

SENATE BILL NO. 1334

102ND GENERAL ASSEMBLY

INTRODUCED BY SENATOR EIGEL.

3109S.01H

KRISTINA MARTIN, Secretary

AN ACT

To amend chapter 590, RSMo, by adding thereto one new section relating to automated license plate reader systems.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 590, RSMo, is amended by adding thereto one new section, to be known as section 590.1100, to read as follows:

590.1100. 1. As used in this section, the following terms shall mean:

(1) "Automated license plate reader system", a system of one or more cameras combined with computer algorithms to convert images of license plates into data readable by a computer;

(2) "Captured plate data", the global positioning device coordinates, date and time, photograph, license plate number, and any other data captured by an automated license plate reader system;

(3) "License plate", the same meaning as is ascribed to such term or the term "registration plate" in chapter 301;

(4) "Public highway", any public thoroughfare for vehicles, including state highways, county roads, and public streets, avenues, boulevards, parkways, and alleys in any municipality.

2. No agency or political subdivision of this state shall purchase, install, or use any automated license plate

19 reader system, or access or use captured plate data captured
20 from vehicles located on a public highway.

21 3. This section shall not apply with regard to
22 automated license plate reader systems affixed to vehicles
23 occupied by a peace officer.

24 4. This section shall not apply with regard to the
25 accessing or use of captured plate data captured by a third-
26 party vendor in accordance with sections 303.420 to 303.440.
