(5) A transferee shall have only such rights to claim and redeem the tax credits that were available to such transferor at the time of the transfer, except for the transfer use of the tax credit authorized in subdivision (1) of this subsection. To the extent that such transferor did not have rights to claim or redeem the tax credit at the time of the transfer, the department of revenue shall either disallow the tax credit claimed by the transferee or recapture the tax credit from the transferee. The transferee's recourse shall be against such transferor.

(6) Tax credits shall not be transferred or sold for less than sixty percent of the value of such tax credits.

(1) The tax credit may be taken beginning with the taxable year in which the taxpayer earning the tax credit has met the requirements provided pursuant to this section. For each year in which such taxpayer either claims or transfers the tax credit, the taxpayer shall attach a
schedule to the taxpayer's Missouri income tax return which

of this subdivision shall not apply to routine tax audits of
a taxpayer which may include the review of the tax credit
authorized pursuant to this section.

6. (1) The aggregate amount of tax credits that may
be authorized in a given fiscal year pursuant to this
section shall not exceed eight million dollars. If the amount of tax credits applied for by taxpayers exceeds such amount, the department may, at its discretion, authorize additional tax credits in an amount not to exceed two million dollars in such fiscal year, provided that the maximum amount of tax credits that may be authorized during the subsequent fiscal year shall be reduced by the amount of additional tax credits that the department authorizes.

(b) If a taxpayer's base investment is at least four million dollars but less than eight million dollars, the taxpayer shall not be awarded more than two million dollars in tax credits in a fiscal year; and

(c) If a taxpayer's base investment is at least eight million dollars, the taxpayer shall not be awarded more than three million dollars in tax credits in a fiscal year.

7. The department shall promulgate such rules and regulations as are necessary to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly
pursuant to chapter 536 to review, to delay the effective
date, or to disapprove and annul a rule are subsequently
held unconstitutional, then the grant of rulemaking
authority and any rule proposed or adopted after August 28,
2023, shall be invalid and void.

8. Pursuant to section 23.253 of the Missouri sunset
act:
   (1) The program authorized pursuant to this section
shall automatically sunset on December 31, 2030, unless
reauthorized by an act of the general assembly;
   (2) If such program is reauthorized, the program
authorized pursuant to this section shall automatically
sunset on December thirty-first, twelve years after the
effective date of the reauthorization;
   (3) This section shall terminate on September first of
the calendar year immediately following the calendar year in
which the program authorized pursuant to this section is
sunset; and
   (4) The provisions of this subsection shall not be
construed to limit or in any way impair the department's
ability to redeem tax credits authorized on or before the
date the program authorized pursuant to this section
expires, or a taxpayer's ability to redeem such tax credits.

9. (1) Notwithstanding the provisions of subsection 8
of this section, the provisions of this section shall
automatically terminate and expire ninety days after the
department determines that all other state and local
governments in the United States of America have terminated
or let lapse their tax credit or other governmental
incentive program for the music or performance entertainment
industries, regardless of whether such credits or programs
are now in effect or first commence after the effective date
of this section. The department shall notify the revisor of statutes upon the department's determination that the tax credit authorized by this section shall terminate pursuant to this subsection.

(2) The provisions of this subsection shall not be construed to limit or in any way impair the ability of any taxpayer that has met the requirements in this section prior to the termination of this section to participate in the program authorized under this section. The provisions of this section shall not be construed to limit or in any way impair the department's ability to redeem tax credits qualified for on or before the date the program authorized pursuant to this section expires.

Section B. The enactment of section 135.753 of this act shall become effective January 1, 2024.
