---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 37, RSMo, is amended by adding thereto one new section, to be known as section 37.250, to read as follows:

**37.250. The commissioner of administration shall examine existing programs and proposals for development or expansion to identify duplication in resource allocation of communication systems. The commissioner shall submit a report to the general assembly by December 31, 1998, in which it identifies opportunities for cost savings, increased efficiency and improved services for Missouri's citizens. The commissioner shall review the state's purchasing law and may recommend such changes to chapter 34, RSMo, as he deems appropriate to maintain and enhance the state's communication system. The commissioner may make such other recommendations as he deems appropriate and shall identify the costs associated with each such recommendation.**
