CONCURRENT RESOLUTIONS

Senator Fitzwater offered the following Concurrent Resolution:

SENATE CONCURRENT RESOLUTION NO. 14

Whereas, a century ago, in October 1924, Ireland formally opened diplomatic relations with the United States of America when Timothy Smiddy presented his credentials to President Calvin Coolidge. Following the Irish people's long and painful struggle for independence, the U.S. was one of the first nations to recognize the fledgling Irish state earlier that year, and when Smiddy emerged from the White House, he had become Ireland's first Ambassador to any country in the world. It was very appropriate that Ireland's first representative overseas should be dispatched to Washington, D.C. for, while 1924 marked the beginning of formal diplomatic relations, the deep Irish-American connection dated back centuries; and

Whereas, today, nearly one-tenth of Americans identify as being of Irish ancestry. Irish immigrants helped build the America we know today, not only the physical infrastructure from the skyscrapers of Manhattan to the transcontinental railroad, but also the political construct that is America; and

Whereas, Irish people have made an enormous contribution to public debate and politics in America, from their local communities right up to the White House. More than twenty American Presidents claimed some Irish ancestry. But the influence of Irish America extends well beyond the Oval Office and the Capitol building, to every state within the Union, most evident in the significant number of state legislators within the American Irish State Legislators Caucus; and

Whereas, since Timothy Smiddy's momentous audience in the Oval Office 100 years ago, a further eighteen Irish Ambassadors have presented credentials to U.S. Presidents. Over this time, Ireland's relations with the United States have evolved significantly. From an impoverished and internationally isolated state, scarred by years of conflict, Ireland has transformed over the past century. Ireland today is at peace, economically prosperous, and culturally vibrant; and

Whereas, this transformation is due to the support of friends in the United States, from the crucial role America played in brokering peace in Northern Ireland, culminating with the 1998 Good Friday Agreement, to the huge American economic investment in Ireland. There are almost one thousand U.S. companies in Ireland, employing over two hundred thousand people directly. Our economic relationship is truly two-way; some one hundred thousand people are employed in the U.S. by over 650 Irish-owned companies, across all fifty states. Indeed, Ireland is now the ninth largest source of foreign direct investment in the U.S.; and

Whereas, the U.S.-Irish relationship is a shining example of how ancestral ties, historical connections, cultural affinities, and shared values can create a foundation for enduring partnership and mutual prosperity. Irish American state legislators across the United States are playing a vitally important role in fostering this partnership and ensuring that it continues and flourishes for another century to come:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred and Third General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby recognize and celebrate the special relationship between the United States and Ireland; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the American Irish State Legislators Caucus.

Senator Luetkemeyer moved that **HCR 21** be taken up for adoption, which motion prevailed.

On motion of Senator Luetkemeyer, **HCR 21** was adopted by the following vote:

CONCURRENT RESOLUTIONS

Senator McCreery offered the following Concurrent Resolution:

SENATE CONCURRENT RESOLUTION NO. 15

Whereas, American farmers and ranchers raise the best meat in the world; and

Whereas, Americans should have the right to knowingly buy made-in-America products; and

Whereas, American farmers, ranchers, workers, and consumers benefit from transparency on the origins of their food; and

Whereas, consumers have repeatedly and overwhelmingly expressed their support for country of origin labeling of food products in the United States; and

Whereas, in 2008, the United States Congress overwhelmingly passed mandatory country of origin labeling for muscle cuts and ground meat sold at retail, requiring meat produced from imported livestock or imported boxed meat to bear a different label from meat produced from United States born, raised, and slaughtered livestock; and

Whereas, trade groups and the organizations representing multinational meat packers worked predominantly with Canada, as well as Mexico, to bring a World Trade Organization case against the United States for the removal of the country of origin labeling requirements; and

Whereas, in 2015, the United States Congress repealed the country of origin labeling law for beef and pork, reducing the competitive advantage of products born, raised, and slaughtered in the United States; and

Whereas, the United States has the highest food safety standards in the world, while other countries place less emphasis on food safety; and

Whereas, foreign commodities like beef and pork are misleadingly labeled "Product of the USA" if they are processed or packed in the United States; and

Whereas, country of origin labeling gives producers and consumers the ability to distinguish true American products from foreign imported meat; and

Whereas, technological advancements make it possible to accurately and efficiently identify the origins of beef and pork without costly separation of imported and domestic commodities; and

Whereas, country of origin labeling is good for farmers, ranchers, workers, and meat packers because it allows them to identify their products as born, raised, and slaughtered in the United States; and

Whereas, the Missouri General Assembly supports American products, and consumers deserve the right to know the origins of their food:

Now Therefore Be It Resolved that the members of the Missouri Senate, One Hundred Third General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby support the right of consumers to know the origins of their food, support the use of country of origin labels, and urge the United States Congress to reinstate mandatory country of origin labeling; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for each member of Missouri's Congressional delegation.

Senator Schroer offered the following Concurrent Resolution:

SENATE CONCURRENT RESOLUTION NO. 16

Relating to Charlie Kirk Day

Whereas, Charlie Kirk, born on October 14, 1993, and tragically martyred by assassination on September 10, 2025, was the preeminent voice of a generation, inspiring millions of young Americans to engage in civic discourse, champion conservative principles, and reclaim the foundational values of liberty, limited government, and individual responsibility; and

Whereas, the founder and CEO of Turning Point USA, Kirk led a transformative movement across college campuses and beyond, empowering students to defend free markets, secure borders, Christian values, and traditional family structures against ideological overreach; and

Whereas, Kirk stood as a modern civil rights champion, fearlessly advocating for equal opportunity under the law, colorblind meritocracy, and the protection of constitutional rights for all citizens, regardless of race, creed, or background, in an era of divisive identity politics; and

Whereas, a vocal and unapologetic Christian, Kirk embodied the Christian heritage that undergirds American exceptionalism, publicly proclaiming his faith as a guiding force in the pursuit of justice, moral clarity, and the defense of the unborn; and

Whereas, through relentless persecution, cancellation attempts, smears, and ultimately his assassination, Kirk became a martyr for truth and faith, enduring personal and professional attacks with unwavering resolve to expose corruption, challenge elite narratives, and uphold objective reality in the face of censorship and cultural decay; and

Whereas, as a tireless free speech advocate, Kirk fought against Big Tech suppression, university indoctrination, and government overreach, ensuring that dissenting voices, especially those of the next generation, could flourish in the public square, thereby preserving the First Amendment as the bedrock of a free society:

Now, Therefore, Be It Resolved that the members of the Missouri Senate, One Hundred Third General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby designate October 14th of each year as "Charlie Kirk" Day in Missouri to honor his extraordinary contributions to American discourse, faith, and freedom, and to commemorate his ultimate sacrifice for these principles; and

Be it further resolved that the General Assembly encourages Missourians to reflect on the principles Kirk championed, participate in educational events promoting civic engagement, and honor his legacy as a martyr for truth and liberty and to observe Charlie Kirk Day with appropriate ceremonies, programs, and activities that recognize his role as a beacon of hope and heroism for future generations; and

Be It Further Resolved that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.

Senator Schroer offered the following Concurrent Resolution:

SENATE CONCURRENT RESOLUTION NO. 17

Relating to the official professional football team of the state of Missouri.

Whereas, the Missouri General Assembly and Governor Parson, acting with the best of intentions with the knowledge possessed at the time, designated the Kansas City Chiefs as the official NFL football team of the state of Missouri; and

Whereas, Senate Concurrent Resolution No. 4, as amended, was passed by the One-hundredth General Assembly of the State of Missouri in 2019, and signed by Governor Parson on July 9, 2019; and

Whereas, based on recent events, it has become clear that the will of the people of the state of Missouri has changed with regard to the designation of the Kansas City Chiefs as the official NFL football team of this state; and

Whereas, the Kansas City Chiefs football organization has indicated that, despite years of fan support and financial support from the citizens of this state, the team wants to relocate the team to the state of Kansas; and

Whereas, the state of Missouri created business friendly conditions to demonstrate its desire for the Chiefs to stay in the state of Missouri, while the state of Kansas enticed the Chiefs with an extravagant set of financial incentives that will cost the taxpayers of the state of Kansas dearly over the coming years; and

Whereas, it is nonsensical to designate a team that will no longer reside in this state as the official NFL football team of this state; and

Whereas, the St. Louis Battlehawks are a professional football team in the United Football League; and

Whereas, the Battlehawks have been a beacon of professionalism and a source of pride for the state of Missouri; and

Whereas, it is proper for the state of Missouri to recognize the achievements of the Battlehawks, including their passionate fans who understand that Kaw is Law as they cry out "Ka-Kaw" to support their team:

Now, Therefore, Be It Resolved by the members of the Missouri Senate, One Hundred Third General Assembly, Second Regular Session, the House of Representatives concurring therein, that the Missouri General Assembly hereby repeals, rescinds, cancels, and renders null and void in all respects the designation of the Kansas City Chiefs as the official NFL football team of the state of Missouri; and

Be It Further Resolved that the General Assembly hereby designates the St. Louis Battlehawks as the official professional football team of the state of Missouri; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to send a properly inscribed copy of this resolution to the Governor for his approval or rejection pursuant to the Missouri Constitution.
