"Motor vehicle" is any new or used automobile, mobile home, motorcycle, truck, trailer, semitrailer, truck tractor, or bus.

2. Any seller under this section must first qualify as a retail seller under the motor vehicle time sales act.

427.195. Any person may hold personal property for lease, except as otherwise provided by law. A lease shall be in writing, signed by the lessee and may be either the functional equivalent of a loan or a true lease where the lessee pays compensation for the use of the leased property which is returned to the lessor at the end of the lease. A motor vehicle lease may include the outstanding balance of a prior loan or lease of a motor vehicle used as a trade in, as well as other items that are capitalized or amortized during the lease term. Lease payments are in the nature of rent rather than interest, and the provisions of chapter 408, RSMo, are not applicable.
