

Journal of the Senate

FIRST REGULAR SESSION

FIFTY-SEVENTH DAY - TUESDAY, APRIL 25, 2023

The Senate met pursuant to adjournment.

President Kehoe in the Chair.

Senator May offered the following prayer:

Lord who enlightens, we ask for Your supernatural wisdom as we make some tough decisions today. Lord, we ask that you bind the spirit of division. Help us to carefully consider the relevant information that has been gathered. May those sharing information give us pertinent points so we all clearly understand. Help us to be innovative as we brainstorm solutions. Help us to wisely evaluate our options, considering the pros and cons and their effect on Your people. Help us to be unified in making the best possible decisions and to effectively carry them out. Heavenly Father, in our hearts we plan our course, but we pray that You establish our steps. I pray that we seek You for advice. Let us not make decisions based upon what we know, but let us act based upon Your wisdom. Please guide us, Lord. We place these deliberations in Your hands. We place our hearts and our minds in Your hands so that You may direct us. God of peace, we invite You to preside over this session. Not our will, but Thy will be done. Even if we have different opinions, give us unity of spirit. Help us to each listen politely as others share their points of view. Help us to work as a unified team in combining ideas for a great outcome. Help us to work as a whole, rather than as individuals trying to promote their own agendas. May we have a spirit of camaraderie in this room and work together on our shared mission. In Jesus name, Amen!

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Photographers from KOMU-TV, Nexstar Media Group, and Missouri Independent were given permission to take pictures in the Senate Chamber.

SENATE RESOLUTION NO. 390

Notice of Proposed Rule Change

Notice is hereby given by the Senator from the First District of the one day notice required by rule of intent to put a motion to adopt the following rule change:

BE IT RESOLVED by the Senate of the One hundred Second General Assembly, First Regular Session, that Senate Rule 25 be amended to read as follows:

Rule 25. The president pro tem of the senate shall appoint the following standing committees:

1. Committee on Administration, 5 members.
2. Committee on Agriculture, Food Production and Outdoor Resources, 9 members.
3. Committee on Appropriations, 14 members.
4. Committee on Commerce, Consumer Protection, Energy and the Environment, 11 members.
5. Committee on Economic Development and Tax Policy, 7 members.
6. Committee on Education and Workforce Development, 9 members.
7. Committee on Emerging Issues, 7 members.
8. Committee on Fiscal Oversight, 8 members.
9. Committee on General Laws, 7 members.
10. Committee on Governmental Accountability, 7 members.

SENATE AMENDMENT NO. 1

Amend Senate Substitute for House Bill No. 402, Page 2, Section 9.384, Line 16, by inserting after all of said line the following:

“67.145. 1. No political subdivision of this state shall prohibit any first responder from engaging in any political activity while off duty and not in uniform, being a candidate for elected or appointed public office, or holding such office unless such political activity or candidacy is otherwise prohibited by state or federal law.

2. As used in this section, “first responder” means any person trained and authorized by law or rule to render emergency medical assistance or treatment. Such persons may include, but shall not be limited to, emergency first responders, police officers, sheriffs, deputy sheriffs, firefighters, [ambulance attendants and attendant drivers,] emergency medical technicians, [mobile emergency medical technicians, emergency medical technician-paramedics,] registered nurses, or physicians.

105.500. For purposes of sections 105.500 to 105.598, unless the context otherwise requires, the following words and phrases mean:

(1) “Bargaining unit”, a unit of public employees at any plant or installation or in a craft or in a function of a public body that establishes a clear and identifiable community of interest among the public employees concerned;

(2) “Board”, the state board of mediation established under section 295.030;

(3) “Department”, the department of labor and industrial relations established under section 286.010;

(4) “Exclusive bargaining representative”, an organization that has been designated or selected, as provided in section 105.575, by a majority of the public employees in a bargaining unit as the representative of such public employees in such unit for purposes of collective bargaining;

(5) “Labor organization”, any organization, agency, or public employee representation committee or plan, in which public employees participate and that exists for the purpose, in whole or in part, of dealing with a public body or public bodies concerning collective bargaining, grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work;

(6) “Public body”, the state of Missouri, or any officer, agency, department, bureau, division, board or commission of the state, or any other political subdivision or special district of or within the state. Public body shall not include the department of corrections;

(7) “Public employee”, any person employed by a public body;

(8) “Public safety labor organization”, a labor organization wholly or primarily representing persons trained or authorized by law or rule to render emergency medical assistance or treatment, including, but not limited to, firefighters, [ambulance attendants, attendant drivers,] emergency medical technicians, [emergency medical technician paramedics,] dispatchers, registered nurses and physicians, and persons who are vested with the power of arrest for criminal code violations including, but not limited to, police officers, sheriffs, and deputy sheriffs.

190.100. As used in sections 190.001 to 190.245 and section 190.257, the following words and terms mean:

(1) “Advanced emergency medical technician” or “AEMT”, a person who has successfully completed a course of instruction in certain aspects of advanced life support care as prescribed by the department and is licensed by the department in accordance with sections 190.001 to 190.245 and rules and regulations adopted by the department pursuant to sections 190.001 to 190.245;

(2) “Advanced life support (ALS)”, an advanced level of care as provided to the adult and pediatric patient such as defined by national curricula, and any modifications to that curricula specified in rules adopted by the department pursuant to sections 190.001 to 190.245;

(3) “Ambulance”, any privately or publicly owned vehicle or craft that is specially designed, constructed or modified, staffed or equipped for, and is intended or used, maintained or operated for the transportation of persons who are sick, injured, wounded or otherwise incapacitated or helpless, or who require the presence of medical equipment being used on such individuals, but the term does not include any motor vehicle specially designed, constructed or converted for the regular transportation of persons who are disabled, handicapped, normally using a wheelchair, or otherwise not acutely ill, or emergency vehicles used within airports;

(4) “Ambulance service”, a person or entity that provides emergency or nonemergency ambulance transportation and services, or both, in compliance with sections 190.001 to 190.245, and the rules promulgated by the department pursuant to sections 190.001 to 190.245;

(5) “Ambulance service area”, a specific geographic area in which an ambulance service has been authorized to operate;

(6) “Basic life support (BLS)”, a basic level of care, as provided to the adult and pediatric patient as defined by national curricula, and any modifications to that curricula specified in rules adopted by the department pursuant to sections 190.001 to 190.245;

(7) “Council”, the state advisory council on emergency medical services;

(8) “Department”, the department of health and senior services, state of Missouri;

(9) “Director”, the director of the department of health and senior services or the director's duly authorized representative;

(10) “Dispatch agency”, any person or organization that receives requests for emergency medical services from the public, by telephone or other means, and is responsible for dispatching emergency medical services;

(11) “Emergency”, the sudden and, at the time, unexpected onset of a health condition that manifests itself by symptoms of sufficient severity that would lead a prudent layperson, possessing an average knowledge of health and medicine, to believe that the absence of immediate medical care could result in:

(a) Placing the person's health, or with respect to a pregnant woman, the health of the woman or her unborn child, in significant jeopardy;

(b) Serious impairment to a bodily function;

(c) Serious dysfunction of any bodily organ or part;

(d) Inadequately controlled pain;

(12) “Emergency medical dispatcher”, a person who receives emergency calls from the public and has successfully completed an emergency medical dispatcher course [, meeting or exceeding the national curriculum of the United States Department of Transportation and any modifications to such curricula specified by the department through rules adopted pursuant to sections 190.001 to 190.245] **and any ongoing training requirements under section 650.340;**

(13) “Emergency medical responder”, a person who has successfully completed an emergency first response course meeting or exceeding the national curriculum of the U.S. Department of Transportation and any modifications to such curricula specified by the department through rules adopted under sections 190.001 to 190.245 and who provides emergency medical care through employment by or in association with an emergency medical response agency;

(14) “Emergency medical response agency”, any person that regularly provides a level of care that includes first response, basic life support or advanced life support, exclusive of patient transportation;

(15) “Emergency medical services for children (EMS-C) system”, the arrangement of personnel, facilities and equipment for effective and coordinated delivery of pediatric emergency medical services required in prevention and management of incidents which occur as a result of a medical emergency or of an injury event, natural disaster or similar situation;

(16) “Emergency medical services (EMS) system”, the arrangement of personnel, facilities and equipment for the effective and coordinated delivery of emergency medical services required in prevention and management of incidents occurring as a result of an illness, injury, natural disaster or similar situation;

(17) “Emergency medical technician”, a person licensed in emergency medical care in accordance with standards prescribed by sections 190.001 to 190.245, and by rules adopted by the department pursuant to sections 190.001 to 190.245;

(18) [“Emergency medical technician-basic” or “EMT-B”, a person who has successfully completed a course of instruction in basic life support as prescribed by the department and is licensed by the department in accordance with standards prescribed by sections 190.001 to 190.245 and rules adopted by the department pursuant to sections 190.001 to 190.245;]

[(19)] “Emergency medical technician-community paramedic”, “community paramedic”, or “EMT-CP”, a person who is certified as an emergency medical technician-paramedic and is certified by the department in accordance with standards prescribed in section 190.098;

[(45)] (44) “Stroke center”, a hospital that is currently designated as such by the department;

[(46)] (45) “Time-critical diagnosis”, trauma care, stroke care, and STEMI care occurring either outside of a hospital or in a center designated under section 190.241;

[(47)] (46) “Time-critical diagnosis advisory committee”, a committee formed under section 190.257 to advise the department on policies impacting trauma, stroke, and STEMI center designations; regulations on trauma care, stroke care, and STEMI care; and the transport of trauma, stroke, and STEMI patients;

[(48)] (47) “Trauma”, an injury to human tissues and organs resulting from the transfer of energy from the environment;

[(49)] (48) “Trauma care” includes injury prevention, triage, acute care and rehabilitative services for major single system or multisystem injuries that potentially require immediate medical or surgical intervention or treatment;

[(50)] (49) “Trauma center”, a hospital that is currently designated as such by the department.

190.103. 1. One physician with expertise in emergency medical services from each of the EMS regions shall be elected by that region's EMS medical directors to serve as a regional EMS medical director. The regional EMS medical directors shall constitute the state EMS medical director's advisory committee and shall advise the department and their region's ambulance services on matters relating to medical control and medical direction in accordance with sections 190.001 to 190.245 and rules adopted by the department pursuant to sections 190.001 to 190.245. The regional EMS medical director shall serve a term of four years. The southwest, northwest, and Kansas City regional EMS medical directors shall be elected to an initial two-year term. The central, east central, and southeast regional EMS medical directors shall be elected to an initial four-year term. All subsequent terms following the initial terms shall be four years. The state EMS medical director shall be the chair of the state EMS medical director's advisory committee, and shall be elected by the members of the regional EMS medical director's advisory committee, shall serve a term of four years, and shall seek to coordinate EMS services between the EMS

regions, promote educational efforts for agency medical directors, represent Missouri EMS nationally in the role of the state EMS medical director, and seek to incorporate the EMS system into the health care system serving Missouri.

2. A medical director is required for all ambulance services and emergency medical response agencies that provide: advanced life support services; basic life support services utilizing medications or providing assistance with patients' medications; or basic life support services performing invasive procedures including invasive airway procedures. The medical director shall provide medical direction to these services and agencies in these instances.

3. The medical director, in cooperation with the ambulance service or emergency medical response agency administrator, shall have the responsibility and the authority to ensure that the personnel working under their supervision are able to provide care meeting established standards of care with consideration for state and national standards as well as local area needs and resources. The medical director, in cooperation with the ambulance service or emergency medical response agency administrator, shall establish and develop triage, treatment and transport protocols, which may include authorization for standing orders. Emergency medical technicians shall only perform those medical procedures as directed by treatment protocols approved by the local medical director or when authorized through direct communication with online medical control.

4. All ambulance services and emergency medical response agencies that are required to have a medical director shall establish an agreement between the service or agency and their medical director. The agreement will include the roles, responsibilities and authority of the medical director beyond what is granted in accordance with sections 190.001 to 190.245 and rules adopted by the department pursuant to sections 190.001 to 190.245. The agreement shall also include grievance procedures regarding the emergency medical response agency or ambulance service, personnel and the medical director.

5. Regional EMS medical directors and the state EMS medical director elected as provided under subsection 1 of this section shall be considered public officials for purposes of sovereign immunity, official immunity, and the Missouri public duty doctrine defenses.

6. The state EMS medical director's advisory committee shall be considered a peer review committee under section 537.035.

7. Regional EMS medical directors may act to provide online telecommunication medical direction to AEMTs, [EMT-Bs, EMT-Ps] **EMTs, paramedics**, and community paramedics and provide offline medical direction per standardized treatment, triage, and transport protocols when EMS personnel, including AEMTs, [EMT-Bs, EMT-Ps] **EMTs, paramedics**, and community paramedics, are providing care to special needs patients or at the request of a local EMS agency or medical director.

8. When developing treatment protocols for special needs patients, regional EMS medical directors may promulgate such protocols on a regional basis across multiple political subdivisions' jurisdictional boundaries, and such protocols may be used by multiple agencies including, but not limited to, ambulance services, emergency response agencies, and public health departments. Treatment protocols shall include steps to ensure the receiving hospital is informed of the pending arrival of the special needs patient, the condition of the patient, and the treatment instituted.

9. Multiple EMS agencies including, but not limited to, ambulance services, emergency response agencies, and public health departments shall take necessary steps to follow the regional EMS protocols established as provided under subsection 8 of this section in cases of mass casualty or state-declared disaster incidents.

10. When regional EMS medical directors develop and implement treatment protocols for patients or provide online medical direction for patients, such activity shall not be construed as having usurped local medical direction authority in any manner.

11. The state EMS medical directors advisory committee shall review and make recommendations regarding all proposed community and regional time-critical diagnosis plans.

12. Notwithstanding any other provision of law to the contrary, when regional EMS medical directors are providing either online telecommunication medical direction to AEMTs, [EMT-Bs, EMT-Ps] **EMTs**, **paramedics**, and community paramedics, or offline medical direction per standardized EMS treatment, triage, and transport protocols for patients, those medical directions or treatment protocols may include the administration of the patient's own prescription medications.

190.142.1. (1) For applications submitted before the recognition of EMS personnel licensure interstate compact under sections 190.900 to 190.939 takes effect, the department shall, within a reasonable time after receipt of an application, cause such investigation as it deems necessary to be made of the applicant for an emergency medical technician's license.

(2) For applications submitted after the recognition of EMS personnel licensure interstate compact under sections 190.900 to 190.939 takes effect, an applicant for initial licensure as an emergency medical technician in this state shall submit to a background check by the Missouri state highway patrol and the Federal Bureau of Investigation through a process approved by the department of health and senior services. Such processes may include the use of vendors or systems administered by the Missouri state highway patrol. The department may share the results of such a criminal background check with any emergency services licensing agency in any member state, as that term is defined under section 190.900, in recognition of the EMS personnel licensure interstate compact. The department shall not issue a license until the department receives the results of an applicant's criminal background check from the Missouri state highway patrol and the Federal Bureau of Investigation, but, notwithstanding this subsection, the department may issue a temporary license as provided under section 190.143. Any fees due for a criminal background check shall be paid by the applicant.

(3) The director may authorize investigations into criminal records in other states for any applicant.

2. The department shall issue a license to all levels of emergency medical technicians, for a period of five years, if the applicant meets the requirements established pursuant to sections 190.001 to 190.245 and the rules adopted by the department pursuant to sections 190.001 to 190.245. The department may promulgate rules relating to the requirements for an emergency medical technician including but not limited to:

(1) Age requirements;

(2) Emergency medical technician and paramedic education and training requirements based on respective National Emergency Medical Services Education Standards and any modification to such curricula specified by the department through rules adopted pursuant to sections 190.001 to 190.245;

(3) Paramedic accreditation requirements. Paramedic training programs shall be accredited [by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) or hold a CAAHEP letter of review] **as required by the National Registry of Emergency Medical Technicians;**

(4) Initial licensure testing requirements. Initial [EMT-P] **paramedic** licensure testing shall be through the national registry of EMTs;

(5) Continuing education and relicensure requirements; and

(6) Ability to speak, read and write the English language.

3. Application for all levels of emergency medical technician license shall be made upon such forms as prescribed by the department in rules adopted pursuant to sections 190.001 to 190.245. The application form shall contain such information as the department deems necessary to make a determination as to whether the emergency medical technician meets all the requirements of sections 190.001 to 190.245 and rules promulgated pursuant to sections 190.001 to 190.245.

4. All levels of emergency medical technicians may perform only that patient care which is:

(1) Consistent with the training, education and experience of the particular emergency medical technician; and

(2) Ordered by a physician or set forth in protocols approved by the medical director.

5. No person shall hold themselves out as an emergency medical technician or provide the services of an emergency medical technician unless such person is licensed by the department.

6. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

190.147. 1. [An emergency medical technician paramedic (EMT-P)] **A paramedic** may make a good faith determination that such behavioral health patients who present a likelihood of serious harm to themselves or others, as the term “likelihood of serious harm” is defined under section 632.005, or who are significantly incapacitated by alcohol or drugs shall be placed into a temporary hold for the sole purpose of transport to the nearest appropriate facility; provided that, such determination shall be made in cooperation with at least one other [EMT-P] **paramedic** or other health care professional involved in the transport. Once in a temporary hold, the patient shall be treated with humane care in a manner that preserves human dignity, consistent with applicable federal regulations and nationally recognized guidelines regarding the appropriate use of temporary holds and restraints in medical transport. Prior to making such a determination:

(1) The [EMT-P] **paramedic** shall have completed a standard crisis intervention training course as endorsed and developed by the state EMS medical director's advisory committee;

(2) The [EMT-P] **paramedic** shall have been authorized by his or her ground or air ambulance service's administration and medical director under subsection 3 of section 190.103; and

(3) The [EMT-P's] **paramedic** ground or air ambulance service has developed and adopted standardized triage, treatment, and transport protocols under subsection 3 of section 190.103, which address the challenge of treating and transporting such patients. Provided:

(a) That such protocols shall be reviewed and approved by the state EMS medical director's advisory committee; and

(b) That such protocols shall direct the [EMT-P] **paramedic** regarding the proper use of patient restraint and coordination with area law enforcement; and

(c) Patient restraint protocols shall be based upon current applicable national guidelines.

2. In any instance in which a good faith determination for a temporary hold of a patient has been made, such hold shall be made in a clinically appropriate and adequately justified manner, and shall be documented and attested to in writing. The writing shall be retained by the ambulance service and included as part of the patient's medical file.

3. [EMT-Ps] **Paramedics** who have made a good faith decision for a temporary hold of a patient as authorized by this section shall no longer have to rely on the common law doctrine of implied consent and therefore shall not be civilly liable for a good faith determination made in accordance with this section and shall not have waived any sovereign immunity defense, official immunity defense, or Missouri public duty doctrine defense if employed at the time of the good faith determination by a government employer.

4. Any ground or air ambulance service that adopts the authority and protocols provided for by this section shall have a memorandum of understanding with applicable local law enforcement agencies in order to achieve a collaborative and coordinated response to patients displaying symptoms of either a likelihood of serious harm to themselves or others or significant incapacitation by alcohol or drugs, which require a crisis intervention response. The memorandum of understanding shall include, but not be limited to, the following:

(1) Administrative oversight, including coordination between ambulance services and law enforcement agencies;

(2) Patient restraint techniques and coordination of agency responses to situations in which patient restraint may be required;

(3) Field interaction between paramedics and law enforcement, including patient destination and transportation; and

(4) Coordination of program quality assurance.

5. The physical restraint of a patient by an emergency medical technician under the authority of this section shall be permitted only in order to provide for the safety of bystanders, the patient, or emergency personnel due to an imminent or immediate danger, or upon approval by local medical control through

direct communications. Restraint shall also be permitted through cooperation with on-scene law enforcement officers. All incidents involving patient restraint used under the authority of this section shall be reviewed by the ambulance service physician medical director.”; and

Further amend said bill, page 33, section 192.745, line 75, by inserting after all of said line the following:

“192.2405. 1. The following persons shall be required to immediately report or cause a report to be made to the department under sections 192.2400 to 192.2470:

(1) Any person having reasonable cause to suspect that an eligible adult presents a likelihood of suffering serious physical harm, or bullying as defined in subdivision (2) of section 192.2400, and is in need of protective services; and

(2) Any adult day care worker, chiropractor, Christian Science practitioner, coroner, dentist, embalmer, employee of the departments of social services, mental health, or health and senior services, employee of a local area agency on aging or an organized area agency on aging program, emergency medical technician, firefighter, first responder, funeral director, home health agency, home health agency employee, hospital and clinic personnel engaged in the care or treatment of others, in-home services owner or provider, in-home services operator or employee, law enforcement officer, long-term care facility administrator or employee, medical examiner, medical resident or intern, mental health professional, minister, nurse, nurse practitioner, optometrist, other health practitioner, peace officer, pharmacist, physical therapist, physician, physician's assistant, podiatrist, probation or parole officer, psychologist, social worker, or other person with the responsibility for the care of an eligible adult who has reasonable cause to suspect that the eligible adult has been subjected to abuse or neglect or observes the eligible adult being subjected to conditions or circumstances which would reasonably result in abuse or neglect. Notwithstanding any other provision of this section, a duly ordained minister, clergy, religious worker, or Christian Science practitioner while functioning in his or her ministerial capacity shall not be required to report concerning a privileged communication made to him or her in his or her professional capacity.

2. Any other person who becomes aware of circumstances that may reasonably be expected to be the result of, or result in, abuse or neglect of an eligible adult may report to the department.

3. The penalty for failing to report as required under subdivision (2) of subsection 1 of this section is provided under section 565.188.

4. As used in this section, “first responder” means any person trained and authorized by law or rule to render emergency medical assistance or treatment. Such persons may include, but shall not be limited to, emergency first responders, police officers, sheriffs, deputy sheriffs, firefighters, **or** emergency medical technicians[, or emergency medical technician-paramedics].”; and

Further amend said bill, page 46, section 208.030, line 122, by inserting after all of said line the following:

“208.1032. 1. The department of social services shall be authorized to design and implement in consultation and coordination with eligible providers as described in subsection 2 of this section an intergovernmental transfer program relating to ground emergency medical transport services, including those services provided at the emergency medical responder, emergency medical technician (EMT),

advanced EMT, [EMT intermediate,] or paramedic levels in the prestabilization and preparation for transport, in order to increase capitation payments for the purpose of increasing reimbursement to eligible providers.

2. A provider shall be eligible for increased reimbursement under this section only if the provider meets the following conditions in an applicable state fiscal year:

- (1) Provides ground emergency medical transportation services to MO HealthNet participants;
- (2) Is enrolled as a MO HealthNet provider for the period being claimed; and
- (3) Is owned, operated, or contracted by the state or a political subdivision.

3. (1) To the extent intergovernmental transfers are voluntarily made by and accepted from an eligible provider described in subsection 2 of this section or a governmental entity affiliated with an eligible provider, the department of social services shall make increased capitation payments to applicable MO HealthNet eligible providers for covered ground emergency medical transportation services.

(2) The increased capitation payments made under this section shall be in amounts at least actuarially equivalent to the supplemental fee-for-service payments and up to equivalent of commercial reimbursement rates available for eligible providers to the extent permissible under federal law.

(3) Except as provided in subsection 6 of this section, all funds associated with intergovernmental transfers made and accepted under this section shall be used to fund additional payments to eligible providers.

(4) MO HealthNet managed care plans and coordinated care organizations shall pay one hundred percent of any amount of increased capitation payments made under this section to eligible providers for providing and making available ground emergency medical transportation and prestabilization services pursuant to a contract or other arrangement with a MO HealthNet managed care plan or coordinated care organization.

4. The intergovernmental transfer program developed under this section shall be implemented on the date federal approval is obtained, and only to the extent intergovernmental transfers from the eligible provider, or the governmental entity with which it is affiliated, are provided for this purpose. The department of social services shall implement the intergovernmental transfer program and increased capitation payments under this section on a retroactive basis as permitted by federal law.

5. Participation in the intergovernmental transfers under this section is voluntary on the part of the transferring entities for purposes of all applicable federal laws.

6. As a condition of participation under this section, each eligible provider as described in subsection 2 of this section or the governmental entity affiliated with an eligible provider shall agree to reimburse the department of social services for any costs associated with implementing this section. Intergovernmental transfers described in this section are subject to an administration fee of up to twenty percent of the nonfederal share paid to the department of social services and shall be allowed to count as a cost of providing the services not to exceed one hundred twenty percent of the total amount.

7. As a condition of participation under this section, MO HealthNet managed care plans, coordinated care organizations, eligible providers as described in subsection 2 of this section, and governmental entities affiliated with eligible providers shall agree to comply with any requests for information or similar data requirements imposed by the department of social services for purposes of obtaining supporting documentation necessary to claim federal funds or to obtain federal approvals.

8. This section shall be implemented only if and to the extent federal financial participation is available and is not otherwise jeopardized, and any necessary federal approvals have been obtained.

9. To the extent that the director of the department of social services determines that the payments made under this section do not comply with federal Medicaid requirements, the director retains the discretion to return or not accept an intergovernmental transfer, and may adjust payments under this section as necessary to comply with federal Medicaid requirements.

285.040. 1. As used in this section, “public safety employee” shall mean a person trained or authorized by law or rule to render emergency medical assistance or treatment, including, but not limited to, firefighters, [ambulance attendants and attendant drivers,] emergency medical technicians, [emergency medical technician paramedics,] dispatchers, registered nurses, physicians, and sheriffs and deputy sheriffs.

2. No public safety employee of a city not within a county who is hired prior to September 1, 2023, shall be subject to a residency requirement of retaining a primary residence in a city not within a county but may be required to maintain a primary residence located within a one-hour response time.

3. Public safety employees of a city not within a county who are hired after August 31, 2023, may be subject to a residency rule no more restrictive than a requirement of retaining a primary residence in a city not within a county for a total of seven years and of then allowing the public safety employee to maintain a primary residence outside the city not within a county so long as the primary residence is located within a one-hour response time.

321.225. 1. A fire protection district may, in addition to its other powers and duties, provide emergency ambulance service within its district if a majority of the voters voting thereon approve a proposition to furnish such service and to levy a tax not to exceed thirty cents on the one hundred dollars assessed valuation to be used exclusively to supply funds for the operation of an emergency ambulance service. The district shall exercise the same powers and duties in operating an emergency ambulance service as it does in operating its fire protection service.

2. The proposition to furnish emergency ambulance service may be submitted by the board of directors at any municipal general, primary or general election or at any election of the members of the board.

3. The question shall be submitted in substantially the following form:

Shall the board of directors of _____ Fire Protection District be authorized to provide emergency ambulance service within the district and be authorized to levy a tax not to exceed thirty cents on the one hundred dollars assessed valuation to provide funds for such service?

4. If a majority of the voters casting votes thereon be in favor of emergency ambulance service and the levy, the district shall forthwith commence such service.

5. As used in this section “emergency” means a situation resulting from a sudden or unforeseen situation or occurrence that requires immediate action to save life or prevent suffering or disability.

6. In addition to all other taxes authorized on or before September 1, 1990, the board of directors of any fire protection district may, if a majority of the voters of the district voting thereon approve, levy an additional tax of not more than forty cents per one hundred dollars of assessed valuation to be used for the support of the ambulance service or partial or complete support of [an emergency medical technician defibrillator program or partial or complete support of an emergency medical technician] a paramedic first responder program. The proposition to levy the tax authorized by this subsection may be submitted by the board of directors at the next annual election of the members of the board or at any regular municipal or school election conducted by the county clerk or board of election commissioners in such district or at a special election called for the purpose, or upon petition of five hundred registered voters of the district. A separate ballot containing the question shall read as follows:

Shall the board of directors of the _____ Fire Protection District be authorized to levy an additional tax of not more than forty cents per one hundred dollars assessed valuation to provide funds for the support of an ambulance service or partial or complete support of an emergency medical technician defibrillator program or partial or complete support of an emergency medical technician paramedic first responder program?

If a majority of the qualified voters casting votes thereon be in favor of the question, the board of directors shall accordingly levy a tax in accordance with the provisions of this subsection, but if a majority of voters casting votes thereon do not vote in favor of the levy authorized by this subsection, any levy previously authorized shall remain in effect.

321.620. 1. Fire protection districts in first class counties may, in addition to their other powers and duties, provide ambulance service within their district if a majority of the voters voting thereon approve a proposition to furnish such service and to levy a tax not to exceed thirty cents on the one hundred dollars assessed valuation to be used exclusively to supply funds for the operation of an emergency ambulance service. The district shall exercise the same powers and duties in operating an ambulance service as it does in operating its fire protection service. Further amend said bill, page 90, section 335.205, line 9, by inserting after all of said line the following:

“537.037. 1. Any physician or surgeon, registered professional nurse or licensed practical nurse licensed to practice in this state under the provisions of chapter 334 or 335, or licensed to practice under the equivalent laws of any other state and any person licensed as [a mobile] an emergency medical technician under the provisions of chapter 190, may:

(1) In good faith render emergency care or assistance, without compensation, at the scene of an emergency or accident, and shall not be liable for any civil damages for acts or omissions other than

damages occasioned by gross negligence or by willful or wanton acts or omissions by such person in rendering such emergency care;

(2) In good faith render emergency care or assistance, without compensation, to any minor involved in an accident, or in competitive sports, or other emergency at the scene of an accident, without first obtaining the consent of the parent or guardian of the minor, and shall not be liable for any civil damages other than damages occasioned by gross negligence or by willful or wanton acts or omissions by such person in rendering the emergency care.

2. Any other person who has been trained to provide first aid in a standard recognized training program may, without compensation, render emergency care or assistance to the level for which he or she has been trained, at the scene of an emergency or accident, and shall not be liable for civil damages for acts or omissions other than damages occasioned by gross negligence or by willful or wanton acts or omissions by such person in rendering such emergency care.

3. Any mental health professional, as defined in section 632.005, or qualified counselor, as defined in section 631.005, or any practicing medical, osteopathic, or chiropractic physician, or certified nurse practitioner, or physicians' assistant may in good faith render suicide prevention interventions at the scene of a threatened suicide and shall not be liable for any civil damages for acts or omissions other than damages occasioned by gross negligence or by willful or wanton acts or omissions by such person in rendering such suicide prevention interventions.

4. Any other person may, without compensation, render suicide prevention interventions at the scene of a threatened suicide and shall not be liable for civil damages for acts or omissions other than damages occasioned by gross negligence or by willful or wanton acts or omissions by such person in rendering such suicide prevention interventions.”; and

“650.320. For the purposes of sections 650.320 to 650.340, the following terms mean:

- (1) **“Ambulance service”, the same meaning given to the term in section 190.100;**
- (2) “Board”, the Missouri 911 service board established in section 650.325;
- (3) **“Dispatch agency”, the same meaning given to the term in section 190.100;**
- (4) **“Medical director”, the same meaning given to the term in section 190.100;**
- (5) **“Memorandum of understanding”, the same meaning given to the term in section 190.100;**

[2] (6) “Public safety answering point”, the location at which 911 calls are answered;

[3] (7) “Telecommunicator”, any person employed as an emergency telephone worker, call taker or public safety dispatcher whose duties include receiving, processing or transmitting public safety information received through a 911 public safety answering point.

650.340. 1. The provisions of this section may be cited and shall be known as the “911 Training and Standards Act”.

2. Initial training requirements for telecommunicators who answer 911 calls that come to public safety answering points shall be as follows:

- (1) Police telecommunicator, 16 hours;
- (2) Fire telecommunicator, 16 hours;
- (3) Emergency medical services telecommunicator, 16 hours;
- (4) Joint communication center telecommunicator, 40 hours.

3. All persons employed as a telecommunicator in this state shall be required to complete ongoing training so long as such person engages in the occupation as a telecommunicator. Such persons shall complete at least twenty-four hours of ongoing training every three years by such persons or organizations as provided in subsection 6 of this section.

4. Any person employed as a telecommunicator on August 28, 1999, shall not be required to complete the training requirement as provided in subsection 2 of this section. Any person hired as a telecommunicator after August 28, 1999, shall complete the training requirements as provided in subsection 2 of this section within twelve months of the date such person is employed as a telecommunicator.

5. The training requirements as provided in subsection 2 of this section shall be waived for any person who furnishes proof to the committee that such person has completed training in another state which is at least as stringent as the training requirements of subsection 2 of this section.

6. The board shall determine by administrative rule the persons or organizations authorized to conduct the training as required by subsection 2 of this section.

7. [This section shall not apply to an emergency medical dispatcher or agency as defined in section 190.100, or a person trained by an entity accredited or certified under section 190.131, or a person who provides prearrival medical instructions who works for an agency which meets the requirements set forth in section 190.134.] **The board shall be responsible for the approval of training courses for emergency medical dispatchers. The board shall develop necessary rules and regulations in collaboration with the state EMS medical director's advisory committee, as described in section 190.103, which may provide recommendations relating to the medical aspects of prearrival medical instructions.**

8. A dispatch agency is required to have a memorandum of understanding with all ambulance services that it dispatches. If a dispatch agency provides prearrival medical instructions, it is required to have a medical director whose duties include the maintenance of standards and approval of protocols or guidelines.”; and

Further amend said bill, page 98, section 701.348, line 7, by inserting after all of said line the following:

SENATE AMENDMENT NO. 2

Amend House Bill No. 730, Page 1, Section 436.337, Line 4, by inserting after all of said line the following:

“442.404. 1. As used in this section, the following terms shall mean:

(1) “Homeowners' association”, a nonprofit corporation or unincorporated association of homeowners created under a declaration to own and operate portions of a planned community or other residential subdivision that has the power under the declaration to assess association members to pay the costs and expenses incurred in the performance of the association's obligations under the declaration or tenants-in-common with respect to the ownership of common ground or amenities of a planned community or other residential subdivision. This term shall not include a condominium unit owners' association as defined and provided for in subdivision (3) of section 448.1-103 or a residential cooperative;

(2) “Political signs”, any fixed, ground-mounted display in support of or in opposition to a person seeking elected office or a ballot measure excluding any materials that may be attached;

(3) “Solar panel or solar collector”, a device used to collect and convert solar energy into electricity or thermal energy, including but not limited to photovoltaic cells or panels, or solar thermal systems.

2. (1) No deed restrictions, covenants, or similar binding agreements running with the land shall prohibit or have the effect of prohibiting the display of political signs.

(2) A homeowners' association has the authority to adopt reasonable rules, subject to any applicable statutes or ordinances, regarding the time, size, place, number, and manner of display of political signs.

(3) A homeowners' association may remove a political sign without liability if such sign is placed within the common ground, threatens the public health or safety, violates an applicable statute or ordinance, is accompanied by sound or music, or if any other materials are attached to the political sign. Subject to the foregoing, a homeowners' association shall not remove a political sign from the property of a homeowner or impose any fine or penalty upon the homeowner unless it has given such homeowner three days after providing written notice to the homeowner, which notice shall specifically identify the rule and the nature of the violation.

3. (1) No deed restrictions, covenants, or similar binding agreements running with the land shall limit or prohibit, or have the effect of limiting or prohibiting, the installation of solar panels or solar collectors on the rooftop of any property or structure.

(2) A homeowners' association may adopt reasonable rules, subject to any applicable statutes or ordinances, regarding the placement of solar panels or solar collectors to the extent that those rules do not prevent the installation of the device, impair the functioning of the device, restrict the use of the device, or adversely affect the cost or efficiency of the device.

(3) The provisions of this subsection shall apply only with regard to rooftops that are owned, controlled, and maintained by the owner of the individual property or structure.

4. (1) No deed restrictions, covenants, or similar binding agreements running with the land shall prohibit or have the effect of prohibiting the display of sale signs on the property of a homeowner or property owner including, but not limited to, any yard on the property, or nearby street corners.

(2) A homeowners' association has the authority to adopt reasonable rules, subject to any applicable statutes or ordinances, regarding the time, size, place, number, and manner of display of sale signs.

(3) A homeowners' association may remove a sale sign without liability if such sign is placed within the common ground, threatens the public health or safety, violates an applicable statute or ordinance, is accompanied by sound or music, or if any other materials are attached to the sale sign. Subject to the foregoing, a homeowners' association shall not remove a sale sign from the property of a homeowner or property owner or impose any fine or penalty upon the homeowner or property owner unless it has given such homeowner or property owner three business days after the homeowner or property owner receives written notice from the homeowners' association, which notice shall specifically identify the rule and the nature of the alleged violation.

5. (1) No deed restrictions, covenants, or similar binding agreements running with the land shall prohibit or have the effect of prohibiting ownership or pasturing of up to six chickens on a lot that is two tenths of an acre or larger.

(2) A homeowners' association may adopt reasonable rules, subject to applicable statutes or ordinances, regarding ownership or pasturing of chickens, including a prohibition or restriction on ownership or pasturing of roosters.”; and

Further amend the title and enacting clause accordingly.

Senator Schroer moved that the above amendment be adopted, which motion prevailed.

Senator Coleman offered **SA 3**:

SENATE AMENDMENT NO. 3

Amend House Bill No. 730, Page 1, Section A, Line 2, by inserting after all of said line the following:

“198.022. 1. Upon receipt of an application for a license to operate a facility, the department shall review the application, investigate the applicant and the statements sworn to in the application for license and conduct any necessary inspections. A license shall be issued if the following requirements are met:

(1) The statements in the application are true and correct;

(2) The facility and the operator are in substantial compliance with the provisions of sections 198.003 to 198.096 and the standards established thereunder;

(3) The applicant has the financial capacity to operate the facility;

(4) The administrator of an assisted living facility, a skilled nursing facility, or an intermediate care facility is currently licensed under the provisions of chapter 344;

(5) Neither the operator nor any principals in the operation of the facility have ever been convicted of a felony offense concerning the operation of a long-term health care facility or other health care facility or ever knowingly acted or knowingly failed to perform any duty which materially and adversely affected the health, safety, welfare or property of a resident, while acting in a management capacity. The operator of the facility or any principal in the operation of the facility shall not be under exclusion from participation in the Title XVIII (Medicare) or Title XIX (Medicaid) program of any state or territory;

(6) Neither the operator nor any principals involved in the operation of the facility have ever been convicted of a felony in any state or federal court arising out of conduct involving either management of a long-term care facility or the provision or receipt of health care;

(7) All fees due to the state have been paid.

2. Upon denial of any application for a license, the department shall so notify the applicant in writing, setting forth therein the reasons and grounds for denial.

3. The department may inspect any facility and any records and may make copies of records, at the facility, at the department's own expense, required to be maintained by sections 198.003 to 198.096 or by the rules and regulations promulgated thereunder at any time if a license has been issued to or an

application for a license has been filed by the operator of such facility. Copies of any records requested by the department shall be prepared by the staff of such facility within two business days or as determined by the department. The department shall not remove or disassemble any medical record during any inspection of the facility, but may observe the photocopying or may make its own copies if the facility does not have the technology to make the copies. In accordance with the provisions of section 198.525, the department shall make at least one inspection per year, which shall be unannounced to the operator. The department may make such other inspections, announced or unannounced, as it deems necessary to carry out the provisions of sections 198.003 to 198.136.

4. Whenever the department has reasonable grounds to believe that a facility required to be licensed under sections 198.003 to 198.096 is operating without a license, and the department is not permitted access to inspect the facility, or when a licensed operator refuses to permit access to the department to inspect the facility, the department shall apply to the circuit court of the county in which the premises is located for an order authorizing entry for such inspection, and the court shall issue the order if it finds reasonable grounds for inspection or if it finds that a licensed operator has refused to permit the department access to inspect the facility.

5. Whenever the department is inspecting a facility in response to an application from an operator located outside of Missouri not previously licensed by the department, the department may request from the applicant the past five years compliance history of all facilities owned by the applicant located outside of this state.

6. If a licensee of a residential care facility or assisted living facility is accredited by a recognized accrediting entity, then the licensee may submit to the department documentation of the licensee's current accreditation status. If a licensee submits to the department documentation from a recognized accrediting entity that the licensee is in good standing, then the department shall not conduct an annual onsite inspection of the licensee. Nothing in this subsection shall preclude the department from conducting inspections for violations of standards or requirements contained within this chapter or any other applicable law or regulation. As used in this subsection, the term "recognized accrediting entity" shall mean the Joint Commission or another nationally-recognized accrediting entity approved by the department that has specific residential care facility or assisted living facility program standards equivalent to the standards established by the department under this chapter."; and

Further amend the title and enacting clause accordingly.

MESSAGES FROM THE HOUSE

The following message was received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **SS** for **SCS** for **SB 127** with HA 1, HA 2, HA 1 to HA 3, HA 3, as amended, HA 4, HA 1 to HA 5, HA 2 to HA 5 and HA 5, as amended, adopted.

HOUSE AMENDMENT NO. 1

Amend Senate Substitute for Senate Committee Substitute for Senate Bill No. 127, Page 2, Section 226.1160, Line 11, by inserting after all of said line the following:

“227.296. 1. This section shall be known as the “FA Paul Akers Jr and LCPL Jared Schmitz Memorial Sign Funding Act”.

2. Notwithstanding any provision of law to the contrary, beginning August 28, 2023, for designations on the state highway system honoring members of the Armed Forces killed in the line of duty, members of the Armed Forces who are missing in action, Missouri recipients of the medal of honor, emergency personnel killed while performing duties relating to their employment, or state employees killed while serving the state, no fees shall be assessed and all costs associated with such designations shall be funded by the department of transportation.

227.297. 1. This section establishes a designation program, to be known as the “Heroes Way Designation Program “, to honor the fallen Missouri heroes who have been killed in action while performing active military duty with the Armed Forces. The signs shall be placed upon interstate or state-numbered highway interchanges or upon bridges or segments of highway on the state highway system in accordance with this section, and any applicable federal and state limitations or conditions on highway signage, including location and spacing.

2. Any person who is related by marriage, adoption, or consanguinity within the second degree to a member of the United States Armed Forces who was killed in action while performing active military duty with the Armed Forces, and who was a resident of this state at the time he or she was killed in action, may apply for a designation under the provisions of this section.

3. Any person described under subsection 2 of this section who desires to have an interstate or state-numbered highway interchange or bridge or segment of highway on the state highway system designated after his or her family member shall petition the department of transportation by submitting the following:

(1) An application in a form prescribed by the director, describing the interstate or state-numbered highway interchange or bridge or segment of highway on the state highway system for which the designation is sought and the proposed name of the interchange, bridge or relevant segment of highway. The application shall include the name of at least one current member of the general assembly who will sponsor the designation. The application may contain written testimony for support of the designation;

(2) Proof that the family member killed in action was a member of the United States Armed Forces and proof that such family member was in fact killed in action while performing active military duty with the United States Armed Forces. Acceptable proof shall be a statement from the Missouri veterans commission or the United States Department of Veterans Affairs so certifying such facts; **and**

(3) By signing a form provided by the Missouri transportation department, the applicant shall certify that the applicant is related by marriage, adoption, or consanguinity within the second degree to the member of the United States Armed Forces who was killed in action; [and

(4) A fee to be determined by the commission to cover the costs of constructing and maintaining the proposed interchange, bridge, or highway signs. The fee shall not exceed the cost of constructing and maintaining each sign.

4. All moneys received by the department of transportation for the construction and maintenance of interchange, bridge, or highway signs shall be deposited in the state treasury to the credit of the state road fund.

5.] **4.** The documents [and fees] required under this section shall be submitted to the department of transportation.

[6.] **5.** The department of transportation shall submit for approval or disapproval all applications for designations to the joint committee on transportation oversight. The joint committee on transportation oversight may review such applications at any scheduled meeting convened pursuant to section 21.795. If satisfied with the application and all its contents, the committee shall approve the application. The committee shall notify the department of transportation upon the approval or denial of an application for a designation.

[7.] **6.** The department of transportation shall give notice of any proposed designation under this section in a manner reasonably calculated to advise the public of such proposal. Reasonable notice shall include posting the proposal for the designation on the department's official public website and making available copies of the sign designation application to any representative of the news media or public upon

request and posting the application on a bulletin board or other prominent public place which is easily accessible to the public and clearly designated for that purpose at the principal office.

[8. If the memorial designation request is not approved by the joint committee on transportation oversight, ninety-seven percent of the application fee shall be refunded to the applicant.

9.] **7.** Two signs shall be erected for each interchange, bridge, or highway designation processed under this section.

[10.] **8.** No interchange, bridge, or highway may be named or designated after more than one member of the United States Armed Forces killed in action. Such person shall only be eligible for one interchange, bridge, or highway designation under the provisions of this section.

[11.] **9.** Any highway signs erected for any designation under the provisions of this section shall be erected and maintained for a twenty-year period. After such period, the signs shall be subject to removal by the department of transportation and the interchange, bridge, or highway may be designated to honor persons other than the current designee. An existing designation processed under the provisions of this section may be retained for additional twenty-year increments if, at least one year before the designation's expiration, an application to the department of transportation is made to retain the designation along with the [required] documents [and all applicable fees] required under this section.

227.299. 1. Except as provided in subsection 7 of this section, an organization or person that seeks a bridge or highway designation on the state highway system to honor an event, place, organization, or person who has been deceased for more than two years shall petition the department of transportation by submitting the following:

(1) An application in a form prescribed by the director, describing the bridge or segment of highway for which designation is sought and the proposed name of the bridge or relevant portion of highway. The application shall include the name of at least one current member of the general assembly who will sponsor the bridge or highway designation. The application may contain written testimony for support of the bridge or highway designation;

(2) A list of at least one hundred signatures of individuals who support the naming of the bridge or highway; and

(3) A fee to be determined by the commission to cover the costs of constructing and maintaining the proposed signs. The fee shall not exceed the cost of constructing and maintaining each sign.

2. All moneys received by the department of transportation for the construction and maintenance of bridge or highway signs on the state highway system shall be deposited in the state treasury to the credit of the state road fund.

3. The documents and fees required under this section shall be submitted to the department of transportation no later than November first prior to the next regular session of the general assembly to be approved or denied by the joint committee on transportation oversight during such legislative session.

4. The department of transportation shall give notice of any proposed bridge or highway designation on the state highway system in a manner reasonably calculated to advise the public of such proposal. Reasonable notice shall include posting the proposal for the designation on the department's official public website, and making available copies of the sign designation application to any representative of the news media or public upon request and posting the application on a bulletin board or other prominent public place which is easily accessible to the public and clearly designated for that purpose at the principal office.

5. If the memorial highway designation requested by the organization is not approved by the joint committee on transportation oversight, ninety-seven percent of the application fee shall be refunded to the requesting organization.

6. Two highway signs shall be erected for each bridge and highway designation on the state highway system processed under this section. When a named section of a highway crosses two or more county lines, consideration shall be given by the department of transportation to allow additional signage at the county lines or major intersections.

7. [(1)] Highway or bridge designations on the state highway system honoring fallen law enforcement officers, members of the Armed Forces killed in the line of duty, Missouri recipients of the medal of honor, emergency personnel killed while performing duties relating to their employment, or state employees killed while serving the state shall not be subject to the provisions of this section.

[(2) Notwithstanding any provision of law to the contrary, beginning August 28, 2021, for designations honoring Missouri medal of honor recipients, no fees shall be assessed and all costs associated with such designations shall be funded by the department of transportation.]

8. No bridge or portion of a highway on the state highway system may be named or designated after more than one event, place, organization, or person. Each event, place, organization, or person shall only be eligible for one bridge or highway designation.

9. Any highway signs erected for any bridge or highway designation on the state highway system under the provisions of this section shall be erected and maintained for a twenty-year period. After such period, the signs shall be subject to removal by the department of transportation and the bridge or highway may be designated to honor events, places, organizations, or persons other than the current designee. An existing highway or bridge designation processed under the provisions of this section may be retained for additional twenty-year increments if, at least one year before the designation's expiration, an application

to the department of transportation is made to retain the designation along with the required documents and all applicable fees required under this section.

10. For persons honored with designations on the state highway system under this chapter after August 28, 2021, the department of transportation shall post a link on its website to biographical information of such persons.

11. The provisions of this section shall apply to bridge or highway designations sought after August 28, 2006. “; and
