

Journal of the Senate

SECOND REGULAR SESSION

SIXTIETH DAY - MONDAY, MAY 4, 2026

The Senate met pursuant to adjournment.

President Wasinger in the Chair.

Senator Hudson offered the following prayer:

2 Thessalonians 3:16, "Now the Lord of peace himself give you peace always by all means. The Lord be with you all."

Almighty God,

We ask today that You would be with us. We know that there is no limit to Your presence. You are above all and through all, and I ask that You would be in us all. As we make decisions, have conversations, and face challenges, please have Your way in us. Help us to surrender to Your will and submit to Your Word. This world can be confusing. Please give us direction. The day in which we live can be contentious and full of trouble. Please give us peace. We live in uncertain times, but we find comfort in the words of Paul, the Apostle, "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." Amen!

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Substitute No. 2 for Senate Bill No. 1233, Page 7, Section 324.001, Line 188, by inserting after all of said section and line the following:

"324.004. 1. Any person who has at least three years of work experience in an occupation or profession in another state, the District of Columbia, or any combination of such jurisdictions, and whose work experience involved the practice of an occupation or profession for which a license is not required in the jurisdiction or jurisdictions in which the person worked but is required in this state, may submit an application for a one-time nonrenewable two-year temporary license in this state in the occupation or profession, along with proof of at least three years of work experience in the occupation or profession and a fee as set by regulation of the oversight body, to the relevant oversight body in this state. The oversight body shall make a determination of qualification within forty-five days of receiving a completed application.

2. The oversight body shall require an applicant under this section to take and pass the examination specific to the occupation or profession which is required for licensure by those individuals applying pursuant to the provisions of the oversight body's statutory and regulatory authority. An oversight body that administers an examination on the laws of this state as part of its licensing application requirements may require an applicant under this section to take and pass an examination specific to the laws of this state.

3. The oversight body shall not issue a one-time nonrenewable temporary license to any applicant described in subsection 1 of this section who has had any license in the relevant occupation or profession revoked by an oversight body outside of this state, who is currently under investigation, who has a complaint pending, or who is currently under disciplinary action.

4. (1) Except as provided in subdivision (2) of this subsection, applicants for the one-time temporary nonrenewable license under this section shall be citizens of the United States or lawfully present noncitizens authorized to work in the United States under federal law and shall submit legal proof of citizenship or employment authorization that is acceptable for the employment eligibility verification under federal law as part of the application. If the holder of a one-time nonrenewable temporary license issued under this section loses lawful presence or federal work authorization, the one-time nonrenewable temporary license shall automatically be revoked.

(2) Applicants for the one-time nonrenewable temporary license under this section in an occupation regulated by the board of therapeutic massage shall be citizens of the United States and shall submit legal proof of citizenship as part of the application.

5. If an applicant is not currently residing in this state, the oversight body shall conditionally approve the application contingent upon receipt of proof of domicile in this state within sixty days of the applicant receiving the temporary license. If the applicant fails to provide proof within sixty days of receiving the temporary license, the oversight body may terminate the temporary license and the applicant may reapply for a temporary license.

6. The provisions of this section shall not apply to the following:

(1) Any occupation whose oversight body has entered into a licensing compact with another state for the regulation of practice under the oversight body's jurisdiction. The provisions of this section shall not be construed to alter the authority granted by, or any requirements promulgated pursuant to, any interjurisdictional or interstate compacts adopted by this state or any reciprocity agreements with other states, and whenever possible the provisions of this section shall be interpreted so as to imply no conflict between it and any compact or any reciprocity agreement with other states;

(2) Any occupation set forth in subsection 6 of section 290.257 or any electrical contractor licensed under sections 324.900 to 324.945;

(3) Any occupation whose regulators or licensees are required to comply with specific federal statutory, regulatory, and administrative requirements in order to practice in this state; or

(4) Assistant physicians licensed under chapter 334.

7. The one-time nonrenewable temporary license shall expire after two years. Upon expiration, the individual shall be required to apply for a permanent license in accordance with the license requirements for the occupation for which he or she held the temporary license.

8. Notwithstanding any other provision of law to the contrary, a license issued under this section shall be valid only in this state and shall not make a licensee eligible to be part of an interstate compact. An applicant who is licensed in another state pursuant to an interstate compact shall not be eligible for licensure by an oversight body under the provisions of this section.

9. Notwithstanding any other provision of law to the contrary, a license issued under this section shall be valid only in this state and shall not make a licensee eligible to obtain a license by reciprocity in another state.

10. As used in this section, the term "oversight body" means any board, department, agency, or office of a jurisdiction that issues occupational or professional licenses.

11. The division of professional registration may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2026, shall be invalid and void."; and
