

Journal of the Senate

SECOND REGULAR SESSION

FIFTY-EIGHTH DAY - WEDNESDAY, APRIL 29, 2026

The Senate met pursuant to adjournment.

President Wasinger in the Chair.

Senator Hudson offered the following prayer:

Proverbs 4:23, "Keep thy heart with all diligence; For out of it are the issues of life."

Dear Heavenly Father,

Thank You for Your constant presence. You are aware of the words we speak and the things we do, but also, Lord, You know our very thoughts. Please let this prayer today serve as a reminder that we should guard our desires, our emotions, and our thoughts from evil influence. Thank You, God, for being present to help us do just that. Please shape our attitudes, guide our thinking, and sanctify our desires, that we may be aligned with Your will and grow in Your grace and in our knowledge of You. We must do better, so we need You to help us to think better. We need Your help to control our emotions so that we are not controlled by them. And we need Your help that our hearts' desire would be toward You and not toward this world. In these things and in everything, we ask for Your help.

It's in Jesus name we pray, Amen!

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

"140.010. 1. All real estate upon which the taxes remain unpaid on the first day of January, annually, are delinquent, and the county collector shall enforce the lien of the state thereon, as required by this chapter. Any failure to properly return the delinquent list, as required by this chapter, in no way affects the validity of the assessment and levy of taxes, nor of the foreclosure and sale by which the collection of the taxes is enforced, nor in any manner affects the lien of the state on the delinquent real estate for the taxes unpaid thereon.

2. Alternatively, any county may, by adoption of a resolution or order of the county commission of such county, elect to operate under the provisions of sections 141.210 to 141.810 for any parcel [for which there is an unpaid tax bill for a period of at least two years after the date on which it became delinquent]. Any county electing to operate as such shall be called a "partial opt-in county". No county eligible to establish a land bank agency under subsection 1 of section 140.981 shall elect to operate as a partial opt-in county unless the county first elects to establish a land bank agency as provided in subsection 1 of section 140.981. In accordance with section 141.290, after the adoption of such resolution or order by a county commission, the collector of the county shall decide which tax delinquent parcels shall proceed according to the provisions of sections 141.210 to 141.810. Such parcels shall be exempt from the provisions of sections 140.030 to 140.722. The collector shall remove such parcels from any list of parcels advertised for first, second, third, or post-third sales.

140.190. 1. On the day mentioned in the notice, the county collector shall commence the sale of such lands, and shall continue the same from day to day until each parcel assessed or belonging to each person assessed shall be sold as will pay the taxes, interest, and charges thereon, or chargeable to such person in said county.

2. (1) The person or land bank agency offering at said sale to pay the required sum for a tract shall be considered the purchaser of such land; provided, no sale shall be made to any person or designated agent who:

(a) Is currently delinquent on any tax payments on any property, other than a delinquency on the property being offered for sale, and who does not sign an affidavit stating such at the time of sale. Failure to sign such affidavit as well as signing a false affidavit may invalidate such sale;

(b) Is a member of the governing body of a land bank agency;

(c) Is an employee of a land bank agency;

(d) Is an elected or appointed official of the governing body, or an employee of such official, of the political subdivision in which a land bank agency is located; or

(e) Is related within the second degree of consanguinity to a person described in paragraphs (b) to (d) of this subdivision.

(2) No bid shall be received from any person not a resident of the state of Missouri or a foreign corporation or entity all deemed nonresidents. A nonresident shall file with said collector an agreement in writing consenting to the jurisdiction of the circuit court of the county in which such sale shall be made, and also filing with such collector an appointment of some citizen of said county as agent of said nonresident, and consenting that service of process on such agent shall give such court jurisdiction to try and determine any suit growing out of or connected with such sale for taxes. After the delinquent auction sale, any certificate of purchase shall be issued to the agent. After meeting the requirements of section 140.405, the property shall be conveyed to the agent on behalf of the nonresident, and the agent shall thereafter convey the property to the nonresident. A collector may preclude a prospective bidder from participating in a sale for failure to comply with any of the provisions of this section.

3. All such written consents to jurisdiction and selective appointments shall be preserved by the county collector and shall be binding upon any person or corporation claiming under the person consenting to jurisdiction and making the appointment herein referred to; provided further, that in the event of the death, disability or refusal to act of the person appointed as agent of said nonresident the county clerk shall become the appointee as agent of said nonresident.

4. No person residing in any home rule city with more than seventy-one thousand but fewer than seventy-nine thousand inhabitants shall be eligible to offer to purchase lands under this section unless such person has, no later than ten days before the sale date, demonstrated to the satisfaction of the official charged by law with conducting the sale that the person is not the owner of any parcel of real property that has two or more violations of the municipality's building or housing codes. A prospective bidder may make such a demonstration by presenting statements from the appropriate collection and code enforcement officials of the municipality. This subsection shall not apply to any taxing authority or land bank agency,

and entities shall be eligible to bid at any sale conducted under this section without making such a demonstration.

140.250. 1. Whenever any lands have been or shall hereafter be offered for sale for delinquent taxes, interest, penalty, and costs by the collector of the proper county for any two successive years and no person shall have bid therefor a sum equal to the delinquent taxes thereon, interest, penalty and costs provided by law, then such county collector shall at the next regular tax sale of lands for delinquent taxes sell same to the highest bidder, except the highest bid shall not be less than the sum equal to the delinquent taxes, interest, penalties, and costs, and there shall be a ninety-day period of redemption from such sales as specified in section 140.405.

2. A certificate of purchase shall be issued as to such sales, and the purchaser at such sales shall be entitled to the issuance and delivery of a collector's deed upon completion of title search action as specified in section 140.405.

3. If any lands or lots are not sold at such third offering, then the collector shall advertise or offer such lands or lots for sale once every thirty days.

4. A purchaser at any sale subsequent to the third offering of any land or lots, whether by the collector or a trustee as provided in section 140.260, shall be entitled to the immediate issuance and delivery of a collector's deed and there shall be no period of redemption from such post-third year sales; provided, however, before any purchaser at a sale to which this section is applicable shall be entitled to a collector's deed it shall be the duty of the collector to demand, and the purchaser to pay, in addition to the purchaser's bid, all taxes due and unpaid on such lands or lots that become due and payable on such lands or lots subsequent to the date of the taxes included in such advertisement and sale. The collector's deed or trustee's deed shall have priority over all other liens or encumbrances on the property sold except for real property taxes.

5. A purchaser at any sale subsequent to the third offering of any land or lots, whether by the collector or a trustee as provided in section 140.260, may elect to proceed under subsection 1 of this section and subsection 6 of section 140.405 by giving notice to the collector prior to the issuance of a collector's deed.

6. In the event the real purchaser at any sale to which this section is applicable shall be the owner of the lands or lots purchased, or shall be obligated to pay the taxes for the nonpayment of which such lands or lots were sold, then no collector's deed shall be issued to such purchaser, or to anyone acting for or on behalf of such purchaser, without payment to the collector of such additional amount as will discharge in full all delinquent taxes, penalty, interest and costs.

140.420. If no person shall redeem the lands sold for taxes prior to the expiration of the right to redeem, at the expiration thereof, and on production of the certificate of purchase and upon proof satisfactory to the collector that a purchaser or the purchaser's heirs, successors, or assigns are authorized to acquire the deed:

(1) The collector of the county in which the sale of such lands took place shall execute to the purchaser or the purchaser's heirs or assigns, in the name of the state, a conveyance of the real estate so sold, which shall vest in the grantee an absolute estate in fee simple, subject, however, to all claims thereon for unpaid taxes except such unpaid taxes, existing at time of the purchase of said lands and the lien for which taxes was inferior to the lien for taxes for which said tract or lot of land was sold; and

(2) The state of Missouri or any person, taxing authority, tax district, judgment creditor, or lienholder that had a right, title, interest, claim, or equity of redemption on or to the lands or that had a lien upon the lands shall be barred and forever foreclosed of such unclaimed right, title, interest, claim, or equity of redemption in or to the lands and of any lien upon the lands.

- (2) To fulfill the requirements of the resolution, indenture, or other financing documents adopted or entered into in connection with bonds, notes, or other obligations of the land bank agency, to the extent that such requirements may apply with respect to such parcel of real estate;
- (3) To the land bank agency to pay the salaries and other expenses of such land bank agency and of its employees as provided for in its annual budget; and
- (4) Any funds in excess of those necessary to meet the expenses of the annual budget of the land bank agency in any fiscal year and a reasonable sum to carry over into the next fiscal year to assure that sufficient funds will be available to meet initial expenses for that next fiscal year shall be paid to the respective taxing authorities that, at the time of the distribution, are taxing the real property from which the proceeds are being distributed. The distributions shall be in proportion to the amounts of the taxes levied on the properties by the taxing authorities. Distribution shall be made on January first and July first of each year, and at such other times as the land bank agency may determine.

No later than eight years from the date it acquired the property, a land bank agency shall sell, clear, or put such property to public use.

2. The governing body of the county or municipality may grant the land bank agency a one-year extension if the body determines by a majority vote that unforeseen circumstances have delayed the sale or productive use of a parcel of property.

3. If a land bank agency owns a parcel of real property that does not have a productive use after five years, or does not receive an extension under subsection 2 of this section, the property shall be offered for public sale using the procedures under sections 140.170 to 140.190.

140.987. 1. A land bank agency shall require that any buyer demonstrate that the buyer is not the owner of any parcel of real estate within the county or municipality that created the land bank agency for which a tax bill has been delinquent for more than one year or is in violation of any municipal building or housing code[, and is not the original owner or relative of such owner within the second degree of consanguinity of the parcel sold, transferred, exchanged, or gifted to the land bank agency].

2. No foreign or domestic corporation or limited liability company that has failed to appoint or maintain a registered agent under chapter 347 or 351 shall be eligible to buy property from the land bank agency. 3. As a condition of the sale or other authorized conveyance of ownership of any parcel of land owned by the land bank agency to a private owner, such owner may be required to enter into a contract, which may be secured by a deed of trust in favor of the land bank agency, stipulating that such owner or the owner's successor agrees that such owner or the owner's successor make certain improvements to the parcel. If the land bank agency finds by resolution that the terms of the contract have not been satisfied, the land bank agency shall be authorized to bring suit to recover damages for the breach and to seek a judicial foreclosure of the parcel under sections 443.190 to 443.260, except that upon final judgment of the court, title shall revert to the land bank agency without necessity of sale. As an alternative to, or in addition to, seeking a judicial foreclosure, the land bank agency may, only by gift, assign or convey its right to foreclose under sections 443.190 to 443.260 to any 501(c)(3) tax-exempt nonprofit organization or exercise the right of reentry under chapter 524, 527, or 534. The land bank agency or its assignee shall assume title to the land by filing a copy of the judgment with the recorder of deeds in the county where the property is located. Any property redeemed by the land bank agency under the provisions of this section shall be administered in the same manner as other property sold to the land bank agency.

2. Except as otherwise provided in subsection 7 of section 140.985, a land bank agency may receive and retain payments for services rendered, for consideration for disposition of real and personal property,

for proceeds of insurance coverage for losses incurred, for income from investments, and for any other asset and activity lawfully permitted to a land bank agency under the chapter 140 land bank act.

3. If a land bank agency sells or otherwise disposes of a parcel of real estate held by it, any land taxes assessed against such parcel for the three tax years following such sale or disposition by such land bank agency that are collected by the county collector in a calendar year and not refunded, less the fees provided under section 52.260 and subsection 4 of this section and less the amounts to be deducted under section 137.720, shall be distributed by the county collector to such land bank agency no later than March first of the following calendar year, provided that land taxes impounded under section 139.031 or otherwise paid under protest shall not be subject to distribution under this subsection. Any amount required to be distributed to a land bank agency under this subsection shall be subject to offset for amounts previously distributed to such land bank agency that were assessed, collected, or distributed in error.

4. In addition to any other provisions of law related to collection fees, the county collector shall collect on behalf of the county a fee of four percent of reserve period taxes collected and such fees collected shall be deposited in the county general fund.

5. If a county has established a land bank agency under subsection 1 of section 140.981, the collector may collect on behalf of the county a fee for the collection of delinquent and back taxes of up to five percent on all sums collected to be added to the face of the tax bill and collected from the party paying the tax. Neither the members of the board nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof.

The governing body of the county or municipality establishing the land bank agency may sell such bonds in such manner, either at public or at private sale, and for such price as the governing body of the county or municipality establishing the land bank agency may determine to be in the best interests of the land bank agency.

4. A governing body of the county or municipality establishing the land bank agency may from time to time, as authorized by resolution of the governing body, issue refunding bonds for the purpose of refunding, extending, and unifying all or any part of its valid outstanding bonds. Such refunding bonds may be payable from any of the sources identified in subsection 1 of this section and from the investment of any of the proceeds of the refunding bonds.

5. The bonds issued by the governing body of the county or municipality establishing the land bank agency shall be negotiable instruments under chapter 400.

6. Bonds issued under this section and all income or interest thereon shall be exempt from all state taxes.

7. Once all outstanding bonds, notes, or other obligations are satisfied, no new property shall be purchased by, gifted to, traded to, or exchanged with the land bank agency. - (4) The tax identification number of the parcel;
- (5) The period of tax delinquency; and
- (6) The principal amount of delinquent taxes, together with interest, penalties, and fees.

4. The petition shall conclude with a prayer that all tax liens upon such real estate be foreclosed; that the court determine the amounts and priorities of all tax bills, together with interest, penalties, costs, and attorney's fees; that the court order such real estate to be sold by the sheriff at public sale as provided by sections 141.210 to 141.810 and sections 141.980 to 141.1015 and that thereafter a report of such sale be made by the sheriff to the court for further proceedings under sections 141.210 to 141.810 and sections 141.980 to 141.1015.

5. The delinquent land tax attorney within ten days after the filing of any such petition shall forward by United States registered mail to each person or taxing authority having filed a list of delinquent tax bills with the collector as provided by sections 141.210 to 141.810 and sections 141.980 to 141.1015 a notice of the time and place of the filing of such petition and of the newspaper in which the notice of publication has been or will be published.

6. The petition when so filed shall have the same force and effect with respect to each parcel of real estate therein described, as a separate suit instituted to foreclose the tax lien or liens against any one of said parcels of real estate.

141.440. 1. **Within thirty days after the filing of such petition**, the collector shall [also] cause to be prepared and sent by restricted, registered or certified mail with postage prepaid, [within thirty days after the filing of such petition,] a notice of the petition, to the persons named in the petition as being the last known persons in whose names tax bills affecting the respective parcels of real estate described in said petition were last billed or charged on the books of the collector, or the last known owner of record, if different, and to the addresses of said persons upon said records of the collector. The terms "restricted", "registered" or "certified mail" as used in this section mean mail which carries on the face thereof in a conspicuous place, where it will not be obliterated, the endorsement "DELIVER TO ADDRESSEE ONLY", and which also requires a return receipt or a statement by the postal authorities that the addressee refused to receive and receipt for such mail. If the notice is returned to the collector by the postal authorities as undeliverable for reasons other than the refusal by the addressee to receive and receipt for the notice as shown by the return receipt, then the collector shall make a search of the records maintained by the county, including those kept by the recorder of deeds, to discern the name and address of any person who, from such records, appears as a successor to the person to whom the original notice was addressed, and to cause another notice to be mailed to such person. The collector shall prepare and file with the circuit clerk at least thirty days before judgment is entered by the court on the petition an affidavit reciting to the court any name, address and serial number of the tract of real estate affected by any such notices of suit that are undeliverable because of an addressee's refusal to receive and receipt for the same, or of any notice otherwise nondeliverable by mail, or in the event that any name or address does not appear on the records of the collector, then of that fact. The affidavit in addition to the recitals set forth above shall also state reason for the nondelivery of such notice.

2. The collector shall prepare and send, by first-class mail, a copy of the petition within thirty days after the filing of such a petition to the occupant of such parcel or property.

141.500. 1. After the trial of the issues, the court shall, as promptly as circumstances permit, render judgment. If the court finds that no tax bill upon the land collectible by the collector or the relator was delinquent when the suit was instituted or tried, then the judgment of the court shall be that the cause be dismissed as to the parcels of real estate described in the tax bill[; or,]. If the evidence warrant, the judgment may be for the principal amount of the delinquent tax bills upon the real estate upon which suit was brought, together with interest, penalties, attorney's and appraiser's fees and costs computed as of the date of the judgment. The judgment may recite the amount of each tax bill, the date when it began to bear interest, and the rate of such interest, together with the rate and amount of penalties, attorney's and appraiser's fees not to exceed fifteen dollars. It may decree that the lien upon the parcels of real estate described in the tax bill be foreclosed and such real estate sold by the sheriff, and the cause shall be continued for further proceedings, as herein provided.

2. The collector shall cause to be prepared and sent by restricted, registered or certified mail with postage prepaid, within thirty days after the rendering of such judgment, a brief notice of such judgment and the availability of a written redemption contract pursuant to section 141.530 to the persons named in the judgment as being the last known persons in whose names tax bills affecting the respective parcels of real estate described in such judgment were last billed or charged on the books of the collector, or the last known owner of record, if different, and to the addresses of such persons upon the records of the collector. The terms "restricted", "registered" or "certified mail" as used in this section mean mail which carries on the face thereof in a conspicuous place, where it will not be obliterated, the endorsement, "DELIVER TO ADDRESSEE ONLY", and which also requires a return receipt or a statement by the postal authorities that the addressee refused to receive and receipt for such mail. If the notice is returned to the collector by the postal authorities as undeliverable for reasons other than the refusal by the addressee to receive and receipt for the notice as shown by the return receipt, then the collector shall make a search of the records maintained by the county, including those kept by the recorder of deeds, to discern the name and address of any person who, from such records, appears as a successor to the person to whom the original notice was addressed, and to cause another notice to be mailed to such person. The collector shall prepare and file with the circuit clerk prior to confirmation hearings an affidavit reciting to the court any name, address and serial number of the tract of real estate affected of any such notices of judgment that are undeliverable because of an addressee's refusal to receive and receipt for the same, or of any notice otherwise nondeliverable by mail, or in the event that any name or address does not appear on the records of the collector, then of that fact. The affidavit in addition to the recitals set forth above shall also state reason for the nondelivery of such notice.

3. The collector shall prepare and send to the occupant of such parcel or property, by first-class mail, a copy of the judgment of foreclosure within thirty days after the date of such judgment.

141.520. 1. After the judgment of foreclosure has been entered, or, after a motion for a new trial has been overruled, or, if an appeal be taken from such judgment and the judgment has been affirmed, after the sheriff shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the circuit clerk, there shall be a waiting period of six months before any advertisement of sheriff's sale shall be published.

2. If any such parcel of real estate [be] is not redeemed, or if no written contract providing for redemption [be] is made within six months after the date of the judgment of foreclosure, if no motion for rehearing [be] is filed, and, if filed, within six months after such motion may have been overruled, or, if an appeal [be] is taken from such judgment and the judgment [be] is affirmed, within six months after the sheriff shall have been notified by any party to the suit that such judgment has been affirmed on appeal and that the mandate of the appellate court is on file with the circuit clerk, the sheriff shall commence to advertise the real estate described in the judgment and shall fix the date of sale within thirty days after the date of the first publication of the notice of sheriff's sale as herein provided, and shall at such sale proceed to sell the real estate.

3. Any provisions of this chapter to the contrary notwithstanding, the owner of any parcel of real property against which a judgment has been rendered shall not have the right to redeem such property from said judgment if at the time of judgment such property is assessed as residential property and the judgment finds the property has been vacant for a period of not less than six months prior to the judgment. After a judgment as provided for in this section becomes final, the waiting period shall not apply to such

judgment and a sale under execution of the judgment shall be immediately held as provided under the applicable provisions of this chapter.

4. In partial opt-in counties, no later than one hundred twenty days prior to the sheriff's sale, the collector shall obtain from a licensed title company or attorney a title search that includes all conveyances, liens, and charges against the real estate involved in the suit for any parcel of real estate against which the collector has obtained a judgment under section 141.500 and for which it has been decreed that the lien upon the parcel of real estate described in the tax bill be foreclosed and such real estate sold by the sheriff. The charge of such title search may be recovered from the proceeds of the sale under section 141.580.

5. After obtaining or conducting a title search, the collector shall initiate a search of the following records to identify and locate interested parties and addresses reasonably calculated to apprise interested parties of the suit:

- (1) Land title records in the office of the county recorder of deeds;
- (2) Tax records in the office of the local treasurer;
- (3) Tax records in the office of the local assessor;
- (4) A search of court records in Missouri CaseNet; and
- (5) For a business entity, records filed with the secretary of state.

The collector may also incur reasonable costs for web-based investigatory searches to supplement the search for interested parties and addresses. The reasonable cost of locating interested parties and addresses for notice may be recovered from the proceeds of the sale under section 141.580.

6. No later than thirty days prior to the sheriff's sale, the collector shall send notice of the sale to all interested parties at the address most likely to apprise interested parties of the sale. The notice shall provide the date, time, and place of the sale and shall also state that the parcel may be redeemed prior to the sale as specified in sections 141.420 and 141.530. The notice required by this subsection shall be mailed first class, postage prepaid. The cost of notice under this subsection may be recovered from the proceeds of the sale under section 141.580.

7. No later than twenty days prior to the sheriff's sale, the sheriff shall enter upon the parcel subject to foreclosure of these tax liens and post a written informational notice in a conspicuous location, attached to a structure, and intended to be visible by the nearest public right-of-way. This notice shall describe the parcel and advise that it is the subject of delinquent land tax collection proceedings brought under sections 141.210 to 141.810 and sections 141.980 to 141.1015 and that it may be sold for the payment of delinquent taxes at a sale to be held at a certain time, date, and place and shall also contain the tax identification number and the phone number and address of the collector as well as a prohibition against removal unless the parcel has been redeemed. The notice shall be not less than eight inches by ten inches and shall be laminated or otherwise sufficiently weatherproof to withstand normal exposure to rain, snow, and other conditions. The sheriff shall document, by time-stamped photograph, compliance with this section, make such documentation generally available upon request, and provide verification by affidavit of compliance with this section. The cost of notice under this subsection may be recovered from the proceeds of the sale under section 141.580.

8. In addition to the other notice requirements of this section, no later than twenty days prior to the sheriff's sale, the sheriff shall attempt in-person notice that shall describe the parcel and advise that it is the subject of delinquent land tax collection proceedings brought under sections 141.210 to 141.810 and sections 141.980 to 141.1015; that shall state that it may be sold for the payment of delinquent taxes at a sale to be held at a certain time, date, and place; and that shall also contain the tax identification number and the phone number and address of the collector. In-person notice may be provided to any person found at the parcel. The sheriff shall note the date and time of attempted notice and the name, description, or other identifying information regarding the person to whom notice was attempted. The sheriff shall document compliance with this section, make such documentation generally available upon request, and provide verification by affidavit of compliance with this section. The cost of notice under this subsection may be recovered from the proceeds of the sale under section 141.580.

141.535. 1. If a parcel is the subject of an action filed under sections 447.620 to 447.640, the court shall stay the sale of any tax parcel to be sold under execution of a tax foreclosure judgment obtained under this chapter, provided that the party which has brought such an action has paid into the circuit court the principal amount of all [land] **delinquent** taxes then due and owing under the tax foreclosure judgment, exclusive of penalties, interest, attorney fees, and court costs, prior to the date of any proposed sale under execution. The party bringing such action shall provide written notice of the filing of the action to the court administrator and file with the circuit court in which the action is pending a certificate that such notice has been provided to the court administrator. If the party that brought the action under sections 447.620 to 447.640 dismisses its action prior to gaining temporary possession of the property, it shall recover any amounts paid into the circuit court under this subsection.

2. In any order granting a sheriff's deed under section 447.625 or a judicial deed under section 447.640, the court shall also order the permanent extinguishment of liability against the grantee and the grantee's successors in interest for penalties, interest, attorney fees, and court costs arising from actions to collect delinquent land taxes due on the subject property. The funds paid into the court for land taxes under subsection 1 of this section shall then be paid to the county collector.

3. If an owner of such a property moves the court for restoration of possession of the subject property under section 447.638, the owner shall pay into the circuit court all land tax amounts currently due and owing on the property, including all statutory penalties, interest, attorney fees, and court costs retroactive to the date of accrual, and in the event that an owner of the tax parcel regains possession under section 447.638, funds deposited by the owner under this subsection shall be paid to the county collector, and funds paid into the court by a party under subsection 1 of this section shall be paid out in full to the payer.

141.540. 1. In any county at a certain front door of whose courthouse sales of real estate are customarily made by the sheriff under execution, the sheriff shall advertise for sale and sell the respective parcels of real estate ordered sold by the sheriff pursuant to any judgment of foreclosure by any court pursuant to sections 141.210 to 141.810 and 141.980 to 141.1015 at any of such courthouses[, but]. The sale of such parcels of real estate shall be held at the same front door as sales of real estate are customarily made by the sheriff under execution.

2. Such advertisements may include more than one parcel of real estate, and shall be in substantially the following form:

3. Such advertisement shall be published four times, once a week, upon the same day of each week during successive weeks prior to the date of such sale, in a daily newspaper of general circulation regularly published in the county, qualified according to law for the publication of public notices and advertisements.

141.550. 1. The sale shall be conducted, the sheriff's return thereof made, and the sheriff's deed pursuant to the sale executed, all as provided in the case of sales of real estate taken under execution, except as otherwise provided in sections 141.210 to 141.810 and sections 141.980 to 141.1015, and provided that such sale need not occur during the term of court or while the court is in session.

2. The following provisions shall apply to any sale pursuant to this section:

(1) The sale shall be held on the day for which it is advertised, between the hours of nine o'clock a.m. and five o'clock p.m. and continued day to day thereafter to satisfy the judgment as to each respective parcel of real estate sold. For partial opt-in counties, the sale shall be held on the fourth Monday in August of each year between the hours of nine o'clock a.m. and five o'clock p.m. and continued day to day thereafter to satisfy the judgment as to each respective parcel of real estate sold;

(2) The sale shall be conducted publicly, by auction, for ready money. The parcel shall be sold to the highest bidder, provided that the highest bid is equal to or greater than the full amount of all tax bills due and owing on the parcel, which may differ from the judgment amount; plus interest; penalties; attorney's fees and costs; and a nonreimbursable, two-hundred-dollar bidder fee. Such bidder fee shall be paid to the land trust or land bank agency for the municipality or county in which the parcel is situated. The bid amount shall not include any amounts for debts owed to any sewer district then due thereon;

(3) No person shall be eligible to bid at the time of the sale unless such person has, no later than ten days before the sale date, demonstrated to the satisfaction of the official charged by law with conducting the sale that he or she is not the owner of any parcel of real estate in the county which is affected by a tax bill which has been delinquent for more than six months. A prospective bidder may make such a demonstration by presenting statements from the appropriate collection officials of the county. The official charged with conducting the sale may require prospective bidders to submit an affidavit attesting to the requirements of this subdivision and is expressly authorized to permanently preclude any prospective bidder from participating in the sale for failure to comply with the provisions of this subdivision; and

(4) No foreign or domestic corporation or limited liability company that has failed to appoint or maintain a registered agent under chapter 347 or 351 shall be eligible to bid at the time of the sale. No foreign corporate entity shall be eligible to bid at the time of the sale unless it has a certificate of authority to transact business in Missouri under section 351.572. The official charged with conducting the sale may require prospective bidders to submit an affidavit attesting to the requirements of this subdivision and is expressly authorized to permanently preclude any prospective bidder from participating in the sale for failure to comply with the provisions of this subdivision.

3. The following provisions shall apply to any sale under this section of property located within any municipality contained wholly or partially within a county with a population of over six hundred thousand inhabitants and fewer than nine hundred thousand inhabitants:

(1) No person shall be eligible to bid at the time of the sale unless such person has, no later than ten days before the sale date, demonstrated to the satisfaction of the official charged by law with conducting the sale that the person is not the owner of any parcel of real property with two or more violations of the municipality's building or housing codes. A prospective bidder may make such a demonstration by presenting statements from the appropriate code enforcement officials of the municipality; and

(2) Notwithstanding the provisions of subdivision (1) of this subsection, any taxing authority or land bank agency shall be eligible to bid at the sale without making the demonstration described in subdivision (1) of this subsection.

4. Such sale shall convey the whole interest of every person having or claiming any right, title or interest in or lien upon such real estate, whether such person has answered or not, subject to rights-of-way

thereon of public utilities upon which tax has been otherwise paid, and subject to the lien thereon, if any, of the United States of America.

5. The collector shall advance the sums necessary to pay for the publication of all advertisements required by sections 141.210 to 141.810 and sections 141.980 to 141.1015 and shall be allowed credit therefor in the collector's accounts with the county. The collector shall give credit in such accounts for all such advances recovered by the collector. Such expenses of publication shall be apportioned pro rata among and taxed as costs against the respective parcels of real estate described in the judgment; provided, however, that none of the costs herein enumerated, including the costs of publication, shall constitute any lien upon the real estate after such sale.

141.560. 1. If, when the sheriff offers the respective parcels of real estate for sale, there [be] **are** no bidders for any parcel, or there [be] **is** insufficient time or opportunity to sell all of the parcels of real estate so advertised, the sheriff shall adjourn such sale from day to day at the same place and commencing at the same hour as when first offered and shall announce that such real estate will be offered or reoffered for sale at such time and place.

2. With respect to any parcel of real estate not located wholly within a county or municipality that has established a land bank agency under section 140.981 or 141.980, in the event no bid equal to the full amount of all tax bills due and owing on the parcel, which may differ from the judgment amount; plus interest; penalties; attorney's fees and costs; and a nonreimbursable, two-hundred-dollar bidder fee that shall be received at such sale after any parcel of real estate has been offered for sale on three different days, which need not be successive, the land trust shall be deemed to have bid the full amount of all tax bills included in the judgment, interest, penalties, attorney's fees and costs then due, and if no other bid be then received by the sheriff in excess of the bid of the land trust, and the sheriff shall so announce at the sale, then the bid of the land trust shall be announced as accepted. The sheriff shall report any such bid or bids so made by the land trust in the same way as the sheriff's report of other bids is made. Upon confirmation by the court of such bid at such sale by such land trust, the collector shall mark the tax bills so bid by the land trust as "cancelled by sale to the land trust" and shall take credit for the full amount of such tax bills, including principal amount, interest, penalties, attorney's fees, and costs, on the collector's books and in the collector's statements with any other taxing authorities.

3. With respect to any parcel of real estate located wholly within a county or municipality that has established a land bank agency under section 140.981 or 141.980, in the event no bid equal to the full amount of all tax bills due and owing on the parcel, which may differ from the judgment amount; plus interest; penalties; attorney's fees and costs; and a nonreimbursable, two-hundred-dollar bidder fee that shall be received at such sale after such parcel of real estate has been offered for sale on three different days, which need not be successive, the land bank agency established under section 140.981 or 141.980 shall be deemed to have bid the full amount of all tax bills included in the judgment, interest, penalties, attorney's fees and costs then due, and the sheriff shall so announce at the sale, then the bid of the land bank agency shall be announced as accepted. The sheriff shall report any such bid or bids so made by such land bank agency in the same way as the sheriff's report of other bids is made. Upon confirmation by the court of such bid at such sale by such land bank agency, the collector shall mark the tax bills so bid by such land bank agency as "cancelled by sale to the land bank" and shall take credit for the full amount of such tax bills, including principal amount, interest, penalties, attorney's fees, and costs, on the collector's books and in the collector's statements with any other taxing authorities.

141.570. The title to any real estate which shall vest in any purchaser[,] upon confirmation of such sale by the court, or in any land bank agency or land trust, shall be an absolute estate in fee simple, subject to rights-of-way thereon of public utilities on which tax has been otherwise paid, and subject to any lien thereon of the United States of America, if any, and all persons and interested parties, including the state of Missouri, any taxing authority or tax district, as defined herein, judgment creditors, lienholders, infants, incapacitated and disabled persons as defined in chapter 475, and nonresidents who may have had any right, title, interest, claim, or equity of redemption in or to, or lien upon, such lands, shall be barred and forever foreclosed of all such right, title, interest, claim, lien or equity of redemption, and the court shall order immediate possession of such real estate be given to such purchaser; provided, however, that such title shall also be subject to the liens of any tax bills which may have attached after the sheriff's sale, but if such parcel of real estate is deemed sold to the land trust pursuant to subsection 2 of section 141.560, or deemed sold to a land bank agency pursuant to subsection 3 of section 141.560, or sold to a land bank agency pursuant to subdivision (2) of subsection 2 of section 141.550, the title thereto shall be free of any such liens to the extent of the interest of any taxing authority in such real estate; provided further, that the lien of special tax bills shall attach to the proceeds of the sheriff's sale, if any, or shall otherwise be forever barred and foreclosed.

141.580. 1. Within six months after the sheriff sells any parcel of real estate, the court shall, upon its own motion or upon motion of any interested party, set the cause [down] for hearing to confirm or set aside the foreclosure sale thereof, even though such parcels are not all of the parcels of real estate described in the notice of sheriff's foreclosure sale. Notice of the hearing, or of the court moving to confirm the foreclosure sale, shall be sent by any interested party to each person who was sent notice of the sale and to any interested parties as required by prevailing notions of due process. At the time of such hearing, the sheriff shall make report of the sale, and the court shall hear evidence of the value of the property offered on behalf of any interested party to the suit, and shall forthwith determine whether an adequate consideration has been paid for each such parcel. The court's judgment shall include a specific finding that adequate notice was provided to all interested parties under prevailing notions of due process and sections 141.210 to 141.810 and sections 141.980 to 141.1015, reciting the notice efforts of the collector, sheriff, and tax sale purchaser. Nothing in this section shall be interpreted to preclude a successful tax sale purchaser from asserting a claim to quiet title to the bid-upon parcel under section 527.150.

2. For this purpose the court shall have power to summon any city or county official or any private person to testify as to the reasonable value of the property, and if the court finds that adequate consideration has been paid, the court shall confirm the sale and order the sheriff to issue a deed to the purchaser. If the court finds that the consideration paid is inadequate, the court shall confirm the sale if the purchaser increases the purchaser's bid to such amount as the court deems to be adequate and makes such additional payment, or if all tax bills included in the judgment, interest, penalties, attorney's fees and costs then due thereon are not paid in full by one or more interested parties to the suit. If the court finds that the consideration is inadequate, but the purchaser declines to increase the purchaser's bid to such amount as the court deems adequate and make such additional payment, then the sale shall be disapproved if all tax bills included in the judgment, interest, penalties, attorney's fees and costs then due thereon are paid in full by one or more interested parties to the suit, the lien of the judgment continued, and such parcel of real estate shall be again advertised and offered for sale by the sheriff to the highest bidder at public auction for cash at any subsequent sheriff's foreclosure sale. Unless the court requires evidence of

the value of the property conveyed to land trust or a land bank agency, none shall be required, and the amount bid by the land trust or such land bank agency shall be deemed adequate consideration.

3. If the sale is confirmed, the court shall order the proceeds [of] **from** the sale applied in the following order:

(1) To the payment of the costs of the publication of the notice of foreclosure and of the sheriff's foreclosure sale;

(2) To the payment of all of the collector's and sheriff's costs including appraiser's fee and attorney's fees;

(3) To the payment of all tax bills adjudged to be due in the order of their priority, including principal, interest and penalties thereon, except in the event of a sale to any land bank agency, for which this subdivision shall not apply.

If, after such payment, there is any sum remaining of the proceeds of the sheriff's foreclosure sale, the court shall thereupon try and determine the other issues in the suit in accordance with section 141.480. If any answering parties have specially appealed as provided in section 141.570, the court shall retain the custody of such funds pending disposition of such appeal, and upon disposition of such appeal shall make such distribution. If there are not sufficient proceeds of the sale to pay all claims in any class described, the court shall order the same to be paid pro rata in accordance with the priorities.

4. If there are any funds remaining of the proceeds after the sheriff's sale and after the distribution of such funds as herein set out and no person entitled to any such funds, whether or not a party to the suit, shall, within two years after such sale, appear and claim the funds, the funds shall be distributed to the appropriate taxing authorities, except in partial opt-in counties, where the funds shall be distributed to the school fund for the county.

5. Any county operating under the provisions of sections 141.210 to 141.810 and sections 141.980 to 141.1015 may elect to allocate a portion of its share of the proceeds toward a fund for the purpose of defending against claims challenging the sufficiency of notice provisions under this section.

6. Any interested party, other than the sheriff's sale purchaser, who moves the court to set aside a sheriff's sale after the issuance of a sheriff's deed made under the provisions of sections 141.210 to 141.810 and sections 141.980 to 141.1015 shall be required to pay into the court the redemption amount otherwise necessary under sections 141.420 and 141.530 prior to the court hearing any such motion to set aside.

141.610. Each court administrator's or sheriff's deed given pursuant to the provisions of the land tax collection law shall be prima facie evidence that the suit and all proceedings therein and all proceedings prior thereto[from and], including assessment of the lands affected thereby and all notices required by law were regular and in accordance with all provisions of the law relating thereto. The court administrator or sheriff shall record its deed and shall collect said recording fee at the time of sale.

141.620. 1. In addition to all amounts due on any tax bill, including principal, interest, penalties, attorney's fees, and costs, as now fixed by law, there shall be imposed and charged as a part of the costs on each such tax bill a suit penalty of five percent of the principal amount of the tax bill to be due to the collector upon the filing of the petition with the circuit clerk.

2. The collector shall set up a separate fund in the collector's accounts to which the collector shall credit such five percent suit penalties when paid, together with all other penalties and costs recovered under this action, and shall retain such portion thereof as may be needed for the purpose of paying the expenses and costs required to be advanced under sections 141.210 to 141.810, including compensation to the delinquent land tax attorney, the attorney's assistants, and stenographic and clerical help, and funds for the costs of publication, notices, for court costs, sheriff's expenses and other costs hereunder, and shall transfer the remainder of such funds annually, on January first of each year, to the land trust for the use and expenses of the land trust. Where no land trust exists, the collector shall retain the remainder of such funds.

141.680. 1. Except for partial opt-in counties, the remedies and procedures set forth in sections 141.210 to 141.810 shall be the exclusive remedies and procedures available for the collection of delinquent and back land taxes in a county [electing] **that elect** to come under or [which] **that** has come under their authority. Sections 141.210 to 141.810 shall not be affected nor infringed upon by any other laws or parts of law in conflict herewith.

2. Any taxing authority or owner of any tax bill is hereby prohibited from advertising for sale or selling any parcel of real estate for the collection of delinquent land taxes due thereon, except after judgment of a court having jurisdiction ordering such advertising or sale, when such parcel is at such time included in any petition filed pursuant to the provisions of this law.

3. At the option of the taxing authority or tax bill owner, all claims for land taxes against any parcel of real estate, which has been included in any petition filed under this law, where such taxes have become due and payable after any tax list or petition thereon has been filed, may be asserted by amended petition or by answer filed before judgment, and, if allowed by the court, shall be included in the judgment against such parcel of real estate.

141.700. In all counties electing to operate under sections 141.210 to 141.810 prior to January 1, 2025, there is hereby created a commission for the management, sale, and other disposition of tax delinquent lands, which commission shall be known as "The Land Trust of _____ County, Missouri", and the members thereof shall be known as land trustees. Such land trust shall have and exercise all the powers that are conferred by sections 141.210 to 141.810 necessary and incidental to the effective management, sale or other disposition of real estate acquired under and by virtue of the foreclosure of the lien for delinquent real estate taxes, as provided in said sections, and in the exercise of such powers, the land trust shall be deemed to be a public corporation acting in a governmental capacity. Where a county has elected to establish a land bank agency under subsection 1 of section 140.981, no such land trust shall be created under sections 141.700 to 141.810.

141.819. 1. In all partial opt-in counties, prior to a confirmation by a court of a deemed bid under subsection 2 of section 141.560, a **land** trust shall be created for the management, sale, and other disposition of tax delinquent lands, which shall be known as "The Land Trust of _____ County, Missouri", and the board of which shall be known as land trustees. The county commission of such county shall appoint by resolution or order one or three land trustees. The first appointed land trustee shall serve for a term of two years and the remaining land trustees shall serve for terms of three years respectively, as applicable. Thereafter, land trustees shall be appointed by the county commission for a term of office of two years, except that all vacancies shall be filled for an unexpired term.

2. If a county elected to establish a land bank agency under subsection 1 of section 140.981, no such land trust shall be created under sections 141.700 to 141.819.

3. Such land trust, by majority vote of the land trustees, shall have the power and duty to sell, exchange, or otherwise dispose of real estate, provided, however, that any such sale, exchange, or disposal shall be for consideration equal to or in excess of two-thirds of the appraised value of such real estate so sold or conveyed, and if such consideration is less than two-thirds of the appraised value of such real estate, the land trust shall first procure a majority vote of the county commission.

4. (1) The land trust shall set up accounts relating to the operation and management of the land trust.

(2) When any parcel of real estate is sold or otherwise disposed of by the land trust, the proceeds therefrom shall be applied and distributed in the following order:

(a) To the payment of the expenses of sale;

(b) To the costs of the care, improvement, operation, acquisition, demolition, management, and administration of parcels of real estate owned by the land trust; and

(c) To the county's general fund.

5. No land trustee shall receive any compensation, emolument, or other profit directly or indirectly from the rental, management, acquisition, sale, demolition, repair, rehabilitation, use, operation, ownership, or disposition of any lands held by such land trust.

141.980. 1. (1) Sections 141.980 to 141.1015 shall be known [and may be cited] as the "Chapter 141 Municipal Land Bank Act".

(2) Any municipality located wholly or partially within a county electing to operate wholly under the provisions of sections 141.210 to 141.810 may establish a land bank agency for the management, sale, transfer, and other disposition of interests in real estate owned by such land bank agency. Any such land bank agency created shall be created to foster the public purpose of returning land, including land that is in a nonrevenue-generating, nontax-producing status to use in private ownership or for public use. Such land bank agency shall be established by ordinance or resolution as applicable. Such land bank agency shall not own any interest in real estate that is located wholly or partially outside such establishing municipality. No municipality in a partial opt-in county is eligible to establish a land bank agency under this section.

2. The beneficiaries of the land bank agency shall be the taxing authorities that held or owned tax bills against the respective parcels of real estate acquired by such land bank agency pursuant to a deemed sale under subsection 3 of section 141.560, by deed from a land trust under subsection 1 of section 141.984, or pursuant to a sale under subdivision (2) of subsection 2 of section 141.550 included in the judgment of the court, and the beneficiaries' respective interests in each parcel of real estate shall be to the extent and in the proportion and according to the priorities determined by the court on the basis that the principal amount of the beneficiaries' respective tax bills bore to the total principal amount of all of the tax bills described in the judgment.

3. Each land bank agency created pursuant to this chapter shall be a public body corporate and politic, and shall have permanent and perpetual duration until terminated and dissolved in accordance with the provisions of section 141.1012.

141.984. 1. Within one year of the effective date of the ordinance or resolution passed establishing a land bank agency under this chapter, title to any real property held by a land trust created pursuant to section 141.700 that is located wholly within the municipality that created the land bank agency shall be transferred by deed to such land bank agency.

2. The income of a land bank agency shall be exempt from all taxation by the state and by any of its political subdivisions. Upon acquiring title to any real estate, a land bank agency shall immediately notify the county assessor and the collector of such ownership, and such real estate shall be exempt from all taxation during the land bank agency's ownership thereof, in the same manner and to the same extent as any other publicly owned real estate, and upon the sale or other disposition of any real estate held by it, such land bank agency shall immediately notify the county assessor and the collector of such change of ownership; provided however, that such tax exemption for improved and occupied real property held by such land bank agency as lessor pursuant to a ground lease shall terminate upon the first such occupancy, and such land bank agency shall immediately notify the county assessor and the collector of such occupancy.

3. Subject to the limitation set forth in subsection 1 of section 141.980, a land bank agency may acquire real property or interests in property by gift, devise, transfer, exchange, foreclosure, purchase, or [pursuant to sections 141.560 to 141.580 or section 141.819. A land bank agency may only purchase real property for the purpose of adding to a parcel already owned by the land bank agency] **or otherwise on terms and conditions and in a manner the land bank agency considers proper.**

4. Subject to the limitation set forth in subsection 1 of section 141.980, a land bank agency may acquire property by purchase contracts, installment sales contracts, and land contracts, and may accept transfers from political subdivisions upon such terms and conditions as agreed to by the land bank agency and the political subdivision. Subject to the limitation set forth in subsection 1 of section 141.980, a land bank agency may bid on any parcel of real estate offered for sale at a sheriff's foreclosure sale held in accordance with section 141.550. Notwithstanding any other law to the contrary, but subject to the limitation set forth in subsection 1 of section 141.980, any political subdivision may transfer to the land bank agency real property and interests in real property of the political subdivision on such terms and conditions and according to such procedures as determined by the political subdivision.

5. A land bank agency shall maintain all of its real property in accordance with the laws and ordinances of the jurisdictions in which the real property is located.

6. Upon confirmation under section 141.580 of a sheriff's foreclosure sale of a parcel of real estate to a land bank agency under subdivision (2) of subsection 2 of section 141.550, said land bank agency shall pay the amount of the land bank agency's bid that exceeds the amount of all tax bills included in the judgment, interest, penalties, attorney's fees and costs then due thereon. Such excess shall be applied and distributed in accordance with subsections 3 and 4 of section 141.580, exclusive of subdivision (3) of subsection 3 thereof. Upon such confirmation by the court, the collector shall mark the tax bills included in the judgment as "cancelled by sale to the land bank" and shall take credit for the full amount of such

tax bills, including principal amount, interest, penalties, attorney's fees, and costs, on the collector's books and in the collector's statements with any other taxing authorities.

141.1009. 1. A land bank agency shall be authorized to file an action to quiet title pursuant to section 527.150 as to any real property in which the land bank agency has an interest. For purposes of any and all such actions, the land bank agency shall be deemed to be the holder of sufficient legal and equitable interests, and possessory rights, so as to qualify the land bank agency as adequate petitioner in such action.

2. Prior to the filing of an action to quiet title the land bank agency shall conduct an examination of title to determine the identity of any and all persons and entities possessing a claim or interest in or to the real property. Service of the petition to quiet title shall be provided to all such interested parties by the following methods:

(1) Registered or certified mail to such identity and address as reasonably ascertainable by an inspection of public records;

(2) In the case of occupied real property by first class mail, addressed to "Occupant";

(3) By posting a copy of the notice on the real property;

(4) By publication in a newspaper of general circulation in the municipality in which the property is located; and

(5) Such other methods as the court may order or as may be required by prevailing notions of due process.

3. As part of the petition to quiet title the land bank agency shall file an affidavit identifying all parties potentially having an interest in the real property, and the form of notice provided.

4. The court shall schedule a hearing on the petition within ninety days following filing of the petition, and as to all matters upon which an answer was not filed by an interested party the court shall issue its final judgment within one hundred twenty days of the filing of the petition.

5. A land bank agency shall be authorized to join in a single petition to quiet title one or more parcels of real property.

141.1020. Notwithstanding any provision of sections 141.980 to 141.1020 to the contrary, a land bank agency may rent or lease property held by the land bank agency for community, noncommercial, **and** agricultural uses.

249.255. 1. Should a public sewer district created and organized pursuant to constitutional or statutory authority place a lien upon a customer's property for unpaid sewer charges, the lien, once properly recorded, shall have priority above all liens except for those taxes levied for state and county purposes.

2. Should the sewer charges of a public sewer district created and organized pursuant to constitutional or statutory authority remain unpaid for a period in excess of three months, the district, after notice to the customer by certified mail, shall have the authority at its discretion, to disconnect the customer's sewer line from the district's line or request any private water company, public water supply district, or any municipality supplying water to the premises to discontinue service to the customer until such time as the sewer charges and all related costs of this section are paid."; and
