**188.202. 1. No federal act, law, executive order, administrative order, rule, or regulation shall infringe on the rights of the people of Missouri to:**

**(1) Protect state sovereignty and state taxpayers by restricting public funds, public facilities, and public employees from being used to perform, induce, or assist in an abortion, except as provided for in state statutes;**

**(2) Encourage childbirth over abortion in the use of the state's public funds, public facilities, and public employees;**

**(3) Defend the religious beliefs or moral convictions of any person who, or entity that, does not want to be forced to directly or indirectly fund or participate in abortion;**

**EXPLANATION-Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.**

15           (4) Prevent the state or its political subdivisions  
16 from being coerced, compelled, or commandeered by the  
17 federal government to enact, administer, or enforce a  
18 federal regulatory program that directly or indirectly funds  
19 abortion; and

20           (5) Prohibit the federal government from commanding or  
21 conscripting public officials of the state or its political  
22 subdivisions to enforce a federal regulatory program that  
23 directly or indirectly funds abortion.

24           2. In any action to enforce the provisions of sections  
25 188.200 to 188.215 by a taxpayer under the provisions of  
26 section 188.220, a court of competent jurisdiction may order  
27 injunctive or other equitable relief, recovery of damages or  
28 other legal remedies, or both, as well as payment of  
29 reasonable attorney's fees, costs, and expenses of the  
30 taxpayer. The relief and remedies set forth shall not be  
31 deemed exclusive and shall be in addition to any other  
32 relief or remedies permitted by law.

33           3. In addition to a cause of action brought by a  
34 taxpayer under section 188.220, the attorney general is  
35 authorized to bring a cause of action to enforce the  
36 provisions of sections 188.200 to 188.215.

          188.207. It shall be unlawful for any public funds to  
2 be expended to any abortion facility, or to any affiliate or  
3 associate of such abortion facility.

          208.152. 1. MO HealthNet payments shall be made on  
2 behalf of those eligible needy persons as described in  
3 section 208.151 who are unable to provide for it in whole or  
4 in part, with any payments to be made on the basis of the  
5 reasonable cost of the care or reasonable charge for the  
6 services as defined and determined by the MO HealthNet

7 division, unless otherwise hereinafter provided, for the  
8 following:

9 (1) Inpatient hospital services, except to persons in  
10 an institution for mental diseases who are under the age of  
11 sixty-five years and over the age of twenty-one years;  
12 provided that the MO HealthNet division shall provide  
13 through rule and regulation an exception process for  
14 coverage of inpatient costs in those cases requiring  
15 treatment beyond the seventy-fifth percentile professional  
16 activities study (PAS) or the MO HealthNet children's  
17 diagnosis length-of-stay schedule; and provided further that  
18 the MO HealthNet division shall take into account through  
19 its payment system for hospital services the situation of  
20 hospitals which serve a disproportionate number of low-  
21 income patients;

22 (2) All outpatient hospital services, payments  
23 therefor to be in amounts which represent no more than  
24 eighty percent of the lesser of reasonable costs or  
25 customary charges for such services, determined in  
26 accordance with the principles set forth in Title XVIII A  
27 and B, Public Law 89-97, 1965 amendments to the federal  
28 Social Security Act (42 U.S.C. Section 301, et seq.), but  
29 the MO HealthNet division may evaluate outpatient hospital  
30 services rendered under this section and deny payment for  
31 services which are determined by the MO HealthNet division  
32 not to be medically necessary, in accordance with federal  
33 law and regulations;

34 (3) Laboratory and X-ray services;

35 (4) Nursing home services for participants, except to  
36 persons with more than five hundred thousand dollars equity  
37 in their home or except for persons in an institution for  
38 mental diseases who are under the age of sixty-five years,

39 when residing in a hospital licensed by the department of  
40 health and senior services or a nursing home licensed by the  
41 department of health and senior services or appropriate  
42 licensing authority of other states or government-owned and -  
43 operated institutions which are determined to conform to  
44 standards equivalent to licensing requirements in Title XIX  
45 of the federal Social Security Act (42 U.S.C. Section 301,  
46 et seq.), as amended, for nursing facilities. The MO  
47 HealthNet division may recognize through its payment  
48 methodology for nursing facilities those nursing facilities  
49 which serve a high volume of MO HealthNet patients. The MO  
50 HealthNet division when determining the amount of the  
51 benefit payments to be made on behalf of persons under the  
52 age of twenty-one in a nursing facility may consider nursing  
53 facilities furnishing care to persons under the age of  
54 twenty-one as a classification separate from other nursing  
55 facilities;

56 (5) Nursing home costs for participants receiving  
57 benefit payments under subdivision (4) of this subsection  
58 for those days, which shall not exceed twelve per any period  
59 of six consecutive months, during which the participant is  
60 on a temporary leave of absence from the hospital or nursing  
61 home, provided that no such participant shall be allowed a  
62 temporary leave of absence unless it is specifically  
63 provided for in his plan of care. As used in this  
64 subdivision, the term "temporary leave of absence" shall  
65 include all periods of time during which a participant is  
66 away from the hospital or nursing home overnight because he  
67 is visiting a friend or relative;

68 (6) Physicians' services, whether furnished in the  
69 office, home, hospital, nursing home, or elsewhere;  
70 **provided, that no funds shall be expended to any abortion**

71 **facility, as defined in section 188.015, or to any affiliate**  
72 **or associate of such abortion facility;**

73 (7) Subject to appropriation, up to twenty visits per  
74 year for services limited to examinations, diagnoses,  
75 adjustments, and manipulations and treatments of  
76 malpositioned articulations and structures of the body  
77 provided by licensed chiropractic physicians practicing  
78 within their scope of practice. Nothing in this subdivision  
79 shall be interpreted to otherwise expand MO HealthNet  
80 services;

81 (8) Drugs and medicines when prescribed by a licensed  
82 physician, dentist, podiatrist, or an advanced practice  
83 registered nurse; except that no payment for drugs and  
84 medicines prescribed on and after January 1, 2006, by a  
85 licensed physician, dentist, podiatrist, or an advanced  
86 practice registered nurse may be made on behalf of any  
87 person who qualifies for prescription drug coverage under  
88 the provisions of P.L. 108-173;

89 (9) Emergency ambulance services and, effective  
90 January 1, 1990, medically necessary transportation to  
91 scheduled, physician-prescribed nonelective treatments;

92 (10) Early and periodic screening and diagnosis of  
93 individuals who are under the age of twenty-one to ascertain  
94 their physical or mental defects, and health care,  
95 treatment, and other measures to correct or ameliorate  
96 defects and chronic conditions discovered thereby. Such  
97 services shall be provided in accordance with the provisions  
98 of Section 6403 of P.L. 101-239 and federal regulations  
99 promulgated thereunder;

100 (11) Home health care services;

101 (12) Family planning as defined by federal rules and  
102 regulations; **provided, that no funds shall be expended to**

103 **any abortion facility, as defined in section 188.015, or to**  
104 **any affiliate or associate of such abortion facility; and**  
105 **further** provided, however, that such family planning  
106 services shall not include abortions or any abortifacient  
107 drug or device that is used for the purpose of inducing an  
108 abortion unless such abortions are certified in writing by a  
109 physician to the MO HealthNet agency that, in the  
110 physician's professional judgment, the life of the mother  
111 would be endangered if the fetus were carried to term;

112 (13) Inpatient psychiatric hospital services for  
113 individuals under age twenty-one as defined in Title XIX of  
114 the federal Social Security Act (42 U.S.C. Section 1396d, et  
115 seq.);

116 (14) Outpatient surgical procedures, including  
117 presurgical diagnostic services performed in ambulatory  
118 surgical facilities which are licensed by the department of  
119 health and senior services of the state of Missouri; except,  
120 that such outpatient surgical services shall not include  
121 persons who are eligible for coverage under Part B of Title  
122 XVIII, Public Law 89-97, 1965 amendments to the federal  
123 Social Security Act, as amended, if exclusion of such  
124 persons is permitted under Title XIX, Public Law 89-97, 1965  
125 amendments to the federal Social Security Act, as amended;

126 (15) Personal care services which are medically  
127 oriented tasks having to do with a person's physical  
128 requirements, as opposed to housekeeping requirements, which  
129 enable a person to be treated by his or her physician on an  
130 outpatient rather than on an inpatient or residential basis  
131 in a hospital, intermediate care facility, or skilled  
132 nursing facility. Personal care services shall be rendered  
133 by an individual not a member of the participant's family  
134 who is qualified to provide such services where the services

135 are prescribed by a physician in accordance with a plan of  
136 treatment and are supervised by a licensed nurse. Persons  
137 eligible to receive personal care services shall be those  
138 persons who would otherwise require placement in a hospital,  
139 intermediate care facility, or skilled nursing facility.  
140 Benefits payable for personal care services shall not exceed  
141 for any one participant one hundred percent of the average  
142 statewide charge for care and treatment in an intermediate  
143 care facility for a comparable period of time. Such  
144 services, when delivered in a residential care facility or  
145 assisted living facility licensed under chapter 198 shall be  
146 authorized on a tier level based on the services the  
147 resident requires and the frequency of the services. A  
148 resident of such facility who qualifies for assistance under  
149 section 208.030 shall, at a minimum, if prescribed by a  
150 physician, qualify for the tier level with the fewest  
151 services. The rate paid to providers for each tier of  
152 service shall be set subject to appropriations. Subject to  
153 appropriations, each resident of such facility who qualifies  
154 for assistance under section 208.030 and meets the level of  
155 care required in this section shall, at a minimum, if  
156 prescribed by a physician, be authorized up to one hour of  
157 personal care services per day. Authorized units of  
158 personal care services shall not be reduced or tier level  
159 lowered unless an order approving such reduction or lowering  
160 is obtained from the resident's personal physician. Such  
161 authorized units of personal care services or tier level  
162 shall be transferred with such resident if he or she  
163 transfers to another such facility. Such provision shall  
164 terminate upon receipt of relevant waivers from the federal  
165 Department of Health and Human Services. If the Centers for  
166 Medicare and Medicaid Services determines that such

167 provision does not comply with the state plan, this  
168 provision shall be null and void. The MO HealthNet division  
169 shall notify the revisor of statutes as to whether the  
170 relevant waivers are approved or a determination of  
171 noncompliance is made;

172 (16) Mental health services. The state plan for  
173 providing medical assistance under Title XIX of the Social  
174 Security Act, 42 U.S.C. Section 301, as amended, shall  
175 include the following mental health services when such  
176 services are provided by community mental health facilities  
177 operated by the department of mental health or designated by  
178 the department of mental health as a community mental health  
179 facility or as an alcohol and drug abuse facility or as a  
180 child-serving agency within the comprehensive children's  
181 mental health service system established in section  
182 630.097. The department of mental health shall establish by  
183 administrative rule the definition and criteria for  
184 designation as a community mental health facility and for  
185 designation as an alcohol and drug abuse facility. Such  
186 mental health services shall include:

187 (a) Outpatient mental health services including  
188 preventive, diagnostic, therapeutic, rehabilitative, and  
189 palliative interventions rendered to individuals in an  
190 individual or group setting by a mental health professional  
191 in accordance with a plan of treatment appropriately  
192 established, implemented, monitored, and revised under the  
193 auspices of a therapeutic team as a part of client services  
194 management;

195 (b) Clinic mental health services including  
196 preventive, diagnostic, therapeutic, rehabilitative, and  
197 palliative interventions rendered to individuals in an  
198 individual or group setting by a mental health professional

199 in accordance with a plan of treatment appropriately  
200 established, implemented, monitored, and revised under the  
201 auspices of a therapeutic team as a part of client services  
202 management;

203 (c) Rehabilitative mental health and alcohol and drug  
204 abuse services including home and community-based  
205 preventive, diagnostic, therapeutic, rehabilitative, and  
206 palliative interventions rendered to individuals in an  
207 individual or group setting by a mental health or alcohol  
208 and drug abuse professional in accordance with a plan of  
209 treatment appropriately established, implemented, monitored,  
210 and revised under the auspices of a therapeutic team as a  
211 part of client services management. As used in this  
212 section, mental health professional and alcohol and drug  
213 abuse professional shall be defined by the department of  
214 mental health pursuant to duly promulgated rules. With  
215 respect to services established by this subdivision, the  
216 department of social services, MO HealthNet division, shall  
217 enter into an agreement with the department of mental  
218 health. Matching funds for outpatient mental health  
219 services, clinic mental health services, and rehabilitation  
220 services for mental health and alcohol and drug abuse shall  
221 be certified by the department of mental health to the MO  
222 HealthNet division. The agreement shall establish a  
223 mechanism for the joint implementation of the provisions of  
224 this subdivision. In addition, the agreement shall  
225 establish a mechanism by which rates for services may be  
226 jointly developed;

227 (17) Such additional services as defined by the MO  
228 HealthNet division to be furnished under waivers of federal  
229 statutory requirements as provided for and authorized by the

230 federal Social Security Act (42 U.S.C. Section 301, et seq.)  
231 subject to appropriation by the general assembly;

232 (18) The services of an advanced practice registered  
233 nurse with a collaborative practice agreement to the extent  
234 that such services are provided in accordance with chapters  
235 334 and 335, and regulations promulgated thereunder;

236 (19) Nursing home costs for participants receiving  
237 benefit payments under subdivision (4) of this subsection to  
238 reserve a bed for the participant in the nursing home during  
239 the time that the participant is absent due to admission to  
240 a hospital for services which cannot be performed on an  
241 outpatient basis, subject to the provisions of this  
242 subdivision:

243 (a) The provisions of this subdivision shall apply  
244 only if:

245 a. The occupancy rate of the nursing home is at or  
246 above ninety-seven percent of MO HealthNet certified  
247 licensed beds, according to the most recent quarterly census  
248 provided to the department of health and senior services  
249 which was taken prior to when the participant is admitted to  
250 the hospital; and

251 b. The patient is admitted to a hospital for a medical  
252 condition with an anticipated stay of three days or less;

253 (b) The payment to be made under this subdivision  
254 shall be provided for a maximum of three days per hospital  
255 stay;

256 (c) For each day that nursing home costs are paid on  
257 behalf of a participant under this subdivision during any  
258 period of six consecutive months such participant shall,  
259 during the same period of six consecutive months, be  
260 ineligible for payment of nursing home costs of two

261 otherwise available temporary leave of absence days provided  
262 under subdivision (5) of this subsection; and

263 (d) The provisions of this subdivision shall not apply  
264 unless the nursing home receives notice from the participant  
265 or the participant's responsible party that the participant  
266 intends to return to the nursing home following the hospital  
267 stay. If the nursing home receives such notification and  
268 all other provisions of this subsection have been satisfied,  
269 the nursing home shall provide notice to the participant or  
270 the participant's responsible party prior to release of the  
271 reserved bed;

272 (20) Prescribed medically necessary durable medical  
273 equipment. An electronic web-based prior authorization  
274 system using best medical evidence and care and treatment  
275 guidelines consistent with national standards shall be used  
276 to verify medical need;

277 (21) Hospice care. As used in this subdivision, the  
278 term "hospice care" means a coordinated program of active  
279 professional medical attention within a home, outpatient and  
280 inpatient care which treats the terminally ill patient and  
281 family as a unit, employing a medically directed  
282 interdisciplinary team. The program provides relief of  
283 severe pain or other physical symptoms and supportive care  
284 to meet the special needs arising out of physical,  
285 psychological, spiritual, social, and economic stresses  
286 which are experienced during the final stages of illness,  
287 and during dying and bereavement and meets the Medicare  
288 requirements for participation as a hospice as are provided  
289 in 42 CFR Part 418. The rate of reimbursement paid by the  
290 MO HealthNet division to the hospice provider for room and  
291 board furnished by a nursing home to an eligible hospice  
292 patient shall not be less than ninety-five percent of the

293 rate of reimbursement which would have been paid for  
294 facility services in that nursing home facility for that  
295 patient, in accordance with subsection (c) of Section 6408  
296 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

297 (22) Prescribed medically necessary dental services.  
298 Such services shall be subject to appropriations. An  
299 electronic web-based prior authorization system using best  
300 medical evidence and care and treatment guidelines  
301 consistent with national standards shall be used to verify  
302 medical need;

303 (23) Prescribed medically necessary optometric  
304 services. Such services shall be subject to  
305 appropriations. An electronic web-based prior authorization  
306 system using best medical evidence and care and treatment  
307 guidelines consistent with national standards shall be used  
308 to verify medical need;

309 (24) Blood clotting products-related services. For  
310 persons diagnosed with a bleeding disorder, as defined in  
311 section 338.400, reliant on blood clotting products, as  
312 defined in section 338.400, such services include:

313 (a) Home delivery of blood clotting products and  
314 ancillary infusion equipment and supplies, including the  
315 emergency deliveries of the product when medically necessary;

316 (b) Medically necessary ancillary infusion equipment  
317 and supplies required to administer the blood clotting  
318 products; and

319 (c) Assessments conducted in the participant's home by  
320 a pharmacist, nurse, or local home health care agency  
321 trained in bleeding disorders when deemed necessary by the  
322 participant's treating physician;

323 (25) The MO HealthNet division shall, by January 1,  
324 2008, and annually thereafter, report the status of MO

325 HealthNet provider reimbursement rates as compared to one  
326 hundred percent of the Medicare reimbursement rates and  
327 compared to the average dental reimbursement rates paid by  
328 third-party payors licensed by the state. The MO HealthNet  
329 division shall, by July 1, 2008, provide to the general  
330 assembly a four-year plan to achieve parity with Medicare  
331 reimbursement rates and for third-party payor average dental  
332 reimbursement rates. Such plan shall be subject to  
333 appropriation and the division shall include in its annual  
334 budget request to the governor the necessary funding needed  
335 to complete the four-year plan developed under this  
336 subdivision.

337 2. Additional benefit payments for medical assistance  
338 shall be made on behalf of those eligible needy children,  
339 pregnant women and blind persons with any payments to be  
340 made on the basis of the reasonable cost of the care or  
341 reasonable charge for the services as defined and determined  
342 by the MO HealthNet division, unless otherwise hereinafter  
343 provided, for the following:

344 (1) Dental services;

345 (2) Services of podiatrists as defined in section  
346 330.010;

347 (3) Optometric services as described in section  
348 336.010;

349 (4) Orthopedic devices or other prosthetics, including  
350 eye glasses, dentures, hearing aids, and wheelchairs;

351 (5) Hospice care. As used in this subdivision, the  
352 term "hospice care" means a coordinated program of active  
353 professional medical attention within a home, outpatient and  
354 inpatient care which treats the terminally ill patient and  
355 family as a unit, employing a medically directed  
356 interdisciplinary team. The program provides relief of

357 severe pain or other physical symptoms and supportive care  
358 to meet the special needs arising out of physical,  
359 psychological, spiritual, social, and economic stresses  
360 which are experienced during the final stages of illness,  
361 and during dying and bereavement and meets the Medicare  
362 requirements for participation as a hospice as are provided  
363 in 42 CFR Part 418. The rate of reimbursement paid by the  
364 MO HealthNet division to the hospice provider for room and  
365 board furnished by a nursing home to an eligible hospice  
366 patient shall not be less than ninety-five percent of the  
367 rate of reimbursement which would have been paid for  
368 facility services in that nursing home facility for that  
369 patient, in accordance with subsection (c) of Section 6408  
370 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

371 (6) Comprehensive day rehabilitation services  
372 beginning early posttrauma as part of a coordinated system  
373 of care for individuals with disabling impairments.  
374 Rehabilitation services must be based on an individualized,  
375 goal-oriented, comprehensive and coordinated treatment plan  
376 developed, implemented, and monitored through an  
377 interdisciplinary assessment designed to restore an  
378 individual to optimal level of physical, cognitive, and  
379 behavioral function. The MO HealthNet division shall  
380 establish by administrative rule the definition and criteria  
381 for designation of a comprehensive day rehabilitation  
382 service facility, benefit limitations and payment  
383 mechanism. Any rule or portion of a rule, as that term is  
384 defined in section 536.010, that is created under the  
385 authority delegated in this subdivision shall become  
386 effective only if it complies with and is subject to all of  
387 the provisions of chapter 536 and, if applicable, section  
388 536.028. This section and chapter 536 are nonseverable and

389 if any of the powers vested with the general assembly  
390 pursuant to chapter 536 to review, to delay the effective  
391 date, or to disapprove and annul a rule are subsequently  
392 held unconstitutional, then the grant of rulemaking  
393 authority and any rule proposed or adopted after August 28,  
394 2005, shall be invalid and void.

395 3. The MO HealthNet division may require any  
396 participant receiving MO HealthNet benefits to pay part of  
397 the charge or cost until July 1, 2008, and an additional  
398 payment after July 1, 2008, as defined by rule duly  
399 promulgated by the MO HealthNet division, for all covered  
400 services except for those services covered under  
401 subdivisions (15) and (16) of subsection 1 of this section  
402 and sections 208.631 to 208.657 to the extent and in the  
403 manner authorized by Title XIX of the federal Social  
404 Security Act (42 U.S.C. Section 1396, et seq.) and  
405 regulations thereunder. When substitution of a generic drug  
406 is permitted by the prescriber according to section 338.056,  
407 and a generic drug is substituted for a name-brand drug, the  
408 MO HealthNet division may not lower or delete the  
409 requirement to make a co-payment pursuant to regulations of  
410 Title XIX of the federal Social Security Act. A provider of  
411 goods or services described under this section must collect  
412 from all participants the additional payment that may be  
413 required by the MO HealthNet division under authority  
414 granted herein, if the division exercises that authority, to  
415 remain eligible as a provider. Any payments made by  
416 participants under this section shall be in addition to and  
417 not in lieu of payments made by the state for goods or  
418 services described herein except the participant portion of  
419 the pharmacy professional dispensing fee shall be in  
420 addition to and not in lieu of payments to pharmacists. A

421 provider may collect the co-payment at the time a service is  
422 provided or at a later date. A provider shall not refuse to  
423 provide a service if a participant is unable to pay a  
424 required payment. If it is the routine business practice of  
425 a provider to terminate future services to an individual  
426 with an unclaimed debt, the provider may include uncollected  
427 co-payments under this practice. Providers who elect not to  
428 undertake the provision of services based on a history of  
429 bad debt shall give participants advance notice and a  
430 reasonable opportunity for payment. A provider,  
431 representative, employee, independent contractor, or agent  
432 of a pharmaceutical manufacturer shall not make co-payment  
433 for a participant. This subsection shall not apply to other  
434 qualified children, pregnant women, or blind persons. If  
435 the Centers for Medicare and Medicaid Services does not  
436 approve the MO HealthNet state plan amendment submitted by  
437 the department of social services that would allow a  
438 provider to deny future services to an individual with  
439 uncollected co-payments, the denial of services shall not be  
440 allowed. The department of social services shall inform  
441 providers regarding the acceptability of denying services as  
442 the result of unpaid co-payments.

443 4. The MO HealthNet division shall have the right to  
444 collect medication samples from participants in order to  
445 maintain program integrity.

446 5. Reimbursement for obstetrical and pediatric  
447 services under subdivision (6) of subsection 1 of this  
448 section shall be timely and sufficient to enlist enough  
449 health care providers so that care and services are  
450 available under the state plan for MO HealthNet benefits at  
451 least to the extent that such care and services are  
452 available to the general population in the geographic area,

453 as required under subparagraph (a) (30) (A) of 42 U.S.C.  
454 Section 1396a and federal regulations promulgated thereunder.

455 6. Beginning July 1, 1990, reimbursement for services  
456 rendered in federally funded health centers shall be in  
457 accordance with the provisions of subsection 6402(c) and  
458 Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation  
459 Act of 1989) and federal regulations promulgated thereunder.

460 7. Beginning July 1, 1990, the department of social  
461 services shall provide notification and referral of children  
462 below age five, and pregnant, breast-feeding, or postpartum  
463 women who are determined to be eligible for MO HealthNet  
464 benefits under section 208.151 to the special supplemental  
465 food programs for women, infants and children administered  
466 by the department of health and senior services. Such  
467 notification and referral shall conform to the requirements  
468 of Section 6406 of P.L. 101-239 and regulations promulgated  
469 thereunder.

470 8. Providers of long-term care services shall be  
471 reimbursed for their costs in accordance with the provisions  
472 of Section 1902 (a) (13) (A) of the Social Security Act, 42  
473 U.S.C. Section 1396a, as amended, and regulations  
474 promulgated thereunder.

475 9. Reimbursement rates to long-term care providers  
476 with respect to a total change in ownership, at arm's  
477 length, for any facility previously licensed and certified  
478 for participation in the MO HealthNet program shall not  
479 increase payments in excess of the increase that would  
480 result from the application of Section 1902 (a) (13) (C) of  
481 the Social Security Act, 42 U.S.C. Section 1396a (a) (13) (C).

482 10. The MO HealthNet division may enroll qualified  
483 residential care facilities and assisted living facilities,

484 as defined in chapter 198, as MO HealthNet personal care  
485 providers.

486 11. Any income earned by individuals eligible for  
487 certified extended employment at a sheltered workshop under  
488 chapter 178 shall not be considered as income for purposes  
489 of determining eligibility under this section.

490 12. If the Missouri Medicaid audit and compliance unit  
491 changes any interpretation or application of the  
492 requirements for reimbursement for MO HealthNet services  
493 from the interpretation or application that has been applied  
494 previously by the state in any audit of a MO HealthNet  
495 provider, the Missouri Medicaid audit and compliance unit  
496 shall notify all affected MO HealthNet providers five  
497 business days before such change shall take effect. Failure  
498 of the Missouri Medicaid audit and compliance unit to notify  
499 a provider of such change shall entitle the provider to  
500 continue to receive and retain reimbursement until such  
501 notification is provided and shall waive any liability of  
502 such provider for recoupment or other loss of any payments  
503 previously made prior to the five business days after such  
504 notice has been sent. Each provider shall provide the  
505 Missouri Medicaid audit and compliance unit a valid email  
506 address and shall agree to receive communications  
507 electronically. The notification required under this  
508 section shall be delivered in writing by the United States  
509 Postal Service or electronic mail to each provider.

510 13. Nothing in this section shall be construed to  
511 abrogate or limit the department's statutory requirement to  
512 promulgate rules under chapter 536.

513 14. Beginning July 1, 2016, and subject to  
514 appropriations, providers of behavioral, social, and  
515 psychophysiological services for the prevention, treatment,

516 or management of physical health problems shall be  
517 reimbursed utilizing the behavior assessment and  
518 intervention reimbursement codes 96150 to 96154 or their  
519 successor codes under the Current Procedural Terminology  
520 (CPT) coding system. Providers eligible for such  
521 reimbursement shall include psychologists.

522 15. There shall be no payments made under this section  
523 for gender transition surgeries, cross-sex hormones, or  
524 puberty-blocking drugs, as such terms are defined in section  
525 191.1720, for the purpose of a gender transition.

208.153. 1. Pursuant to and not inconsistent with the  
2 provisions of sections 208.151 and 208.152, the MO HealthNet  
3 division shall by rule and regulation define the reasonable  
4 costs, manner, extent, quantity, quality, charges and fees  
5 of MO HealthNet benefits herein provided. The benefits  
6 available under these sections shall not replace those  
7 provided under other federal or state law or under other  
8 contractual or legal entitlements of the persons receiving  
9 them, and all persons shall be required to apply for and  
10 utilize all benefits available to them and to pursue all  
11 causes of action to which they are entitled. [Any person  
12 entitled to MO HealthNet benefits may obtain it from any  
13 provider of services with which an agreement is in effect  
14 under this section and which undertakes to provide the  
15 services, as authorized by the MO HealthNet division.] At  
16 the discretion of the director of the MO HealthNet division  
17 and with the approval of the governor, the MO HealthNet  
18 division is authorized to provide medical benefits for  
19 participants receiving public assistance by expending funds  
20 for the payment of federal medical insurance premiums,  
21 coinsurance and deductibles pursuant to the provisions of  
22 Title XVIII B and XIX, Public Law 89-97, 1965 amendments to

23 the federal Social Security Act (42 U.S.C. 301, et seq.), as  
24 amended.

25 2. MO HealthNet shall include benefit payments on  
26 behalf of qualified Medicare beneficiaries as defined in 42  
27 U.S.C. Section 1396d(p). The family support division shall  
28 by rule and regulation establish which qualified Medicare  
29 beneficiaries are eligible. The MO HealthNet division shall  
30 define the premiums, deductible and coinsurance provided for  
31 in 42 U.S.C. Section 1396d(p) to be provided on behalf of  
32 the qualified Medicare beneficiaries.

33 3. MO HealthNet shall include benefit payments for  
34 Medicare Part A cost sharing as defined in clause  
35 (p) (3) (A) (i) of 42 U.S.C. 1396d on behalf of qualified  
36 disabled and working individuals as defined in subsection  
37 (s) of Section 42 U.S.C. 1396d as required by subsection (d)  
38 of Section 6408 of P.L. 101-239 (Omnibus Budget  
39 Reconciliation Act of 1989). The MO HealthNet division may  
40 impose a premium for such benefit payments as authorized by  
41 paragraph (d) (3) of Section 6408 of P.L. 101-239.

42 4. MO HealthNet shall include benefit payments for  
43 Medicare Part B cost sharing described in 42 U.S.C. Section  
44 1396(d) (p) (3) (A) (ii) for individuals described in subsection  
45 2 of this section, but for the fact that their income  
46 exceeds the income level established by the state under 42  
47 U.S.C. Section 1396(d) (p) (2) but is less than one hundred  
48 and ten percent beginning January 1, 1993, and less than one  
49 hundred and twenty percent beginning January 1, 1995, of the  
50 official poverty line for a family of the size involved.

51 5. For an individual eligible for MO HealthNet under  
52 Title XIX of the Social Security Act, MO HealthNet shall  
53 include payment of enrollee premiums in a group health plan  
54 and all deductibles, coinsurance and other cost-sharing for

55 items and services otherwise covered under the state Title  
56 XIX plan under Section 1906 of the federal Social Security  
57 Act and regulations established under the authority of  
58 Section 1906, as may be amended. Enrollment in a group  
59 health plan must be cost effective, as established by the  
60 Secretary of Health and Human Services, before enrollment in  
61 the group health plan is required. If all members of a  
62 family are not eligible for MO HealthNet and enrollment of  
63 the Title XIX eligible members in a group health plan is not  
64 possible unless all family members are enrolled, all  
65 premiums for noneligible members shall be treated as payment  
66 for MO HealthNet of eligible family members. Payment for  
67 noneligible family members must be cost effective, taking  
68 into account payment of all such premiums. Non-Title XIX  
69 eligible family members shall pay all deductible,  
70 coinsurance and other cost-sharing obligations. Each  
71 individual as a condition of eligibility for MO HealthNet  
72 benefits shall apply for enrollment in the group health plan.

73 6. Any Social Security cost-of-living increase at the  
74 beginning of any year shall be disregarded until the federal  
75 poverty level for such year is implemented.

76 7. If a MO HealthNet participant has paid the  
77 requested spenddown in cash for any month and subsequently  
78 pays an out-of-pocket valid medical expense for such month,  
79 such expense shall be allowed as a deduction to future  
80 required spenddown for up to three months from the date of  
81 such expense.

208.164. 1. As used in this section, unless the  
2 context clearly requires otherwise, the following terms mean:

8 and billing tests, examinations, patient visits, surgeries,

10 determined by the department for like practitioners for  
11 which there is no demonstrable need, or for which the  
12 provider has created the need through ineffective services  
13 or merchandise previously rendered. The decision to impose  
14 any of the sanctions authorized in this section shall be

27 eligible person's needs;

28 (4) "Fraud", a known false representation, including  
29 the concealment of a material fact that **the** provider knew or  
30 should have known through the usual conduct of his  
31 profession or occupation, upon which the provider claims  
32 reimbursement under the terms and conditions of a contract  
33 or provider agreement and the policies pertaining to such  
34 contract or provider agreement of the department or its  
35 divisions in carrying out the providing of services, or  
36 under any approved state plan authorized by the federal  
37 Social Security Act;

43 (7) "Prior authorization", approval to a provider to

45 required by the department or its divisions in advance of  
46 the actual service being provided or approved for a  
47 recipient to receive a service or services from a provider,  
48 required by the department or its designated division in  
49 advance of the actual service or services being received;

50 (8) "Provider", any person, partnership, corporation,

55 obtaining from the department or its divisions reimbursement  
56 therefor;

57 (9) "Recipient", a person who is eligible to receive

62 with the department or its divisions.

63 2. The department or its divisions shall have the  
64 authority to suspend, revoke, or cancel any contract or  
65 provider agreement or refuse to enter into a new contract or  
66 provider agreement with any provider where it is determined  
67 the provider has committed or allowed its agents, servants,  
68 or employees to commit acts defined as abuse or fraud in  
69 this section.

70           3. The department or its divisions shall have the  
71 authority to impose prior authorization as defined in this  
72 section:

73           (1) When it has reasonable cause to believe a provider  
74 or recipient has knowingly followed a course of conduct  
75 which is defined as abuse or fraud or excessive use by this  
76 section; or

86 reporter's name shall not be divulged to anyone by the  
87 department or any of its divisions, except at a judicial  
88 proceeding upon a proper protective order being entered by  
89 the court.

90           5. Payments for services under any contract or  
91 provider agreement between the department or its divisions  
92 and a provider may be withheld by the department or its  
93 divisions from the provider for acts or omissions defined as  
94 abuse or fraud by this section, until such time as an  
95 agreement between the parties is reached or the dispute is  
96 adjudicated under the laws of this state.

97           6. The department or its designated division shall  
98 have the authority to review all cases and claim records for  
99 any recipient of public assistance benefits and to determine  
100 from these records if the recipient has, as defined in this  
101 section, committed excessive use of such services by seeking

102 or obtaining services from a number of like providers of  
103 services and in quantities which exceed the levels  
104 considered necessary by current medical or health care  
105 professional practice standards and policies of the program.

106 7. The department or its designated division shall  
107 have the authority with respect to recipients of medical  
108 assistance benefits who have committed excessive use to

112 restrictions are imposed shall be at the discretion of the  
113 department of social services or its designated division.

114 8. The department or its designated division shall  
115 have the authority with respect to any recipient of medical

124 have the authority with respect to any provider who  
125 knowingly allows a recipient to violate subsection 7 of this  
126 section or who fails to report a known violation of  
127 subsection 7 of this section to the department of social  
128 services or its designated division to terminate or  
129 otherwise sanction such provider's status as a participant  
130 in the medical assistance program. Any person making such a  
131 report shall not be civilly liable when the report is made  
132 in good faith.

133           10. In order to comply with the provisions of 42  
134 U.S.C. Section 1320a-7(a) relating to mandatory exclusion of  
135 certain individuals and entities from participation in any  
136 federal health care program, and in furtherance of the  
137 state's authority under federal law, as implemented by 42  
138 CFR 1002.3(b), to exclude an individual or entity from MO  
139 HealthNet for any reason or period authorized by state law,  
140 the department or its divisions shall suspend, revoke, or  
141 cancel any contract or provider agreement or refuse to enter  
142 into a new contract or provider agreement with any provider  
143 if it is determined that such provider is not qualified to  
144 perform the service or services required, as described in 42  
145 U.S.C. Section 1396a(a)(23), because such provider, or such  
146 provider's agent, servant, or employee acting under such  
147 provider's authority:

148           (1) Has a conviction related to the delivery of any  
149 item or service under Medicare or under any state health  
150 care program, as described in 42 U.S.C. Section 1320a-  
151 7(a)(1);

152           (2) Has a conviction related to the neglect or abuse  
153 of a patient in connection with the delivery of any health  
154 care item or service, as described in 42 U.S.C. Section  
155 1320a-7(a)(2);

156           (3) Has a felony conviction related to health care  
157 fraud, theft, embezzlement, breach of fiduciary  
158 responsibility, or other financial misconduct, as described  
159 in 42 U.S.C. Section 1320a-7(a)(3);

160           (4) Has a felony conviction related to the unlawful  
161 manufacture, distribution, prescription, or dispensation of  
162 a controlled substance, as described in 42 U.S.C. Section

164           (5) Has a pattern of intentional discrimination in the  
165 delivery or nondelivery of any health care item or service  
166 based on the race, color, or national origin of recipients,  
167 as described in 42 U.S.C. Section 2000d, or was founded by a  
168 person who supported eugenics as the solution for racial,  
169 political, and social problems and who advocated for the use  
170 of birth control for "the elimination of the unfit" and  
171 stopping "the reproduction of the unfit"; or

172           (6) Is an abortion facility, as defined in section  
173 188.015, or an affiliate or associate of such abortion  
174 facility.

208.437. 1. A Medicaid managed care organization  
2 reimbursement allowance period as provided in sections  
3 208.431 to 208.437 shall be from the first day of July to  
4 the thirtieth day of June. The department shall notify each  
5 Medicaid managed care organization with a balance due on the  
6 thirtieth day of June of each year the amount of such  
7 balance due. If any managed care organization fails to pay  
8 its managed care organization reimbursement allowance within  
9 thirty days of such notice, the reimbursement allowance  
10 shall be delinquent. The reimbursement allowance may remain  
11 unpaid during an appeal.

12           2. Except as otherwise provided in this section, if  
13 any reimbursement allowance imposed under the provisions of  
14 sections 208.431 to 208.437 is unpaid and delinquent, the  
15 department of social services may compel the payment of such  
16 reimbursement allowance in the circuit court having  
17 jurisdiction in the county where the main offices of the  
18 Medicaid managed care organization are located. In  
19 addition, the director of the department of social services  
20 or the director's designee may cancel or refuse to issue,  
21 extend or reinstate a Medicaid contract agreement to any

22 Medicaid managed care organization which fails to pay such  
23 delinquent reimbursement allowance required by sections  
24 208.431 to 208.437 unless under appeal.

25 3. Except as otherwise provided in this section,  
26 failure to pay a delinquent reimbursement allowance imposed  
27 under sections 208.431 to 208.437 shall be grounds for  
28 denial, suspension or revocation of a license granted by the  
29 department of commerce and insurance. The director of the  
30 department of commerce and insurance may deny, suspend or  
31 revoke the license of a Medicaid managed care organization  
32 with a contract under 42 U.S.C. Section 1396b(m) which fails  
33 to pay a managed care organization's delinquent  
34 reimbursement allowance unless under appeal.

35 4. Nothing in sections 208.431 to 208.437 shall be  
36 deemed to effect or in any way limit the tax-exempt or  
37 nonprofit status of any Medicaid managed care organization  
38 with a contract under 42 U.S.C. Section 1396b(m) granted by  
39 state law.

40 [5. Sections 208.431 to 208.437 shall expire on  
41 September 30, 2024.]

208.659. The MO HealthNet division shall revise the  
2 eligibility requirements for the uninsured women's health  
3 program, as established in 13 CSR Section 70- 4.090, to  
4 include women who are at least eighteen years of age and  
5 with a net family income of at or below one hundred  
6 eighty-five percent of the federal poverty level. In order  
7 to be eligible for such program, the applicant shall not  
8 have assets in excess of two hundred and fifty thousand  
9 dollars, nor shall the applicant have access to  
10 employer-sponsored health insurance. Such change in  
11 eligibility requirements shall not result in any change in  
12 services provided under the program. **No funds shall be**

13 **expended to any abortion facility, as defined in section**  
14 **188.015, or to any affiliate or associate of such abortion**  
15 **facility.**

338.550. [1.] The pharmacy tax required by sections  
2 338.500 to 338.550 shall expire ninety days after any one or  
3 more of the following conditions are met:

4 (1) The aggregate dispensing fee as appropriated by  
5 the general assembly paid to pharmacists per prescription is

27 services of intermediate care facilities for the mentally  
28 retarded, as used in Title 42 United States Code, Section  
29 1396b(w)(7)(A)(iv), as amended, and as such qualifies as a  
30 class of health care services recognized in federal Public  
31 Law 102-234, the Medicaid Voluntary Contribution and  
32 Provider-Specific Tax Amendments of 1991.

33           2. Beginning July 1, 2008, each provider of services  
34 of intermediate care facilities for the intellectually  
35 disabled shall, in addition to all other fees and taxes now  
36 required or paid, pay assessments on their net operating  
37 revenues for the privilege of engaging in the business of

38 providing services of the intermediate care facilities for  
39 the intellectually disabled or developmentally disabled in  
40 this state.

41 3. Each facility's assessment shall be based on a  
42 formula set forth in rules and regulations promulgated by  
43 the department of mental health.

44 4. For purposes of determining rates of payment under

46 intermediate care facilities for the intellectually  
47 disabled, the assessment imposed pursuant to this section on  
48 net operating revenues shall be a reimbursable cost to be  
49 reflected as timely as practicable in rates of payment  
50 applicable within the assessment period, contingent, for  
51 payments by governmental agencies, on all federal approvals  
52 necessary by federal law and regulation for federal  
53 financial participation in payments made for beneficiaries

58 each provider of services of intermediate care facilities  
59 for the intellectually disabled on a monthly basis to the  
60 director of the department of mental health or his or her  
61 designee and shall be made payable to the director of the  
62 department of revenue.

63 6. In the alternative, a provider may direct that the  
64 director of the department of social services offset, from  
65 the amount of any payment to be made by the state to the  
66 provider, the amount of the assessment payment owed for any  
67 month.

68 7. Assessment payments shall be deposited in the state  
69 treasury to the credit of the "Intermediate Care Facility

74 contrary, any unexpended balance in the intermediate care  
75 facility intellectually disabled reimbursement allowance  
76 fund at the end of the biennium shall not revert to the  
77 general revenue fund but shall accumulate from year to  
78 year. The state treasurer shall maintain records that show  
79 the amount of money in the fund at any time and the amount  
80 of any investment earnings on that amount.

81 8. Each provider of services of intermediate care  
82 facilities for the intellectually disabled shall keep such  
83 records as may be necessary to determine the amount of the  
84 assessment for which it is liable under this section. On or  
85 before the forty-fifth day after the end of each month  
86 commencing July 1, 2008, each provider of services of  
87 intermediate care facilities for the intellectually disabled  
88 shall submit to the department of social services a report

93 facilities for the intellectually disabled shall submit a  
94 certified annual report of net operating revenues from the  
95 furnishing of services of intermediate care facilities for  
96 the intellectually disabled. The reports shall be in such  
97 form as may be prescribed by rule by the director of the  
98 department of mental health. Final payments of the  
99 assessment for each year shall be due for all providers of  
100 services of intermediate care facilities for the

101 intellectually disabled upon the due date for submission of  
102 the certified annual report.

103 10. The director of the department of mental health  
104 shall prescribe by rule the form and content of any document  
105 required to be filed pursuant to the provisions of this  
106 section.

107 11. Upon receipt of notification from the director of  
108 the department of mental health of a provider's delinquency  
109 in paying assessments required under this section, the  
110 director of the department of social services shall  
111 withhold, and shall remit to the director of the department  
112 of revenue, an assessment amount estimated by the director  
113 of the department of mental health from any payment to be  
114 made by the state to the provider.

115 12. In the event a provider objects to the estimate  
116 described in subsection 11 of this section, or any other  
117 decision of the department of mental health related to this  
118 section, the provider of services may request a hearing. If  
119 a hearing is requested, the director of the department of  
120 mental health shall provide the provider of services an  
121 opportunity to be heard and to present evidence bearing on  
122 the amount due for an assessment or other issue related to  
123 this section within thirty days after collection of an  
124 amount due or receipt of a request for a hearing, whichever  
125 is later. The director shall issue a final decision within  
126 forty-five days of the completion of the hearing. After  
127 reconsideration of the assessment determination and a final  
128 decision by the director of the department of mental health,  
129 an intermediate care facility for the intellectually  
130 disabled provider's appeal of the director's final decision  
131 shall be to the administrative hearing commission in  
132 accordance with sections 208.156 and 621.055.

133           13. Notwithstanding any other provision of law to the  
 134 contrary, appeals regarding this assessment shall be to the  
 135 circuit court of Cole County or the circuit court in the  
 136 county in which the facility is located. The circuit court  
 137 shall hear the matter as the court of original jurisdiction.

138           14. Nothing in this section shall be deemed to affect  
 139 or in any way limit the tax-exempt or nonprofit status of  
 140 any intermediate care facility for the intellectually  
 141 disabled granted by state law.

142           15. The director of the department of mental health  
 143 shall promulgate rules and regulations to implement this  
 144 section. Any rule or portion of a rule, as that term is  
 145 defined in section 536.010, that is created under the  
 146 authority delegated in this section shall become effective  
 147 only if it complies with and is subject to all of the  
 148 provisions of chapter 536 and, if applicable, section  
 149 536.028. This section and chapter 536 are nonseverable and  
 150 if any of the powers vested with the general assembly  
 151 pursuant to chapter 536 to review, to delay the effective  
 152 date, or to disapprove and annul a rule are subsequently  
 153 held unconstitutional, then the grant of rulemaking  
 154 authority and any rule proposed or adopted after August 28,  
 155 2008, shall be invalid and void.

156           [16. The provisions of this section shall expire on  
 157 September 30, 2024.]

2           [190.839. Sections 190.800 to 190.839  
 shall expire on September 30, 2024.]

2           [198.439. Sections 198.401 to 198.436  
 shall expire on September 30, 2024.]

2           [208.480. Notwithstanding the provisions  
 3 of section 208.471 to the contrary, sections  
 4 208.453 to 208.480 shall expire on September 30,  
 2024.]
