Help us be good stewards of the resources given to us and share them with others. And may we use this time at home to show love to those You have given to us and in prayer with You our God. In Your Holy Name we pray. Amen.

SENATE RESOLUTION NO. 22

NOTICE OF PROPOSED RULE CHANGE

Notice is hereby given by the Senator from the Fifth District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One Hundred Second General Assembly, First Regular Session that the Senate Rules be amended to read as follows:

“Rule 91. Every senator who is within the bar of the senate when a question is put shall assume his or her seat, and shall vote when his or her name is called unless the senator, for special reasons, excuses himself or herself from voting. A senator shall seek to excuse himself or herself from voting before the senate divides, or before the call for yeas and nays is commenced. In taking the yeas and nays, each senator shall declare distinctly his or her vote yea or nay. In the event a senator within the chamber refuses to cast his or her vote, then, at the direction of the president, he or she shall be removed from the chamber and such action noted in the Journal. **Any senator who is on active military duty on any day when the senate is in session may submit a letter to the secretary of the senate informing the secretary of the dates from which the senator shall be absent from the senate. Such letter may also authorize the floor leader of the party to which the senator is a member to vote in the senator's absence on all matters requiring a roll call vote. Upon receipt of such letter, the secretary of the senate shall make such letter a part of the journal of the senate for the days in which the senator shall be absent and the designated floor leader shall vote for such senator when the senator's name is called during a roll call vote.**”

**CONCURRENT RESOLUTIONS**

Senator McCreery offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 5

Whereas, American farmers and ranchers raise the best meat in the world; and

Whereas, Americans should have the right to knowingly buy made-in-America products; and

Whereas, American farmers, ranchers, workers, and consumers benefit from transparency on the origins of their food; and

Whereas, consumers have repeatedly and overwhelmingly expressed their support for country of origin labeling of food products in the United States; and

Whereas, in 2008, the United States Congress overwhelmingly passed mandatory country of origin labeling for muscle cuts and ground meat sold at retail, requiring meat produced from imported livestock or imported boxed meat to bear a different label from meat produced from United States born, raised, and slaughtered livestock; and

Whereas, trade groups and the organizations representing multinational meat packers worked predominantly with Canada, as well as Mexico, to bring a World Trade Organization case against the United States for the removal of the country of origin labeling requirements; and

Whereas, in 2015, the United States Congress repealed the country of origin labeling law for beef and pork, reducing the competitive advantage of products born, raised, and slaughtered in the United States; and

Whereas, the United States has the highest food safety standards in the world, while other countries place less emphasis on food safety; and

Whereas, foreign commodities like beef and pork are misleadingly labeled "Product of the USA" if they are processed or packed in the United States; and

Whereas, country of origin labeling gives producers and consumers the ability to distinguish true American products from foreign imported meat; and

Whereas, technological advancements make it possible to accurately and efficiently identify the origins of beef and pork without costly separation of imported and domestic commodities; and

Whereas, country of origin labeling is good for farmers, ranchers, workers, and meat packers because it allows them to identify their products as born, raised, and slaughtered in the United States; and

Whereas, the Missouri General Assembly supports American products, and consumers deserve the right to know the origins of their food:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby support the right of consumers to know the origins of their food, support the use of country of origin labels, and urge the United States Congress to reinstate mandatory country of origin labeling; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for each member of Missouri's Congressional delegation.

Senator Arthur offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 6

Relating to SCN2A awareness day.

Whereas, mutations of the SCN2A gene are the leading single cause of neurodevelopmental disorders such as autism, childhood seizures, and intellectual disabilities; and

Whereas, SCN2A disorders are also associated with a spectrum of syndromes ranging from severe, life-threatening conditions to developmental delays, including sleep disturbances, gastrointestinal dysfunction, movement disorders, pain, and dysautonomia; and

Whereas, research predicts that approximately one in nine thousand people will be diagnosed with SCN2A-related disorders; and

Whereas, while SCN2A-related disorders can be easily identified by DNA testing, SCN2A-related disorders frequently go undetected due to a lack of awareness, even within the medical community; and

Whereas, the field of study of SCN2A-related disorders is growing, but additional studies are needed to develop therapies and treatments:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby designate February 24 of each year as "SCN2A Awareness Day" in Missouri; and

Be It Further Resolved that the General Assembly encourages all residents of this state to participate in activities and wear purple, blue, or green on this day to bring awareness of these conditions and the need for treatment; and

Be It Further Resolved that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.
