162.481. 1. Except as otherwise provided in this section, all elections of school directors in urban districts shall be held biennially at the same times and places as municipal elections.

2. In any urban district which includes all or the major part of a city which first obtained a population of more than seventy-five thousand inhabitants by reason of the 1960 federal decennial census, elections of directors shall be held on municipal election days of even-numbered years. The directors of the prior district shall continue as directors of the urban district until their successors are elected as herein provided. On the first Tuesday in April, 1964, four directors shall be elected, two for terms of two years to succeed the two directors of the prior district who were elected in 1960 and two for terms of six years to succeed the two directors of the prior district who were elected in 1961. The successors of these directors shall be elected for terms of six years. On the first Tuesday in April, 1968, two directors shall be elected for terms to commence on November 5, 1968, and to terminate on the first Tuesday in April, 1974, when their successors shall be elected for terms of six years. No director shall serve more than two consecutive six-year terms after October 13, 1963.

3. Hereafter when a six-director district becomes an urban district, the directors of the prior six-director district shall continue as directors of the urban district until the expiration of the terms for which they were elected and until their successors are elected as provided in this subsection. The first biennial school election for directors shall be held in the urban district at the time provided in subsection 1 which is on the date of or subsequent to the expiration of the terms of the directors of the prior district which are first to expire, and directors shall be elected to succeed the directors of the prior district whose terms have expired. At the next succeeding biennial election held in the urban district, successors for the remaining directors of the prior six-director district shall be elected. If only two directors are to be elected they shall be elected for terms of six years each. If four directors are to be elected, two shall be elected for terms of six years and two shall be elected for terms of two years. After six directors of the urban district have been elected under this subsection, their successors shall be elected for terms of six years.

4.
