

FIRST REGULAR SESSION

SENATE BILL NO. 452

102ND GENERAL ASSEMBLY

INTRODUCED BY SENATOR MOON.

1371S.01H

KRISTINA MARTIN, Secretary

AN ACT

To repeal section 143.121, RSMo, and to enact in lieu thereof one new section relating to an income tax deduction for overtime compensation.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 143.121, RSMo, is repealed and one new
2 section enacted in lieu thereof, to be known as section 143.121,
3 to read as follows:

143.121. 1. The Missouri adjusted gross income of a
2 resident individual shall be the taxpayer's federal adjusted
3 gross income subject to the modifications in this section.

4 2. There shall be added to the taxpayer's federal
5 adjusted gross income:

6 (1) The amount of any federal income tax refund
7 received for a prior year which resulted in a Missouri
8 income tax benefit. The amount added pursuant to this
9 subdivision shall not include any amount of a federal income
10 tax refund attributable to a tax credit reducing a
11 taxpayer's federal tax liability pursuant to Public Law 116-
12 136 or 116-260, enacted by the 116th United States Congress,
13 for the tax year beginning on or after January 1, 2020, and
14 ending on or before December 31, 2020, and deducted from
15 Missouri adjusted gross income pursuant to section 143.171.
16 The amount added under this subdivision shall also not
17 include any amount of a federal income tax refund
18 attributable to a tax credit reducing a taxpayer's federal

EXPLANATION-Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

19 tax liability under any other federal law that provides
20 direct economic impact payments to taxpayers to mitigate
21 financial challenges related to the COVID-19 pandemic, and
22 deducted from Missouri adjusted gross income under section
23 143.171;

24 (2) Interest on certain governmental obligations
25 excluded from federal gross income by 26 U.S.C. Section 103
26 of the Internal Revenue Code, as amended. The previous
27 sentence shall not apply to interest on obligations of the
28 state of Missouri or any of its political subdivisions or
29 authorities and shall not apply to the interest described in
30 subdivision (1) of subsection 3 of this section. The amount
31 added pursuant to this subdivision shall be reduced by the
32 amounts applicable to such interest that would have been
33 deductible in computing the taxable income of the taxpayer
34 except only for the application of 26 U.S.C. Section 265 of
35 the Internal Revenue Code, as amended. The reduction shall
36 only be made if it is at least five hundred dollars;

37 (3) The amount of any deduction that is included in
38 the computation of federal taxable income pursuant to 26
39 U.S.C. Section 168 of the Internal Revenue Code as amended
40 by the Job Creation and Worker Assistance Act of 2002 to the
41 extent the amount deducted relates to property purchased on
42 or after July 1, 2002, but before July 1, 2003, and to the
43 extent the amount deducted exceeds the amount that would
44 have been deductible pursuant to 26 U.S.C. Section 168 of
45 the Internal Revenue Code of 1986 as in effect on January 1,
46 2002;

47 (4) The amount of any deduction that is included in
48 the computation of federal taxable income for net operating
49 loss allowed by 26 U.S.C. Section 172 of the Internal
50 Revenue Code of 1986, as amended, other than the deduction

51 allowed by 26 U.S.C. Section 172(b)(1)(G) and 26 U.S.C.
52 Section 172(i) of the Internal Revenue Code of 1986, as
53 amended, for a net operating loss the taxpayer claims in the
54 tax year in which the net operating loss occurred or carries
55 forward for a period of more than twenty years and carries
56 backward for more than two years. Any amount of net
57 operating loss taken against federal taxable income but
58 disallowed for Missouri income tax purposes pursuant to this
59 subdivision after June 18, 2002, may be carried forward and
60 taken against any income on the Missouri income tax return
61 for a period of not more than twenty years from the year of
62 the initial loss; and

63 (5) For nonresident individuals in all taxable years
64 ending on or after December 31, 2006, the amount of any
65 property taxes paid to another state or a political
66 subdivision of another state for which a deduction was
67 allowed on such nonresident's federal return in the taxable
68 year unless such state, political subdivision of a state, or
69 the District of Columbia allows a subtraction from income
70 for property taxes paid to this state for purposes of
71 calculating income for the income tax for such state,
72 political subdivision of a state, or the District of
73 Columbia;

74 (6) For all tax years beginning on or after January 1,
75 2018, any interest expense paid or accrued in a previous
76 taxable year, but allowed as a deduction under 26 U.S.C.
77 Section 163, as amended, in the current taxable year by
78 reason of the carryforward of disallowed business interest
79 provisions of 26 U.S.C. Section 163(j), as amended. For the
80 purposes of this subdivision, an interest expense is
81 considered paid or accrued only in the first taxable year
82 the deduction would have been allowable under 26 U.S.C.

83 Section 163, as amended, if the limitation under 26 U.S.C.
84 Section 163(j), as amended, did not exist.

85 3. There shall be subtracted from the taxpayer's
86 federal adjusted gross income the following amounts to the
87 extent included in federal adjusted gross income:

88 (1) Interest received on deposits held at a federal
89 reserve bank or interest or dividends on obligations of the
90 United States and its territories and possessions or of any
91 authority, commission or instrumentality of the United
92 States to the extent exempt from Missouri income taxes
93 pursuant to the laws of the United States. The amount
94 subtracted pursuant to this subdivision shall be reduced by
95 any interest on indebtedness incurred to carry the described
96 obligations or securities and by any expenses incurred in
97 the production of interest or dividend income described in
98 this subdivision. The reduction in the previous sentence
99 shall only apply to the extent that such expenses including
100 amortizable bond premiums are deducted in determining the
101 taxpayer's federal adjusted gross income or included in the
102 taxpayer's Missouri itemized deduction. The reduction shall
103 only be made if the expenses total at least five hundred
104 dollars;

105 (2) The portion of any gain, from the sale or other
106 disposition of property having a higher adjusted basis to
107 the taxpayer for Missouri income tax purposes than for
108 federal income tax purposes on December 31, 1972, that does
109 not exceed such difference in basis. If a gain is
110 considered a long-term capital gain for federal income tax
111 purposes, the modification shall be limited to one-half of
112 such portion of the gain;

113 (3) The amount necessary to prevent the taxation
114 pursuant to this chapter of any annuity or other amount of

income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is

performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection;

(10) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

- (a) Livestock Forage Disaster Program;
- (b) Livestock Indemnity Program;
- (c) Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish;
- (d) Emergency Conservation Program;
- (e) Noninsured Crop Disaster Assistance Program;
- (f) Pasture, Rangeland, Forage Pilot Insurance Program;
- (g) Annual Forage Pilot Program;
- (h) Livestock Risk Protection Insurance Plan;
- (i) Livestock Gross Margin Insurance Plan;

(11) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in the current

taxable year, but not deducted as a result of the limitation imposed under 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist; [and]

(12) One hundred percent of any retirement benefits received by any taxpayer as a result of the taxpayer's service in the Armed Forces of the United States, including reserve components and the National Guard of this state, as defined in 32 U.S.C. Sections 101(3) and 109, and any other military force organized under the laws of this state;

(13) One hundred percent of the amount of any income received by a taxpayer as overtime compensation.

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to 26 U.S.C. Section 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof.

7. (1) As used in this subsection, "qualified health insurance premium" means the amount paid during the tax year

211 by such taxpayer for any insurance policy primarily
212 providing health care coverage for the taxpayer, the
213 taxpayer's spouse, or the taxpayer's dependents.

214 (2) In addition to the subtractions in subsection 3 of
215 this section, one hundred percent of the amount of qualified
216 health insurance premiums shall be subtracted from the
217 taxpayer's federal adjusted gross income to the extent the
218 amount paid for such premiums is included in federal taxable
219 income. The taxpayer shall provide the department of
220 revenue with proof of the amount of qualified health
221 insurance premiums paid.

222 8. (1) Beginning January 1, 2014, in addition to the
223 subtractions provided in this section, one hundred percent
224 of the cost incurred by a taxpayer for a home energy audit
225 conducted by an entity certified by the department of
226 natural resources under section 640.153 or the
227 implementation of any energy efficiency recommendations made
228 in such an audit shall be subtracted from the taxpayer's
229 federal adjusted gross income to the extent the amount paid
230 for any such activity is included in federal taxable
231 income. The taxpayer shall provide the department of
232 revenue with a summary of any recommendations made in a
233 qualified home energy audit, the name and certification
234 number of the qualified home energy auditor who conducted
235 the audit, and proof of the amount paid for any activities
236 under this subsection for which a deduction is claimed. The
237 taxpayer shall also provide a copy of the summary of any
238 recommendations made in a qualified home energy audit to the
239 department of natural resources.

240 (2) At no time shall a deduction claimed under this
241 subsection by an individual taxpayer or taxpayers filing
242 combined returns exceed one thousand dollars per year for

243 individual taxpayers or cumulatively exceed two thousand
244 dollars per year for taxpayers filing combined returns.

245 (3) Any deduction claimed under this subsection shall
246 be claimed for the tax year in which the qualified home
247 energy audit was conducted or in which the implementation of
248 the energy efficiency recommendations occurred. If
249 implementation of the energy efficiency recommendations
250 occurred during more than one year, the deduction may be
251 claimed in more than one year, subject to the limitations
252 provided under subdivision (2) of this subsection.

253 (4) A deduction shall not be claimed for any otherwise
254 eligible activity under this subsection if such activity
255 qualified for and received any rebate or other incentive
256 through a state-sponsored energy program or through an
257 electric corporation, gas corporation, electric cooperative,
258 or municipally owned utility.

259 9. The provisions of subsection 8 of this section
260 shall expire on December 31, 2020.
