

# SENATE BILL NO. 1423

102ND GENERAL ASSEMBLY

INTRODUCED BY SENATOR FITZWATER.

5477S.01I

KRISTINA MARTIN, Secretary

## AN ACT

To amend chapter 386, RSMo, by adding thereto one new section relating to the reduction of carbon emissions.

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 386, RSMo, is amended by adding thereto  
2 one new section, to be known as section 386.897, to read as  
3 follows:

**386.897. If any state agency develops a plan to reduce  
2 statewide emissions of carbon dioxide from electric  
3 generating facilities owned or operated by public utilities,  
4 as defined in section 386.020, the plan shall achieve the  
5 carbon dioxide reduction goal through electric generation  
6 from clean energy sources, with considerations for  
7 transmission and distribution, grid modernization, storage,  
8 energy demand, energy efficiency measures, and the latest  
9 technological advances to achieve the most cost-effective  
10 measures for the implementation of the plan. For purposes  
11 of this section, "clean energy" means energy derived from  
12 sunlight, wind, falling water, biomass, waste, landfill gas,  
13 municipal solid waste, wave motion, tides, geothermal power,  
14 and nuclear power, but does not include energy derived from  
15 coal, oil, or natural gas.**
