

Journal of the Senate

FIRST REGULAR SESSION

THIRTY-FIRST DAY - TUESDAY, MARCH 4, 2025

The Senate met pursuant to adjournment.

President Wasinger in the Chair.

The Reverend Stephen George offered the following prayer:

“O Lord, do not your eyes look for truth?” (Jeremiah 5:3a NIV)

Heavenly Father, we come before You today in gratitude for the opportunity to serve our state and its people. Your word reminds us that Your eyes seek truth. Lord, may we be found faithful in upholding truth in all our deliberations this week. Let us reject deception, division, and corruption, and instead pursue justice, integrity, and righteousness. Bless our state and nation with leaders who honor You, who defend the rights of the people, and who work tirelessly for freedom and prosperity. Guide our discussions today so that every decision reflects wisdom, fairness, and the values upon which this country was built. We ask this in the mighty name of Jesus, Amen.

SENATE AMENDMENT NO. 5

Amend Senate Substitute for Senate Bill No. 43, Page 1, Section A, Line 6, by inserting after all of said line the following:

“135.460. 1. This section and sections 620.1100 and 620.1103 shall be known and may be cited as the “Youth Opportunities and Violence Prevention Act”.

2. As used in this section, the term “taxpayer” shall include corporations as defined in section 143.441 or 143.471, any charitable organization which is exempt from federal income tax and whose Missouri unrelated business taxable income, if any, would be subject to the state income tax imposed under chapter 143, and individuals, individual proprietorships and partnerships.

3. A taxpayer shall be allowed a tax credit against the tax otherwise due pursuant to chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, chapter 147, chapter 148, or chapter 153 in an amount equal to thirty percent for property contributions and [fifty] **seventy** percent for monetary contributions of the amount such taxpayer contributed to the programs described in subsection 5 of this section, not to exceed two hundred thousand dollars per taxable year, per taxpayer; except as otherwise provided in subdivision (5) of subsection 5 of this section. The department of economic development shall prescribe the method for claiming the tax credits allowed in this section. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. All rulemaking authority delegated prior to June 27, 1997, is of no force and effect and repealed; however, nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to June 27, 1997, if such rule complied with the provisions of chapter 536. The provisions of this section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, including the ability to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule, are subsequently held unconstitutional, then the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void.

4. The tax credits allowed by this section shall be claimed by the taxpayer to offset the taxes that become due in the taxpayer's tax period in which the contribution was made. Any tax credit not used in such tax period may be carried over the next five succeeding tax periods.

5. The tax credit allowed by this section may only be claimed for monetary or property contributions to public or private programs authorized to participate pursuant to this section by the department of economic development and may be claimed for the development, establishment, implementation, operation, and expansion of the following activities and programs:

(1) An adopt-a-school program. Components of the adopt-a-school program shall include donations for school activities, seminars, and functions; school-business employment programs; and the donation of property and equipment of the corporation to the school;

(3) Employment programs. Such programs shall initially, but not exclusively, target unemployed youth living in poverty and youth living in areas with a high incidence of crime;

(4) New or existing youth clubs or associations;

(5) Employment/internship/apprenticeship programs in business or trades for persons less than twenty years of age, in which case the tax credit claimed pursuant to this section shall be equal to one-half of the amount paid to the intern or apprentice in that tax year, except that such credit shall not exceed ten thousand dollars per person;

(6) Mentor and role model programs;

(7) Drug and alcohol abuse prevention training programs for youth;

(8) Donation of property or equipment of the taxpayer to schools, including schools which primarily educate children who have been expelled from other schools, or donation of the same to municipalities, or not-for-profit corporations or other not-for-profit organizations which offer programs dedicated to youth violence prevention as authorized by the department;

(9) Not-for-profit, private or public youth activity centers;

(10) Nonviolent conflict resolution and mediation programs;

(11) Youth outreach and counseling programs.

6. Any program authorized in subsection 5 of this section shall, at least annually, submit a report to the department of economic development outlining the purpose and objectives of such program, the number of youth served, the specific activities provided pursuant to such program, the duration of such program and recorded youth attendance where applicable.

7. The department of economic development shall, at least annually submit a report to the Missouri general assembly listing the organizations participating, services offered and the number of youth served as the result of the implementation of this section.

8. The tax credit allowed by this section shall apply to all taxable years beginning after December 31, 1995.

9. Such process shall be adopted as part of any electronic system for marriage licenses if the applicants do not present themselves to the recorder of deeds or his or her designee in person. It shall be the responsibility of the recorder of deeds to ensure any process adopted to allow electronic application or issuance of a marriage license verifies the identities of both applicants. The recorder of deeds shall not accept applications for or issue marriage licenses through the process provided in this subsection unless [both applicants are at least eighteen years of age and] at least one of the applicants is a resident of the county or city not within a county in which the application was submitted.

Removal from Families, Seniors, and Health Committee

While I understand the potential ramifications of the passage of Amendment 3 in the November 2024 General Election and the need to address the resulting radical language in the Missouri Constitution, Article I, Section 36, I cannot support the creation of a sub-human group (e.g., persons who were conceived during a rape, et cetera).

Although, the numbers of persons alive today who were conceived as a result of a horrible act is relatively small, I cannot find good reason to vote in favor of a resolution which will allow another horrible act – murder. Simply because a ‘man’ (the biological father) commits a crime, we should not condemn the resulting baby to death.

Republicans, and some Democrats, profess to be ‘protectors’ of life. I claim to be one of them. Because of this, I cannot support an effort which does not recognize all life as precious and worth saving and protecting.

Because of this, I request to be removed from the Families, Seniors, and Health Committee, effective immediately.
