EXPLANATION--Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

2. Each applicant shall submit evidence satisfactory to the committee that the applicant either:

(1) Has received a doctoral degree, based upon a program of studies from a recognized educational institution the contents of which were primarily psychological, as defined by rule, and who has had at least one year of satisfactory supervised professional experience in the general field of psychology, as defined by rule; or

5. Notwithstanding any provision of section 337.025 or this section to the contrary, any person who qualifies for initial licensure pursuant to subdivision (2) of subsection 2 of this section that has taken the Missouri licensing examination but has not received a passing score on the licensing examination before August 28, 1996, shall be allowed the same amount of attempts, within the same allotted time, to pass such examination as a person who meets the requirements for **initial** licensure pursuant to subdivision (1) of subsection 2 of this section.
