

Journal of the Senate

FIRST REGULAR SESSION

FIFTY-SIXTH DAY - WEDNESDAY, APRIL 23, 2025

The Senate met pursuant to adjournment.

President Wasinger in the Chair.

The Reverend Stephen George offered the following prayer:

"Be very careful, then, how you live—not as unwise but as wise, making the most of every opportunity, because the days are evil. Therefore, do not be foolish, but understand what the Lord's will is." (Ephesians 5:15-17 NIV)

Heavenly Father, as we begin our work today, we hear Your call in Ephesians: to live wisely, making the most of every opportunity. We are reminded that our time is short, and our responsibilities are great. We ask that You would grant us wisdom beyond ourselves, and clarity in the choices before us. May we not waste the time we are given, but use it wisely, and may all we do today be for the good of our people, and bring glory to You. We ask this in Jesus' name, Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Owners or operators of petroleum retail facilities shall pay a fee of no more than fifty dollars for each such facility. Any person, firm or corporation selling, delivering or transporting petroleum or petroleum products and whose primary business deals with petroleum products or who is covered by the provisions of chapter 323, if such person, firm or corporation is paying fees under the provisions of the federal hazardous materials transportation registration and fee assessment program, shall deduct such federal fees from those fees owed to the state under the provisions of this subsection. If the federal fees exceed or are equal to what would otherwise be owed under this subsection, such employer shall not be liable for state fees under this subsection. In relation to petroleum products "primary business" shall mean that the person, firm or corporation shall earn more than fifty percent of hazardous chemical revenues from the sale, delivery or transport of petroleum products. For the purpose of calculating fees, all grades of gasoline are considered to be one product, all grades of heating oils, diesel

fuels, kerosenes, naphthas, aviation turbine fuel, and all other heavy distillate products except for grades of gasoline are considered to be one product, and all varieties of motor lubricating oil are considered to be one product. For the purposes of this section "facility" shall mean all buildings, equipment, structures and other stationary items that are located on a single site or on contiguous or adjacent sites and which are owned or operated by the same person. Fees collected under this subdivision shall be for each hazardous chemical on hand at any one time in excess of ten thousand pounds or for extremely hazardous substances on hand at any one time in excess of five hundred pounds or the threshold planning quantity, whichever is less, or for explosives or blasting agents on hand at any one time in excess of one hundred pounds. However, no employer shall pay more than ten thousand dollars per year in fees. Moneys acquired through litigation and any administrative fees paid pursuant to subsection 3 of this section shall not be applied toward this cap.

(2) Employers engaged in transporting hazardous materials by pipeline except local gas distribution companies regulated by the Missouri public service commission shall pay to the commission a fee of two hundred fifty dollars for each county in which they operate.

(3) Payment of fees is due each year by March first. A late fee of ten percent of the total owed, plus one percent per month of the total, may be assessed by the commission.

(4) If, on March first of each year, fees collected under this section and natural resources damages made available pursuant to section 640.235 exceed one million dollars, any excess over one million dollars shall be proportionately credited to fees payable in the succeeding year by each employer who was required to pay a fee and who did pay a fee in the year in which the excess occurred. The limit of one million dollars contained herein shall be reviewed by the commission concurrent with the review of fees as required in subsection 1 of this section.

3. Beginning January 1, 2013, any employer filing its Tier II form pursuant to subsection 1 of section 292.605 may request that the commission distribute that employer's Tier II report to the local emergency planning committees and fire departments listed in its Tier II report. Any employer opting to have the commission distribute its Tier II report shall pay an additional fee of ten dollars for each facility listed in the report at the time of filing to recoup the commission's distribution costs. Fees shall be deposited in the chemical emergency preparedness fund established under section 292.607. An employer who pays the additional fee and whose Tier II report includes all local emergency planning committees and fire departments required to be notified under subsection 1 of section 292.605 shall satisfy the reporting requirements of subsection 1 of section 292.605. The commission shall develop a mechanism for an employer to exercise its option to have the commission distribute its Tier II report.

4. Local emergency planning committees receiving funds under section 292.604 shall coordinate with the commission and the department in chemical emergency planning, training, preparedness, and response

5. Fees collected by the department and all funds provided to local emergency planning committees shall be used for chemical emergency preparedness purposes as outlined in sections 292.600 to 292.625 and the federal act, including contingency planning for chemical releases; exercising, evaluating, and distributing plans, providing training related to chemical emergency preparedness and prevention of chemical accidents; identifying facilities required to report; processing the information submitted by facilities and making it available to the public; receiving and handling emergency notifications of chemical releases; operating a local emergency planning committee; and providing public notice of chemical preparedness activities. Local emergency planning committees receiving funds under this section may combine such funds with other local emergency planning committees to further the purposes of sections 292.600 to 292.625, or the federal act.

6. The commission shall establish criteria and guidance on how funds received by local emergency planning committees may be used.

6. Each **school district and charter school** shall review its antibullying policy and revise it as needed. The **school district's school board or charter school's governing board** shall receive input from school personnel, students, and administrators when reviewing and revising the policy.

7. (1) **The administration of each school district and charter school shall report to the school board or governing board all acts of bullying, acts of school violence or violent behavior, and crimes that occurred in between board meetings and the discipline of any pupil who committed such acts. 9. (1) **A school district or charter school, or an employee of such district or charter school, that in good faith imposes disciplinary action under this section upon a bullying student shall not be civilly liable for such disciplinary action.**

(2) **If a school district or charter school, or an employee of such district or charter school, prevails in an action brought against such school district, charter school, or employee described in subdivision (1) of this subsection, the court shall award court costs and attorney's fees to such prevailing school district, charter school, or employee.**

10. (1) **This section shall not be construed to provide immunity from liability for a school district's or charter school's denial, or the denial by an employee of such district or charter school, of any constitutionally protected right of a student.**

(2) **Subdivision (1) of this subsection shall not be construed to limit any immunities or defenses available under state or federal law to a school district, a charter school, or employees or volunteers of such school district or charter school.**

11. (1) For the purposes of reporting requirements under section 210.115, incidents of bullying, acts of school violence or violent behavior, or crime may be considered abuse.

HOUSE AMENDMENT NO. 1

Amend Senate Substitute for Senate Bill No. 28, Page 1, In the Title, Line 3, by deleting the words "agriculture transportation" and inserting in lieu thereof the words "motor vehicles"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 2

Amend Senate Substitute for Senate Bill No. 28, Page 17, Section 301.010, Line 492, by inserting after all of said section and line the following:

"301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not, unless such possession is solely for charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days, or no more than ninety days if the dealer is selling the motor vehicle under the provisions of section 301.213, or no more than sixty days if the dealer is selling the motor vehicle under the provisions of subsection 5 of section 301.210.

As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

4. (1) The director of the department of revenue shall have authority to produce or allow others to produce a weather resistant, nontearing temporary permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty days, [or no more than ninety days if issued by a dealer selling the motor vehicle under the provisions of section 301.213,] or no more than sixty days if issued by a dealer selling the motor vehicle under the provisions of subsection 5 of section 301.210, from the date of purchase. The temporary permit authorized under this section may be purchased by the purchaser of a motor vehicle or trailer from the central office of the department of revenue or from an authorized agent of the department of revenue upon **satisfaction of all applicable taxes under chapter 144, upon** proof of purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof of financial responsibility, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer, or from a motor vehicle dealer upon purchase of a motor vehicle or trailer for which the buyer has registered and is awaiting receipt of registration plates. The director of the department of revenue or a producer authorized by the director of the department of revenue may make temporary permits available to registered dealers in this state, authorized agents of the department of revenue or the department of revenue. The price paid by a motor vehicle dealer, an authorized agent of the department of revenue or the department of revenue for a temporary permit shall not exceed five dollars for each permit. The director of the department of revenue shall direct motor vehicle dealers and authorized agents to obtain temporary permits from an authorized producer. Amounts received by the director of the department of revenue for temporary permits shall constitute state revenue; however, amounts received by an authorized producer other than the director of the department of revenue shall not constitute state revenue and any amounts received by motor vehicle dealers or authorized agents for temporary permits purchased from a producer other than the director of the department of revenue shall not constitute state revenue. In no event shall revenues from the general

revenue fund or any other state fund be utilized to compensate motor vehicle dealers or other producers for their role in producing temporary permits as authorized under this section. Amounts that do not constitute state revenue under this section shall also not constitute fees for registration or certificates of title to be collected by the director of the department of revenue under section 301.190. No motor vehicle dealer, authorized agent or the department of revenue shall charge more than five dollars for each permit issued. The permit shall be valid for a period of thirty days, or no more than ninety days if issued by a dealer selling the motor vehicle under the provisions of section 301.213, or no more than sixty days if issued by a dealer selling the motor vehicle under the provisions of subsection 5 of section 301.210, from the date of purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by a motor vehicle dealer for which the purchaser obtains a permit as set out above. No permit shall be issued for a vehicle under this section unless the buyer shows proof of financial responsibility. Each temporary permit issued shall be securely fastened to the back or rear of the motor vehicle in a manner and place on the motor vehicle consistent with registration plates so that all parts and qualities of the temporary permit thereof shall be plainly and clearly visible, reasonably clean and are not impaired in any way.

(2) The provisions of subdivision (1) of this subsection requiring satisfaction of all applicable taxes under chapter 144 shall become effective only upon notification by the director of the department of revenue that implementation of such requirements are technologically feasible following the development and maintenance of a modernized, integrated system for the titling of vehicles, the issuance and renewal of vehicle registrations, the issuance and renewal of drivers' licenses and identification cards, and the perfection and release of liens and encumbrances on vehicles.

5. The permit shall be issued on a form prescribed by the director of the department of revenue and issued only for the applicant's temporary operation of the motor vehicle or trailer purchased to enable the applicant to temporarily operate the motor vehicle while proper title and registration plates are being obtained, or while awaiting receipt of registration plates, and shall be displayed on no other motor vehicle. Temporary permits issued pursuant to this section shall not be transferable or renewable, shall not be valid upon issuance of proper registration plates for the motor vehicle or trailer, and shall be returned to the department or to the department's agent upon the issuance of such proper registration plates. Any temporary permit returned to the department or to the department's agent shall be immediately destroyed. The provisions of this subsection shall not apply to temporary permits issued for commercial motor vehicles licensed in excess of twenty-four thousand pounds gross weight. The director of the department of revenue shall determine the size, material, design, numbering configuration, construction, and color of the permit. The director of the department of revenue, at his or her discretion, shall have the authority to reissue, and thereby extend the use of, a temporary permit previously and legally issued for a motor vehicle or trailer while proper title and registration are being obtained.

6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection by proper officers, an accurate record of each permit issued by recording the permit number, the motor vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and manufacturer's vehicle identification number, and the permit's date of issuance and expiration date. Upon the issuance of a temporary permit by either the central office of the department of revenue, a motor vehicle dealer or an authorized agent of the department of revenue, the director of the department of revenue shall make the information associated with the issued temporary permit immediately available to the law enforcement community of the state of Missouri.

7. Upon the transfer of ownership of any currently registered motor vehicle wherein the owner cannot transfer the license plates due to a change of motor vehicle category, the owner may surrender the license plates issued to the motor vehicle and receive credit for any unused portion of the original registration fee against the registration fee of another motor vehicle. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

8. An additional temporary license plate produced in a manner and of materials determined by the director to be the most cost-effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the vehicle's rear window such that the driver's view out of the rear window is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 4 of this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a temporary permit under subsection 4 of this section. The newly produced third plate may only be used on the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a third plate and only used for the purpose specified in this subsection.

9. Notwithstanding the provisions of section 301.217, the director may issue a temporary permit to an individual who possesses a salvage motor vehicle which requires an inspection under subsection 9 of section 301.190. The operation of a salvage motor vehicle for which the permit has been issued shall be limited to the most direct route from the residence, maintenance, or storage facility of the individual in possession of such motor vehicle to the nearest authorized inspection facility and return to the originating location. Notwithstanding any other requirements for the issuance of a temporary permit under this section, an individual obtaining a temporary permit for the purpose of operating a motor vehicle to and from an examination facility as prescribed in this subsection shall also purchase the required motor vehicle examination form which is required to be completed for an examination under subsection 9 of section 301.190 and provide satisfactory evidence that such vehicle has passed a motor vehicle safety inspection for such vehicle as required in section 307.350.

10. The director of the department of revenue may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

11. The repeal and reenactment of this section shall become effective on the date the department of revenue or a producer authorized by the director of the department of revenue begins producing temporary permits described in subsection 4 of such section, or on July 1, 2013, whichever occurs first. If the director

of revenue or a producer authorized by the director of the department of revenue begins producing temporary permits prior to July 1, 2013, the director of the department of revenue shall notify the revisor of statutes of such fact.

301.558. 1. A motor vehicle dealer, **trailer dealer**, boat dealer, or powersport dealer may fill in the blanks on standardized forms in connection with the sale or lease of a new or used motor vehicle, **trailer**, vessel, or vessel trailer if the motor vehicle dealer, **trailer dealer**, boat dealer, or powersport dealer does not charge for the services of filling in the blanks or otherwise charge for preparing documents.

2. A motor vehicle dealer, **trailer dealer**, boat dealer, or powersport dealer may charge an administrative fee in connection with the sale or lease of a new or used motor vehicle, **trailer**, vessel, or vessel trailer for the storage of documents or any other administrative or clerical services not prohibited by this section. A portion of the administrative fee may result in profit to the motor vehicle dealer, **trailer dealer**, boat dealer, or powersport dealer.

3. (1) Ten percent of any fee authorized under this section and charged by motor vehicle dealers **or trailer dealers** shall be remitted to the motor vehicle administration technology fund established in this subsection, for the development of the system specified in this subsection. Following the development of the system specified in this subsection, the director of the department of revenue shall notify motor vehicle dealers **and trailer dealers**, and implement the system, and the percentage of any fee authorized under this section required to be remitted to the fund shall be reduced to [one] **three and one-half** percent, which shall be used for maintenance of the system. This subsection shall expire on January 1, 2037.

(2) There is hereby created in the state treasury the "Motor Vehicle Administration Technology Fund", which shall consist of money collected as specified in this subsection. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and money in the fund shall be used solely by the department of revenue for the purpose of development and maintenance of a modernized, integrated system for the titling of vehicles, issuance and renewal of vehicle registrations, issuance and renewal of driver's licenses and identification cards, and perfection and release of liens and encumbrances on vehicles.

(3) Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

(4) The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. No motor vehicle dealer, **trailer dealer**, boat dealer, or powersport dealer that sells or leases new or used motor vehicles, **trailers**, vessels, or vessel trailers and imposes an administrative fee of five hundred dollars or less in connection with the sale or lease of a new or used **motor** vehicle, **trailer**, vessel, or vessel trailer for the storage of documents or any other administrative or clerical services shall be deemed to be engaging in the unauthorized practice of law. The maximum administrative fee permitted under this subsection shall be increased annually by an amount equal to the percentage change in the annual average of the Consumer Price Index for All Urban Consumers or its successor index, as reported by the federal Bureau of Labor Statistics or its successor agency, or by zero, whichever is greater. The director of the department of revenue shall annually furnish the maximum administrative fee determined under this section to the secretary of state, who shall publish such value in the Missouri Register as soon as practicable after January fourteenth of each year.

5. If an administrative fee is charged under this section, the same administrative fee shall be charged to all retail customers unless the fee is limited by the dealer's franchise agreement to certain classes of customers. The fee shall be disclosed on the retail buyer's order form as a separate itemized charge.

6. A preliminary worksheet on which a sale price is computed and that is shown to the purchaser, a retail buyer's order form from the purchaser, or a retail installment contract shall include, in reasonable proximity to the place on the document where the administrative fee authorized by this section is disclosed, the amount of the administrative fee and the following notice in type that is boldfaced, capitalized, underlined, or otherwise conspicuously set out from the surrounding written material:

"AN ADMINISTRATIVE FEE IS NOT AN OFFICIAL FEE AND IS NOT REQUIRED BY LAW BUT MAY BE CHARGED BY A DEALER. THIS ADMINISTRATIVE FEE MAY RESULT IN A PROFIT TO DEALER. NO PORTION OF THIS ADMINISTRATIVE FEE IS FOR THE DRAFTING, PREPARATION, OR COMPLETION OF DOCUMENTS OR THE PROVIDING OF LEGAL ADVICE. THIS NOTICE IS REQUIRED BY LAW."

7. The general assembly believes that an administrative fee charged in compliance with this section is not the unauthorized practice of law or the unauthorized business of law so long as the activity or service for which the fee is charged is in compliance with the provisions of this section and does not result in the waiver of any rights or remedies. Recognizing, however, that the judiciary is the sole arbitrator of what constitutes the practice of law, in the event that a court determines that an administrative fee charged in compliance with this section, and that does not waive any rights or remedies of the buyer, is the unauthorized practice of law or the unauthorized business of law, then no person who paid that administrative fee may recover said fee or treble damages, as permitted under section 484.020, and no person who charged that fee shall be guilty of a misdemeanor, as provided under section 484.020."; and

Further amend said bill, Page 18, Section 307.010, Line 36, by inserting after all of said section and line the following:

"407.1034. Notwithstanding the terms of any franchise agreement, the performance, whether by act or omission, by a motorcycle or all-terrain vehicle franchisor of any or all of the following acts enumerated in this section are hereby defined as unlawful practices, the remedies for which are set forth in section 407.1043:

(1) To engage in any conduct which is capricious, in bad faith, or unconscionable and which causes damage to a motorcycle or all-terrain vehicle franchisee or to the public; provided, that good faith conduct engaged in by motorcycle or all-terrain vehicle franchisors as sellers of new motorcycles, all-terrain vehicles or parts or as holders of security interests therein, in pursuit of rights or remedies accorded to sellers of goods or to holders of security interests pursuant to the provisions of chapter 400, uniform commercial code, shall not constitute unfair practices pursuant to sections 407.1025 to 407.1049;

(2) To coerce any motorcycle or all-terrain vehicle franchisee to accept delivery of any new motorcycle, motorcycles, all-terrain vehicles, equipment, parts or accessories therefor, or any other commodity or commodities which such motorcycle or all-terrain vehicle franchisee has not ordered after such motorcycle or all-terrain vehicle franchisee has rejected such commodity or commodities. It shall not be deemed a violation of sections 407.1025 to 407.1049 for a motorcycle or all-terrain vehicle franchisor to require a motorcycle or all-terrain vehicle franchisee to have an inventory of parts, tools and equipment reasonably necessary to service the motorcycles or all-terrain vehicles sold by a motorcycle or all-terrain

vehicle franchisor; or new motorcycles or all-terrain vehicles reasonably necessary to meet the demands of dealers or the public;

(3) To unreasonably refuse to deliver in reasonable quantities and within a reasonable time after receipt of orders for new motorcycles or all-terrain vehicles, such motorcycles or all-terrain vehicles as are so ordered and as are covered by such franchise and as are specifically publicly advertised by such motorcycle or all-terrain vehicle franchisor to be available for immediate delivery; provided, however, the failure to deliver any motorcycle or all-terrain vehicle shall not be considered a violation of sections 407.1025 to 407.1049 if such failure is due to an act of God, work stoppage, or delay due to a strike or labor difficulty, shortage of products or materials, freight delays, embargo or other cause of which such motorcycle or all-terrain vehicle franchisor has no control;

(4) To coerce any motorcycle or all-terrain vehicle franchisee to enter into any agreement with such motorcycle or all-terrain vehicle franchisor or to do any other act prejudicial to such motorcycle or all-terrain vehicle franchisee, by threatening to cancel any franchise or any contractual agreement existing between such motorcycle or all-terrain vehicle franchisor and motorcycle or all-terrain vehicle franchisee; provided, however, that notice in good faith to any motorcycle or all-terrain vehicle franchisee of such motorcycle or all-terrain vehicle franchisee's violation of any provisions of such franchise or contractual agreement shall not constitute a violation of sections 407.1025 to 407.1049;

(5) To terminate, cancel or refuse to continue any franchise, directly or indirectly through the actions of the franchisor, unless such new motorcycle or all-terrain vehicle franchisee substantially defaults in the performance of such franchisee's reasonable and lawful obligations under such franchisee's franchise, or such new motorcycle or all-terrain vehicle franchisor discontinues the sale in the state of Missouri of such franchisor's products which are the subject of the franchise:

(a) Notwithstanding the terms of any franchise agreement to the contrary, good cause to terminate, cancel or refuse to continue any franchise agreement shall not be established based upon the fact that the motorcycle or all-terrain vehicle franchisee owns, has an investment in, participates in the management of or holds a franchise agreement for the sale or service of another make or line of new motorcycles or all-terrain vehicles or the motorcycle or all-terrain vehicle dealer has established another make or line of new motorcycles or all-terrain vehicles or service in the same dealership facilities as those of the motorcycle or all-terrain vehicle franchisor prior to February 1, 1998, or such establishment is approved in writing by the franchisee and the franchisor. However, a franchisor may require a franchisee to maintain a reasonable line of credit for each franchise and to comply with each franchisor's reasonable requirements concerning capital, management and facilities. If the franchise agreement requires the approval of the franchisor, such approval shall be requested in writing by the franchisee and the franchisor shall approve or disapprove such a request in writing within sixty days of receipt of such request. A request from a franchisee shall be deemed to have been approved if the franchisor fails to notify the franchisee, in writing, of its disapproval within sixty days after its receipt of the written request;

(b) In determining whether good cause exists, the administrative hearing commission shall take into consideration the existing circumstances, including, but not limited to, the following factors:

a. The franchisee's sales in relation to sales in the market;

b. The franchisee's investment and obligations;

c. Injury to the public welfare;

d. The adequacy of the franchisee's service facilities, equipment, parts and personnel in relation to those of other franchisees of the same line-make;

e. Whether warranties are being honored by the franchisee;

f. The parties' compliance with their franchise agreement;

g. The desire of a franchisor for market penetration or a market study, if any, prepared by the franchisor or franchisee are two factors which may be considered;

h. The harm to the franchisor;

(6) To prevent by contract or otherwise, any motorcycle or all-terrain vehicle franchisee from changing the capital structure of the franchisee's franchise of such motorcycle or all-terrain vehicle franchisee or the means by or through which the franchisee finances the operation of the franchisee's franchise, provided the motorcycle or all-terrain vehicle franchisee at all times meets any reasonable capital standards agreed to between the motorcycle or all-terrain vehicle franchisee and the motorcycle or all-terrain vehicle franchisor and grants to the motorcycle or all-terrain vehicle franchisor a purchase money security interest in the new motorcycles or all-terrain vehicles, new parts and accessories purchased from the motorcycle or all-terrain vehicle franchisor;

(7) (a) Prevent, by contract or otherwise, any sale or transfer of a franchisee's franchise or franchises or interest or management thereof; provided, if the franchise specifically permits the franchisor to approve or disapprove any such proposed sale or transfer, a franchisor shall only be allowed to disapprove a proposed sale or transfer if the interest being sold or transferred when added to any other interest owned by the transferee constitutes fifty percent or more of the ownership interest in the franchise and if the proposed transferee fails to satisfy any standards of the franchisor which are in fact normally relied upon by the franchisor prior to its entering into a franchise, and which relate to the proposed management or ownership of the franchise operations or to the qualification, capitalization, integrity or character of the proposed transferee and which are reasonable. A franchisee may request, at any time, that the franchisor provide a copy of the standards which are normally relied upon by the franchisor to evaluate a proposed sale or transfer and a proposed transferee;

(b) The franchisee and the prospective franchisee shall cooperate fully with the franchisor in providing information relating to the prospective transferee's qualifications, capitalization, integrity and character;

(c) In the event of a proposed sale or transfer of a franchise, the franchisor shall be permitted to exercise a right of first refusal to acquire the franchisee's assets or ownership if:

a. The franchise agreement permits the franchisor to exercise a right of first refusal to acquire the franchisee's assets or ownership in the event of a proposed sale or transfer;

b. Such sale or transfer is conditioned upon the franchisor or franchisee entering a franchise agreement with the proposed transferee;

c. The exercise of the right of first refusal shall result in the franchisee and the franchisee's owners receiving the same or greater consideration and the same terms and conditions as contracted to receive in connection with the proposed sale or transfer;

d. The sale or transfer does not involve the sale or transfer to an immediate member or members of the family of one or more franchisee owners, defined as a spouse, child, grandchild, spouse of a child or grandchild, brother, sister or parent of the franchisee owner, or to the qualified manager, defined as an individual who has been employed by the franchisee for at least two years and who otherwise qualifies as a franchisee operator, or a partnership or corporation controlled by such persons; and

e. The franchisor agrees to pay the reasonable expenses, including attorney's fees which do not exceed the usual, customary and reasonable fees charged for similar work done for other clients, incurred by the proposed transferee prior to the franchisor's exercise of its right of first refusal in negotiating and implementing the contract for the proposed sale or transfer of the franchise or the franchisee's assets. Notwithstanding the foregoing, no payment of such expenses and attorney's fees shall be required if the franchisee has not submitted or caused to be submitted an accounting of those expenses within fourteen days of the franchisee's receipt of the franchisor's written request for such an accounting. Such accounting may be requested by a franchisor before exercising its right of first refusal;

(d) For determining whether good cause exists for the purposes of this subdivision, the administrative hearing commission shall take into consideration the existing circumstances, including, but not limited to, the following factors:

a. Whether the franchise agreement specifically permits the franchisor to approve or disapprove any proposed sale or transfer;

b. Whether the interest to be sold or transferred when added to any other interest owned by the proposed transferee constitutes fifty percent or more of the ownership interest in the franchise;

c. Whether the proposed transferee fails to satisfy any standards of the franchisor which are in fact normally relied upon by the franchisor prior to its entering into a franchise, and which are related to the proposed management or ownership of the franchise operations or to the qualification, capitalization, integrity or character of the proposed transferee which are reasonable;

d. Injury to the public welfare;

e. The harm to the franchisor;

(8) To prevent by contract or otherwise any motorcycle or all-terrain vehicle franchisee from changing the executive management of motorcycle or all-terrain vehicle franchisee's business, except that any attempt by a motorcycle or all-terrain vehicle franchisor to demonstrate by giving reasons that such change in executive management will be detrimental to the distribution of the motorcycle or all-terrain vehicle franchisor's motorcycles shall not constitute a violation of this subdivision;

(9) To impose unreasonable standards of performance upon a motorcycle or all-terrain vehicle franchisee;

(10) To require a motorcycle or all-terrain vehicle franchisee at the time of entering into a franchise arrangement to assent to a release, assignment, novation, waiver or estoppel which would relieve any person from liability imposed by sections 407.1025 to 407.1049;

(11) To prohibit directly or indirectly the right of free association among motorcycle or all-terrain vehicle franchisees for any lawful purpose;

(12) To provide any term or condition in any lease or other agreement ancillary or collateral to a franchise, which term or condition directly or indirectly violates the provisions of sections 407.1025 to 407.1049;

(13) [Upon any termination, cancellation or refusal to continue any franchise or any discontinuation of any line-make or parts or products related to such line-make by a franchisor, fail to pay reasonable compensation to a franchisee as follows] **To fail to repurchase a franchisee's inventory and other items as set forth in this subdivision if a motorcycle or all-terrain franchise agreement is terminated, cancelled, or not renewed by the manufacturer for cause; if the dealer voluntarily terminates a motorcycle or all-terrain dealer agreement in a manner permitted by such agreement; if the manufacturer terminates or discontinues a franchise by discontinuing a line-make or by ceasing to do business in this state; or if the manufacturer changes the distributor or method of distribution of its products in this state or alters its sales regions or marketing areas within this state in a manner that eliminates or diminishes the dealer's market area. In such circumstances the manufacturer shall, at the election of the motorcycle or all-terrain vehicle dealer, within thirty days of termination, repurchase:**

(a) Any new, undamaged and unsold motorcycles or all-terrain vehicles in the franchisee's inventory of either the current model year or purchased from the franchisor within one hundred twenty days prior to receipt of a notice of termination or nonrenewal, provided the motorcycle or all-terrain vehicle has less than twenty miles registered on the odometer, including mileage incurred in delivery from the franchisor or in transporting the motorcycle or all-terrain vehicle between dealers for sale, at the dealer's net acquisition cost;

(b) The current parts catalog cost to the dealer of each new, unused, undamaged and unsold part or accessory if the part or accessory is in the current parts catalog, less applicable allowances. If the part or accessory was purchased by the franchisee from an outgoing authorized franchisee, the franchisor shall purchase the part for either the price in the current parts catalog or the franchisee's actual purchase price of the part, whichever is less;

(c) The depreciated value determined pursuant to generally accepted accounting principles of each undamaged sign owned by the franchisee which bears a trademark or trade name used or claimed by the franchisor if the sign was purchased from, or purchased at the request of, the franchisor;

(d) The fair market value of all special tools, data processing equipment and motorcycle or all-terrain vehicle service equipment owned by the franchisee which were recommended in writing and designated as special tools and equipment and purchased from, or purchased at the request of, the franchisor within three years of the termination of the franchise, if the tools and equipment are in usable and good condition, except for reasonable wear and tear; and

(e) The franchisor shall pay the franchisee the amounts specified in this subdivision within ninety days after the tender of the property subject to the franchisee providing evidence of good and clear title upon return of the property to the franchisor. Unless previous arrangements have been made and agreed upon, the franchisee is under no obligation to provide insurance for the property left after one hundred eighty days;

(14) To prevent or refuse to honor the succession to a franchise or franchises by any legal heir or devisee under the will of a franchisee, under any written instrument filed with the franchisor designating any person as the person's successor franchisee, or pursuant to the laws of descent and distribution of this state; provided:

(a) Any designated family member of a deceased or incapacitated franchisee shall become the succeeding franchisee of such deceased or incapacitated franchisee if such designated family member gives the franchisor written notice of such family member's intention to succeed to the franchise or franchises within forty-five days after the death or incapacity of the franchisee, and agrees to be bound by all of the terms and conditions of the current franchise agreement, and the designated family member meets the current reasonable criteria generally applied by the franchisor in qualifying franchisees. A franchisee may request, at any time, that the franchisor provide a copy of such criteria generally applied by the franchisor in qualifying franchisees;

(b) The franchisor may request from a designated family member such personal and financial data as is reasonably necessary to determine whether the existing franchise agreement should be honored. The designated family member shall supply the personal and financial data promptly upon the request;

(c) If the designated family member does not meet the reasonable criteria generally applied by the franchisor in qualifying franchisees, the discontinuance of the current franchise agreement shall take effect not less than ninety days after the date the franchisor serves the required notice on the designated family member pursuant to subsection 5 of section 407.1031;

(d) The provisions of this subdivision shall not preclude a franchisee from designating any person as the person's successor by written instrument filed with the franchisor, and if such an instrument is filed, it alone shall determine the succession rights to the management and operation of the franchise; and

(e) For determining whether good cause exists, the administrative hearing commission shall take into consideration the existing circumstances, including, but not limited to, the following factors:

a. Whether the franchise agreement specifically permits the franchisor to approve or disapprove any successor;

b. Whether the proposed successor fails to satisfy any standards of the franchisor which are in fact normally relied upon by the franchisor prior to the successor entering into a franchise, and which relate to the proposed management or ownership of the franchise operation or to the qualification, capitalization, integrity or character of the proposed successor and which are reasonable;

c. Injury to the public welfare;

d. The harm to the franchisor;

(15) To coerce, threaten, intimidate or require a franchisee under any condition affecting or related to a franchise agreement, or to waive, limit or disclaim a right that the franchisee may have pursuant to the provisions of sections 407.1025 to 407.1049. Any contracts or agreements which contain such provisions shall be deemed against the public policy of the state of Missouri and are void and unenforceable. Nothing in this section shall be construed to prohibit voluntary settlement agreements;

(16) To initiate any act enumerated in this subsection on grounds that it has advised a franchisee of its intention to discontinue representation at the time of a franchisee change."; and

Further amend said bill, Page 17, Section 301.010, Line 492, by inserting after all of said section and line the following:

"301.020. 1. Every owner of a motor vehicle or trailer, which shall be operated or driven upon the highways of this state, except as herein otherwise expressly provided, shall annually file, by mail or otherwise, in the office of the director of revenue, an application for registration on a blank to be furnished by the director of revenue for that purpose containing:

(1) A brief description of the motor vehicle or trailer to be registered, including the name of the manufacturer, the vehicle identification number, the amount of motive power of the motor vehicle, stated in figures of horsepower and whether the motor vehicle is to be registered as a motor vehicle primarily for business use as defined in section 301.010;

(2) The name, the applicant's identification number and address of the owner of such motor vehicle or trailer;

(3) The gross weight of the vehicle and the desired load in pounds if the vehicle is a commercial motor vehicle or trailer.

2. If the vehicle is a motor vehicle primarily for business use as defined in section 301.010 and if such vehicle is [ten years of age or less] **model year 2012 or newer** and has less than one hundred fifty thousand miles on the odometer, the director of revenue shall retain the odometer information provided in the vehicle inspection report, and provide for prompt access to such information, together with the vehicle identification number for the motor vehicle to which such information pertains, for a period of ten years after the receipt of such information. This section shall not apply unless:

(1) The application for the vehicle's certificate of ownership was submitted after July 1, 1989; and

(2) The certificate was issued pursuant to a manufacturer's statement of origin.

3. If the vehicle is any motor vehicle other than a motor vehicle primarily for business use, a recreational motor vehicle, motorcycle, motortricycle, autocycle, bus, or any commercial motor vehicle licensed for over twelve thousand pounds and if such motor vehicle is [ten years of age or less] **model year 2012 or newer** and has less than one hundred fifty thousand miles on the odometer, the director of revenue shall retain the odometer information provided in the vehicle inspection report, and provide for prompt access to such information, together with the vehicle identification number for the motor vehicle

4. If the vehicle qualifies as a reconstructed motor vehicle, motor change vehicle, specially constructed motor vehicle, non-USA-std motor vehicle, as defined in section 301.010, or prior salvage as referenced in section 301.573, the owner or lienholder shall surrender the certificate of ownership. The owner shall make an application for a new certificate of ownership, pay the required title fee, and obtain the vehicle examination certificate required pursuant to subsection 9 of section 301.190. If an insurance company pays a claim on a salvage vehicle as defined in section 301.010 and the owner retains the vehicle, as prior salvage, the vehicle shall only be required to meet the examination requirements under subsection 10 of section 301.190. Notarized bills of sale along with a copy of the front and back of the certificate of ownership for all major component parts installed on the vehicle and invoices for all essential parts which are not defined as major component parts shall accompany the application for a new certificate of ownership. All applications required under this subsection shall be submitted with any applicable taxes which may be due on the purchase of the vehicle or parts. The director of revenue shall appropriately designate "Reconstructed Motor Vehicle", "Motor Change Vehicle", "Non-USA-Std Motor Vehicle", or "Specially Constructed Motor Vehicle" on the current and all subsequent issues of the certificate of ownership of such vehicle.

5. Every insurance company that pays a claim for repair of a motor vehicle which as the result of such repairs becomes a reconstructed motor vehicle as defined in section 301.010 or that pays a claim on a salvage vehicle as defined in section 301.010 and the owner is retaining the vehicle shall in writing notify the owner of the vehicle, and in a first party claim, the lienholder if a lien is in effect, that he is required to surrender the certificate of ownership, and the documents and fees required pursuant to subsection 4 of this section to obtain a prior salvage motor vehicle certificate of ownership or documents and fees as otherwise required by law to obtain a salvage certificate of ownership, from the director of revenue. The insurance company shall within thirty days of the payment of such claims report to the director of revenue the name and address of such owner, the year, make, model, vehicle identification number, and license plate number of the vehicle, and the date of loss and payment.

6. Anyone who fails to comply with the requirements of this section shall be guilty of a class B misdemeanor.

7. An applicant for registration may make a donation of one dollar to promote a blindness education, screening and treatment program. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the blindness education, screening and treatment program fund established in section 209.015. Moneys in the blindness education, screening and treatment program fund shall be used solely for the purposes established in section 209.015; except that the department of revenue shall retain no more than one percent for its administrative costs. The donation prescribed in this subsection is voluntary and may be refused by the applicant for registration at the time of issuance or renewal. The director shall inquire of each applicant at the time the applicant presents the completed application to the director whether the applicant is interested in making the one dollar donation prescribed in this subsection.

8. An applicant for registration may make a donation of an amount not less than one dollar to promote an organ donor program. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the organ donor program fund as established in sections 194.297 to 194.304. Moneys in the organ donor fund shall be used solely for the purposes established in sections 194.297 to 194.304, except that the department of revenue shall retain no more than one percent for its administrative costs. The donation prescribed in this subsection is voluntary and may be refused by the applicant for registration at the time of issuance or renewal. 9. An applicant for registration may make a donation of one dollar to the Missouri medal of honor recipients fund. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the Missouri medal of honor recipients fund as established in section 226.925. The donation prescribed in this subsection is voluntary and may be refused by the applicant for registration at the time of issuance or renewal. The director shall inquire of each applicant at the time the applicant presents the completed application to the director whether the applicant is interested in making the one dollar donation prescribed in this subsection.

301.190. 1. No certificate of registration of any motor vehicle or trailer, or number plate therefor, shall be issued by the director of revenue unless the applicant therefor shall make application for and be granted a certificate of ownership of such motor vehicle or trailer, or shall present satisfactory evidence that such certificate has been previously issued to the applicant for such motor vehicle or trailer. Application shall be made within thirty days after the applicant acquires the motor vehicle or trailer, unless the motor vehicle was acquired under section 301.213 or subsection 5 of section 301.210 in which case the applicant shall make application within thirty days after receiving title from the dealer, upon a blank form furnished by the director of revenue and shall contain the applicant's identification number, a full description of the

motor vehicle or trailer, the vehicle identification number, and the mileage registered on the odometer at the time of transfer of ownership, as required by section 407.536, together with a statement of the applicant's source of title and of any liens or encumbrances on the motor vehicle or trailer, provided that for good cause shown the director of revenue may extend the period of time for making such application. When an owner wants to add or delete a name or names on an application for certificate of ownership of a motor vehicle or trailer that would cause it to be inconsistent with the name or names listed on the notice of lien, the owner shall provide the director with documentation evidencing the lienholder's authorization to add or delete a name or names on an application for certificate of ownership.

2. The director of revenue shall use reasonable diligence in ascertaining whether the facts stated in such application are true and shall, to the extent possible without substantially delaying processing of the application, review any odometer information pertaining to such motor vehicle that is accessible to the director of revenue. If satisfied that the applicant is the lawful owner of such motor vehicle or trailer, or otherwise entitled to have the same registered in his name, the director shall thereupon issue an appropriate certificate over his signature and sealed with the seal of his office, procured and used for such purpose. The certificate shall contain on its face a complete description, vehicle identification number, and other evidence of identification of the motor vehicle or trailer, as the director of revenue may deem necessary, together with the odometer information required to be put on the face of the certificate pursuant to section 407.536, a statement of any liens or encumbrances which the application may show to be thereon, and, if ownership of the vehicle has been transferred, the name of the state issuing the transferor's title and whether the transferor's odometer mileage statement executed pursuant to section 407.536 indicated that the true mileage is materially different from the number of miles shown on the odometer, or is unknown.

3. The director of revenue shall appropriately designate on the current and all subsequent issues of the certificate the words "Reconstructed Motor Vehicle", "Motor Change Vehicle", "Specially Constructed Motor Vehicle", or "Non-USA-Std Motor Vehicle", as defined in section 301.010. Effective July 1, 1990, on all original and all subsequent issues of the certificate for motor vehicles as referenced in subsections 2 and 3 of section 301.020, the director shall print on the face thereof the following designation: "Annual odometer updates may be available from the department of revenue.". On any duplicate certificate, the director of revenue shall reprint on the face thereof the most recent of either:

(1) The mileage information included on the face of the immediately prior certificate and the date of purchase or issuance of the immediately prior certificate; or

(2) Any other mileage information provided to the director of revenue, and the date the director obtained or recorded that information.

4. The certificate of ownership issued by the director of revenue shall be manufactured in a manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge such certificate without ready detection. In order to carry out the requirements of this subsection, the director of revenue may

contract with a nonprofit scientific or educational institution specializing in the analysis of secure documents to determine the most effective methods of rendering Missouri certificates of ownership nonalterable or noncounterfeitable.

5. The fee for each original certificate so issued shall be eight dollars and fifty cents, in addition to the fee for registration of such motor vehicle or trailer. If application for the certificate is not made within thirty days after the vehicle is acquired by the applicant, or where the motor vehicle was acquired under section 301.213 or subsection 5 of section 301.210 and the applicant fails to make application within thirty days after receiving title from the dealer, a delinquency penalty fee of twenty-five dollars for the first thirty days of delinquency and twenty-five dollars for each thirty days of delinquency thereafter, not to exceed a total of two hundred dollars, but such penalty may be waived by the director for a good cause shown. If the director of revenue learns that any person has failed to obtain a certificate within thirty days after acquiring a motor vehicle or trailer, or where the motor vehicle was acquired under section 301.213 or subsection 5 of section 301.210 and the applicant fails to make application within thirty days after receiving title from the dealer, or has sold a vehicle without obtaining a certificate, he shall cancel the registration of all vehicles registered in the name of the person, either as sole owner or as a co-owner, and shall notify the person that the cancellation will remain in force until the person pays the delinquency penalty fee provided in this section, together with all fees, charges and payments which the person should have paid in connection with the certificate of ownership and registration of the vehicle. The certificate shall be good for the life of the motor vehicle or trailer so long as the same is owned or held by the original holder of the certificate and shall not have to be renewed annually.

6. Any applicant for a certificate of ownership requesting the department of revenue to process an application for a certificate of ownership in an expeditious manner requiring special handling shall pay a fee of five dollars in addition to the regular certificate of ownership fee.

7. It is unlawful for any person to operate in this state a motor vehicle or trailer required to be registered under the provisions of the law unless a certificate of ownership has been applied for as provided in this section.

8. Before an original Missouri certificate of ownership is issued, an inspection of the vehicle and a verification of vehicle identification numbers shall be made by the Missouri state highway patrol on vehicles for which there is a current title issued by another state if a Missouri salvage certificate of title has been issued for the same vehicle but no prior inspection and verification has been made in this state, except that if such vehicle has been inspected in another state by a law enforcement officer in a manner comparable to the inspection process in this state and the vehicle identification numbers have been so verified, the applicant shall not be liable for the twenty-five dollar inspection fee if such applicant submits proof of inspection and vehicle identification number verification to the director of revenue at the time of the application. The applicant, who has such a title for a vehicle on which no prior inspection and

verification have been made, shall pay a fee of twenty-five dollars for such verification and inspection, payable to the director of revenue at the time of the request for the application, which shall be deposited in the state treasury to the credit of the state highways and transportation department fund.

9. Each application for an original Missouri certificate of ownership for a vehicle which is classified as a reconstructed motor vehicle, specially constructed motor vehicle, kit vehicle, motor change vehicle, non-USA-std motor vehicle, or other vehicle as required by the director of revenue shall be accompanied by a vehicle examination certificate issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue. The vehicle examination shall include a verification of vehicle identification numbers and a determination of the classification of the vehicle. The owner of a vehicle which requires a vehicle examination certificate shall present the vehicle for examination and obtain a completed vehicle examination certificate prior to submitting an application for a certificate of ownership to the director of revenue. Notwithstanding any provision of the law to the contrary, an owner presenting a motor vehicle which has been issued a salvage title and which is ten years of age or older to a vehicle examination described in this subsection in order to obtain a certificate of ownership with the designation prior salvage motor vehicle shall not be required to repair or restore the vehicle to its original appearance in order to pass or complete the vehicle examination. The fee for the vehicle examination application shall be twenty-five dollars and shall be collected by the director of revenue at the time of the request for the application and shall be deposited in the state treasury to the credit of the state highways and transportation department fund. If the vehicle is also to be registered in Missouri, the safety inspection required in chapter 307 and the emissions inspection required under chapter 643 shall be completed and the fees required by section 307.365 and section 643.315 shall be charged to the owner.

10. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri or as required by section 301.020, it shall be accompanied by a current inspection form certified by a duly authorized official inspection station as described in chapter 307, **except that such inspection may be completed by an employee of a licensed new or used motor vehicle dealer for a motor vehicle sold to a person who lives outside of this state and intends to register the vehicle outside of this state or for a motor vehicle having less than thirty thousand miles for the three-year period following the model year of manufacture.** The completed form shall certify that the manufacturer's identification number for the vehicle has been inspected, that it is correctly displayed on the vehicle and shall certify the reading shown on the odometer at the time of inspection. The inspection station **or, in the case of a motor vehicle sold to a person who lives outside of this state and intends to register the vehicle outside of this state or a motor vehicle having less than thirty thousand miles for the three-year period following the model year of manufacture, the licensed new or used motor vehicle dealer** shall collect the same fee as authorized in section 307.365 for making the inspection, and the fee shall be deposited in the same manner as provided in section 307.365. If the vehicle is also to be registered in Missouri, the safety inspection required in chapter 307 and the emissions inspection required under chapter 643 shall be completed and only the fees required by

section 307.365 and section 643.315 shall be charged to the owner. This section shall not apply to vehicles being transferred on a manufacturer's statement of origin. **A licensed new or used motor vehicle dealer completing the inspection under this section shall be subject to disciplinary action up to and including suspension or revocation of their dealer's license for knowingly completing such inspection with incorrect information. Such disciplinary action shall take place in accordance with department of revenue regular procedures for disciplinary action.**

11. Motor vehicles brought into this state in a wrecked or damaged condition or after being towed as an abandoned vehicle pursuant to another state's abandoned motor vehicle procedures shall, in lieu of the inspection required by subsection 10 of this section, be inspected by the Missouri state highway patrol in accordance with subsection 9 of this section. If the inspection reveals the vehicle to be in a salvage or junk condition, the director shall so indicate on any Missouri certificate of ownership issued for such vehicle. Any salvage designation shall be carried forward on all subsequently issued certificates of title for the motor vehicle.

12. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as a reconstructed motor vehicle, motor change vehicle, specially constructed motor vehicle, or prior salvage vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the name of the issuing state and such prior designation. The absence of any prior designation shall not relieve a transferor of the duty to exercise due diligence with regard to such certificate of ownership prior to the transfer of a certificate. If a transferor exercises any due diligence with regard to a certificate of ownership, the legal transfer of a certificate of ownership without any designation that is subsequently discovered to have or should have had a designation shall be a transfer free and clear of any liabilities of the transferor associated with the missing designation.

13. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as non-USA-std motor vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the words "Non-USA-Std Motor Vehicle".

14. The director of revenue and the superintendent of the Missouri state highway patrol shall make and enforce rules for the administration of the inspections required by this section.

15. Each application for an original Missouri certificate of ownership for a vehicle which is classified as a reconstructed motor vehicle, manufactured forty or more years prior to the current model year, and which has a value of three thousand dollars or less shall be accompanied by:

(1) A proper affidavit submitted by the owner explaining how the motor vehicle or trailer was acquired and, if applicable, the reasons a valid certificate of ownership cannot be furnished;

(2) Photocopies of receipts, bills of sale establishing ownership, or titles, and the source of all major component parts used to rebuild the vehicle;

(3) A fee of one hundred fifty dollars in addition to the fees described in subsection 5 of this section. Such fee shall be deposited in the state treasury to the credit of the state highways and transportation department fund; and

(4) An inspection certificate, other than a motor vehicle examination certificate required under subsection 9 of this section, completed and issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue. The inspection performed by the highway patrol or other authorized local law enforcement agency shall include a check for stolen vehicles.

The department of revenue shall issue the owner a certificate of ownership designated with the words "Reconstructed Motor Vehicle" and deliver such certificate of ownership in accordance with the provisions of this chapter. Notwithstanding subsection 9 of this section, no owner of a reconstructed motor vehicle described in this subsection shall be required to obtain a vehicle examination certificate issued by the Missouri state highway patrol.

301.448. Any person who has served and was honorably discharged or currently serves in [any branch of the United States Armed Forces] **the United States Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, or National Guard, or in the reserves for any such branch,** [the United States Coast Guard or reserve,] the United States Merchant Marines or reserve, or the Missouri National Guard, or any subdivision of any of such services or a member of the United States Marine Corps League may apply for special motor vehicle license plates, either solely or jointly, for issuance either to passenger motor vehicles subject to the registration fees provided in section 301.055, or to nonlocal property-carrying commercial motor vehicles licensed for a gross weight of six thousand pounds up through and including twenty-four thousand pounds as provided in section 301.057. Any such person shall make application for the special license plates on a form provided by the director of revenue and furnish such proof that such person is a member or former member of any such branch of service as the director may require. Upon presentation of the proof of eligibility and annual payment of the fee required for personalized license plates in section 301.144, and other fees and documents which may be required by law, the department shall issue personalized license plates which shall bear the seal, logo or emblem, along with a word or words designating the branch or subdivision of such service for which the person applies. All seals, logos, emblems or special symbols shall become an integral part of the license plate; however, no plate shall contain more than one seal, logo, emblem or special symbol and the design of such plates shall be approved by the advisory committee established in section 301.129 and by the branch or subdivision of such service or the Marine Corps League prior to issuing such plates. The plates shall have

a white background with a blue and red configuration at the discretion of the advisory committee established in section 301.129. The plates shall be clearly visible at night and shall be aesthetically attractive, as prescribed by section 301.130. The bidding process used to select a vendor for the material to manufacture the license plates authorized by this section shall consider the aesthetic appearance of the plate. The director of revenue shall make necessary rules and regulations for the enforcement of this section, and shall design all necessary forms. All license plates issued under this provision must be renewed in accordance with law. License plates issued under the provisions of this section shall not be transferable to any other person, except that any registered co-owner of the motor vehicle shall be entitled to operate the motor vehicle for the duration of the year licensed, in the event of the death of the qualified applicant.

301.469. 1. Any vehicle owner may receive license plates as prescribed in this section, for any motor vehicle such person owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of twenty-four thousand pounds gross weight, after an annual payment of an emblem-use authorization fee to the Missouri conservation heritage foundation. The foundation hereby authorizes the use of its official emblems to be affixed on multiyear license plates as provided in this section. Any vehicle owner may annually apply for the use of the emblems.

2. Upon annual application and payment of a twenty-five dollar emblem-use authorization fee to the Missouri conservation heritage foundation, the foundation shall issue to the vehicle owner, without further charge, an emblem-use authorization statement, which shall be presented to the director of the department of revenue at the time of registration of a motor vehicle.

3. Upon presentation of the annual statement, payment of a fifteen dollar fee in addition to the regular registration fees and documents which may be required by law, the director of the department of revenue shall issue a license plate, which shall bear an emblem of the Missouri conservation heritage foundation in a form prescribed by the director, to the vehicle owner. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. Notwithstanding the provisions of section 301.144, no additional fee shall be charged for the personalization of license plates pursuant to this section.

4. Application for the emblem-use authorization and payment of the twenty-five-dollar contribution may also be made at the time of registration to the director of the department of revenue, who shall deposit the contribution to the credit of the Missouri conservation heritage foundation.

5. A vehicle owner, who was previously issued a plate with a Missouri conservation heritage foundation emblem authorized by this section but who does not provide an emblem-use authorization statement at a subsequent time of registration, shall be issued a new plate which does not bear the foundation emblem, as otherwise provided by law.

[5.] 6. The director of the department of revenue may promulgate rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is promulgated under the authority delegated in this section shall become effective only if it has been promulgated pursuant to the provisions of chapter 536. All rulemaking authority delegated prior to August 28, 1999, is of no force and effect; however, nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with the provisions of chapter 536. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void."; and

Further amend said bill, Page 18, Section 307.010, Line 36, by inserting after all of said section and line the following:

"307.350. 1. The owner of every motor vehicle as defined in section 301.010 which is required to be registered in this state, except:

(1) Motor vehicles having less than one hundred fifty thousand miles[, for the ten-year period following their model year of manufacture] **and of model year 2012 or newer**, excluding prior salvage vehicles immediately following a rebuilding process and vehicles subject to the provisions of section 307.380;

(2) Those motor vehicles which are engaged in interstate commerce and are proportionately registered in this state with the Missouri highway reciprocity commission, although the owner may request that such vehicle be inspected by an official inspection station, and a peace officer may stop and inspect such vehicles to determine whether the mechanical condition is in compliance with the safety regulations established by the United States Department of Transportation; and

(3) Historic motor vehicles registered pursuant to section 301.131;

(4) Vehicles registered in excess of twenty-four thousand pounds for a period of less than twelve months;

shall submit such vehicles to a biennial inspection of their mechanism and equipment in accordance with the provisions of sections 307.350 to 307.390 and obtain a certificate of inspection and approval and a sticker, seal, or other device from a duly authorized official inspection station. The inspection, except the inspection of school buses which shall be made at the time provided in section 307.375, shall be made at the time prescribed in the rules and regulations issued by the superintendent of the Missouri state highway patrol; but the inspection of a vehicle shall not be made more than sixty days prior to the date of application for registration or within sixty days of when a vehicle's registration is transferred; however, if a vehicle

was purchased from a motor vehicle dealer and a valid inspection had been made within sixty days of the purchase date, the new owner shall be able to utilize an inspection performed within ninety days prior to the application for registration or transfer. Any vehicle manufactured as an even-numbered model year vehicle shall be inspected and approved pursuant to the safety inspection program established pursuant to sections 307.350 to 307.390 in each even-numbered calendar year and any such vehicle manufactured as an odd-numbered model year vehicle shall be inspected and approved pursuant to sections 307.350 to 307.390 in each odd-numbered year. The certificate of inspection and approval shall be a sticker, seal, or other device or combination thereof, as the superintendent of the Missouri state highway patrol prescribes by regulation and shall be displayed upon the motor vehicle or trailer as prescribed by the regulations established by him. The replacement of certificates of inspection and approval which are lost or destroyed shall be made by the superintendent of the Missouri state highway patrol under regulations prescribed by him.

2. For the purpose of obtaining an inspection only, it shall be lawful to operate a vehicle over the most direct route between the owner's usual place of residence and an inspection station of such owner's choice, notwithstanding the fact that the vehicle does not have a current state registration license. It shall also be lawful to operate such a vehicle from an inspection station to another place where repairs may be made and to return the vehicle to the inspection station notwithstanding the absence of a current state registration license.

3. No person whose motor vehicle was duly inspected and approved as provided in this section shall be required to have the same motor vehicle again inspected and approved for the sole reason that such person wishes to obtain a set of any special personalized license plates available pursuant to section 301.144 or a set of any license plates available pursuant to section 301.142, prior to the expiration date of such motor vehicle's current registration.

4. Notwithstanding the provisions of section 307.390, violation of this section shall be deemed an infraction.

307.380. 1. Every vehicle of the type required to be inspected upon having been involved in an accident and when so directed by a police officer must be inspected and an official certificate of inspection and approval, sticker, seal or other device be obtained for such vehicle before it is again operated on the highways of this state.

2. At the seller's expense every used motor vehicle of the type required to be inspected by section 307.350 shall immediately prior to sale be fully inspected regardless of any current certificate of inspection and approval, and an appropriate new certificate of inspection and approval, sticker, seal or other device shall be obtained **no more than sixty days prior to the date of sale, except that such inspection shall not be required for a motor vehicle sold to a person who lives outside of this state and intends to**

register the vehicle outside of this state or for a motor vehicle having less than thirty thousand miles for the three-year period following the model year of manufacture when:

(1) Sold by a private seller; or

(2) Sold by a licensed new or used motor vehicle dealer, provided that such dealer has sold at least two hundred motor vehicles in the previous calendar year.

The seller of a motor vehicle required to be inspected under this subsection shall present the certificate of inspection and approval to the buyer at the point of sale and the buyer shall be required to submit the certificate of inspection when applying for registration of the vehicle.

[2.] **3.** Nothing contained in the provisions of this section shall be construed to prohibit a dealer or any other person from selling a vehicle without a certificate of inspection and approval if the vehicle is sold for junk, salvage, or for rebuilding, or for vehicles sold at public auction or from dealer to dealer. The purchaser of any vehicle which is purchased for junk, salvage, or for rebuilding shall give to the seller an affidavit, on a form prescribed by the superintendent of the Missouri state highway patrol, stating that the vehicle is being purchased for one of the reasons stated herein. No vehicle of the type required to be inspected by section 307.350 which is purchased as junk, salvage, or for rebuilding shall again be registered in this state until the owner has submitted the vehicle for inspection and obtained an official certificate of inspection and approval, sticker, seal or other device for such vehicle.

[3.] **4.** Notwithstanding the provisions of section 307.390, violation of this section shall be deemed an infraction."; and

SENATE AMENDMENT NO. 1

Amend Senate Substitute No. 2 for House Committee Substitute No. 2 for House Bills Nos. 567, et al, Page 1, Section A, Line 6, by inserting after all of said line the following:

“290.502. 1. Except as may be otherwise provided pursuant to sections 290.500 to 290.530, effective January 1, 2007, every employer shall pay to each employee wages at the rate of \$6.50 per hour, or wages at the same rate or rates set under the provisions of federal law as the prevailing federal minimum wage applicable to those covered jobs in interstate commerce, whichever rate per hour is higher.

2. The minimum wage shall be increased or decreased on January 1, 2008, and on January 1 of successive years, by the increase or decrease in the cost of living. On September 30, 2007, and on each September 30 of each successive year, the director shall measure the increase or decrease in the cost of living by the percentage increase or decrease as of the preceding July over the level as of July of the immediately preceding year of the Consumer Price Index for Urban Wage Earners and Clerical Workers

3. Except as may be otherwise provided pursuant to sections 290.500 to 290.530, and notwithstanding subsection 1 of this section, effective January 1, 2025, every employer shall pay to each employee wages at the rate of not less than \$13.75 per hour, or wages at the same rate or rates set under the provisions of federal law as the prevailing federal minimum wage applicable to those covered jobs in interstate commerce, whichever rate per hour is higher. Thereafter, the minimum wage established by this subsection shall be increased [by \$1.25 per hour, to \$15.00] **to seventeen dollars** per hour, effective January 1, 2026. Thereafter, the minimum wage established by this subsection shall be increased or decreased on January 1, 2027, and on January 1 of successive years, per the method set forth in subsection 2 of this section. If at any time the federal minimum wage rate is above or is thereafter increased above the minimum wage then in effect under this subsection, the minimum wage required by this subsection shall continue to be increased pursuant to this subsection, but the higher federal rate shall immediately become the minimum wage required by this subsection and shall be increased or decreased per the method set forth in subsection 2 for so long as it remains higher than the state minimum wage required and increased pursuant to this subsection.

4. For purposes of this section, the term “public employer” means an employer that is the state or a political subdivision of the state, including a department, agency, officer, bureau, division, board, commission, or instrumentality of the state, or a city, county, town, village, school district, or other political subdivision of the state.
