AN ACT

To repeal sections 302.060 and 302.171, RSMo Supp. 1997, relating to motor vehicles, and to enact in lieu thereof two new sections relating to the same subject.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Sections 302.060 and 302.171, RSMo Supp. 1997, are repealed and two new sections enacted in lieu thereof, to be known as sections 302.060 and 302.171, to read as follows:

302.060. The director shall not issue any license and shall immediately deny any driving privilege:

(1) To any person who is under the age of eighteen years, if such person operates a motor vehicle in the transportation of persons or property as classified in section 302.015, **or to any person who is under the age of eighteen years, if such person fails, pursuant to section 302.171, to provide proof of either of the following:**

(a) A parent or guardian of such person approves the issuance of a license to such person; or

(b) Such person is an emancipated minor, is currently employed and working on a full-time basis and maintains financial responsibility pursuant to chapter 303, RSMo;

(2) To any person who is under the age of sixteen years, except as hereinafter provided;

(3) To any person whose license has been suspended, during such suspension, or to any person whose license has been revoked, until the expiration of one year after such license was revoked;

(4) To any person who is an habitual drunkard or is addicted to the use of narcotic drugs;

(5) To any person who has previously been adjudged to be incapacitated and who at the time of application has not been restored to partial capacity;

(6) To any person who, when required by this law to take an examination, has failed to pass such examination;

(7) To any person who has an unsatisfied judgment against such person, as defined in chapter 303, RSMo, until such judgment has been satisfied or the financial responsibility of such person, as defined in section 303.120, RSMo, has been established;

(8) To any person whose application shows that the person has been convicted within one year prior to such application of violating the laws of this state relating to failure to stop after an accident and to disclose the person's identity or driving a motor vehicle without the owner's consent;

(9) To any person who has been convicted more than twice of violating state law, or a county or municipal ordinance where the judge in such cases was an attorney and the defendant was represented by or waived the right to an attorney in writing, relating to driving while intoxicated; except that, after the expiration of ten years from the date of conviction of the last offense of violating such law or ordinance relating to driving while intoxicated, a person who was so convicted may petition the circuit court of the county in which such last conviction was rendered and the court shall review the person's habits and conduct since such conviction. If the court finds that the petitioner has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding ten years and that the petitioner's habits and conduct show such petitioner to no longer pose a threat to the public safety of this state, the court may order the director to issue a license to the petitioner if the petitioner is otherwise qualified pursuant to the provisions of sections 302.010 to 302.540. No person may obtain a license pursuant to the provisions of this subdivision through court action more than one time;

(10) To any person who has been convicted twice within a five-year period of violating state law, or a county or municipal ordinance where the judge in such cases was an attorney and the defendant was represented by or waived the right to an attorney in writing, of driving while intoxicated, or who has been convicted of the crime of involuntary manslaughter while operating a motor vehicle in an intoxicated condition. The director shall not issue a license to such person for five years from the date such person was convicted for involuntary manslaughter while operating a motor vehicle in an intoxicated condition or for driving while intoxicated for the second time. Any person who has been denied a license for two convictions of driving while intoxicated prior to July 27, 1989, shall have the person's license issued, upon application, unless the two convictions occurred within a five-year period, in which case, no license shall be issued to the person for five years from the date of the second conviction;

(11) To any person who is otherwise disqualified pursuant to the provisions of sections 302.010 to 302.780, chapter 303, RSMo, or section 544.046, RSMo.

302.171. 1. Application for a license shall be made upon an approved form furnished by the director. Every application shall state the full name, social security number, age, height,

weight, color of eyes, color of hair, sex, residence, mailing address of the applicant, and the classification for which the applicant has been licensed, and, if so, when and by what state, and whether or not such license has ever been suspended, revoked, or disqualified, and, if revoked, suspended or disqualified, the date and reason for such suspension, revocation or disqualification and whether the applicant is making a one dollar donation to promote an organ donation program as prescribed in subsection 2 of this section. The application shall also contain such information as the director may require to enable the director to determine the applicant's qualification for driving a motor vehicle; and shall state whether or not the applicant has been convicted in this or any other state for violating the laws of this or any other state or any ordinance of any municipality, relating to careless driving, or driving while intoxicated, or failing to stop after an accident and disclosing the applicant's identity, or driving a motor vehicle without the owner's consent. The application shall contain a certification by the applicant as to the truth of the facts stated therein. Every person who applies for a license to operate a motor vehicle who is less than twenty-one years of age shall be provided with educational materials relating to the hazards of driving while intoxicated, including information on penalties imposed by law for violation of the intoxication-related offenses of the state.

2. An applicant for a license may make a donation of one dollar to promote an organ donor program. The donation prescribed in this subsection is voluntary and may be refused by the applicant for the license at the time of issuance or renewal of the license. The director shall make available an informational booklet or other informational sources on the importance of organ donations to applicants for licensure as designed by the organ donation advisory committee established in sections 194.297 to 194.304, RSMo. The director shall inquire of each applicant at the time the licensee presents the completed application to the director whether the applicant is interested in making the one dollar donation prescribed in this subsection and whether the applicant is interested in making an organ donation and shall also specifically inform the licensee of the ability to make an organ donation by completing the form on the reverse of the license that the applicant will receive in the manner prescribed by subsection 6 of section 194.240, RSMo. The director shall notify the department of health of information obtained from applicants who indicate to the director that they are interested in making organ donations, and the department of health shall enter the complete name, address, date of birth, race, gender and a unique personal identifier in the registry established in subsection 1 of section 194.304, RSMo.
