The Senate met pursuant to adjournment.

The Reverend Stephen George offered the following prayer:

"He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God." (Micah 6:8 NIV)

Almighty God, the Prophet Micah tells us that You value justice, mercy and humility. We ask that You would fill our hearts with compassion so that our decisions will reflect Your mercy and justice. Instill in us a spirit of humility, that we may recognize our own limitations and seek Your guidance in all that we do. Bless our gatherings this week, that our work may be conducted with integrity and grace. We ask this in Your Holy Name, Amen.

The Pledge of Allegiance to the Flag was recited.

**PROTEST OF SS#2 FOR SCS FOR HB 199**

Pursuant to Missouri Senate Rule 93, I submit my protest of SCS FOR SS#2 FOR HB 199.

When introduced, the purpose of House bill 199 related to contracts with public entities. Current law requires public entities, when contracting for certain public works, to require the contractor to furnish a bond. This bill clarifies that the requirement only applies to property exempt from attachment and execution.

A substitute bill, which supported the underlying bill, was adopted and Perfected.

Prior to its passage, amendments were adopted to change the purpose from the original (relating to contracts with public entities) to relating to political subdivisions. This change in purpose allowed for the addition of residency requirements for certain boards, motor vehicle assessment valuations, local taxing jurisdictions, transient guest taxes, the publishing of county financial statements, the governing of political subdivisions, deteriorated and/or abandoned property, entertainment districts, the authorization of a sales tax for the operation of hospital services, law enforcement sales tax, neighborhood improvement districts, certain convention and sports facility authorities, community improvement districts, the compensation of circuit clerks, jails, emergency services, taxation, the Kansas City area transportation authority, coroners, school board qualifications, third class cities, special road districts, and planning boards.

Missouri's Constitution states, in Article III, section 21, "... no bill shall be so amended through its passage through either house as to change its original purpose." The changes made to HB 199 appear to clearly demonstrate the bill violates the state constitution. Therein lies the reason for my vote against the bill.

**PROTEST OF CCR ON HCS FOR SS FOR SB 150**

Pursuant to Missouri Senate Rule 93, I submit my protest of CCR ON HCS FOR SS FOR SB 150.

When introduced, the purpose of Senate Bill 150 related to the career-tech certificate program. Specifically, the act establishes the career-tech certificate program and the career-tech certificate program fund to reimburse the costs of eligible student tuition, book, and fees to certain approved institutions, such as two-year community colleges and technical schools, that offer training programs or eligible programs of study.

A Senate Substitute, which supported the underlying bill, was adopted and Perfected.

Prior to its passage, amendments were adopted to change the purpose from the original (relating to the career-tech certificate program) to relating to workforce development initiatives. This change in purpose allowed for the addition of adult high schools, STEM career awareness and grants, authority to confer degrees, proprietary schools, access Missouri financial assistance, the mission of Missouri Southern State University, the Missouri State loan repayment program, child care facility licensure, license waivers for spouses of Missouri law enforcement officers, the licensing of funeral directors and embalmers, and educational requirements for social workers.

Missouri's Constitution states, in Article III, section 21, "... no bill shall be so amended through its passage through either house as to change its original purpose." The changes made to SB 150 appear to clearly demonstrate the bill violates the state constitution. Therein lies the reason for my vote against the bill.

Amend House Committee Substitute for Senate Substitute for Senate Bill No. 61, Page 1, Section A, Line 7, by inserting after said section and line the following:

"210.221. 1. The department of elementary and secondary education shall have the following powers and duties:

(1) After inspection, to grant licenses to persons to operate child-care facilities if satisfied as to the good character and intent of the applicant and that such applicant is qualified and equipped to render care or service conducive to the welfare of children. Each license shall specify **the effective date and whether the license is temporary**, the kind of child-care services the licensee is authorized to perform, the number of children that can be received or maintained, and their ages;

(2) To inspect the conditions of the homes and other places in which the applicant operates a child-care facility, inspect their books and records, premises and children being served, examine their officers and agents, deny, suspend, place on probation or revoke the license of such persons as fail to obey the provisions of sections 210.201 to 210.245 or the rules and regulations made by the department of elementary and secondary education. The commissioner also may revoke or suspend a license when the licensee surrenders the license;

(3) To promulgate and issue rules and regulations the department deems necessary or proper in order to establish standards of service and care to be rendered by such licensees to children. No rule or regulation promulgated by the department shall in any manner restrict or interfere with any religious instruction,

philosophies or ministries provided by the facility and shall not apply to facilities operated by religious organizations which are not required to be licensed;

(4) To approve training concerning the safe sleep recommendations of the American Academy of Pediatrics in accordance with section 210.223; and

(5) To determine what records shall be kept by such persons and the form thereof, and the methods to be used in keeping such records, and to require reports to be made to the department at regular intervals.

**2. (1) In addition to the powers and duties under subsection 1 of this section, the department of elementary and secondary education has the power and duty to grant a temporary child care license. The temporary child care license shall be granted to a child care provider who:**

**(a) Is not on probation or has not been on probation within the last twelve months;**

**(b) Is not in the process of having a license revoked or has not had a license revoked within the last twelve months; or**

**(c) Does not have a current letter of censure,**

**upon submittal of a complete license application to the department of elementary and secondary education by the child care provider, to expand an existing site or to add a new location.**

**(2) The child care provider shall complete all of the following in order to obtain a temporary child care license to expand an existing site or add a new location:**

**(a) State and local fire inspections as provided under section 210.252;**

**(b) State and local sanitation inspections as provided under section 210.252;**

**(c) City inspections;**

**(d) Staff background checks and health screenings; and**

**(e) Required staff training and any ongoing required training.**

**(3) Prior to obtaining a temporary child care license under this subsection for another facility, the child care provider shall have operated a child care facility for at least thirteen months. **(4) Temporary child care licenses shall be valid for a duration of no longer than twelve months from the date of issuance or until the department makes a final determination on full licensure.**

**(5) If the child care facility is an existing child care facility but there is a change in ownership of the facility, such facility shall be subject to an inspection, without notification of the inspection, by the office of childhood within sixty days of the change in ownership.**

**3. Any child-care facility may request a variance from a rule or regulation promulgated pursuant to this section. The request for a variance shall be made in writing to the department of elementary and secondary education and shall include the reasons the facility is requesting the variance. The department shall approve any variance request that does not endanger the health or safety of the children served by**

the facility. The burden of proof at any appeal of a disapproval of a variance application shall be with the department of elementary and secondary education. Local inspectors may grant a variance, subject to approval by the department of elementary and secondary education.

[3.] 4. The department shall deny, suspend, place on probation or revoke a license if it receives official written notice that the local governing body has found that license is prohibited by any local law related to the health and safety of children. The department may, after inspection, find the licensure, denial of licensure, suspension or revocation to be in the best interest of the state.

[4.] 5. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in sections 210.201 to 210.245 shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. All rulemaking authority delegated prior to August 28, 1999, is of no force and effect and repealed. Nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to August 28, 1999, if it fully complied with all applicable provisions of law. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void."; and

The director and the commissioner shall review the application for eligibility and may, in their discretion, enter into an agreement as described in subsection 2 of this section, provided the agreement meets all other requirements of this section. Notwithstanding section 32.057 to the contrary, the department of revenue shall, pursuant to an agreement as authorized by section 610.032, disclose to the director and the commissioner, or their duly authorized employees, information from reports or returns so that the baseline state tax revenues can be verified.

**(a) The amount of funds expended by the state pursuant to such agreement through the date of default event;**

**(b) The total debt service remaining for any outstanding bonded indebtedness for the project that was to be paid from state revenues under the agreement after the date of the default event through the maturity date of any such bonds or an amount sufficient to pay-off any such bonds; and**

**(c) The amount of the tax credits issued under subsection 6 of this section. If, however, the default event occurs within five years of the ending of the term of the lease, then the owners of the professional sports franchise shall be responsible for the total debt service remaining for any outstanding bonded indebtedness for the project that was to be paid from state revenues under the agreement or an amount sufficient to pay-off any such bonds, and for no other funds expended by the state under the agreement nor for tax credits issued under subsection 6 of this section.**

(3) The annual limits in section 100.286 shall not apply to tax credits issued under this subsection. Tax credits issued under this subsection shall not count towards the annual limits in section 100.286.

(4) The tax credits issued under this subsection may be transferred or sold as described in subsection 7 of section 100.286.

(5) If an athletic and entertainment facility project receives tax credits under this subsection, such athletic and entertainment facility project shall not be permitted to receive tax credits under section 100.286.

7. In addition to any other authority granted under section 100.250, the board is authorized to issue its bonds payable from the annual expenditure by the state described in this section to assist in the financing of an athletic and entertainment facility project."; and
