10 to serve until his or her successor is duly elected and
11 qualified at the next general election.

12 3. In an even-numbered year, the number of school
13 board seats to be elected shall be equal to those with terms
14 that would have expired in the previous odd-numbered year
15 and those with terms expiring in such even-numbered year.
16 Except as specifically provided in other sections, the
17 candidates in each school board election receiving the
18 highest number of votes shall be elected for terms of four
19 years.

20 4. As used in this chapter, "school board member
21 election" or "school board election" means the election held
22 on the first Tuesday after the first Monday of November in
23 even-numbered years starting in 2028.

162.083. 1. The state board of education may appoint
2 additional members to any special administrative board
3 appointed under section 162.081.

4 2. The state board of education may set a final term
5 of office for any member of a special administrative board,
6 after which a successor member shall be elected by the
7 voters of the district.

8 (1) All final terms of office for members of the
9 special administrative board established under this section
10 shall expire on June thirtieth.

11 (2) The election of a successor member shall occur on
12 the [general municipal election day] **first Tuesday after the**
13 **first Monday in November of the even-numbered year**
14 immediately prior to the expiration of the final term of
15 office.

16 (3) The election shall be conducted in a manner
17 consistent with the election laws applicable to the school
18 district.

19 3. Nothing in this section shall be construed as
20 barring an otherwise qualified member of the special
21 administrative board from standing for an elected term on
22 the board.

23 4. On a date set by the state board of education, any
24 district operating under the governance of a special
25 administrative board shall return to local governance, and
26 continue operation as a school district as otherwise
27 authorized by law.

 162.221. 1. When the voters of any one or more
2 districts as authorized in section 162.211, except those
3 districts designated in subdivision (2) thereof, desire to
4 form a seven-director district, a petition signed by at
5 least ten percent in number of those voting for school board
6 members in the last [annual] school election in each
7 district or one hundred voters, whichever is the higher
8 number, shall be filed with the state board of education.
9 On receipt of the petition, a representative of the state
10 department of education, designated by the commissioner of
11 education, shall visit the districts and determine the exact
12 boundaries of the proposed seven-director district. In
13 determining these boundaries, he shall so locate the
14 boundary lines as will in his judgment form the best
15 possible seven-director district, having due regard also to
16 the welfare of adjoining districts.

17 2. Within sixty days after the receipt of the
18 petition, the commissioner of education shall submit the
19 question to the voters of the proposed district. The notice
20 shall include a statement of the purpose together with a
21 plat of the proposed district. The state commissioner shall
22 file a copy of the petition and of the plat with the county

23 clerk. The election shall be conducted in the manner
24 provided in section 162.191.

162.223. 1. When the voters in any two or more
2 adjacent districts without limitation as to size or
3 enrollment desire to consolidate and form a new district, a
4 petition asking for an election upon the question of
5 consolidation shall be filed with the boards of education of
6 the affected districts; provided, however, that such
7 petition shall be signed by ten percent of those in each
8 district who voted for school directors at the last election
9 in which such directors were elected, or one hundred voters,
10 whichever is the higher number.

11 2. As an alternative to the procedure in subsection 1
12 of this section, two or more adjacent districts may, by a
13 majority vote of each board of education, call for an
14 election upon the question of consolidation.

15 3. The question shall be submitted in substantially
16 the following form:

17 Shall the _____ school district and the _____
18 school district (and the _____ school district)
19 form a new district with a tax rate ceiling of
20 _____ per one hundred dollars of assessed
21 valuation? If this proposition is approved, the
22 adjusted operating levy of the new school
23 district is estimated to be _____ (amount) per
24 one hundred dollars of assessed valuation.

25 4. The board of directors of each affected district
26 shall cause the question to be included on the ballot to be
27 submitted to the voters in each such district at the next
28 election day. A plat of the proposed new district shall be
29 published and posted with the notices of election.

30 5. The results of the voting on the proposal in each
31 district affected shall be certified to the state
32 commissioner of education by the secretary of each board of
33 education of each district or by such other person or body
34 charged with conducting such elections and, should the
35 majority of the votes cast in each affected district be in
36 favor of the proposal, the state commissioner shall declare
37 the new district formed as of July first following the
38 submission of the question.

39 6. If the commissioner of education declares, before
40 the closing date for filing for the election of board
41 members [on the municipal election date], that the new
42 district is to be formed as of July first, no candidates
43 shall be certified by the districts involved in the
44 consolidation and the board members whose terms would
45 otherwise have expired on that date shall remain as board
46 members until July first. In consolidation cases where
47 there is insufficient time from the date the commissioner of
48 education declares that the new district shall be formed as
49 of July first and July first to hold an election of board
50 members, seven board members from the boards of the
51 consolidating districts shall be drawn by lot to serve until
52 the next election at which the new board of education can be
53 elected. The number of board members selected from one
54 district shall not exceed the quotient resulting from seven
55 divided by the number of districts consolidating rounded
56 down to the nearest whole number plus one. The commissioner
57 of education or a designee shall supervise the drawing, by
58 lot, of the board members which shall be approved by the
59 state board of education.

 162.241. If a proposal to form a district pursuant to
2 the provisions of sections 162.171 to 162.191, 162.211 and

162.221, or section 162.223 receives the required majority of the votes cast on the proposition, the state board of education or the county commission, in the case of a district formed pursuant to the provisions of sections 162.171 to 162.191 or 162.211 and 162.221, shall order an election in the district to be held. This election shall be for the purpose of electing seven members to serve on the school board of the district. Such election shall be held on the [next election day as provided under section 115.123] **first Tuesday after the first Monday in November of an even-numbered year.** The election shall be conducted in the manner provided by section 162.371. A letter from the commissioner of education, delivered by certified mail to the presiding commissioner of the county commission of the county to which the district formed by provisions of section 162.223 is assigned shall be the authority for the county commission to proceed with election procedures in the same manner as they would be performed by the district board of education were it in existence; but the costs of the election shall be paid from the incidental fund of the new district. [Two] **Three** directors shall be elected to serve [until the next municipal election] **two-year terms**, two to serve [until the second municipal election] **four-year terms**, and two to serve [until the third municipal election. The seventh board member shall be elected to serve until the municipal election during which the majority of school districts elect three board members] **six-year terms.** Any **director elected after this initial election shall serve a four-year term.**

162.261. 1. The government and control of a seven-director school district, other than an urban district, is vested in a board of education of seven members, who hold

4 their office for [three] **four** years, except as provided in
5 sections 162.241 and 162.563, and until their successors are
6 duly elected and qualified. Any vacancy occurring in the
7 board shall be filled by the remaining members of the board;
8 except that if there are more than two vacancies at any one
9 time, the county commission upon receiving written notice of
10 the vacancies shall fill the vacancies by appointment. If
11 there are more than two vacancies at any one time in a
12 county without a county commission, the county executive
13 upon receiving written notice of the vacancies shall fill
14 the vacancies, with the advice and consent of the county
15 council, by appointment. The person appointed shall hold
16 office until the next [municipal] election, when a director
17 shall be elected for the unexpired term.

18 2. No seven-director, urban, or metropolitan school
19 district board of education shall hire a spouse of any
20 member of such board for a vacant or newly created position
21 unless the position has been advertised pursuant to board
22 policy and the superintendent of schools submits a written
23 recommendation for the employment of the spouse to the board
24 of education. The names of all applicants as well as the
25 name of the applicant hired for the position shall be
26 included in the board minutes.

27 3. The provisions of Article VII, Section 6 of the
28 Missouri Constitution apply to school districts.

162.291. Except as provided in section 162.563, the
2 voters of each seven-director district other than urban
3 districts shall, [at municipal elections] **on the first**
4 **Tuesday after the first Monday in November of even-numbered**
5 **years**, elect [two] directors, who are citizens of the United
6 States and resident taxpayers of the district, [who] **in**
7 **accordance with the provisions of section 162.082. Such**

8 **directors shall** have resided in the district for one year
9 next preceding their election or appointment, and **[who are]**
10 **be** at least twenty-four years of age.

162.301. 1. Within fourteen days after the election
2 of the first school board in each seven-director district,
3 other than an urban district, and within fourteen days after
4 each **[annual]** election, the board shall meet. The newly
5 elected members shall qualify by taking the oath of office
6 prescribed by Article VII, Section 11, of the Constitution
7 of Missouri.

8 2. The board shall organize by the election of a
9 president and vice president, and the board shall, on or
10 before the fifteenth day of **[July of each year]** **January in**
11 **odd-numbered years**, elect a secretary and a treasurer, who
12 shall enter upon their respective duties on the fifteenth
13 day of **[July]** **January**. The secretary and treasurer may be
14 or may not be members of the board. No compensation shall
15 be granted to either the secretary or the treasurer until
16 his report and settlement are made and filed or published as
17 the law directs.

18 3. A majority of the board constitutes a quorum for
19 the transaction of business, but no contract shall be let,
20 person employed, bill approved or warrant ordered unless a
21 majority of the whole board votes therefor.

162.341. The **[annual]** **school board member** election in
2 seven-director districts**[, except urban districts,]** shall be
3 held on **[municipal election days]** **the first Tuesday after**
4 **the first Monday in November of even-numbered years**.

162.431. 1. When it is necessary to change the
2 boundary lines between seven-director school districts, in
3 each district affected, ten percent of the voters by number
4 of those voting for school board members in the last

5 [annual] school election in each district may petition the
6 district boards of education in the districts affected,
7 regardless of county lines, for a change in boundaries. The
8 question shall be submitted at the next election, as the
9 term election is referenced and defined in section 115.123.

10 2. The voters shall decide the question by a majority
11 vote of those who vote upon the question. If assent to the
12 change is given by each of the various districts voting,
13 each voting separately, the boundaries are changed from that
14 date.

15 3. If one of the districts votes against the change
16 and the other votes for the change, the matter may be
17 appealed to the state board of education, in writing, within
18 fifteen days of the submission of the question by either one
19 of the districts affected, or in the above event by a
20 majority of the signers of the petition requesting a vote on
21 the proposal. At the first meeting of the state board
22 following the appeal, a board of arbitration composed of
23 three members, none of whom shall be a resident of any
24 district affected, shall be appointed. In determining
25 whether it is necessary to change the boundary line between
26 seven-director districts, the board of arbitration shall
27 base its decision upon the following:

28 (1) The presence of school-aged children in the
29 affected area;

30 (2) The presence of actual educational harm to school-
31 aged children, either due to a significant difference in the
32 time involved in transporting students or educational
33 deficiencies in the district which would have its boundary
34 adversely affected; and

35 (3) The presence of an educational necessity, not of a
36 commercial benefit to landowners or to the district
37 benefitting for the proposed boundary adjustment.

38 For purposes of subdivision (2) of this subsection,
39 "significant difference in the time involved in transporting
40 students" shall mean a difference of forty-five minutes or
41 more per trip in travel time. "Travel time" is the period
42 of time required to transport a pupil from the pupil's place
43 of residence or other designated pick-up point to the site
44 of the pupil's educational placement.

45 4. Within twenty days after notification of
46 appointment, the board of arbitration shall meet and
47 consider the necessity for the proposed changes and shall
48 decide whether the boundaries shall be changed as requested
49 in the petition or be left unchanged, which decision shall
50 be final. The decision by the board of arbitration shall be
51 rendered not more than thirty days after the matter is
52 referred to the board. The chairman of the board of
53 arbitration shall transmit the decision to the secretary of
54 each district affected who shall enter the same upon the
55 records of his district and the boundaries shall thereafter
56 be in accordance with the decision of the board of
57 arbitration. The members of the board of arbitration shall
58 be allowed a fee of fifty dollars each, to be paid at the
59 time the appeal is made by the district taking the appeal or
60 by the petitioners should they institute the appeal.

61 5. If the board of arbitration decides that the
62 boundaries shall be left unchanged, no new petition for the
63 same, or substantially the same, boundary change between the
64 same districts shall be filed until after the expiration of

65 two years from the date of the municipal election at which
66 the question was submitted to the voters of the districts.

162.459. 1. Notwithstanding other provisions of law
2 to the contrary, the school board of each school district
3 designated in the statutes as a seven-director or urban
4 school district shall consist of seven members. [At the
5 first election for members of the school board in each of
6 such districts after January 1, 1993, and each three years
7 thereafter, three members of the school board shall be
8 elected; except, no school district composed of seven
9 members as of January 1, 1993, shall be required to modify
10 its schedule of electing board members] **For all board
11 members serving terms as of January 1, 2028, such terms
12 shall be modified in accordance with the provisions of
13 section 162.082. The term of every board member elected in
14 2028 or thereafter shall be four years.**

15 2. Provisions of law applicable to seven-director and
16 urban school districts, except those which conflict with the
17 provisions of this section, shall apply to and govern the
18 school districts designated in subsection 1 of this section.

162.471. 1. The government and control of an urban
2 school district is vested in a board of seven directors.

3 2. Except as provided in section 162.563, each
4 director shall be a voter of the district who has resided
5 within this state for one year next preceding the director's
6 election or appointment and who is at least twenty-four
7 years of age. All directors **elected in 2028 or thereafter,**
8 except as otherwise provided in sections 162.481, 162.492,
9 and 162.563, shall hold their offices for [six] **four** years
10 and until their successors are duly elected and qualified.
11 **The term of any board member serving a six-year term as of**
12 **January 1, 2028, shall be modified in accordance with the**

13 **provisions of section 162.082.** All vacancies occurring in
14 the board shall be filled by appointment by the board as
15 soon as practicable, and the person appointed shall hold
16 office until the next school board election, when a
17 successor shall be elected for the remainder of the
18 unexpired term. The power of the board to perform any
19 official duty during the existence of a vacancy continues
20 unimpaired thereby.

162.481. 1. Except as otherwise provided in [this
2 section and] sections 162.492 and 162.563, all elections of
3 school directors in urban school districts shall be held
4 biennially [at the same times and places as municipal
5 elections] **on the first Tuesday after the first Monday in
6 November of even-numbered years.**

7 2. [Except as otherwise provided in subsections 3, 4,
8 and 5 of this section, hereafter] When a seven-director
9 district becomes an urban school district, the directors of
10 the prior seven-director district shall continue as
11 directors of the urban school district until the expiration
12 of the terms for which they were elected and until their
13 successors are elected as provided in this subsection. The
14 first biennial school election for directors shall be held
15 in the urban school district at the time provided in
16 subsection 1 **of this section** which is on the date of or
17 subsequent to the expiration of the terms of the directors
18 of the prior district which are first to expire, and
19 directors shall be elected to succeed the directors of the
20 prior district whose terms have expired. If the terms of
21 two directors only have expired, the directors elected at
22 the first biennial school election in the urban school
23 district shall be elected for terms of six years. If the
24 terms of four directors have expired, two directors shall be

25 elected for terms of six years and two shall be elected for
26 terms of four years. At the next succeeding biennial
27 election held in the urban school district, successors for
28 the remaining directors of the prior seven-director district
29 shall be elected. If only two directors are to be elected
30 they shall be elected for terms of six years each. If four
31 directors are to be elected, two shall be elected for terms
32 of six years and two shall be elected for terms of two
33 years. After seven directors of the urban school district
34 have been elected under this subsection, their successors
35 shall be elected for terms of ~~[six]~~ **four** years.

36 [3. In any school district in which a majority of the
37 district is located in any home rule city with more than one
38 hundred fifty-five thousand but fewer than two hundred
39 thousand inhabitants, elections shall be held annually at
40 the same times and places as general municipal elections for
41 all years where one or more terms expire, and the terms
42 shall be for three years and until their successors are duly
43 elected and qualified for all directors elected on and after
44 August 28, 1998.

45 4. For any school district which becomes an urban
46 school district by reason of the 2000 federal decennial
47 census, elections shall be held annually at the same times
48 and places as general municipal elections for all years
49 where one or more terms expire , and the terms shall be for
50 three years and until their successors are duly elected and
51 qualified for all directors elected on and after August 28,
52 2001 .

53 5. In any school district in any county with a
54 charter form of government and with more than three hundred
55 thousand but fewer than four hundred fifty thousand
56 inhabitants which becomes an urban school district by reason

57 of the 2010 federal decennial census, elections shall be
58 held annually at the same times and places as general
59 municipal elections for all years where one or more terms
60 expire, and the terms shall be for three years and until
61 their successors are duly elected and qualified for all
62 directors elected on and after April 2, 2012.

63 6. In any urban school district in a county of the
64 first classification with more than eighty-three thousand
65 but fewer than ninety-two thousand inhabitants and with a
66 home rule city with more than seventy-six thousand but fewer
67 than ninety-one thousand inhabitants as the county seat,
68 elections shall be held annually at the same times and
69 places as general municipal elections for all years where
70 one or more terms expire, and upon expiration of any term
71 after August 28, 2015, the term of office shall be for three
72 years and until their successors are duly elected and
73 qualified.]

162.492. 1. In all urban districts containing the
2 greater part of the population of a city which has more than
3 three hundred thousand inhabitants, the election authority
4 of the city in which the greater portion of the school
5 district lies, and of the county if the district includes
6 territory not within the city limits, shall serve ex officio
7 as a redistricting commission. The commission shall on or
8 before November 1, 2018, divide the school district into
9 five subdistricts, all subdistricts being of compact and
10 contiguous territory and as nearly equal in the number of
11 inhabitants as practicable and thereafter the board shall
12 redistrict the district into subdivisions as soon as
13 practicable after each United States decennial census. In
14 establishing the subdistricts each member shall have one
15 vote and a majority vote of the total membership of the

commission is required to make effective any action of the commission.

2. School **board** elections for the election of directors shall be held on municipal election days in 2014 and 2016. At the election in 2014, directors shall be elected to hold office until 2019 and until their successors are elected and qualified. At the election in 2016, directors shall be elected until 2019 and until their successors are elected and qualified. Beginning in [2019] **2028**, school elections for the election of directors shall be held on the [local election date as specified in the charter of a home rule city with more than four hundred thousand inhabitants and located in more than one county] **first Tuesday after the first Monday in November of even-numbered years. The terms of board members described in this subsection shall be modified in accordance with the provisions of section 162.082.** Beginning at the election for school directors in 2019, the number of directors on the board shall be reduced from nine to seven. Two directors shall be at-large directors and five directors shall represent the subdistricts, with one director from each of the subdistricts. At the 2019 election, one of the at-large directors and the directors from subdistricts one, three, and five shall be elected for a two-year term, and the other at-large director and the directors from subdistricts two and four shall be elected for a four-year term. Thereafter, all seven directors shall serve a four-year term. Directors shall serve until the next election and until their successors, then elected, are duly qualified as provided in this section. In addition to other qualifications prescribed by law, each member elected from a subdistrict shall be a resident of the subdistrict from which he or she

48 is elected. The subdistricts shall be numbered from one to
49 five.

50 3. The five candidates, one from each of the
51 subdistricts, who receive a plurality of the votes cast by
52 the voters of that subdistrict and the at-large candidates
53 receiving a plurality of the at-large votes shall be
54 elected. The name of no candidate for nomination shall be
55 printed on the ballot unless the candidate has at least
56 sixty days prior to the election filed a declaration of
57 candidacy with the secretary of the board of directors
58 containing the signatures of at least two hundred fifty
59 registered voters who are residents of the subdistrict
60 within which the candidate for nomination to a subdistrict
61 office resides, and in case of at-large candidates the
62 signatures of at least five hundred registered voters. The
63 election authority shall determine the validity of all
64 signatures on declarations of candidacy.

65 4. In any election either for at-large candidates or
66 candidates elected by the voters of subdistricts, if there
67 are more than two candidates, a majority of the votes are
68 not required to elect but the candidate having a plurality
69 of the votes shall be elected.

70 5. The names of all candidates shall appear upon the
71 ballot without party designation and in the order of the
72 priority of the times of filing their petitions of
73 nomination. No candidate may file both at large and from a
74 subdistrict and the names of all candidates shall appear
75 only once on the ballot, nor may any candidate file more
76 than one declaration of candidacy. All declarations shall
77 designate the candidate's residence and whether the
78 candidate is filing at large or from a subdistrict and the
79 numerical designation of the subdistrict or at-large area.

80 6. The provisions of all sections relating to seven-
81 director school districts shall also apply to and govern
82 urban districts in cities of more than three hundred
83 thousand inhabitants, to the extent applicable and not in
84 conflict with the provisions of those sections specifically

79 school board.

80 (2) For each hearing held as provided in this
81 subsection, the school board shall:

82 (a) Publish notice of the hearing, the proposed plan,

112 a. A summary of the final plan for dividing the school

All subdistricts required by the final plan shall be of contiguous and compact territory and as nearly equal in population as practicable in accordance with the final plan. Within six months after each decennial census is reported to the President of the United States, the school board shall reapportion the subdistricts to be as nearly equal in population as practicable. After the school board divides the school district or reapportions the subdistricts, the school board shall notify the residents of the school district as provided by law.

(b) Any resident of the school district who believes the school board has divided the school district or reapportioned subdistricts in violation of paragraph (a) of

151 this subdivision may petition the circuit court of the
152 county in which the school district exists for an order
153 directing the school board to divide the school district or
154 reapportion the subdistricts as provided in paragraph (a) of
155 this subdivision. The petition shall be submitted to the
156 circuit court within ten business days of the school board's
157 notice required in paragraph (a) of this subdivision.

158 (5) On the first day available for candidate filing
159 for the first general municipal election occurring after the
160 school district is divided as provided in this subsection,
161 any qualified resident who has or will have resided in a
162 subdistrict or at-large district for the year immediately
163 preceding the general municipal election day may file as a
164 candidate for election to the school board as a member
165 representing such subdistrict or at-large district. At the
166 end of the time available for candidate filing, if no
167 qualified resident of a subdistrict has filed as a candidate
168 in that subdistrict, the election authority shall extend the
169 time for candidate filing by seven additional days, and any
170 qualified resident of the school district who has or will
171 have resided in the school district for the year immediately
172 preceding the general municipal election day may file as a
173 candidate for election to the school board as a member
174 representing that subdistrict. No school district shall
175 require a candidate to submit a petition signed by the
176 registered voters of the school district as a method of
177 filing a declaration of candidacy. The election authority
178 shall determine the validity of all declarations of
179 candidacy.

180 (6) When the election is held [on the general
181 municipal election day], the seven candidates, one from each
182 of the subdistricts or at-large districts, who receive a

183 plurality of the votes cast by the voters of that
184 subdistrict or at-large district shall be elected. Any
185 candidate who is not a subdistrict resident but qualifies as
186 a candidate as a school district resident as provided in
187 subdivision (5) of this subsection shall be elected by the
188 voters of the school district. Each member shall be elected
189 to a term as provided in the final plan adopted as provided
190 in subdivision (3) of this subsection.

191 (7) Each member shall serve until a successor is
192 elected or the member vacates the office. Any vacancy that
193 occurs before the end of the member's term shall be filled
194 as provided in section 162.261 or 162.471.

195 (8) Except for a member who is not a subdistrict
196 resident but is elected as a school district resident to
197 represent a subdistrict as provided in subdivision (5) of
198 this subsection, each member shall reside in the subdistrict
199 the member represents during the member's term.

203 subsection.

204 5. (1) If any school district receives a petition,
205 signed by at least ten percent of the number of registered
206 voters of the school district voting in the last school
207 board election, calling for the school district to divide
208 into seven subdistricts or a combination of subdistricts and
209 at-large districts and establish the election of school
210 board members as provided in this subsection, the school
211 district shall immediately notify the election authority of
212 the county in which the school district is located. Upon
213 receiving such notification, the election authority shall
214 submit the question of whether to divide the school district

If a majority of the registered voters of the school district voting on the question approve the division of the school district, the school board shall begin the process of adopting the plan as described in this subsection. If a majority of the registered voters of the school district voting on the question reject the division of the school district, no division as described in the petition shall occur.

f. Any other information deemed necessary by the school board.

247 (b) If a division of the school district is approved
248 by the voters as provided in subdivision (1) of this
249 subsection, the school board shall create a school district
250 division commission to develop a final plan for division of
251 the school district. The commission shall:

252 a. Be composed of nine members as follows:

264 previous hearing on the school district's website and by any
265 other method allowed by law, with the first publication to
266 occur no more than thirty days before the hearing and the
267 second publication to occur no earlier than fifteen days and
268 no later than ten days before the hearing;

269 (ii) Conduct the hearing on the proposal for division
270 of the district on behalf of the petitioners;

271 (iii) Hear all protests and receive evidence for or

273 (iv) Vote to adopt any proposed plan amendments agreed
274 to by the petitioners as a result of the hearings.

275 (c) Within ninety days after the adjournment of the
276 final hearing conducted as provided in this subdivision, the
277 commission shall submit the final plan to the election
278 authority of the county in which the school district is

located for actions required in subdivision (3) of this subsection and publish the final plan in the same manner as the initial proposed plan was published as provided in item (i) of subparagraph b. of paragraph (b) of this subdivision. The final plan shall contain at least the following information:

a. A summary of the final plan for dividing the school district;

b. A statement indicating whether the school district will be divided into seven subdistricts or a combination of subdistricts and at-large districts;

315 months after each decennial census is reported to the
316 President of the United States, the commission shall
317 reapportion the subdistricts to be as nearly equal in
318 population as practicable. After the commission divides the
319 school district or reapportions the subdistricts, the
320 commission shall notify the residents of the school district
321 as provided by law.

322 (b) Any resident of the school district who believes
323 the school district division commission has divided the
324 school district or reapportioned subdistricts in violation
325 of paragraph (a) of this subdivision may petition the
326 circuit court of the county in which the school district
327 exists for an order directing the commission to divide the
328 school district or reapportion the subdistricts as provided
329 in paragraph (a) of this subdivision. The petition shall be
330 submitted to the circuit court within ten business days of
331 the commission's notice provided in paragraph (a) of this
332 subdivision.

Any candidate who is not a subdistrict resident but qualifies as a candidate as a school district resident as provided in subdivision (4) of this subsection shall be elected by the voters of the school district. Each member shall be elected to a term as provided in the final plan approved as provided in subdivision (2) of this subsection.
