As we travel back to our homes let us not be distracted from the responsibilities You have given us and those You have given us to love. And Lord, may we always give thanks for Your presence in our lives and seek You daily in our prayers and worship of You, our God. In Your Holy Name we pray. Amen.

BE IT RESOLVED by the Senate of the One Hundred Second General Assembly, First Regular Session, that the Senate Rules be amended to read as follows:

“Rule 29. 1. Senate offices and seats in the senate chamber shall be assigned [by the committee on administration to the majority and minority caucuses. Each caucus shall make office and senate seat assignments on the basis of seniority as defined in this rule, unless otherwise determined within a caucus] **on the basis of seniority**, except that Rooms 326 and 327 shall be known as the president pro tem’s office and shall be occupied by the senate’s president pro tem. Upon retirement from service as pro tem, that senator shall vacate the pro tem’s office and shall have first choice of available vacant offices [of his caucus], regardless of his seniority status. Except for the outgoing president pro tem, who is required to vacate the designated pro tem’s office, no senator shall be required to relinquish any office or seat once assigned to him.

2. Seniority shall be determined [by each caucus] on the basis of length of service, **with members of the majority party being senior to members of the minority party having the same length of service.** Length of service means:

- (b) In the case of equal continuous senate service, prior non-continuous senate service;

**CONCURRENT RESOLUTIONS**

Senator Moon offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 1

Whereas, American farmers and ranchers raise the best meat in the world; and

Whereas, Americans should have the right to knowingly buy made-in-America products; and

Whereas, American farmers, ranchers, workers, and consumers benefit from transparency on the origins of their food; and

Whereas, consumers have repeatedly and overwhelmingly expressed their support for country of origin labeling of food products in the United States; and

Whereas, in 2008, the United States Congress overwhelmingly passed mandatory country of origin labeling for muscle cuts and ground meat sold at retail, requiring meat produced from imported livestock or imported boxed meat to bear a different label from meat produced from United States born, raised, and slaughtered livestock; and

Whereas, trade groups and the organizations representing multinational meat packers worked predominantly with Canada, as well as Mexico, to bring a World Trade Organization case against the United States for the removal of the country of origin labeling requirements; and

Whereas, in 2015, the United States Congress repealed the country of origin labeling law for beef and pork, reducing the competitive advantage of products born, raised, and slaughtered in the United States; and

Whereas, the United States has the highest food safety standards in the world, while other countries place less emphasis on food safety; and

Whereas, foreign commodities like beef and pork are misleadingly labeled “Product of the USA” if they are processed or packed in the United States; and

Whereas, country of origin labeling gives producers and consumers the ability to distinguish true American products from foreign imported meat; and

Whereas, technological advancements make it possible to accurately and efficiently identify the origins of beef and pork without costly separation of imported and domestic commodities; and

Whereas, country of origin labeling is good for farmers, ranchers, workers, and meat packers because it allows them to identify their products as born, raised, and slaughtered in the United States; and

Whereas, the Missouri General Assembly supports American products, and consumers deserve the right to know the origins of their food:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby support the right of consumers to know the origins of their food, support the use of country of origin labels, and urge the United States Congress to reinstate mandatory country of origin labeling; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for each member of Missouri’s Congressional delegation.

**Senator Moon offered the following concurrent resolution:**

**SENATE CONCURRENT RESOLUTION NO. 2**

Whereas, in the American system, sovereignty is defined as “final authority”, and the people, not government, are the sovereign; and

Whereas, the people of the great State of Missouri are not united with the people of the other forty-nine states that comprise the United States of America on a principle of unlimited submission to their federal government; and

Whereas, the Constitution of the United States clearly establishes that all power not delegated by the people to government is retained by the people and the States; and

Whereas, the people of the several States comprising the United States of America created the federal government to be their agent for those purposes specifically enumerated in the Constitution; and

Whereas, the Tenth Amendment to the Constitution of the United States explicitly declares: “The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people”; and

Whereas, the Tenth Amendment thus affirms that the total scope of federal power is only that which is specifically delegated by the people to the federal government in the Constitution of the United States and can go no further than what is necessary and proper to carry into execution those specifically enumerated powers; every non-enumerated power is deliberately left to State governments or the people themselves; and

Whereas, powers, too numerous to list in this resolution, have been exercised, past and present, by federal administrations, under the leadership of both Democrats and Republicans, to transgress the lines drawn by the Constitution of the United States; and

Whereas, when powers that have not been delegated to the federal government are assumed and exercised over the States and their people, as the Declaration of Independence affirms, “it is their right, it is their duty, to throw off such government” usurpation and infringement into those areas, lest the people of this State be placed under the dominion and control of those who wrongly have usurped those rights; and

Whereas, numerous opinions delivered by the Supreme Court of the United States have been wrongly deemed the supreme law of the land when no actual law was passed by the only authority that is constitutionally authorized to make law: the United States Congress; and

Whereas, the President of the United States has issued Executive Orders reaching outside the constitutionally-specified limits of the jurisdiction of the Executive Branch of government and these orders have also been wrongly interpreted and enforced as the supreme law of the land:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby affirm the sovereignty of the people of the State of Missouri in those areas protected by the Tenth Amendment to the Constitution of the United States; and

Be It Further Resolved that this Resolution shall serve as a notice to the federal government to cease and desist activities outside the scope of its constitutionally-delegated powers; and

Be It Further Resolved that there is hereby created the “Joint Committee on the Review of Federal Overreach”, which shall have as its charge to identify specific federal laws and regulations outside the scope of the powers delegated by the people to the federal government in the Constitution of the United States and that thus infringe on the proper powers of the State; and

Be It Further Resolved that the Joint Committee shall be composed of five members of the Senate, with no more than three members of one party, and five members of the House of Representatives, with no more than three members of one party. The Senate members of the Joint Committee shall be appointed by the President Pro Tempore of the Senate and the House members by the Speaker of the House of Representatives. The Joint Committee shall select either a chairperson or co-chairpersons, one of whom shall be a member of the Senate and one a member of the House of Representatives. A majority of the members shall constitute a quorum. Meetings of the Joint Committee may be called at such time and place as the chairperson or co-chairpersons designate; and

Be It Further Resolved that the Joint Committee may hold hearings as it deems advisable and may obtain any input or information necessary to fulfill its obligations. The Joint Committee may make reasonable requests for staff assistance from the research and appropriations staffs of the House and Senate, but is not authorized to hire additional staff; and

Be It Further Resolved that the Joint Committee may prepare a final report, together with its recommendations for any legislative action deemed necessary, for submission to the General Assembly by December 31, 2023, at which time the Joint Committee shall be dissolved; and

Be It Further Resolved that members of the Joint Committee and any staff personnel assigned to the Joint Committee shall receive reimbursement for their actual and necessary expenses incurred in attending meetings of the Joint Committee; and

Be It Further Resolved that the actual expenses of the Joint Committee, its members, and any staff assigned to the Joint Committee incurred by the Joint Committee shall be paid by the Joint Contingent Fund; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officer of each of the legislative houses in the several states.

Senator Moon offered the following concurrent resolution:

#### SENATE CONCURRENT RESOLUTION NO. 3

Whereas, motorcycle ridership has continued to increase over time, with registrations growing from 3,826,373 in 1997 to 8,600,936 in 2015; and

Whereas, as of August, 2016, the ongoing National Motorcycle Profiling Survey 2016, conducted by the Motorcycle Profiling Project, found that approximately one-half of the motorcyclists surveyed felt that they had been profiled by law enforcement at least once; and

Whereas, motorcycle profiling means the illegal use of the fact that a person rides a motorcycle or wears motorcycle related apparel as a factor in deciding to stop and question, take enforcement action, arrest, or search a person or vehicle, with or without legal basis under the Constitution of the United States; and

Whereas, complaints surrounding motorcycle profiling have been cited in all fifty states; and

Whereas, nationwide protests to raise awareness and combat motorcycle profiling have been held in multiple states:

Now Therefore Be It Resolved that the members of the Senate of the One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby:

(1) Support increased public awareness on the issue of motorcycle profiling;

(2) Encourage collaboration and communication with the motorcycle community and law enforcement to engage in efforts to end motorcycle profiling; and

(3) Urge law enforcement officials to include statements condemning motorcycle profiling in written policies and training materials; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for each law enforcement agency in the state of Missouri.
