Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 507, RSMo, is amended by adding thereto one new section, to be known as section 507.005, to read as follows:

507.005. 1. For those actions filed on or after August 28, 2025, no party, including an intervening party, shall receive funding from a foreign individual or foreign legal entity that is not a party to the action for some or all of the expenses, including any attorney's fees, for the action, whether or not on a nonrecourse basis in exchange for a contingent financial interest based upon the results of the action or a nonmonetary result that is not in the nature of a personal loan, bank loan, or insurance.

2. The provisions of this section shall not apply if:

(1) The party is an individual receiving funding for the action from a foreign individual within the third degree of affinity or consanguinity of the party;

(3) All parties agree to allow funding by foreign individuals or foreign legal entities; or

19 (4) The court determines that in the interest of
20 justice or in the interest of the parties there is good
21 cause for the funding of the action by a foreign individual
22 or foreign legal entity.

23 3. A party may seek discovery on information regarding
24 the funding of the action upon a showing of good cause.

25 4. Upon a showing that another party to the action has
26 received funding for expenses for the action in violation of
27 this section, the party may file a motion to dismiss. The
28 court shall conduct a hearing within thirty days of the
29 filing of a motion to determine whether the provisions of
30 this section have been violated. Upon a determination that
31 the provisions of this section have been violated, the court
32 shall dismiss the action without prejudice and may order any
33 other relief as may be appropriate.
