

HB 2002 – Department of Elementary & Secondary Education

Section 2.045 – Federal Emergency Relief (ESSER III) – NDI

Governor Recommendation:

For outstanding program initiatives

House Recommendation:

Did not recommend

Section 2.047 – Horizons St. Louis – NDI

Senate Appropriations Proposal:

For a summer enrichment program grant to a not-for-profit organization that inspires a brighter future for students most in need by providing opportunities to experience high-quality academics, engaging enrichment activities, and health life skills, provided that the organization has a primary office location in a city with more than twenty-seven thousand but fewer than thirty thousand inhabitants and located in a county with more than one million inhabitants, further provided that such funds be awarded through a competitive grant process

Section 2.048 – Missouri Propane Gas Association – NDI

Senate Appropriations Proposal:

For grants to public schools to acquire new or replace buses with new buses that meet low NOx emissions standards of .02 g/bhp-hr and operate using on-board propulsion systems (all fuels) energy rated to deliver at least 250 miles per duty cycle; and further provided preference is given to buses using U.S. sourced parts, assembly and fuel

Section 2.062 – Kansas City Teacher Residency Program

Senate Appropriations Proposal:

For a teacher residency program principally located in a city with more than four hundred thousand inhabitants and located in more than one county focused on decreasing the number of teacher vacancies in the State of Missouri caused by the labor loss due to the pandemic

Section 2.073 – aSTEAM Village – NDI

Senate Appropriations Proposal:

For a nonprofit organization located in any city with more than four hundred thousand inhabitants and located in more than one county that focuses on engaging students, families, and educators in science, technology, engineering, arts, and math (STEAM) pathways to facilitate career and education readiness for participation in the 21st Century economy of today and tomorrow

Section 2.074 – Web DuBois (Tutoring and Educational Enrichment) – NDI

Senate Appropriations Proposal:

For a program dedicated to educational enrichment, tutoring, and support in the areas of science, technology, engineering, and math serving underserved and low-income students in a city with more than four hundred thousand inhabitants and located in more than one county

Section 2.098 – WeCode KC – NDI

Senate Appropriations Proposal:

For a nonprofit organization, located in any city with more than four hundred thousand inhabitants and located in more than one county, which provides computer training technology certificates and robotics for ages seven through seventeen

Section 2.113 – Recovery High School - NDI

Senate Appropriations Proposal:

For a recovery high school, pursuant to Section 167.850 RSMo

Section 2.142 – Turn the Page - NDI

Senate Appropriations Proposal:

For a nonprofit organization, located in any city with more than four hundred thousand inhabitants and located in more than one county, which provides a literacy enrichment program with goals to get children to their reading level

Section 2.143 – Blaque Freedom School - NDI

Senate Appropriations Proposal:

For a nonprofit organization, located in any city with more than four hundred thousand inhabitants and located in more than one county, to provide a summer literacy enrichment program with goals to get children to their reading level and provide leadership development programs

Section 2.153 – Bootheel Technical Training Center – NDI

Senate Appropriations Proposal:

For a technical training center located in any city with more than seven thousand but fewer than eight thousand inhabitants and located in a county with more than twenty-five thousand but fewer than thirty thousand inhabitants for the expansion of building-space for workforce development programs

Section 2.165 – Skills Evaluation Tool

House Recommendation:

For the procurement, implementation, and maintenance of a platform for students in grades eight through twelve to complete an online individual career and academic plan, learn about available career pathways, education, military, post-secondary workforce opportunities, and connect those students to the pathways they are interested in, in a secure and non-identifying manner

Senate Appropriations Proposal:

For nationally recognized career readiness assessments to be made available for all eleventh or twelfth grade students that measure foundational career readiness skills, including applied mathematics, workplace documents, and graphic literacy and lead to a nationally recognized work-readiness credential that is used by site selectors to rank states for site selection and economic development

Section 2.168 – Success Ready Students Network – NDI

Senate Appropriations Proposal:

For a collaborative initiative that connects the Missouri public school community for research and development of innovation zone districts, competency-based education, and establishing a waiver from the federal government for statewide testing

Section 2.202 – Homeless Student Impact Center – NDI

Senate Appropriations Proposal:

For a statewide program that assists homeless students to help them overcome barriers to successfully find and stay in permanent housing

Section 2.375 – Child Care Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA)

Governor Recommendation:

For child care services in response to the COVID-19 pandemic

House Recommendation:

Did not recommend

Section 2.380 – American Rescue Plan Act (ARPA) Child Care Stabilization

Governor Recommendation:

For child care stabilization services in response to the COVID-19 pandemic

House Recommendation:

Did not recommend

PART 2 - Section 2.505

House Recommendation:

In reference to Section 2.365 of Part 1 of this act:

No funds shall be expended in furtherance of the 100th percentile of the current child care market for infant and toddler provider rates, as determined from the **2021-2022** child care market rate survey, and no funds shall be expended in furtherance of the 65th percentile of the current child care market for pre-k and school-age provider rates, as determined from the **2021-2022** child care market rate survey, **and no funds shall be expended in furtherance of any rate enhancement greater than the rate in effect on January 1, 2023, and no** funds shall be expended in furtherance of any benefit greater than that provided for by the applicable traditional or transitional child care subsidy income eligibility threshold.

Senate Appropriations Proposal:

In reference to Section 2.365 of Part 1 of this act:

No funds shall be expended in furtherance of the 100th percentile of the current child care market for infant and toddler provider rates, as determined from the **most recent** child care market rate survey, and no funds shall be expended in furtherance of the 65th percentile of the current child care market for pre-k and school-age provider rates, as determined from the **most recent** child care market rate survey. **No** funds shall be expended in furtherance of any benefit greater than that provided for by the applicable traditional or transitional child care subsidy income eligibility threshold.

PART 2 - Section 2.510

House Recommendation:

In reference to Section 2.370 of Part 1 of this act:

No funds shall be expended in furtherance of the 100th percentile of the current child care market for infant and toddler provider rates, as determined from the **2021-2022** child care market rate survey, and no funds shall be expended in furtherance of the 65th percentile of the current child care market for pre-k and school-age provider rates, as determined from the **2021-2022** child care market rate survey, except for subsidy paid to providers on behalf of children in legal custody of the Children's Division who shall be paid no less than the market rate, **and no funds shall be expended in furtherance of any rate enhancement greater than the rate in effect on January 1, 2023, and no** funds shall be expended in furtherance of any benefit greater than that provided for by the applicable traditional or transitional child care subsidy income eligibility threshold.

Senate Appropriations Proposal:

In reference to Section 2.370 of Part 1 of this act:

No funds shall be expended in furtherance of the 100th percentile of the current child care market for infant and toddler provider rates, as determined from the **most recent** child care market rate survey, and no funds shall be expended in furtherance of the 65th percentile of the current child care market for pre-k and school-age provider rates, as determined from the **most recent** child care market rate survey, except for subsidy paid to providers on behalf of children in legal custody of the Children's Division who shall be paid no less than the market rate. **No** funds shall be expended in furtherance of any benefit greater than that provided for by the applicable traditional or transitional child care subsidy income eligibility threshold.

PART 2 - Section 2.520

House Recommendation:

In reference to all sections in Part 1 of this act:

With respect to any grantee that is a qualifying entity to carry out the caring communities program(s), and that also makes subawards, no funds shall be expended in furtherance of administrative costs and/or indirect costs greater than five percent (5%) of total awarded amount if the amount of funds is under one million dollars; or three percent (3%) if the amount of funds is one million dollars or greater.

PART 2 - Section 2.525

Senate Appropriations Proposal:

In reference to all sections in Part 1 of this act:

No funds shall be expended to any community action partnership that provides assistance for low-income individuals and families, located in any city with more than seventy-one thousand but fewer than seventy-nine thousand inhabitants

HB 2003 – Department of Higher Education & Workforce Development

Section 3.103 – Missouri Returning Heroes (NDI)

Senate Appropriations Proposal:

For the Missouri Returning Heroes Program

Section 3.135 – MO Works Initiative Pre-Apprenticeship - NDI

Senate Appropriations Proposal:

For a non-profit organization located in any city with more than forty thousand but fewer than fifty-one thousand inhabitants and partially located in a county with more than seventy thousand but fewer than eighty thousand inhabitants for a construction and manufacturing workforce program that operates statewide and serves historically underrepresented individuals gain entry into a joint contractor and labor-sponsored registered apprenticeship by teaching comprehensive core competencies and providing national and state industry-recognized credentials that help the individual become employed in a construction and manufacturing position

Section 3.135 – Pre-Apprenticeship Training Skills – NDI

Senate Appropriations Proposal:

To an existing high quality pre-apprenticeship program that is a bridge to direct entry into a United States Department of Labor approved skilled trades apprenticeship program

Section 3.135 – AccessPoint - NDI

Senate Appropriations Proposal:

For a comprehensive counseling and solution generation service that focuses on a multi-year journey for high school students from initial training to full-time employment with pre-identified entry level jobs that drive the program's training while earning a degree relating to information technology. This service is designed to assist with environmental hurdles and with students receiving accredited course credit from institutions of higher education in the state of Missouri. Includes a multi-year, wrap around support infrastructure for each student that extends from the student's acceptance into the program through full-time employment and continues until the student completes a degree, if so requested by the program participant, also known as HyperCare.

Section 3.135 – Pre-Apprenticeship Program St. Louis

House Recommendation:

For a Pre-Apprenticeship program within any city not within a county to assist minorities and women in the preparation for entry into construction contractor sponsored apprenticeship programs by providing curriculum that teaches core competencies the student will need before applying for a construction position

Senate Appropriations Proposal:

For a Pre-Apprenticeship program within any city not within a county **and any county with more than one million inhabitants** to assist minorities and women in the preparation for entry into construction contractor sponsored apprenticeship programs by providing curriculum that teaches core competencies the student will need before applying for a construction position

Section 3.135 – Urban League of Metropolitan St. Louis - NDI

Senate Appropriations Proposal:

For a nonprofit organization located in any city not within a county that empowers African Americans and others throughout the region in securing economic self-reliance, social equality and civil rights

Section 3.135 – Computer Programming Apprenticeships (Launch Code)

House Recommendation:

For a statewide, competitively-bid program to provide cost-free education, training and apprenticeships for computer programming, provided that this program shall be available to more than one vendor and that payments to any single vendor shall not exceed \$500,000

Senate Appropriations Proposal:

For a nonprofit organization located in a city not within a county that provides cost-free education, training and apprenticeships for computer programming

Section 3.141 – Agriculture Leaders of Tomorrow - NDI

House Recommendation:

For a nonprofit organization located in a city with more than one hundred twenty-five thousand but fewer than one hundred sixty thousand inhabitants that supplies Missouri citizens with advanced leadership experiences by providing a two-year adult leadership training program targeted toward rural leaders and agricultural producers; provided that local matching funds must be provided on a 50/50 state/local basis

Senate Appropriations Proposal:

To the University of Missouri

For a program that supplies Missouri citizens with advanced leadership experiences by providing a two-year adult leadership training program targeted toward rural leaders and agricultural producers; provided that local matching funds must be provided on a 50/50 state/local basis

Section 3.147 – Ranken Technical College – Module Building Systems - NDI

Senate Appropriations Proposal:

For a next generation residential Module Building Systems manufacturing and training facility in a city not within a county, to strategically address Missouri’s needs in affordable housing, workforce training, and versatile construction applications utilizing apprentices and/or skilled tradesmen and college students

Section 3.170 – Missouri State University – West Plains – Nursing and Allied Health Program - NDI

Senate Appropriations Proposal:

For expansion of the Nursing and Allied Health Program

Section 3.175 – Lincoln University – Mental Health Training - NDI

Senate Appropriations Proposal:

For mental health training

HB 2004 – Department of Revenue

Section 4.180 – Pull Tabs

Governor Recommendation:

For payments to vendors for costs of the design, manufacture, licensing, leasing, processing, and delivery of no more than 500 video pull tab machines with a maximum of six machines per location **in fraternal organizations only**

House Recommendation:

For payments to vendors for costs of the design, manufacture, licensing, leasing, processing, and delivery of no more than 500 video pull tab machines with a maximum of six machines per location

For repair and renovation of an organization that provides transitional living and supportive housing for individuals in recovery from alcohol and drugs, located in any county with more than fifty thousand but fewer than sixty thousand inhabitants and with a county seat with more than seventeen thousand but fewer than twenty-one thousand inhabitants, and located in any county with more than forty thousand but fewer than fifty thousand inhabitants and with a county seat with more than twenty-one thousand but fewer than thirty-one thousand inhabitants

HB 2010 – Department of Health and Senior Services

Section 10.710 – Fentanyl Testing (Water) – NDI

Senate Appropriations Proposal:

For statewide fentanyl testing of water at schools

Section 10.720 – Statewide EMS Communication System – NDI

Senate Appropriations Proposal:

For the Department to enter into an agreement with an organization that administers funds derived from 190.800 to establish a HIPAA-compliant communication and patient logistics platform that ensures the privacy and security of the patient information available for all emergency service responders and providers to use

Section 10.755 – Graduate Medical Education – NDI

Governor Recommendation:

For medical residency program grants for specialty areas of psychiatry, pediatrics, internal medicine, family practice, and obstetrics and gynecology, and for associated costs to support the residency training programs, including but not limited to, costs of teaching physician salaries, provided that such grants shall not exceed \$100,000 annually per new residency slot; and further provided that grants be made available to any provider and setting accredited by the Accreditation Council for Graduate Medical Education (ACGME)

House Recommendation:

For medical residency program grants for specialty areas of psychiatry, pediatrics, internal medicine, family practice, and obstetrics and gynecology, and for associated costs to support the residency training programs, including but not limited to, costs of teaching physician salaries, provided that such grants shall not exceed \$100,000 annually per new residency slot; and further provided that grants be made available to any provider and setting accredited by the Accreditation Council for Graduate Medical Education (ACGME), **and further provided that this appropriation shall not be used for any capital improvements or land purchases**

Senate Appropriations Proposal:

For medical residency program grants for specialty areas of psychiatry, pediatrics, internal medicine, family practice, and obstetrics and gynecology and for associated costs to support the residency training programs, including but not limited to, costs of teaching physician salaries; provided that such grants shall not exceed \$100,000 annually per new residency slot; and further provided that grants be made available to any provider and setting accredited by the Accreditation Council for Graduate Medical Education (ACGME)

For the development of graduate medical education programs, including but not limited to costs associated to creating and maintaining a GME Technical Assistance Center, grants for creation of new programs and expansion of existing programs in facilities that take care of underserved and

rural communities, and grants for planning and other exploratory projects that position a facility to sustain or increase graduate medical education opportunities

For graduate medical program grants for specialty areas which provide specific training for physicians to prevent, diagnose, and manage substance use disorder/opioid use disorder, and for associated costs to support technical assistance, new and expanded GME programs, expansion of residency slots within an existing program, and funding for planning or other exploratory projects that position the state to increase graduate medical education opportunities

Section 10.900 – Grant Program for EMS Instruction - NDI

Senate Appropriations Proposal:

For grants to promote emergency medical services (EMS) instruction in cardiopulmonary resuscitation (CPR) and automated external defibrillator (AED)

Section 10.900 – Grant Program to Promote Cardio Emergency Response Plan for High Need Schools

Senate Appropriations Proposal:

For grants to promote cardiac emergency response plans in high need schools

PART 2 – Section 10.2010

House Recommendation:

In reference to Sections 10.105, 10.110, and 10.115 of Part 1 of this act:

No funds shall be expended in furtherance of provider rates greater than the rate in effect on January 1, 2024, with the exception of providers of children’s residential services classified as an Institution of Mental Disease (IMD) Qualified Residential Treatment Program (QRTP) or as a non-IMD QRTP, for which no funds shall be expended in furtherance of rates greater than: \$194.47 per day for Level II, \$239.16 per day for Level III, \$253.80 per day for Level IV.

Senate Appropriations Proposal:

In reference to Sections 10.105, 10.110, and 10.115 of Part 1 of this act:

No funds shall be expended in furtherance of provider rates greater than the rate in effect on January 1, 2024, with the exception of **cost-based and actuarially sound rate changes for Comprehensive Substance Treatment and Rehabilitation (CSTAR program)**; providers of children’s residential services classified as an Institution of Mental Disease (IMD) Qualified Residential Treatment Program (QRTP) or as a non-IMD QRTP, for which no funds shall be expended in furtherance of rates greater than: \$194.47 per day for Level II, \$239.16 per day for Level III, \$253.80 per day for Level IV.

PART 2 – Section 10.2020

House Recommendation:

In reference to Section 10.410 of Part 1 of this act:

No funds shall be expended in furtherance of provider rates greater than the rate in effect on January 1, 2024, except that provider rates shall be adjusted not more than is necessary to reimburse providers based on the 2022 HCBS Mercer Rate Study dated January 17, 2023 at the lower bound rate for each acuity level, with a starting Direct Service Professionals (DSPs) wage of \$17.02 per hour for the lowest acuity level, excluding the shift differential cost component. Value based payments to providers shall only be expended if and only if the increase to the aforementioned DSP wage adjustment is fully funded for the entire fiscal year.

PART 2 – Section 10.2025

House Recommendation:

In reference to Section 10.410 of Part 1 of this act:

No funds shall be expended in furtherance of waiver slots beyond the number of waiver slots assigned on July 1, 2024, except for the Department of Social Services Children’s Division transition waiver slots and the nursing home transition waiver slots.

PART 2 – Section 10.2035

House Recommendation:

In reference to Section 10.805, 10.810, and 10.815 of Part 1 of this act:

No funds shall be expended in furtherance of provider rates greater than the rate in effect on January 1, 2024, except Private Duty Nursing rates for which no funds shall be expended in furtherance of provider rates for Private Duty Nursing greater than a rate of \$15.20 per fifteen-minute unit of service, and further excepting provider reassessment services rates, for which no funds shall be expended in furtherance of rates greater than \$100 per assessment.

Senate Appropriations Proposal:

In reference to Section 10.805, 10.810, and 10.815 of Part 1 of this act:

No funds shall be expended in furtherance of provider rates greater than the rate in effect on January 1, 2024, except Private Duty Nursing rates for which no funds shall be expended in furtherance of provider rates for Private Duty Nursing greater than a rate of \$15.20 per fifteen-minute unit of service, and further excepting provider reassessment services rates, for which no funds shall be expended in furtherance of rates greater than \$100 per assessment, **unless such provider is enrolled in the Value Based Purchasing Reassessment Program.**

PART 3 – Section 10.2050

Senate Appropriations Proposal:

Section 10.2050. To the Department of Mental Health and the Department of Health and Senior Services
In reference to all sections in of Part 1 of this act:

No funds shall be expended to any community action partnership that provides assistance for low-income individuals and families, located in any city with more than seventy-one thousand but fewer than seventy-nine thousand inhabitants

PART 3 – Section 10.3005

House Recommendation:

In reference to Sections 10.005 through and including 10.575 in of Part 1 of this act:

The Department shall provide monthly reports to the House Budget and Senate Appropriations Committee Chairs for each DMH Medicaid waiver, large service type by waiver, and targeted case management costs: 1) The actual federal and state share expenditures by appropriation and fund, number of waiver slots assigned, average cost per slot, estimated current fiscal year costs, estimated full fiscal year costs; 2) The actual federal and state share expenditures by appropriation and fund, number of new waiver slots assigned in FY 2025, average cost per slot, estimated current fiscal year costs, estimated full fiscal year costs, and average cost per slot; and 3) The number of individuals presenting for service that have not been assigned a waiver slot, estimated current fiscal year federal and state share costs if they were to be assigned, estimated full fiscal year costs if they were to be assigned.

HB 2011 – Department of Social Services

Section 11.105, 11.135, 11.140, & 11.145 – Public Health Emergency (PHE) – NDI

Senate Appropriations Proposal:

For the implementation of the redetermination process for MO HealthNet eligibility after the COVID-19 federal public health emergency ends

Section 11.106 – Support Direct Service Social Workers

Senate Appropriations Proposal:

For supporting employees engaged in direct care to vulnerable populations by identifying and mitigating factors that impact employee burnout, including advanced analytics on the source of stressors and organizational impact to improve the productivity of the workforce

PART 2 – Section 11.2020

House Recommendation:

Section 11.2020. To the Department of Social Services

In reference to Sections 11.233, 11.237, 11.238, 11.239, 11.242, 11.257, and 11.408 of Part 1 of this act:

Contracts shall be procured through a competitive bid process beginning July 1, 2024. No funds shall be expended in furtherance of administrative costs greater than five percent (5%) of said contract.

PART 2 – Section 11.2021

Senate Appropriations Proposal:

Section 11.2021. To the Department of Social Services

In reference to all sections in Part 1 of this act:

No funds shall be expended to any community action partnership that provides assistance for low-income individuals and families, located in any city with more than seventy-one thousand but fewer than seventy-nine thousand inhabitants

PART 2 – Section 11.2025

House Recommendation:

Section 11.2025. To the Department of Social Services

In reference to Section 11.360 of Part 1 of this act:

No funds shall be expended in furtherance of provider rates greater than the rate in effect on January 1, 2024, except for outdoor learning foster care program provider rates for whom no funds shall be expended in furtherance of rates greater than **\$180** per day.

Senate Appropriations Proposal:

Section 11.2025. To the Department of Social Services

In reference to Section 11.360 of Part 1 of this act:

No funds shall be expended in furtherance of provider rates greater than the rate in effect on January 1, 2024, except for outdoor learning foster care program provider rates for whom no funds shall be expended in furtherance of rates greater than **\$258** per day.

PART 2 – Section 11.2060

House Recommendation:

Section 11.2060. To the Department of Social Services

In reference to Sections 11.735 and 11.737 of Part 1 of this act:

No funds shall be expended in furtherance of nursing facility provider rates greater than \$13.17 per bed day in aggregate (FY 2022 cost report) above the rate in effect on January 1, 2024. If the effective date of the rate increase is after July 1, 2024, any nursing facility provider rate increase shall be prorated over the remaining portion of the fiscal year, but in no event shall the total amount resulting from all provider rate increases to any provider be greater than the amount that would result from implementing a \$13.17 per bed day increase, on July 1, 2024, over the rate in effect on January 1, 2024, to said provider, and further excepting value based provider rates. No funds shall be expended in furtherance of home health provider rates greater than the rate in effect on January 1, 2024. No funds shall be expended for Certified Nursing Assistant (CNA) training reimbursement greater than \$1,500 per enrollee.

Senate Appropriations Proposal:

Section 11.2060. To the Department of Social Services

In reference to Sections 11.735 and 11.737 of Part 1 of this act:

No funds shall be expended in furtherance of nursing facility provider rates greater than the rebased rate, in the aggregate, determined by the FY2022 nursing facility cost reports, above the rate in effect on January 1, 2024. If the effective date of the rate increase is after July 1, 2024, any nursing facility provider rate increase shall be prorated over the remaining portion of the fiscal year, but in no event shall the total amount resulting from all provider rate increase to any provider be greater than the amount that would result from implementing a rebase determined by the FY2022 cost reports, on July 1, 2024, to said provider, and further excepting value based provider rates. No funds shall be expended in furtherance of home health provider rates greater than the rate in effect on January 1, 2024. No funds shall be expended for Certified Nursing Assistant (CNA) training reimbursement greater than \$1,500 per enrollee.

PART 2 – Section 11.2105

House Recommendation:

Section 11.2105. To the Department of Social Services

In reference to all sections except for Section 11.225 in Part 1 of this act:

With respect to any grantee that is a qualifying entity to carry out the caring communities program(s), and that also makes subawards, no funds shall be expended in furtherance of administrative costs and/or indirect costs greater than five percent (5%) of total awarded amount if the amount of funds is under one million dollars; or three percent (3%) if the amount of funds is one million dollars or greater.

PART 3 – Section 11.3003

House Recommendation:

Section 11.3003. To the Department of Social Services

In reference to Section 11.275 of Part 1 of this act:

The Department shall contract through an open application process for eligible providers. The awards will be made by the Department through recommendations from an application review committee with a VOCA Stakeholder Peer Group, that includes stakeholder associations for the core VOCA service purpose areas, and the Department. The Department shall develop an open contract grant award allocation plan for the application process. The development of the statewide plan shall be led by the aforementioned VOCA Stakeholder Group and the Department for awards beginning October 1, 2024. The plan shall be submitted to the House Budget and Senate Appropriation Committee Chairs by August 1, 2024 and reflected in the budget request.

PART 3 – Section 11.3010

House Recommendation:

Section 11.3010. To the Department of Social Services

In reference to Sections 11.612 and 11.620 of Part 1 and Part 2 of this act:

The Department shall provide the House Appropriations and Senate Appropriations Offices of the General Assembly access to department-wide data warehouses and analytics platforms not otherwise available to the General Assembly and necessary to make data-drive decisions. This section shall not be construed to compel the release of protected health information or individually identifiable data.

HB 2012 – Elected Officials

Section 12.020 – Transfer to Agriculture Disaster Resiliency Fund

Governor Recommendation:

Funds are to be transferred out of the State Treasury to the Agriculture Disaster Resiliency Fund

House Recommendation:

Did not recommend.
