SECOND DAY—THURSDAY, JANUARY 6, 2022

The Senate met pursuant to adjournment.

President Pro Tem Schatz in the Chair.

The Reverend Carl Gauck offered the following prayer:

Gracious God, King of the Universe, today we remember the Christian celebration of the Epiphany and the various ways You made Yourself known to people of every expression of faith on this tiny planet. You manifested Your presence so all may know You and in so doing taught us Your will for us to follow and the requirement to seek ways to promote love and justice among all people. And we pray that You will be with us as we return home to our loved ones and pray You will continue to watch over and provide healing to all who are ill among us. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

Senator Hough assumed the Chair.

BE IT RESOLVED by the Senate of the One Hundred First General Assembly, Second Regular Session, that the Senate Rules 70 and 88 be amended to read as follows:

“Rule 70. Bills vetoed by the governor and returned to the senate by the governor or by the house shall stand as reconsidered and such action shall be taken thereon as prescribed by the constitution and by the Joint Rules of the Senate and House of Representatives. **Only the sponsor or handler of the bill, or a senator designated in a letter submitted to the secretary of the senate by the sponsor or handler, shall be recognized by the chair to make a motion to override a veto of a bill by the governor.** (Constitution, Art. Rule 88. After a motion is stated by the chair, it is deemed to be in possession of the senate, but may be withdrawn at any time by the sponsor or handler before a vote on said motion. **Only the sponsor or handler of the bill, or a senator designated in a letter submitted to the secretary of the senate by the sponsor or handler, shall be recognized by the chair to make a motion to bring a bill or resolution before the senate for adoption, perfection, third reading, or any other motion regarding such bill or resolution.**”.

Senator Rizzo offered the following resolution:

SENATE RESOLUTION NO. 436
NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the Eleventh District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred First General Assembly, Second Regular Session, that Senate Rules 84 and 85, be amended to read as follows:

“Rule 84. The previous question shall be in this form: “Shall the main question be now put?”. It shall only be admitted on written demand of [five] **ten** senators, and sustained by a vote of [a majority] **at least two-thirds** of the senators elected, and in effect shall be put without debate, and bring the senate to direct vote upon a motion to commit, if such motion shall have been made; and if this motion does not prevail, then upon amendments, and then upon the main question. On demand for the previous question, a call of the senate shall be in order, but after [a majority] **at least two-thirds** of the senators elected have sustained such a motion, no call shall be in order prior to the decision on the main question.

Rule 85. On motion of the previous question, no debate shall be allowed and all incidental questions of order arising after the motion is made for the previous question, and pending such motion, shall be decided on appeal or otherwise without debate; if, on a vote for the previous question, the motion is not sustained by [a majority] **at least two-thirds** of the senators elected, then the further consideration of the subject matter shall be in order.”.

CONCURRENT RESOLUTIONS

Senator White offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 21

Relating to an application to Congress for the calling of an Article V Convention of states to propose an amendment to the United States Constitution to authorize the several states to repeal certain federal actions.

Whereas, Article I of the United States Constitution begins “All legislative powers herein granted shall be vested in a Congress”; and

Whereas, the Congress has exceeded the legislative powers granted in the Constitution thereby encroaching on the powers that are “reserved to the states respectively, or to the people” as the Tenth Amendment affirms and the rights “retained by the people” to which the Ninth Amendment refers; and

Whereas, in addition to the encroachment by Congress on powers reserved to the states, the federal courts have exceeded powers granted to the federal judiciary under Article III of the U.S. Constitution by rulings that encroach upon powers reserved to the states; and

Whereas, the United States Constitution should be amended to enable the several states to correct violations of the limited powers by the United States and thereby restore the proper balance between the powers of Congress and the federal courts and those of the several states, and better prevent the denial or disparagement of the rights retained by the people:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby apply to Congress, under the provisions of Article V of the United States Constitution,

for the calling of a convention of the states limited to proposing an amendment to the United States Constitution to give states the authority to repeal a Federal rule, regulation, or statute, or a Federal court ruling relating to certain federal actions, when ratified by the legislatures of two-thirds of the several states; and

Be It Further Resolved that the following article be proposed as an amendment to the Constitution of the United States:

“Section 1. The several states may repeal, in whole or in part, any:

1) Presidential Executive order, rule, regulation, other regulatory action, administrative ruling issued by a department, agency, or instrumentality of the United States;

2) Statute that has duly passed both houses of Congress; or

3) Federal Court ruling relating to the provisions of subsection 1 or 2 of this section.

Such repeal shall be effective when the legislatures of two-thirds of the several States approve resolutions for this purpose that particularly describe the same provision or provisions of the Executive order, rule, regulation, other regulatory action, administrative ruling or statute, or ruling to be repealed.

Section 2. Congress shall have power to enforce this article by appropriate legislation.”; and

Be It Further Resolved that the General Assembly adopts this application with the following understandings (as the term “understandings” is used within the context of “reservations, understandings, and declarations”):

(1) An application to Congress for an Article V convention confers no power on Congress other than to perform a ministerial function to “call” for a convention;

(2) This ministerial duty shall be performed by Congress only when Article V applications for substantially the same purpose are received from two-thirds of the legislatures of the several states;

(3) The power of Congress to “call” a convention solely consists of the authority to name a reasonable time and place for the initial meeting of the convention;

(4) Congress possesses no power whatsoever to name delegates to the convention, as this power remains exclusively within the authority of the legislatures of the several states;

(5) Congress possesses no power to set the number of delegates to be sent by any states;

(6) Congress possesses no power whatsoever to determine any rules for such convention;

(7) By definition, a Convention of States means that states vote on the basis of one state, one vote;

(8) A Convention of States convened pursuant to this application is limited to consideration of topics specified herein and no other;

(9) The General Assembly of Missouri may recall its delegates at any time for breach of their duties or violations of their instructions;

(10) Pursuant to the text of Article V, Congress may determine whether proposed amendments shall be ratified by the legislatures of the several states or by special state ratification conventions. The General Assembly of Missouri recommends that Congress specify its choice on ratification methodology contemporaneously with the call for the convention;

(11) Congress possesses no power whatsoever with regard to the Article V convention beyond the two powers acknowledged herein;

(12) Missouri places express reliance on prior legal and judicial determinations that Congress possesses no power under Article I relative to the Article V process, and that Congress must act only as expressly specified in Article V; and

Be It Further Resolved that this application shall expire five (5) years after the passage of this resolution; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.

Senator Beck offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 22

Whereas, American farmers and ranchers raise the best meat in the world; and

Whereas, Americans should have the right to knowingly buy made-in-America products; and

Whereas, American farmers, ranchers, workers, and consumers benefit from transparency on the origins of their food; and

Whereas, consumers have repeatedly and overwhelmingly expressed their support for country of origin labeling of food products in the United States; and

Whereas, in 2008, the United States Congress overwhelmingly passed mandatory country of origin labeling for muscle cuts and ground meat sold at retail, requiring meat produced from imported livestock or imported boxed meat to bear a different label from meat produced from United States born, raised, and slaughtered livestock; and

Whereas, trade groups and the organizations representing multinational meat packers worked predominantly with Canada, as well as Mexico, to bring a World Trade Organization case against the United States for the removal of the country of origin labeling requirements;

and

Whereas, in 2015, the United States Congress repealed the country of origin labeling law for beef and pork, reducing the competitive advantage of products born, raised, and slaughtered in the United States; and

Whereas, the United States has the highest food safety standards in the world, while other countries place less emphasis on food safety; and

Whereas, foreign commodities like beef and pork are misleadingly labeled “Product of the USA” if they are processed or packed in the United States; and

Whereas, country of origin labeling gives producers and consumers the ability to distinguish true American products from foreign imported meat; and

Whereas, technological advancements make it possible to accurately and efficiently identify the origins of beef and pork without costly separation of imported and domestic commodities; and

Whereas, country of origin labeling is good for farmers, ranchers, workers, and meat packers because it allows them to identify their products as born, raised, and slaughtered in the United States; and

Whereas, the Missouri General Assembly supports American products, and consumers deserve the right to know the origins of their food:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby support the right of consumers to know the origins of their food, support the use of country of origin labels, and urge the United States Congress to reinstate mandatory country of origin labeling; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for each member of Missouri’s Congressional delegation.

Senator Moon offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 23

Whereas, in the American system, sovereignty is defined as “final authority”, and the people, not government, are the sovereign; and

Whereas, the people of the great State of Missouri are not united with the people of the other forty-nine states that comprise the United States of America on a principle of unlimited submission to their federal government; and

Whereas, the Constitution of the United States clearly establishes that all power not delegated by the people to government is retained by the people and the States; and

Whereas, the people of the several States comprising the United States of America created the federal government to be their agent for those purposes specifically enumerated in the Constitution; and

Whereas, the Tenth Amendment to the Constitution of the United States explicitly declares: “The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people”; and

Whereas, the Tenth Amendment thus affirms that the total scope of federal power is only that which is specifically delegated by the people to the federal government in the Constitution of the United States and can go no further than what is necessary and proper to carry into execution those specifically enumerated powers; every non-enumerated power is deliberately left to State governments or the people themselves; and

Whereas, powers, too numerous to list in this resolution, have been exercised, past and present, by federal administrations, under the leadership of both Democrats and Republicans, to transgress the lines drawn by the Constitution of the United States; and

Whereas, when powers that have not been delegated to the federal government are assumed and exercised over the States and their people, as the Declaration of Independence affirms, “it is their right, it is their duty, to throw off such government” usurpation and infringement into those areas, lest the people of this State be placed under the dominion and control of those who wrongly have usurped those rights; and

Whereas, numerous opinions delivered by the Supreme Court of the United States have been wrongly deemed the supreme law of the land when no actual law was passed by the only authority that is constitutionally authorized to make law: the United States Congress; and

Whereas, the President of the United States has issued Executive Orders reaching outside the constitutionally-specified limits of the jurisdiction of the Executive Branch of government and these orders have also been wrongly interpreted and enforced as the supreme law of the land:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred First General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby affirm the sovereignty of the people of the State of Missouri in those areas protected by the Tenth Amendment to the Constitution of the United States; and

Be It Further Resolved that this Resolution shall serve as a notice to the federal government to cease and desist activities outside the scope of its constitutionally-delegated powers; and

Be It Further Resolved that there is hereby created the “Joint Committee on the Review of Federal Overreach”, which shall have as its charge to identify specific federal laws and regulations outside the scope of the powers delegated by the people to the federal government in the Constitution of the United States and that thus infringe on the proper powers of the State; and

Be It Further Resolved that the Joint Committee shall be composed of five members of the Senate, with no more than three members of one party, and five members of the House of Representatives, with no more than three members of one party. The Senate members of the Joint Committee shall be appointed by the President Pro Tempore of the Senate and the House members by the Speaker of the House of Representatives. The Joint Committee shall select either a chairperson or co-chairpersons, one of whom shall be a member of the Senate and one a member of the House of Representatives. A majority of the members shall constitute a quorum. Meetings of the Joint Committee may be called at such time and place as the chairperson or co-chairpersons designate; and

Be It Further Resolved that the Joint Committee may hold hearings as it deems advisable and may obtain any input or information necessary to fulfill its obligations. The Joint Committee may make reasonable requests for staff assistance from the research and appropriations staffs of the House and Senate, but is not authorized to hire additional staff; and

Be It Further Resolved that the Joint Committee may prepare a final report, together with its recommendations for any legislative action deemed necessary, for submission to the General Assembly by December 31, 2022, at which time the Joint Committee shall be dissolved; and

Be It Further Resolved that members of the Joint Committee and any staff personnel assigned to the Joint Committee shall receive reimbursement for their actual and necessary expenses incurred in attending meetings of the Joint Committee; and

Be It Further Resolved that the actual expenses of the Joint Committee, its members, and any staff assigned to the Joint Committee incurred by the Joint Committee shall be paid by the Joint Contingent Fund; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officer of each of the legislative houses in the several states.

Senator Roberts offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 24

Relating to Victims of Communism Memorial Day.

Whereas, the year 2017 marked 100 years since the Bolshevik Revolution in Russia, resulting in the world's first communist regime, under Vladimir Lenin, and leading to decades of oppression and violence under communist regimes throughout the world; and

Whereas, based on the philosophy of Karl Marx, communism has proven incompatible with the ideals of liberty, prosperity, and dignity of human life and has given rise to such infamous totalitarian dictators as Joseph Stalin, Mao Zedong, Ho Chi Minh, Pol Pot, Nicolae Ceausescu, the Castro brothers, and the Kim Dynasty; and

Whereas, President Donald Trump declared November 7, 2017, a National Day for the Victims of Communism, condemning communism as a political philosophy "incompatible with liberty, prosperity, and the dignity of human life"; and

Whereas, the bipartisan U.S. Congressional Caucus for the Victims of Communism stated publicly in 2018 that "Marx's defenders often say he cannot be held accountable for what communist regimes did long after his life and death; but Marxist dictators who massacred their own people were applying communist ideology to political practice"; and

Whereas, communist regimes worldwide have killed more than 100 million people and subjected countless others to the worst and widest-spread human rights abuses known to history, with victims representing many different ethnicities, creeds, and backgrounds; and

Whereas, through false promises of equality and liberation, communist regimes have, as a matter of government policy, robbed their own citizens of the rights of freedom of religion, freedom of speech, and freedom of association through coercion, brutality, and fear; and

Whereas, many victims of communism were persecuted as political prisoners for speaking out against these regimes, and others were killed in genocidal state-sponsored purges; and

Whereas, in addition to violating basic human rights, communist regimes have suppressed freedom of conscience, cultural life, and self-determination movements in more than 40 nations:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One hundred first General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby designate November 7 of each year as Victims of Communism Memorial Day; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for Victims of Communism Memorial Foundation; and

Be It Further Resolved that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.
