- [6. Any person failing to exhibit an insurance identification card or other satisfactory evidence of insurance in lieu of such card upon the demand of any peace officer, commercial vehicle enforcement officer or commercial vehicle inspector pursuant to this section is guilty of a class C misdemeanor. However, no person shall be found guilty of violating this section if the operator demonstrates to the court that he or she met the financial responsibility requirements of section 303.025 at the time the peace officer, commercial vehicle enforcement officer or commercial vehicle inspector wrote the citation.]
- 303.025. 1. No owner of a motor vehicle registered in this state, or required to be registered in this state, shall operate, [the vehicle, or authorize any other person to operate the] register or maintain registration of a motor vehicle, or permit another person to operate such vehicle, unless the owner maintains the financial responsibility [as required in this section] which conforms to the requirements of the laws of this state. Furthermore, no person shall operate a motor vehicle owned by another with the knowledge that the owner has not maintained financial responsibility unless such person has financial responsibility which covers the person's operation of the other's vehicle. [Any person who violates this section is guilty of a class C misdemeanor.]
- 2. A motor vehicle owner shall maintain the owner's financial responsibility in a manner provided for in section 303.160, or with a motor vehicle liability policy which conforms to the requirements of the laws of this state.

policies and the uninsured motorist provisions of automobile liability insurance policies.

- 5. The provisions of section 302.311 to the contrary notwithstanding, all appeals shall be made directly from the court-ordered suspension to the circuit court of the county of which the defendant is a resident. The sole issue on appeal shall be whether the court properly ordered the department of revenue to suspend the defendant's license.
- 303.026. 1. The director shall inform each owner who registers a motor vehicle of the following:
- (1) The existence of the requirement that every motor vehicle owner in the state must maintain his financial responsibility;
- (2) The requirement that every motor vehicle owner show an insurance identification card, or a copy thereof, or other proof of financial responsibility at the time of vehicle registration; this notice shall be given at least thirty days prior to the month for renewal and shall be shown in bold, colored print;

 - (4) The benefits of maintaining coverages in excess of those which are required;
- (5) The director's authority to conduct samples of Missouri motor vehicle owners to insure compliance.

No motor vehicle owner shall be issued registration for a vehicle unless the owner, or his authorized agent, signs an affidavit provided by the director of revenue at the time of registration of the vehicle certifying that such owner has and will maintain, during the period of registration, financial responsibility with respect to each motor vehicle that is owned, licensed or operated on the streets or highways. The affidavit need not be notarized, but it shall be acknowledged by the person processing the form. The affidavit shall state clearly and in bold print the following: "Any false affidavit is a crime under section 575.050 of Missouri law." In addition, every motor vehicle owner shall show proof of such financial responsibility by presenting his or her insurance identification card, as described in section 303.024, or a copy thereof, or some other proof of financial responsibility in the form prescribed by the director of revenue at the time of registration unless such owner registers his vehicle in conjunction with a reciprocity agreement entered into by the Missouri highway reciprocity commission pursuant to sections 301.271 to 301.279, RSMo, or unless the owner insures the vehicle according to the requirements of the division of motor carrier and railroad safety pursuant to section 390.126, RSMo.
- 3. [The director shall annually select for financial responsibility verification, a sample of the motor vehicle registrations or licenses which is statistically significant to determine the number of insured motorists in the state of Missouri, or to insure compliance. The director may utilize a variety of sampling techniques including but not limited to the processing of uniform

traffic tickets, point system warning letters, and random surveys of motor vehicle registrations. The director of revenue may verify the financial responsibility of any person reported under section 303.040.] The director may select random samples of registrations of motor vehicles subject to the provisions of this section for the purpose of verifying whether or not the motor vehicles are insured. The director may utilize a variety of sampling techniques including but not limited to the processing of uniform traffic tickets, random surveys to verify insurance information provided to the director at the time of motor vehicle registration, surveys of motor vehicle registrations and persons who during the preceding year have received a disposition of supervision as provided in section 302.303. The director may verify the financial responsibility of any person sampled or reported.

4. Upon determination that the information provided by the owner or authorized agent is inaccurate, the director shall notify the owner of the need to provide, within [thirty] fifteen days, [information establishing] proof of the existence of the required financial responsibility [as of the date of such notice]. The request shall require the owner to state whether or not the motor vehicle was insured on the verification date stated in the director's request and the request may require but not be limited to a statement by the owner of the names and addresses of insurers, policy numbers and expiration date of insurance coverage. Failure to provide such information shall result in the suspension of all registrations of the owner's motor vehicles failing to meet such requirements, as is provided in [section 303.041] this chapter.

303.041. 1. [If the director determines that the operator or owner of a motor vehicle has not maintained the financial responsibility required in section 303.025 as a result of a financial responsibility verification sample as provided for in section 303.026, or as a result of an accident report as required by section 303.040, or either, the director shall thirty-three days after mailing notice to the owner or operator suspend the license of the owner or operator, or both, and all registrations of the owner's motor vehicles failing to meet such requirement. The notice of suspension shall be mailed to the person at the last known address shown on the department's records, and to the address provided by the accident report if that address differs from the address of record. The notice is deemed received three days after mailing. The notice of suspension shall clearly specify the reason and statutory grounds for the suspension and the effective date of the suspension, the right of the person to request a hearing, the procedure for requesting a hearing, and the date by which that request for a hearing must be made.] If the director determines that as a result of a verification sample or accident report that the owner of a motor vehicle has not maintained financial responsibility, or if the director determines as a result of an order of court supervision that the operator of a motor vehicle has not maintained the financial responsibility as required in this chapter, the director shall

thirty-three days after mailing notice, suspend the driving privilege of the operator or the registration of the vehicle failing to meet such requirement. The notice of suspension shall be mailed to the person at the last known address shown on the department's records. The notice of suspension is deemed received three days after mailing. The notice of suspension shall clearly specify the reason and statutory grounds for the suspension and the effective date of the suspension, the right of the person to request a hearing, the procedure for requesting a hearing, and the date by which that request for a hearing must be made. If the request for a hearing is received by the department prior to the effective date of the suspension, the effective date of the suspension will be stayed until a final order is issued following the hearing.

- 2. [If any person shall neglect or refuse to surrender his license or registration within fifteen days of the suspension or revocation date, a fee of twenty-five dollars shall be assessed for each month or portion thereof that the license or registration is not surrendered, not to exceed three hundred dollars.] Neither the fact that subsequent to the date of verification or conviction, the owner acquired the required liability insurance policy nor the fact that the owner terminated ownership of the motor vehicle, shall have any bearing upon the director's decision to suspend. Until it is terminated, the suspension shall remain in force after the registration is renewed or a new registration is acquired for the motor vehicle. The suspension also shall apply to any motor vehicle to which the owner transfers the registration.
- 303.042. 1. The suspension shall become effective thirty days after the subject person is deemed to have received the notice of suspension by certified mail as provided in section 303.041. [If the request for a hearing is received by the department prior to the effective date of the suspension, the effective date of the suspension will be stayed until a final order is issued following the hearing; however, any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension during the period of delay.]
 - 2. The period of suspension under this section shall be as follows:
- (1) [If the person's driving record shows no prior failure to maintain the required financial responsibility as provided for in section 303.025, the period of suspension shall be sixty days after the effective date of suspension;] In the case of a first violation, the director shall terminate the suspension upon payment by the owner of a reinstatement fee of twenty dollars and submission of proof of insurance as prescribed by the director.
- (2) [If the person's record shows one prior suspension for failure to maintain the required financial responsibility as provided for in section 303.025, the period of suspension shall be one year after the effective date of suspension;] In the case of one prior violation of a person having ownership interest in a motor vehicle or vehicles within the preceding two years, the director shall terminate the suspension ninety days after its effective date

upon payment by the owner of a reinstatement fee of two hundred dollars and submission of proof of insurance as prescribed by the director.

- (3) If the person's [driving] record shows two or more prior suspensions for failure to maintain the required financial responsibility as provided for in section 303.025, the [period of] suspension shall [be two years] terminate one year after [the] its effective date [of suspension] upon payment of a reinstatement fee of four hundred dollars and submission of proof of insurance as prescribed by the director. The director shall not reduce any period of suspension provided for in this subsection.
- 3. In the event that proof of [financial responsibility] insurance as prescribed by the director has not been filed with the department of revenue in accordance with this chapter prior to the end of the period of suspension [provided in subsection 2 of this section], such period of suspension shall be extended until such proof of [financial responsibility] insurance as prescribed by the director has been filed. In no event shall filing proof of [financial responsibility] insurance as prescribed by the director reduce any period of suspension.
- 4. If the director determines that the proof of insurance submitted by a motor vehicle owner or operator, under this chapter is false, the director shall suspend the owner's vehicle registration and operator's driving privilege. The director shall terminate the suspension one year after the effective date upon payment by the owner or operator of a reinstatement fee of one hundred fifty dollars and submission of proof of insurance as prescribed by the director.

[303.043. Whenever a suspension is imposed under section 303.041, the following reinstatement fees shall be paid prior to the end of the period of suspension provided in subsection 2 of section 303.042, and in the event such reinstatement fees are not paid the period of suspension shall be extended until such fees have been paid:

- (2) If the person's driving record shows one prior suspension for failure to maintain the required financial responsibility as provided for in section 303.025, the reinstatement fee shall be four hundred dollars;
- (3) If the person's driving record shows two or more prior suspensions for failure to maintain the required financial responsibility as provided for in section 303.025, the reinstatement fee shall be eight hundred dollars.]
- 303.175. Every motor vehicle liability policy issued to meet the requirements of this chapter shall have a minimum term of three months. Each policy payment collected by the insurer shall cover a period of at least one month. This section shall not be construed to interfere with the cancellation and renewal provisions of section

303.178. No person shall display evidence of insurance to a law enforcement officer, knowing there is no valid liability insurance in effect on the motor vehicle as required pursuant to chapter 303, or knowing the evidence of insurance is illegally altered, counterfeit or otherwise invalid as evidence of insurance.
