

JOURNAL OF THE SENATE

FIRST REGULAR SESSION
VETO SESSION

WEDNESDAY, SEPTEMBER 13, 2023

The Senate was called to order in Veto Session by Lieutenant Governor Mike Kehoe.

Senator Rowden offered the following prayer:

Thank you father for bringing us back to this beautiful building safely. We thank you for your many blessings and thank you for giving us the opportunity to serve the people of Missouri in this way.

Today we pray the serenity prayer over our time together today and over this chamber in the months to come. God, give me grace to accept with serenity the things that cannot be changed, Courage to change the things which should be changed, and the Wisdom to distinguish the one from the other. Give us the wisdom you gave Solomon as we do the work of the people today and we pray for a special blessing on our families back home.

We ask all these things in your name - AMEN.

The Pledge of Allegiance to the Flag was recited.

GOVERNOR
STATE OF MISSOURI
July 6, 2023

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
102nd GENERAL ASSEMBLY
FIRST REGULAR SESSION

Herewith I return to you Senate Substitute for Senate Committee Substitute for Senate Bill Nos. 189, 36 & 37 entitled:

AN ACT

To repeal sections 67.145, 70.631, 84.344, 84.480, 84.510, 170.310, 190.091, 211.031, 211.071, 217.345, 217.690, 285.040, 287.067, 287.245, 320.400, 488.650, 509.520, 547.031, 552.020, 556.021, 558.016, 558.019, 558.031, 565.240, 568.045, 571.015, 571.070, 575.010, 575.353, 578.007, 578.022, 579.065, 579.068, 590.192, 590.653, 595.209, 600.042, 610.140, 650.058, 650.320, 650.330, and 650.340, RSMo, and to enact in lieu thereof fifty-seven new sections relating to public safety, with penalty provisions and an emergency clause for certain sections.

I disapprove of Senate Substitute for Senate Committee Substitute for Senate Bill Nos. 189, 36 & 37. My reasons for disapproval are as follows:

While I recognize and applaud the General Assembly in its effort to improve public safety for Missourians and all who visit our great state, I cannot approve this bill as presented to me as there are two notably problematic sections in this bill.

First, Section 610.140, dealing with expungements, will have significant consequences that I believe were unintended. Specifically, Subdivision (3) of Subsection 3 allows for expungements of sex offenses that did not require registration at the time of conviction. This change would allow for some serious offenses to be expunged. For example, House Bill 1055 (2004) added sexual exploitation of a minor and promoting child pornography to the offenses requiring registration, but those offenses did not require registration when enacted. *See* § 573.023, RSMo (2000); § 573.025, RSMo (1985). Accordingly, individuals who were convicted of sexual exploitation of a minor or promotion of child pornography prior to 2004 would be eligible for an expungement under this bill, and could be removed from the state's sex offender registry. Although I understand that this issue is an unintended consequence of the proposed change, I am deeply concerned that someone could have committed and been convicted of such heinous offenses, only later to receive a pass under the provisions of this bill.

Further, Subdivision (3) of Subsection 2 does not include specific standards of proof that the court is required to use in evaluating certain expungement requests, allowing anyone to allege broad past extenuating circumstances in order to expunge a large timeframe of offenses. While I am generally supportive of efforts to give individuals a second chance, I worry this language permits sweeping expungements without sufficient safeguards for past—or potential future—victims.

Finally, I am concerned that the changes to Section 610.140 making more offenses eligible for expungement will inevitably subject more victims of crime to additional court testimony and potential revictimization.

Second, Section 650.058 expands the qualifications for restitution from those who are exonerated based on DNA evidence to those who were later determined to be innocent through a habeas corpus proceeding and those whose convictions are set aside per a prosecutor's motion to vacate the judgment. This section also increases the restitution amount by more than 75% for eligible individuals. With very few exceptions, criminal cases are tried by local governments (counties or municipalities). The underlying offense, elected prosecutor, elected or retained judge, and community-drawn jury all come from the local jurisdiction, not the state as a whole. However, the burden of paying restitution

under these provisions falls on all Missouri taxpayers. The local component in this process is cemented by the proposed language compensating people released under Section 547.031, which allows a local prosecutor to revisit past crimes in his or her jurisdiction. Missourians from every part of the state should not have to foot the bill for a local decision. Local governments should bear the financial cost of their own actions.

Moreover, the changes to Subdivision (4) of Subsection 1 make compensation available to anyone released after an evidentiary hearing in a habeas corpus proceeding that “demonstrates a person’s innocence.” However, the vagueness of the language could allow anyone released from prison this way who simply claimed innocence to receive compensation. I am opposed to subjecting taxpayers to such a nebulous standard.

Unfortunately, this bill includes many other public safety proposals that I do support. Some of these provisions include Blair’s Law, Max’s Law, increased penalties for violent repeat offenders and gun crimes, and the creation of a separate fund for the public defender system. It is my hope that the General Assembly will pass these provisions again in the next legislative session.

In accordance with the above stated reasons for disapproval, I am returning Senate Bill Nos. 189, 36 & 37 without my approval.

Respectfully Submitted,
Michael L. Parson
Governor

SS for SCS for SBs 189, 36, and 37 was called thereafter and no motion was taken thereon.
