

SENATE AMENDMENT NO. _____

Offered by _____ Of _____

Amend SS/SCS/House Bill No. 199, Page 74, Section 67.1461, Line 165,

2 by inserting after "power" the following: "except to the
3 extent any such power has been limited by the petition
4 approved by the governing body of the municipality to
5 establish the district,"; and

6 Further amend said bill, page 99, section 67.5060, line
7 360, by inserting after all of said line the following:

8 "68.080. 1. There is hereby established in the state
9 treasury the "Waterways and Ports Trust Fund". The fund
10 shall consist of revenues appropriated to it by the general
11 assembly.

12 2. The fund may also receive any gifts, contributions,
13 grants, or bequests received from federal, private, or other
14 sources.

15 3. The fund shall be a revolving trust fund exempt
16 from the provisions of section 33.080 relating to the
17 transfer of unexpended balances by the state treasurer to
18 the general revenue fund of the state. All interest earned
19 upon the balance in the fund shall be deposited to the
20 credit of the fund.

21 4. Moneys in the fund shall be withdrawn only at the
22 request of a Missouri port authority for statutorily
23 permitted port purposes and upon appropriation by the
24 general assembly, to be administered by the state highways
25 and transportation commission and the department of
26 transportation, in consultation with Missouri public ports,

for the purposes in subsection 2 of section 68.035 and for no other purpose. To be eligible to receive an appropriation from the fund, a project shall be:

(1) A capital improvement project implementing physical improvements designed to improve commerce or terminal and transportation facilities on or adjacent to the navigable rivers of this state;

(2) Located on land owned or held in long-term lease by a Missouri port authority, or on land owned by a city not within a county and managed by a Missouri port authority, or within a navigable river adjacent to such land, and within the boundaries of a port authority;

(3) Funded by alternate sources so that moneys from the fund comprise no more than eighty percent of the cost of the project;

(4) Selected and approved by the highways and transportation commission, in consultation with Missouri public ports, to support a statewide plan for waterborne commerce, in accordance with subdivision (1) of section 68.065; and

(5) Capable of completion within two years of approval by the highways and transportation commission.

5. Appropriations made from the fund established in this section may be used as a local share in applying for other grant programs.

6. The provisions of this section shall terminate on August 28, 2033, pending the discharge of all warrants. On December 31, 2033, the fund shall be dissolved and the unencumbered balance shall be transferred to the general revenue fund."; and

Further amend said bill, page 156-157, section 221.108, by striking all of said section from the bill; and

Further amend the title and enacting clause accordingly.
