Any person who operates a motor vehicle upon the public highways of this state shall be deemed to have given consent to, subject to the provisions of sections 577.020 to 577.041, a chemical test or tests of the person's breath, blood, saliva or urine for the purpose of determining the alcohol or drug content of the person's blood **pursuant to the following circumstances:**

**(1) If the person is** arrested for any offense arising out of acts which the arresting officer had reasonable grounds to believe were committed while the person was driving a motor vehicle while in an intoxicated or drugged condition; **or**

**(2) If the person is under the age of twenty-one and is stopped by a law enforcement officer on reasonable grounds to believe that such person was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or**

**(3) If the person is under the age of twenty-one and is stopped by a law enforcement officer on reasonable grounds to believe that such person has committed a violation of the traffic laws of the state, or any political subdivision of the state, and**

**EXPLANATION--Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.**

**such officer has reasonable grounds to believe, after making such stop, that such person has a blood alcohol content of two-hundredths of one percent or greater.**

The test shall be administered at the direction of the [arresting] law enforcement officer whenever the person has been arrested [for the offense] **or stopped for any reason.**

2. The implied consent to submit to the chemical tests listed in subsection 1 of this section shall be limited to not more than two such tests arising from the same arrest, incident or charge.

3. Chemical analysis of the person's breath, blood, saliva, or urine to be considered valid pursuant to the provisions of sections 577.020 to 577.041 shall be performed according to methods approved by the state department of health by licensed medical personnel or by a person possessing a valid permit issued by the state department of health for this purpose.

4. The state department of health shall approve satisfactory techniques, devices, equipment, or methods to be considered valid pursuant to the provisions of sections 577.020 to 577.041 and shall establish standards to ascertain the qualifications and competence of individuals to conduct analyses and to issue permits which shall be subject to termination or revocation by the state department of health.

5. The person tested may have a physician, or a qualified technician, chemist, registered nurse, or other qualified person at the choosing and expense of the person to be tested, administer a test in addition to any administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test taken at the direction of a law enforcement officer.

6. Upon the request of the person who is tested, full information concerning the test shall be made available to him.

7. Any person given a chemical test of the person's breath pursuant to subsection 1 of this section or a field sobriety test may be videotaped during any such test at the direction of the [arresting] law enforcement officer. Any such video recording made during the chemical test pursuant to this subsection or a field sobriety test shall be admissible as evidence at either any trial of such person for either a violation of any state law or county or municipal ordinance, or any license revocation or suspension proceeding pursuant to the provisions of chapter 302, RSMo.

577.041. 1. If a person under arrest, **or who has been stopped pursuant to subdivision (2) or (3) of subsection 1 of 577.020**, refuses upon the request of the [arresting] officer to submit to any test allowed [under] **pursuant to** section 577.020, then none shall be given and evidence of the refusal shall be admissible in a proceeding [under] **pursuant to** section 565.024 or 565.060, RSMo, or section 577.010 or 577.012. The request of the [arresting] officer shall include the reasons of the officer for requesting the person to submit to a test and also shall inform the person that evidence of [his] refusal to take the test may be used against [him] **such person** and that [his] **the person's** license shall be immediately revoked upon [his] refusal to take the test. If a person when requested to submit to any test allowed [under] **pursuant to**

section 577.020 requests to speak to an attorney, **[he] the person** shall be granted twenty minutes in which to attempt to contact an attorney. If upon the completion of the twenty-minute period the person continues to refuse to submit to any test, it shall be deemed a refusal. In this event, the **[arresting]** officer shall, on behalf of the director of revenue, serve the notice of license revocation personally upon the **[arrested]** person and shall take possession of any license to operate a motor vehicle issued by this state which is held by that person. The **[arresting]** officer shall issue a temporary permit, on behalf of the director of revenue, which is valid for fifteen days and shall also give the person a notice of **[his] such person's** right to file a petition for review to contest the license revocation.

2. The **[arresting]** officer shall make a sworn report to the director of revenue, which shall include the following:

(1) That the officer has:

**(a) Reasonable grounds to believe that the arrested person was driving a motor vehicle while in an intoxicated or drugged condition; or**

**(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or**

**(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer has reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater;**

(2) That the **[arrested]** person refused to submit to a chemical test;

(3) Whether the officer secured the license to operate a motor vehicle of the person;

(4) Whether the officer issued a fifteen-day temporary permit;

(5) Copies of the notice of revocation, the fifteen-day temporary permit and the notice of the right to file a petition for review, which notices and permit may be combined in one document; and

(6) Any license to operate a motor vehicle which the officer has taken into possession.

3. Upon receipt of the officer's report, the director shall revoke the license of the person refusing to take the test for a period of one year; or if the person **[arrested be] is** a nonresident, **[his] such person's** operating permit or privilege shall be revoked for one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, an order shall be issued denying the person the issuance of a license or permit for a period of one year.

4. If a person's license has been revoked because of **[his] the person's** refusal to submit to a chemical test, **[he] such person** may petition for a hearing before a **[court of record] circuit or associate circuit court** in the county in which the arrest **or stop** occurred. The person may

request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state and the director shall maintain possession of the person's license to operate a motor vehicle until termination of any revocation **[under] pursuant to** this section. Upon **[his] the person's** request the clerk of the court shall notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing the **[judge] court** shall determine only:

(1) Whether or not the person was arrested **or stopped**;

(2) Whether or not the **[arresting] officer** had:

**(a) Reasonable grounds to believe that the person was driving a motor vehicle while in an intoxicated or drugged condition; or**

**(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or**

**(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer had reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater; and**

(3) Whether or not the person refused to submit to the test.

5. If the **[judge] court** determines any issue not to be in the affirmative, **[he] the court** shall order the director to reinstate the license or permit to drive.

6. Requests for review as provided in this section shall go to the head of the docket of the court wherein filed.

7. No person who has had a license to operate a motor vehicle suspended or revoked **[under] pursuant to** the provisions of this section shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 577.001, except the department or the court may waive such requirement upon completion of a comparable program or upon good cause shown or the court may waive such requirement upon good cause shown. The court in making this determination shall consider the person's driving record, the circumstances surrounding the offense and the likelihood of the person committing a like offense in the future. Assignment recommendations, based upon the needs assessment as described in subdivision (21) of section 302.010, RSMo, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person

may file a motion in the associate division of the circuit court, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517, RSMo, after reviewing such assessment. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Such assessment and compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

8. The fees for the substance abuse traffic offender program, or a portion thereof to be determined by the division of alcohol and drug abuse of the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee of sixty dollars. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. The supplemental fees received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053, RSMo.

Section B. Because immediate action is necessary to protect the citizens of this state from drunk drivers this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and this act shall be in full force and effect upon its passage and approval.
