Further amend said bill, page 5, section 557.520, line 146 by inserting after all of said line the following:

“455.096. 1. In addition to any other jurisdictional grounds provided by law, a court shall have jurisdiction to enter an extreme risk order of protection restraining or enjoining the respondent from possessing any firearms.

2. (1) Upon the filing of a verified petition by a law enforcement officer or agency pursuant to this section, and for good cause shown in the petition, the court may immediately issue an ex parte order of protection. An immediate and present danger of the respondent causing personal injury to him or herself or others shall constitute good cause shown for purposes of this section. An ex parte order of protection entered by the court shall take effect when entered and shall remain in effect until there is valid service of process and a hearing is held on the motion within fifteen days of the filing of the petition.

(2) Failure to serve an ex parte order of protection on the respondent shall not affect the validity or enforceability of such order. If the respondent is less than eighteen years of age, unless otherwise emancipated, service of process shall be made upon a custodial parent or guardian of the respondent, or upon a guardian ad litem appointed by the court, requiring that the person appear and bring the respondent before the court at the time and place stated.

(3) If an ex parte order is entered and the respondent is less than eighteen years of age, the court shall transfer the case to juvenile court for a hearing on a full order of protection. The court shall appoint a guardian ad litem for any such respondent not represented by a parent or guardian.

(4) The law enforcement officer or agency shall be responsible for providing notice to a family or household member of the respondent and to any known third party who may be at risk of violence. The notice shall state that the law enforcement officer or agency intends to petition the court for an extreme risk order of protection or has already done so, and include referrals to appropriate resources, including mental health, domestic violence, and counseling resources. The law enforcement officer or agency shall attest in the petition to having provided such notice, or attest to the steps that shall be taken to provide such notice.

3. Upon issuance of any ex parte order of protection under subsection 2 of this section, the court shall order the respondent to surrender to the local law enforcement agency where the respondent resides, all firearms in the respondent's custody, control, or possession. The law enforcement officer serving any ex parte order of protection shall provide the respondent to the order an opportunity to comply with the order by surrendering all firearms in his or her custody, control, or possession.

If the respondent does not comply, the law enforcement officer serving the order shall conduct a lawful search and seizure of any firearms of the respondent and in any area where probable cause exists that a firearm to be surrendered pursuant to the order is located. The law enforcement agency shall hold all surrendered firearms until a hearing is held on the petition for the extreme risk order of protection.

4. Not later than fifteen days after the filing of a verified petition that meets the requirements of this section, a hearing shall be held unless the court deems, for good cause shown, that a continuance should be granted. At the hearing, if the law enforcement officer or agency has proved the allegation that the respondent poses a significant danger to him or herself or others by a preponderance of the evidence, the court shall issue a full extreme risk order of protection for a period of time of one year.

5. Upon issuance of any full extreme risk order of protection under subsection 4 of this section, the court shall order the respondent to surrender to the local law enforcement agency where the respondent resides, all firearms in the respondent's custody, control, or possession. If the respondent has been identified in the petition as being required to carry a firearm as a condition of the respondent's employment, the court shall notify the respondent's employer of the existence of the order. If the respondent holds a concealed carry permit pursuant to section 571.101, the court shall order a revocation of the concealed carry permit.

(1) The law enforcement officer serving any extreme risk order of protection shall provide the respondent to the order an opportunity to comply with the order by surrendering all firearms in his or her custody, control, or possession. If the respondent does not comply, the law enforcement officer serving the order shall:

(a) Conduct a lawful search of the respondent and any area where probable cause exists that a firearm to be surrendered pursuant to the order is located; and

(b) Take possession of all firearms belonging to the respondent that are surrendered, in plain sight, or discovered pursuant to a lawful search conducted pursuant to paragraph (a) of this subdivision.

(2) If personal service by a law enforcement officer is not possible, or not required because the respondent was present at the extreme risk order of protection hearing, the respondent shall surrender the firearms in a safe manner to the control of the local law enforcement agency within forty-eight hours of being served with the order by alternate service or within forty-eight hours of the hearing or final decision at which the respondent was present.

(3) At the time of surrender, a law enforcement officer taking possession of a firearm shall issue a receipt identifying all firearms that have been surrendered and provide a copy of the receipt to the respondent. Within seventy-two hours after service of the order, the officer serving the order shall file the original receipt with the court and shall ensure that his or her law enforcement agency retains a copy of the receipt.

(4) Upon the sworn statement or testimony of any law enforcement officer alleging that the respondent has failed to comply with the surrender of firearms as required by an order issued under this subsection and subsection 3 of this section, the court shall determine whether probable cause exists to believe that the respondent has failed to surrender all firearms in his or her possession,

custody, or control. If probable cause exists, the court shall issue a warrant describing the firearms and authorizing a search of the locations where the firearms are reasonably believed to be and the seizure of any firearms discovered pursuant to such search.

(5) If a person other than the respondent claims title to any firearms surrendered pursuant to this subsection and subsection 3 of this section, and he or she is determined by the law enforcement agency to be the lawful owner of the firearm, the firearm shall be returned to him or her, provided that:

(a) The firearm is removed from the respondent's custody, control, or possession and the lawful owner agrees to store the firearm in a manner such that the respondent does not have access to or control of the firearm; and

(b) The firearm is not otherwise unlawfully possessed by the owner.

(6) A respondent to an extreme risk order of protection may file a motion to modify or rescind that order of protection. The respondent may request a hearing on such a motion with the court that issued the original extreme risk order of protection. The court shall conduct a hearing on the motion to modify or rescind an extreme risk order of protection within fifteen days after the motion is filed. At the hearing, if the respondent has proved by a preponderance of the evidence that the extreme risk order of protection must be modified or rescinded, the court shall modify or rescind the extreme risk order of protection.

6. If an extreme risk order of protection is terminated or expires without renewal, a law enforcement agency holding any firearm that has been surrendered pursuant to subsections 3 and 5 of this section shall return any surrendered firearm requested by a respondent only after confirming, through a background check administered by the state highway patrol under section 43.543, that the respondent is currently eligible to own or possess firearms under federal and state law and after confirming with the court that the extreme risk order of protection has terminated or has expired without renewal.

7. (1) The law enforcement officer or agency may renew the extreme risk order of protection if probable cause is shown that the respondent continues to pose a significant risk of personal injury to him or herself or others by possessing a firearm. The extreme risk order of protection may be renewed for up to one year from the expiration of the preceding extreme risk order of protection. Written notice of a hearing on the motion to renew an extreme risk order of protection shall be given to the respondent by the court.

(2) A law enforcement agency shall, if requested, provide prior notice of the return of a firearm to a respondent to family or household members of the respondent.

(3) Any firearm surrendered by a respondent pursuant to subsections 3 and 5 of this section that remains unclaimed by the lawful owner shall be disposed of in accordance with the law enforcement agency's policies and procedures for the disposal of firearms in police custody.

8. The clerk of any court that issues an extreme risk order of protection shall send the Missouri state highway patrol a copy of the order issued by that court within forty-eight hours of the court issuing the order. Upon receiving an extreme risk order of protection, the Missouri state highway patrol shall enter the extreme risk order of protection into the Missouri uniform law enforcement system (MULES) within forty-eight hours of receiving notice of the order.

9. A violation of the terms and conditions of an ex parte order of protection pursuant to this section of which the respondent has notice, shall be a class A misdemeanor unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class E felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior pleas of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

10. A violation of the terms and conditions of a full order of protection pursuant to this section shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class E felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of the sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict. For the purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection if:

(1) The law enforcement officer responding to a call of a reported violation of an order of protection presented a copy of the order of protection to the respondent; or

(2) Notice is given by actual communication to the respondent in a manner reasonably likely to advise the respondent.”; and

Further amend said bill and page, Section A, line 3, by inserting after all of said line the following:

“92.105. It is the intent of sections 92.105 to 92.125 that starting in 2011 voters in any city imposing an earnings tax will decide in local elections to continue the earnings tax. If the majority of local voters vote to continue the earnings tax, it will continue for five years, **or in any city with more than four hundred thousand inhabitants and located in more than one county, for ten years**, and then will be voted on again. If a majority of voters in any city having an earnings tax vote against continuing the earnings tax, it will be phased out pursuant to section 92.125 in such city over a period of ten years. Further, sections 92.105 to 92.125 prohibit any Missouri city or town that does not, as of November 2, 2010, impose an earnings tax, from imposing such a tax on residents and businesses.

92.111. 1. After December 31, 2011, no city, including any constitutional charter city, shall impose or levy an earnings tax, except a constitutional charter city that imposed or levied an earnings tax on November 2, 2010, may continue to impose the earnings tax if it submits to the voters of such city pursuant to section 92.115 the question whether to continue such earnings tax for a period of five years, **or if such city with more than four hundred thousand inhabitants and located in more than one county, for a period of ten years**, and a majority of such qualified voters voting thereon approve such question, however, if no such election is held, or if in any election held to continue to impose or levy the earnings tax a majority of such qualified voters voting thereon fail to approve the continuation of the earnings tax, such city shall no longer be authorized to impose or levy such earnings tax except to reduce such tax in the manner provided by section 92.125.

2. As used in sections 92.111 to 92.200, unless the context clearly requires otherwise, the term “earnings tax” means a tax on the:

(1) Salaries, wages, commissions and other compensation earned by its residents;

(2) Salaries, wages, commissions and other compensation earned by nonresidents of the city for work done or services performed or rendered in the city;

- (3) Net profits of associations, businesses or other activities conducted by residents;
- (4) Net profits of associations, businesses or other activities conducted in the city by nonresidents;
- (5) Net profits earned by all corporations as the result of work done or services performed or rendered and business or other activities.

92.114. 1. Notwithstanding any provision of law to the contrary, a city not within a county shall not continue to impose or levy an earnings tax pursuant to sections 92.105 to 92.200 without complying with the provisions of this section.

2. Beginning on September 30, 2023, the city shall prepare a quarterly report stating the following:

- (1) The total receipts from the earnings tax for the quarter and for the calendar year-to-date;**
- (2) The receipts from the earnings tax, sorted by zip code of the residence of the individual paying the tax, for the quarter and the year-to-date;**
- (3) All refunds paid, sorted by zip code of the residence of the individual paying the tax for the quarter and the year-to-date; and**

The city shall post each report required by this section on the main pages of the website of the city and its collector of revenue, and the reports posted shall be clearly identified in a manner designed to make them easily accessible to the public. The city shall submit each report required by this section to the state auditor, to the secretary of the Missouri senate, to the chair of the senate appropriations committee, to the clerk of the house of representatives, and to the chair of the house of representatives budget committee.

For all tax returns filed on or after January 1, 2024, the term “work done or services performed or rendered in the city”, as used in sections 92.105 to 92.200, shall not include any work or services performed or rendered through telecommuting or otherwise performed or rendered remotely unless the location where such remote work or services are performed is located in the city. Any taxpayer denied a refund for taxes paid for such work or services not performed or rendered in the city may bring a cause of action in a court of competent jurisdiction to recover the amount of the refund owed, and such taxpayer shall recover reasonable attorney's fees resulting from such cause of action. The cause of action permitted by this section may be brought as a class action, as provided for by rule 52.08 of the Missouri supreme court rules, notwithstanding any prior decision of a Missouri appellate court. Paying the earnings tax under protest shall not be a prerequisite to maintaining the cause of action permitted by this subsection.

5. By no later than September 30, 2023, any city not within a county that levies an earnings tax pursuant to sections 92.105 to 92.200 shall establish a process for taxpayers to request a refund for any earnings tax levied on work or services performed or rendered through telecommuting or

otherwise performed or rendered remotely, unless the location where such remote work or services were performed is located in the city, which shall include a sample reimbursement form that is accessible to taxpayers on the city's website.

92.115. 1. Any constitutional charter city which as of November 2, 2010, imposed or levied an earnings tax may continue to impose or levy an earnings tax, pursuant to sections 92.111 to 92.200, if it submits to the qualified voters of such city on the next general municipal election date immediately following November 2, 2010, and once every five years thereafter, **or if such city with more than four hundred thousand inhabitants and located in more than one county, once every ten years thereafter**, the question whether to continue to impose and levy the earnings tax authorized pursuant to sections 92.111 to 92.200, and if a majority of qualified voters voting approve the continuance of the earnings tax at such election.

3. If the question whether to continue to impose and levy the earnings tax fails to be approved by the majority of qualified voters voting thereon, the earnings tax levied and imposed on November 2, 2010, shall be reduced pursuant to section 92.125 commencing January first of the calendar year following the date of the election held under this section or January first of the calendar year following the calendar year in which such election was authorized under this section but not held by such city.

4. No city which has begun reductions of its earnings tax pursuant to section 92.125 may, by ordinance or any other means, with or without voter approval, stop or suspend such reduction.”; and

Further amend said bill, page 7, Section 94.902, line 191, by inserting after all of said line the following:

“190.460. 1. As used in this section, the following terms mean:

- (1) “Board”, the Missouri 911 service board established under section 650.325;
- (2) “Consumer”, a person who purchases prepaid wireless telecommunications service in a retail transaction;
- (3) “Department”, the department of revenue;
- (4) “Prepaid wireless service provider”, a provider that provides prepaid wireless service to an end user;

(5) "Prepaid wireless telecommunications service", a wireless telecommunications service that allows a caller to dial 911 to access the 911 system and which service shall be paid for in advance and is sold in predetermined units or dollars of which the number declines with use in a known amount;

(6) "Retail transaction", the purchase of prepaid wireless telecommunications service from a seller for any purpose other than resale. The purchase of more than one item that provides prepaid wireless telecommunication service, when such items are sold separately, constitutes more than one retail transaction;

(7) "Seller", a person who sells prepaid wireless telecommunications service to another person;

(8) "Wireless telecommunications service", commercial mobile radio service as defined by 47 CFR 20.3, as amended.

2. (1) Beginning January 1, 2019, there is hereby imposed a prepaid wireless emergency telephone service charge on each retail transaction. The amount of such charge shall be equal to three percent of the amount of each retail transaction. The first fifteen dollars of each retail transaction shall not be subject to the service charge.

(2) When prepaid wireless telecommunications service is sold with one or more products or services for a single, nonitemized price, the prepaid wireless emergency telephone service charge set forth in subdivision (1) of this subsection shall apply to the entire nonitemized price unless the seller elects to apply such service charge in the following way:

(a) If the amount of the prepaid wireless telecommunications service is disclosed to the consumer as a dollar amount, three percent of such dollar amount; or

(b) If the seller can identify the portion of the price that is attributable to the prepaid wireless telecommunications service by reasonable and verifiable standards from the seller's books and records that are kept in the regular course of business for other purposes including, but not limited to, nontax purposes, three percent of such portion;

The first fifteen dollars of each transaction under this subdivision shall not be subject to the service charge.

(3) The prepaid wireless emergency telephone service charge shall be collected by the seller from the consumer with respect to each retail transaction occurring in this state. The amount of the prepaid wireless emergency telephone service charge shall be either separately stated on an invoice, receipt, or other similar document that is provided to the consumer by the seller or otherwise disclosed to the consumer.

(4) For purposes of this subsection, a retail transaction that is effected in person by a consumer at a business location of the seller shall be treated as occurring in this state if that business location is in this state, and any other retail transaction shall be treated as occurring in this state if the retail transaction is treated as occurring under chapter 144.

(5) The prepaid wireless emergency telephone service charge is the liability of the consumer and not of the seller or of any provider; except that, the seller shall be liable to remit all charges that the seller collects or is deemed to collect.

(6) The amount of the prepaid wireless emergency telephone service charge that is collected by a seller from a consumer, if such amount is separately stated on an invoice, receipt, or other similar document provided to the consumer by the seller, shall not be included in the base for measuring any tax, fee, surcharge, or other charge that is imposed by this state, any political subdivision of this state, or any intergovernmental agency.

3. (1) Prepaid wireless emergency telephone service charges collected by sellers shall be remitted to the department at the times and in the manner provided by state law with respect to sales and use taxes. The department shall establish registration and payment procedures that substantially coincide with the registration and payment procedures that apply under state law. On or after the effective date of the service charge imposed under the provisions of this section, the director of the department of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the service charge, and the director shall collect, in addition to the sales tax for the state of Missouri, all additional service charges imposed in this section. All service charges imposed under this section together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057 shall apply to the collection of any service charges imposed under this section except as modified.

(2) Beginning on January 1, 2019, and ending on January 31, 2019, when a consumer purchases prepaid wireless telecommunications service in a retail transaction from a seller under this section, the seller shall be allowed to retain one hundred percent of the prepaid wireless emergency telephone service charges that are collected by the seller from the consumer. Beginning on February 1, 2019, a seller shall be permitted to deduct and retain three percent of prepaid wireless emergency telephone service charges that are collected by the seller from consumers.

(3) The department shall establish procedures by which a seller of prepaid wireless telecommunications service may document that a sale is not a retail transaction, which procedures shall substantially coincide with the procedures for documenting sale for resale transactions for sales and use purposes under state law.

(4) The department shall deposit all remitted prepaid wireless emergency telephone service charges into the general revenue fund for the department's use until eight hundred thousand one hundred fifty dollars is collected to reimburse its direct costs of administering the collection and remittance of prepaid wireless emergency telephone service charges. From then onward, the department shall deposit all remitted prepaid wireless emergency telephone service charges into the Missouri 911 service trust fund created under section 190.420 within thirty days of receipt for use by the board. After the initial eight hundred thousand one hundred fifty dollars is collected, the department may deduct an amount not to exceed one percent of collected charges to be retained by the department to reimburse its direct costs of administering the collection and remittance of prepaid wireless emergency telephone service charges.

(5) The board shall set a rate between twenty-five and one hundred percent of the prepaid wireless emergency telephone service charges deposited in the Missouri 911 service trust fund collected in counties without a charter form of government, less the deductions authorized in subdivision (4) of this subsection, that shall be remitted to such counties in direct proportion to the amount of charges collected in each

county. The board shall set a rate between sixty-five and one hundred percent of the prepaid wireless emergency telephone service charges deposited in the Missouri 911 service trust fund collected in counties with a charter form of government and any city not within a county, less the deductions authorized in subdivision (4) of this subsection, that shall be remitted to each such county or city not within a county in direct proportion to the amount of charges collected in each such county or city not within a county. If a county has an elected emergency services board, the Missouri 911 service board shall remit the funds to the elected emergency services board, except for an emergency services board originally organized under section 190.325 operating within a county with a charter form of government and with more than two hundred thousand but fewer than three hundred fifty thousand inhabitants, in which case the funds shall be remitted to the county's general fund for the purpose of public safety infrastructure. The initial percentage rate set by the board for counties with and without a charter form of government and any city not within a county shall be set by June thirtieth of each applicable year and may be adjusted annually for the first three years, and thereafter the rate may be adjusted every three years; however, at no point shall the board set rates that fall below twenty-five percent for counties without a charter form of government and sixty-five percent for counties with a charter form of government and any city not within a county.

(6) Any amounts received by a county or city under subdivision (5) of this subsection shall be used only for purposes authorized in sections 190.305, 190.325, and 190.335. Any amounts received by any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants under this section may be used for emergency service notification systems.

4. (1) A seller that is not a provider shall be entitled to the immunity and liability protections under section 190.455, notwithstanding any requirement in state law regarding compliance with Federal Communications Commission Order 05-116.

(2) A provider shall be entitled to the immunity and liability protections under section 190.455.

(3) In addition to the protection from liability provided in subdivisions (1) and (2) of this subsection, each provider and seller and its officers, employees, assigns, agents, vendors, or anyone acting on behalf of such persons shall be entitled to the further protection from liability, if any, that is provided to providers and sellers of wireless telecommunications service that is not prepaid wireless telecommunications service under section 190.455.

5. The prepaid wireless emergency telephone service charge imposed by this section shall be in addition to any other tax, fee, surcharge, or other charge imposed by this state, any political subdivision of this state, or any intergovernmental agency for 911 funding purposes.

6. The provisions of this section shall become effective unless the governing body of a county or city adopts an ordinance, order, rule, resolution, or regulation by at least a two-thirds vote prohibiting the charge established under this section from becoming effective in the county or city at least forty-five days prior to the effective date of this section. If the governing body does adopt such ordinance, order, rule, resolution, or regulation by at least a two-thirds vote, the charge shall not be collected and the county or city shall not be allowed to obtain funds from the Missouri 911 service trust fund that are remitted to the fund under the charge established under this section. The Missouri 911 service board shall, by September 1, 2018, notify all counties and cities of the implementation of the charge established under this section, and the procedures set forth under this subsection for prohibiting the charge from becoming effective.

7. Any county or city which prohibited the prepaid wireless emergency telephone service charge pursuant to the provisions of subsection 6 of this section may take a vote of the governing body, and notify the department of revenue of the result of such vote[, by November 15, 2019,] to impose such charge [effective January 1, 2020]. A vote of at least two-thirds of the governing body is required in order to impose such charge. The department shall notify the board of notices received by [December 1, 2019] **within sixty days of receiving such notice.”; and**

SENATE AMENDMENT NO. 5

Amend Senate Bill No. 180, Page 7, Section 94.902, Line 191, by inserting after all of said line the following:

“190.142. 1. (1) For applications submitted before the recognition of EMS personnel licensure interstate compact under sections 190.900 to 190.939 takes effect, the department shall, within a reasonable time after receipt of an application, cause such investigation as it deems necessary to be made of the applicant for an emergency medical technician's license.

(2) For applications submitted after the recognition of EMS personnel licensure interstate compact under sections 190.900 to 190.939 takes effect, an applicant for initial licensure as an emergency medical technician in this state shall submit to a background check by the Missouri state highway patrol and the Federal Bureau of Investigation through a process approved by the department of health and senior services. Such processes may include the use of vendors or systems administered by the Missouri state highway patrol. The department may share the results of such a criminal background check with any emergency services licensing agency in any member state, as that term is defined under section 190.900, in recognition of the EMS personnel licensure interstate compact. The department shall not issue a license until the department receives the results of an applicant's criminal background check from the Missouri state highway patrol and the Federal Bureau of Investigation, but, notwithstanding this subsection, the department may issue a temporary license as provided under section 190.143. Any fees due for a criminal background check shall be paid by the applicant.

(3) The director may authorize investigations into criminal records in other states for any applicant.

2. The department shall issue a license to all levels of emergency medical technicians, for a period of five years, if the applicant meets the requirements established pursuant to sections 190.001 to 190.245 and the rules adopted by the department pursuant to sections 190.001 to 190.245. The department may promulgate rules relating to the requirements for an emergency medical technician including but not limited to:

(1) Age requirements;

(2) Emergency medical technician and paramedic education and training requirements based on respective National Emergency Medical Services Education Standards and any modification to such curricula specified by the department through rules adopted pursuant to sections 190.001 to 190.245;

(3) Paramedic accreditation requirements. Paramedic training programs shall be accredited [by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) or hold a CAAHEP letter of review] **as required by the National Registry of Emergency Medical Technicians;**

(4) Initial licensure testing requirements. Initial EMT-P licensure testing shall be through the national registry of EMTs;

(5) Continuing education and relicensure requirements; and

(6) Ability to speak, read and write the English language.

3. Application for all levels of emergency medical technician license shall be made upon such forms as prescribed by the department in rules adopted pursuant to sections 190.001 to 190.245. The application form shall contain such information as the department deems necessary to make a determination as to whether the emergency medical technician meets all the requirements of sections 190.001 to 190.245 and rules promulgated pursuant to sections 190.001 to 190.245.

4. All levels of emergency medical technicians may perform only that patient care which is:

(1) Consistent with the training, education and experience of the particular emergency medical technician; and

(2) Ordered by a physician or set forth in protocols approved by the medical director.

5. No person shall hold themselves out as an emergency medical technician or provide the services of an emergency medical technician unless such person is licensed by the department.

6. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.”; and

Further amend the title and enacting clause accordingly.

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Bill No. 400, Page 1, Section A, Line 3, by inserting after all of said line the following:

“431.204. 1. A reasonable covenant in writing promising not to solicit, recruit, hire, induce, persuade, encourage, or otherwise interfere with, directly or indirectly, the employment of one or more employees or owners of a business entity shall be presumed to be enforceable and not a restraint of trade pursuant to subsection 1 of section 416.031 if it is between a business entity and the owner of the business entity and does not continue for more than two years following the end of the owner’s business relationship with the business entity.

2. A reasonable covenant in writing promising not to solicit, induce, direct, or otherwise interfere with, directly or indirectly, a business entity's customers, including any reduction, termination, or transfer of any customer's business, in whole or in part, for the purposes of providing any product or any service that is competitive with those provided by the business entity shall be presumed to be enforceable and not a restraint of trade pursuant to subsection 1 of section 416.031 if the covenant is limited to customers with whom the owner dealt and if the covenant is between a business entity and an owner, so long as the covenant does not continue for more than five years following the end of the owner’s business relationship with the business entity.

3. A provision in writing by which an owner promises to provide prior notice of the owner's intent to terminate, sell, or otherwise dispose of such owner’s ownership interest in the business entity shall be presumed to be enforceable and not a restraint of trade pursuant to subsection 1 of section 416.031.

4. If a covenant is overbroad, overlong, or otherwise not reasonably necessary to protect the protectable business interests of the business entity seeking enforcement of the covenant, a court shall modify the covenant, enforce the covenant as modified, and grant only the relief reasonably necessary to protect such interests.

5. Nothing in this section is intended to create or to affect the validity or enforceability of covenants not to compete, other types of covenants, or nondisclosure or confidentiality agreements, except as expressly provided in this section.

6. Except as provided in subsection 3 of this section, nothing in this section shall be construed to limit an owner's ability to seek or accept employment with another business entity immediately upon, or at any time subsequent to, termination of the owner's business relationship with the business entity, whether such termination was voluntary or nonvoluntary.”; and

Further amend the title and enacting clause accordingly.

Senator Luetkemeyer moved that the above amendment be adopted.

**SENATE AMENDMENT NO. 1 TO
SENATE AMENDMENT NO.1**

Amend Senate Amendment No. 1 to Senate Substitute for Senate Bill No. 400, Page 1, Line 2, by inserting after all of said line the following:

“431.202. 1. A reasonable covenant in writing promising not to solicit, recruit, hire or otherwise interfere with the employment of one or more employees shall be enforceable and not a restraint of trade pursuant to subsection 1 of section 416.031 if:

(1) Between two or more corporations or other business entities seeking to preserve workforce stability (which shall be deemed to be among the protectable interests of each corporation or business entity) during, and for a reasonable period following, negotiations between such corporations or entities for the acquisition of all or a part of one or more of such corporations or entities;

(2) Between two or more corporations or business entities engaged in a joint venture or other legally permissible business arrangement where such covenant seeks to protect against possible misuse of confidential or trade secret business information shared or to be shared between or among such corporations or entities;

(3) Between an employer and one or more employees seeking on the part of the employer to protect:

(a) Confidential or trade secret business information; or

(b) Customer or supplier relationships, goodwill or loyalty, which shall be deemed to be among the protectable interests of the employer; or

(4) Between an employer and one or more employees, notwithstanding the absence of the protectable interests described in subdivision (3) of this subsection, so long as such covenant does not continue for more than one year following the employee's employment; provided, however, that this subdivision shall not apply to covenants signed by employees who provide only secretarial or clerical services **or employees who are paid on an hourly basis.**

2. Whether a covenant covered by this section is reasonable shall be determined based upon the facts and circumstances pertaining to such covenant, but a covenant covered exclusively by subdivision (3) or (4) of subsection 1 of this section shall be conclusively presumed to be reasonable if its postemployment duration is no more than one year.

3. Nothing in subdivision (3) or (4) of subsection 1 of this section is intended to create, or to affect the validity or enforceability of, employer-employee covenants not to compete.

4. Nothing in this section shall preclude a covenant described in subsection 1 of this section from being enforceable in circumstances other than those described in subdivisions (1) to (4) of subsection 1 of this section, where such covenant is reasonably necessary to protect a party's legally permissible business interests.

5. Nothing in this section shall be construed to limit an employee's ability to seek or accept employment with another employer immediately upon, or at any time subsequent to, termination of employment, whether said termination was voluntary or nonvoluntary.

6. This section shall have retrospective as well as prospective effect.”.
