AN ACT

To repeal section 536.016, RSMo Supp. 1997, relating to administrative rules, and to enact in lieu thereof one new section relating to the same subject.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 536.016, RSMo Supp. 1997, is repealed and one new section enacted in lieu thereof, to be known as section 536.016, to read as follows:

536.016. 1. **Any other provision of law to the contrary notwithstanding, a rule adopted by any state agency shall not be more restrictive than is necessary to carry out the purposes of the statute granting rulemaking authority.**

2. Any state agency shall propose rules based upon substantial evidence on the record **after public hearing** and a finding by the agency that the rule is **significant and** necessary to carry out the purposes of the statute that granted such rulemaking authority.

[2.] 3. Each state agency shall adopt procedures, **through formal rulemaking**, by which it will determine whether a rule is **significant and** necessary to carry out the purposes of the statute authorizing the rule. Such criteria and rulemaking shall be based upon reasonably available empirical data and shall include an assessment of the effectiveness and the cost of rules both to the state and to any private or public person or entity affected by such rules.

[3. Upon a challenge to any agency action pursuant to this chapter, or failure to comply with any provision of this chapter, the agency shall have the burden of proving by a preponderance of the evidence that the action taken by the agency was not required to be preceded by the adoption of a rule on the subject matter.

4. This section shall become effective only upon the expiration of twenty calendar days
