So we pray this day for Your presence in all we do and say that we might make decisions and take actions keeping with Your will. #### HOUSE CONCURRENT RESOLUTION NO. 4

WHEREAS, section 33.155, RSMo, allows the commissioner of administration and the state treasurer to establish an electronic funds transfer system to allow state employees' compensation to be transferred directly into employees' accounts in financial institutions; and

WHEREAS, some state employees do not have an account established at a financial institution; and

Assembly, First Regular Session, the Senate concurring therein, hereby direct the commissioner of administration and the state treasurer to establish in the standards and procedures for administering an electronic funds transfer pursuant to section 33.155, RSMo, a requirement for all state agencies to allow state employees earning less than one thousand five hundred dollars per month to have the option to either receive their monthly compensation in the form of a bank draft made payable to the employee or to have such monthly compensation transferred directly into the employee's account at a financial institution; and

WHEREAS, the current financial crises in Asia, Russia and other regions have involved massive depreciation in the currencies of several key steel-producing and steel-consuming countries and a collapse in the domestic demand for steel in those countries; and

WHEREAS, these crises have generated and will continue to generate surges in United States imports of steel, both from the countries whose currencies have depreciated in the crisis and from steel-producing countries that are no longer able to export steel to the countries in economic crisis; and

WHEREAS, foreign government trade restrictions and private restraints of trade distort international trade and investment patterns and result in burdens on United States commerce, including absorption of a disproportionate share of diverted steel trade, which ultimately has a detrimental effect on this state's economy; and

WHEREAS, there is a well-recognized need for improvements in the enforcement of United States trade laws to provide an effective response to these situations:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri House of Representatives of the Ninetieth General Assembly, First Regular Session, the Senate concurring therein, hereby request the President of the United States to commence an immediate study to determine the entry into the customs territory of the United States of all steel products that are the products of, or are manufactured in, Australia, China, South Africa, Ukraine, Indonesia, India, Japan, Russia, South Korea or Brazil, to determine whether the governments of those countries are abiding by the spirit and letter of international trade agreements with respect to imports of steel products into the United States, and take all actions necessary to enforce applicable trade agreements and laws of the United States pertaining to steel imports; and

BE IT FURTHER RESOLVED that we, the members of the Missouri Ninetieth General Assembly, First Regular Session, request the President of the United States to immediately impose a

one-year ban on imports of all steel products that are the product of, or are manufactured in, Australia, China, South Africa, Ukraine, Indonesia, India, Japan, Russia, South Korea or Brazil, if the President finds that the governments of those countries are not abiding by the spirit and letter of international trade agreements with respect to imports of steel products in the United States; and

BE IT FURTHER RESOLVED that we, the members of the Missouri Ninetieth General Assembly, First Regular Session, request the President of the United States to establish a task force within the executive branch to closely monitor imports of steel products to the United States from other countries to determine whether international trade agreements are being violated; and

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the taxable year that the credit is claimed, and such taxpayer shall not be allowed to claim a tax credit in excess of fifty thousand dollars per taxable year. However, any tax credit that cannot be claimed in the taxable year the contribution was made may be carried over to the next four succeeding taxable years until the full credit has been claimed.

4.
