Almighty God: We pray this day that we may love You as You love us and that what we do reflects that love to others. We also pray that Your wisdom may be given to the leaders of this world, that peace and reconciliation may be once again found between the Serbian and Kosovo people and that our military personnel may be protected by Your mighty hand. This we ask in Your Holy Name. Amen.

WHEREAS, the Internal Revenue Code authorizes certain cash or deferred arrangements, popularly known as "401(k) plans", for employees to participate in tax-advantaged retirement plans; and

WHEREAS, 401(k) plans allows an employee to choose whether a certain amount is to be paid in cash or paid by his or her employer on the employee's behalf to a qualified trust; and

WHEREAS, the income earned by funds in the 401(k) plans are exempt from income tax until the participant has amounts distributed to him or her, usually after retirement; and

WHEREAS, a 10% excise tax is levied on withdrawals from such tax-advantaged retirement plans made before the participant has attained the age of 59 and one-half years, unless one of several exceptions apply; and

WHEREAS, these exceptions include events such as when a participant dies or becomes disabled but does not fully cover situations involving the death or disability of a participant's spouse; and

WHEREAS, such events involve a reduction in income contributed to the household and a possibly dramatic increase in household expenses in the case of disability; and

WHEREAS, expanding the exceptions to the tax penalty for early withdrawals in case of the death or disability of a participant's spouse would offer the participant cheaper access to his or her savings at an important time;

NOW THEREFORE BE IT RESOLVED by the Missouri Senate, Ninetieth General Assembly, that the Senate recommends to the Congress of the United States that the Internal Revenue Code be amended to permit penalty-free withdrawals from 401(k) plans under circumstances of the death or disability of a participant's spouse; and

(1) "Adulterated" means varying from the standard of composition or quality prescribed by statute or lawfully promulgated administrative regulations of this state lawfully filed, or if none, as set by commercial usage;

(2) "Appropriate" means to take, obtain, use, transfer, conceal or retain possession of;

(3) "Coercion" means a threat, however communicated:

(a) To commit any crime; or

(b) To inflict physical injury in the future on the person threatened or another; or

(c) To accuse any person of any crime; or

(d) To expose any person to hatred, contempt or ridicule; or

(e) To harm the credit or business repute of any person; or

(f) To take or withhold action as a public servant, or to cause a public servant to take or withhold action; or

(g) To inflict any other harm which would not benefit the actor. A threat of accusation, lawsuit or

other invocation of official action is not coercion if the property sought to be obtained by virtue of such threat was honestly claimed as restitution or indemnification for harm done in the circumstances to which the accusation, exposure, lawsuit or other official action relates, or as compensation for property or lawful service. The defendant shall have the burden of injecting the issue of justification as to any threat;

(4) "Credit device" means a writing, number or other device purporting to evidence an undertaking to pay for property or services delivered or rendered to or upon the order of a designated person or bearer;

(5) "Dealer" means a person in the business of buying and selling goods;

The term "deceit" does not, however, include falsity as to matters having no pecuniary significance, or puffing by statements unlikely to deceive ordinary persons in the group addressed. Deception as to the actor's intention to perform a promise shall not be inferred from the fact alone that he did not subsequently perform the promise;

[(7)] (8) "Deprive" means:

(a) To withhold property from the owner permanently; or

(b) To restore property only upon payment of reward or other compensation; or

(c) To use or dispose of property in a manner that makes recovery of the property by the owner unlikely;

[(8)] (9) "Misabeled" means varying from the standard of truth or disclosure in labeling

prescribed by statute or lawfully promulgated administrative regulations of this state lawfully filed, or if none, as set by commercial usage; or represented as being another person's product, though otherwise accurately labeled as to quality and quantity;

[(9)] **(10)** "Of another" property or services is that "of another" if any natural person, corporation, partnership, association, governmental subdivision or instrumentality, other than the actor, has a possessory or proprietary interest therein, except that property shall not be deemed property of another who has only a security interest therein, even if legal title is in the creditor pursuant to a conditional sales contract or other security arrangement;

[(10)] **(11)** "Property" means anything of value, whether real or personal, tangible or intangible, in possession or in action, and shall include but not be limited to the evidence of a debt actually executed but not delivered or issued as a valid instrument;

[(11)] **(12)** "Receiving" means acquiring possession, control or title or lending on the security of the property;

[(12)] **(13)** "Services" includes transportation, telephone, electricity, gas, water, or other public service, accommodation in hotels, restaurants or elsewhere, admission to exhibitions and use of vehicles;

[(13)] **(14)** "Writing" includes printing, any other method of recording information, money, coins, negotiable instruments, tokens, stamps, seals, credit cards, badges, trademarks and any other symbols of value, right, privilege or identification.

570.130. 1. A person commits the crime of fraudulent use of a credit device **or debit device** if [he] **the person** uses a credit device **or debit device** for the purpose of obtaining services or property, knowing that:

- (1) The device is stolen, fictitious or forged; or
- (2) The device has been revoked or canceled; or
- (3) For any other reason his use of the device is unauthorized.

2. Fraudulent use of a credit device **or debit device** is a class A misdemeanor unless the value of the property or services obtained or sought to be obtained within any thirty-day period is one hundred fifty dollars or more, in which case fraudulent use of a credit device **or debit device** is a class D felony."; and
