions of sections

- 5 the operator or administrator shall be informed of the
- 6 deficiencies in an exit interview conducted with the

- 8 department shall inform the operator or administrator, in
- 9 writing, of any violation of a class I standard at the time
- 10 the determination is made. A written report shall be
- 11 prepared of any deficiency for which there has not been
- 12 prompt remedial action, and a copy of such report and a
- 13 written correction order shall be sent to the operator or
- 14 administrator by [certified mail or other] a delivery
- 15 service that provides a dated receipt of delivery [at the
- 16 facility address] within ten working days after the
- 17 inspection, stating separately each deficiency and the

- 19 2. The operator or administrator shall have five
- 20 working days following receipt of a written report and
- 21 correction order regarding a violation of a class I standard
- 22 and ten working days following receipt of the report and

- 24 III standards to request any conference and to submit a plan
- of correction for the department's approval which contains
- 26 specific dates for achieving compliance. Within five
- 27 working days after receiving a plan of correction regarding
- 28 a violation of a class I standard and within ten working
- 29 days after receiving a plan of correction regarding a

- 33 corrective action shall be taken by the operator or
- 34 administrator and a written plan of correction shall be

62

63

64

65

66

35 submitted to the department. The department shall give its 36 written approval or rejection of the plan and if the plan is 37 acceptable, a reinspection shall be conducted within twenty calendar days of the exit interview to determine if 38 39 deficiencies have been corrected. If there was a violation 40 of any class II standard and the plan of correction is 41 acceptable, an unannounced reinspection shall be conducted 42 between forty and ninety calendar days from the date of the exit conference to determine the status of all previously 43 44 cited deficiencies. If there was a violation of class III standards sufficient to establish that the facility was not 45 in substantial compliance, an unannounced reinspection shall 46 be conducted within one hundred twenty days of the exit 47 interview to determine the status of previously identified 48 deficiencies. 49

- 50 3. If, following the reinspection, the facility is 51 found not in substantial compliance with sections 198.003 to 198.096 and the standards established thereunder or the 52 53 operator is not correcting the noncompliance in accordance with the approved plan of correction, the department shall 54 issue a notice of noncompliance, which shall be sent by 55 [certified mail or other] a delivery service that provides a 56 57 dated receipt of delivery to [each person disclosed to be an 58 owner or] the operator or administrator of the facility, 59 according to the most recent information or documents on 60 file with the department.
  - 4. The notice of noncompliance shall inform the operator or administrator that the department may seek the imposition of any of the sanctions and remedies provided for in section 198.067, or any other action authorized by law.
  - 5. At any time after an inspection is conducted, the operator may choose to enter into a consent agreement with

- 67 the department to obtain a probationary license. The
- 68 consent agreement shall include a provision that the
- 69 operator will voluntarily surrender the license if
- 70 substantial compliance is not reached in accordance with the
- 71 terms and deadlines established under the agreement. The
- 72 agreement shall specify the stages, actions and time span to
- 73 achieve substantial compliance.
- 74 6. Whenever a notice of noncompliance has been issued,
- 75 the operator shall post a copy of the notice of
- 76 noncompliance and a copy of the most recent inspection
- 77 report in a conspicuous location in the facility, and the
- 78 department shall send a copy of the notice of noncompliance
- 79 to the department of social services, the department of
- 80 mental health, and any other concerned federal, state or
- 81 local governmental agencies.
  - 198.036. 1. The department may revoke a license in
- 2 any case in which it finds that:
- 3 (1) The operator failed or refused to comply with
- 4 class I or II standards, as established by the department
- 5 pursuant to section 198.085; or failed or refused to comply
- 6 with class III standards as established by the department
- 7 pursuant to section 198.085, where the aggregate effect of
- 8 such noncompliances presents either an imminent danger to
- 9 the health, safety or welfare of any resident or a
- 10 substantial probability that death or serious physical harm
- 11 would result;
- 12 (2) The operator refused to allow representatives of
- 13 the department to inspect the facility for compliance with
- 14 standards or denied representatives of the department access
- 15 to residents and employees necessary to carry out the duties
- 16 set forth in this chapter and rules promulgated thereunder,

except where employees of the facility are in the process of rendering immediate care to a resident of such facility;

- 19 (3) The operator knowingly acted or knowingly omitted 20 any duty in a manner which would materially and adversely 21 affect the health, safety, welfare or property of a resident;
- 22 (4) The operator demonstrated financial incapacity to 23 operate and conduct the facility in accordance with the 24 provisions of sections 198.003 to 198.096;
- 25 (5) The operator or any principals in the operation of 26 the facility have ever been convicted of, or pled quilty or nolo contendere to a felony offense concerning the operation 27 of a long-term health care facility or other health care 28 facility, or ever knowingly acted or knowingly failed to 29 perform any duty which materially and adversely affected the 30 health, safety, welfare, or property of a resident while 31 32 acting in a management capacity. The operator of the facility or any principal in the operation of the facility 33 shall not be under exclusion from participation in the Title 34 XVIII (Medicare) or Title XIX (Medicaid) program of any 35 state or territory; or 36
- 37 (6) The operator or any principals involved in the
  38 operation of the facility have ever been convicted of or
  39 pled guilty or nolo contendere to a felony in any state or
  40 federal court arising out of conduct involving either
  41 management of a long-term care facility or the provision or
  42 receipt of health care.
- 2. Nothing in subdivision (2) of subsection 1 of this section shall be construed as allowing the department access to information not necessary to carry out the duties set forth in sections 198.006 to 198.186.
- 47 3. Upon revocation of a license, the director of the department shall so notify the operator in writing, setting

- 49 forth the reason and grounds for the revocation. Notice of
- such revocation shall be sent [either by certified mail,
- return receipt requested, ] by a delivery service that
- 52 provides a dated receipt of delivery to the operator [at the
- address of the facility] and administrator, or served
- 54 personally upon the operator and administrator. The
- 55 department shall provide the operator notice of such
- 56 revocation at least ten days prior to its effective date.
  - 198.525. 1. [Except as otherwise provided pursuant to
- 2 section 198.526,] In order to comply with sections 198.012
- 3 and 198.022, the department of health and senior services
- 4 shall inspect residential care facilities, assisted living
- 5 facilities, intermediate care facilities, and skilled
- 6 nursing facilities, including those facilities attached to
- 7 acute care hospitals at least [twice] once a year.
- 8 2. The department shall not assign an individual to
- 9 inspect or survey a long-term care facility licensed under
- 10 this chapter, for any purpose, in which the inspector or
- 11 surveyor was an employee of such facility within the
- 12 preceding two years.
- 13 3. For any inspection or survey of a facility licensed
- 14 under this chapter, regardless of the purpose, the
- 15 department shall require every newly hired inspector or
- 16 surveyor at the time of hiring or, with respect to any
- 17 currently employed inspector or surveyor as of August 28,
- 18 2009, to disclose:
- 19 (1) The name of every Missouri licensed long-term care
- 20 facility in which he or she has been employed; and
- 21 (2) The name of any member of his or her immediate
- 22 family who has been employed or is currently employed at a
- 23 Missouri licensed long-term care facility.

- 24 The disclosures under this subsection shall be disclosed to
- 25 the department whenever the event giving rise to disclosure
- 26 first occurs.

- 33 5. The information called for in this section shall be
- 34 a public record under the provisions of subdivision (6) of
- 35 section 610.010.
- 36 6. Any person may notify the department if facts exist
- 37 that would lead a reasonable person to conclude that any
- inspector or surveyor has any personal or business
- 39 affiliation that would result in a conflict of interest in
- 40 conducting an inspection or survey for a facility. Upon
- 41 receiving that notice, the department, when assigning an
- 42 inspector or surveyor to inspect or survey a facility, for
- 43 any purpose, shall take steps to verify the information and,
- 44 if the department has probable cause to believe that it is
- 45 correct, shall not assign the inspector or surveyor to the
- 46 facility or any facility within its organization so as to
- 47 avoid an appearance of prejudice or favor to the facility or
- 48 bias on the part of the inspector or surveyor.
  - 198.526. 1. [Except as provided in subsection 3 of
- 2 this section, 1 The department of health and senior services
- 3 shall inspect all facilities licensed by the department at
- 4 least [twice] once each year. Such inspections shall be

- 6 (1) Without the prior notification of the facility; and

28

29

30

- 7 (2) At times of the day, on dates and at intervals
  8 which do not permit facilities to anticipate such
  9 inspections.
- 2. The department shall annually reevaluate the
   inspection process to ensure the requirements of subsection
   of this section are met.

- 17 (1) Previous inspection reports;
- 18 (2) The facility's history of compliance with rules
  19 promulgated pursuant to this chapter;
- 20 (3) The number and severity of complaints received 21 about the facility; and
- 22 (4) In the year subsequent to a finding of no class I
  23 violations or class II violations, the facility does not
  24 have a change in ownership, operator, or, if the department
  25 finds it significant, a change in director of nursing.
  - 4.] Information regarding unannounced inspections shall be disclosed to employees of the department on a need-to-know basis only. Any employee of the department who knowingly discloses the time of an unannounced inspection in violation of this section is guilty of a class A misdemeanor and shall have his or her employment immediately terminated.

- 2. As used in this section, the following terms shall4 mean:

- 7 federal, supported by evidence gathered from observation,
- 8 interview, or record review;
- 9 (2) "Department", the department of health and senior
- 10 services;
- 11 (3) "Facility", a long-term care facility licensed
- 12 under this chapter;

- 16 designated Medicare Quality Improvement Organization in this
- 17 state;

- 19 deficiencies which explains how corrective action will be
- 20 accomplished, how the facility will identify other residents
- 21 who may be affected by the deficiency practice, what
- 22 measures will be used or systemic changes made to ensure
- 23 that the deficient practice will not reoccur, and how the
- 24 facility will monitor to ensure that solutions are sustained;
- 25 (7) "QIO", the federally designated Medicare Quality
- 26 Improvement Organization in this state.
- 27 3. The department of health and senior services shall
- 28 contract with an independent third party to conduct informal
- 29 dispute resolution (IDR) for facilities licensed under this
- 30 chapter. The IDR process, including conferences, shall
- 31 constitute an informal administrative process and shall not
- 32 be construed to be a formal evidentiary hearing. Use of IDR
- 33 under this section shall not waive the facility's right to
- 34 pursue further or additional legal actions.
- 35 4. The department shall establish an IDR process to
- 36 determine whether a cited deficiency as evidenced by a
- 37 statement of deficiencies against a facility shall be
- 38 upheld. The department shall promulgate rules to

- incorporate by reference the provisions of 42 CFR 488.331
- 40 regarding the IDR process and to include the following
- 41 minimum requirements for the IDR process:

- 43 the department shall by [certified mail] a delivery service
- 44 that provides dated receipt of delivery transmit to the
- 45 facility a statement of deficiencies committed by the
- 46 facility. Notification of the availability of an IDR and
- 47 IDR process shall be included in the transmittal;
- 48 (2) Within ten [calendar] working days of receipt of
- 49 the statement of deficiencies, the facility shall return a
- 50 plan of correction to the department. Within such ten-day
- 51 period, the facility may request in writing an IDR
- 52 conference to refute the deficiencies cited in the statement
- 53 of deficiencies;
- 54 (3) Within ten working days of receipt for an IDR
- 55 conference made by a facility, the QIO shall hold an IDR
- 56 conference unless otherwise requested by the facility. The
- 57 IDR conference shall provide the facility with an
- 58 opportunity to provide additional information or
- 59 clarification in support of the facility's contention that
- 60 the deficiencies were erroneously cited. The facility may
- 61 be accompanied by counsel during the IDR conference. The
- 62 type of IDR held shall be at the discretion of the facility,
- 63 but shall be limited to:
- 64 (a) A desk review of written information submitted by
- 65 the facility; or
- (b) A telephonic conference; or
- 67 (c) A face-to-face conference held at the headquarters
- of the QIO or at the facility at the request of the
- 69 facility.

- 70 If the QIO determines the need for additional information,
- 71 clarification, or discussion after conclusion of the IDR
- 72 conference, the department and the facility shall be present.
- 73 5. Within ten days of the IDR conference described in
- 74 subsection 4 of this section, the QIO shall make a
- 75 determination, based upon the facts and findings presented,
- 76 and shall transmit the decision and rationale for the
- 77 outcome in writing to the facility and the department.
- 78 6. If the department disagrees with such
- 79 determination, the department shall transmit the
- 80 department's decision and rationale for the reversal of the
- 81 QIO's decision to the facility within ten calendar days of
- 82 receiving the QIO's decision.
- 83 7. If the QIO determines that the original statement
- 84 of deficiencies should be changed as a result of the IDR
- 85 conference, the department shall transmit a revised
- 86 statement of deficiencies to the facility with the
- 87 notification of the determination within ten calendar days
- 88 of the decision to change the statement of deficiencies.
- 89 8. Within ten calendar days of receipt of the
- 90 determination made by the QIO and the revised statement of
- 91 deficiencies, the facility shall submit a plan of correction
- 92 to the department.
- 93 9. The department shall not post on its website or
- 94 enter into the Centers for Medicare & Medicaid Services
- 95 Online Survey, Certification and Reporting System, or report
- 96 to any other agency, any information about the deficiencies
- 97 which are in dispute unless the dispute determination is
- 98 made and the facility has responded with a revised plan of
- 99 correction, if needed.
- 10. Any rule or portion of a rule, as that term is
- 101 defined in section 536.010, that is created under the

- 102 authority delegated in this section shall become effective
- 103 only if it complies with and is subject to all of the
- 104 provisions of chapter 536 and, if applicable, section
- 105 536.028. This section and chapter 536 are nonseverable and
- if any of the powers vested with the general assembly
- 107 pursuant to chapter 536 to review, to delay the effective
- 108 date, or to disapprove and annul a rule are subsequently
- 109 held unconstitutional, then the grant of rulemaking
- authority and any rule proposed or adopted after August 28,
- 111 2009, shall be invalid and void.
  - 198.640. As used in sections 198.640 to 198.648, the
  - following terms shall mean:
  - 3 (1) "Controlling person", a business entity, officer,
