A request for such examination must be presented to the commissioner of education on or before March first of the year in which the examination is to be administered. The commissioner of education shall cause the examination to be administered and the certificate issued to those successfully completing it prior to April first of the year in which the application for the examination was received.

4. After September 1, 1988, certificates of license to teach in the public schools of the state shall be based upon minimum requirements prescribed by the state board of education which shall provide for levels of certification including, but not limited to, an initial professional certificate and culminating with a continuous professional certificate:
