

Journal of the Senate

FIRST REGULAR SESSION

FIFTY-SEVENTH DAY—WEDNESDAY, APRIL 21, 1999

The Senate met pursuant to adjournment.

President Pro Tem Quick in the Chair.

The Reverend Carl R. Gauck offered the following prayer:

Merciful and compassionate Father: We pause this morning in needful prayer. Suddenly as important as the debate that takes place and the bills that are passed and defeated here in the Senate may be, they pale in light of the sixteen high school students dead and twenty-three critically wounded in Littleton, Colorado. We once again ask the difficult question of why, while knowing that sin still exists in this world where the thoughtless and purposeful actions of some impact on the lives of others bringing pain and grief in their wake. So we pray for Your mercy and comforting peace for the parents and friends of those who senselessly died yesterday. We pray for Your healing for the wounded and Your consolation on all who feel the pain of what has happened. We pray that the souls of these young people may be taken to Your bosom, there comforted and experiencing Your love for them. And we pray for Your guidance to do what we can to make Missouri a better place in keeping with the establishment of Your kingdom here on earth which we pray we might do our part. All this we ask in Your Holy caring Name. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

SENATE AMENDMENT NO. 3

Amend Senate Committee Substitute for Senate Bill No. 374, Page 3, Section 287.203, Line 31, by inserting after all of said line the following:

"287.210. 1. After an employee has received an injury he shall from time to time thereafter during disability submit to reasonable medical examination at the request of the employer, his insurer, the commission, the division or an administrative law judge, the time and place of which shall be fixed with due regard to the convenience of the employee and his physical condition and ability to attend. The employee may have his own physician present, and if the employee refuses to submit to the examination, or in any way obstructs it, his right to compensation shall be forfeited during such period unless in the opinion of the commission the circumstances justify the refusal or obstruction.

2. The commission, the division or administrative law judge shall, when deemed necessary, appoint a duly qualified impartial physician to examine the injured employee, and any physician so chosen, if he accepts the appointment, shall promptly make the examination requested and make a complete medical report to the commission or the division in such duplication as to provide all parties with copies thereof. The physician's fee shall be fair and reasonable, as provided in subsection 3 of section 287.140, and the fee and other reasonable costs of the impartial examination

may be paid as other costs under this chapter. If all the parties shall have had reasonable access thereto, the report of the physician shall be admissible in evidence.

3. The testimony of any physician who treated or examined the injured employee shall be admissible in evidence in any proceedings for compensation under this chapter, but only if the medical report of the physician has been made available to all parties as in this section provided. Immediately upon receipt of notice from the division or the commission setting a date for hearing of a case in which the nature and extent of an employee's disability is to be determined, the parties or their attorneys shall arrange, without charge or costs, each to the other, for an exchange of all medical reports, including those made both by treating and examining physician or physicians, to the end that the parties may be commonly informed of all medical findings and opinions. The exchange of medical reports shall be made at least seven days before the date set for the hearing and failure of any party to comply may be grounds for asking for and receiving a continuance, upon proper showing by the party to whom the medical reports were not furnished. If any party fails or refuses to furnish the opposing party with the medical report of the treating or examining physician at least seven days before such physician's deposition or personal testimony at the hearing, as in this section provided, upon the objection of the party who was not provided with the medical report, the physician shall not be permitted to testify at that hearing or by medical deposition.

4. Upon request, an administrative law judge, the division, or the commission shall be provided with a copy of any medical report.

5. As used in this chapter the terms "physician's report" and "medical report" mean the report of any physician made on any printed form authorized by the division or the commission or any complete medical report. As used in this chapter the term "complete medical report" means the report of a physician giving the physician's qualifications and the patient's history, complaints, details of the findings of any and all laboratory, X-ray and all other technical examinations, diagnosis, prognosis,

nature of disability, if any, and an estimate of the percentage of permanent partial disability, if any. An element or elements of a complete medical report may be met by the physician's records.

6. Upon the request of a party, the physician or physicians who treated or are treating the injured employee shall be required to furnish to the parties a rating and complete medical report on the injured employee, at the expense of the party selecting the physician, along with a complete copy of the physician's clinical record including copies of any records and reports received from other health care providers.

7. The testimony of a treating or examining physician may be submitted in evidence on the issues in controversy by a complete medical report and shall be admissible without other foundational evidence subject to compliance with the following procedures. The party intending to submit a complete medical report in evidence shall give notice at least sixty days prior to the hearing to all parties and shall provide reasonable opportunity to all parties to obtain cross-examination testimony of the physician by deposition. The notice shall include a copy of the report and all the clinical and treatment records of the physician including copies of all records and reports received by the physician from other health care providers. The party offering the report must make the physician available for cross-examination testimony by deposition not later than seven days before the matter is set for hearing, and each cross-examiner shall compensate the physician for the portion of testimony obtained in an amount not to exceed a rate of reasonable compensation taking into consideration the specialty practiced by the physician. Cross-examination testimony shall not bind the cross-examining party. Any testimony obtained by the offering party shall be at that party's expense on a proportional basis, including the deposition fee of the physician. Upon request of any party, the party offering a complete medical report in evidence must also make available copies of X-rays or other diagnostic studies obtained by or relied upon by the physician. Within ten days after receipt of such notice a party shall dispute whether a report meets the requirements of a complete medical report by providing written objections to the offering party

stating the grounds for the dispute, and at the request of any party, the administrative law judge shall rule upon such objections upon pretrial hearing whether the report meets the requirements of a complete medical report and upon the admissibility of the report or portions thereof. If no objections are filed the report is admissible, and any objections thereto are deemed waived. Nothing herein shall prevent the parties from agreeing to admit medical reports or records by consent. The provisions of this subsection shall [not] apply to claims against the second injury fund **where the employee offers medical records into evidence, and in that event the state may require the employee to submit to a reasonable medical exam in the manner as provided pursuant to subsection 1 of this section and the state may also introduce medical records pursuant to this subsection.**

8. Certified copies of the proceedings before any coroner holding an inquest over the body of any employee receiving an injury in the course of his employment resulting in death shall be admissible in evidence in any proceedings for compensation under this chapter, and it shall be the duty of the coroner to give notice of the inquest to the employer and the dependents of the deceased employee, who shall have the right to cross-examine the witness.

9. The division or the commission may in its discretion in extraordinary cases order a postmortem examination and for that purpose may also order a body exhumed."; and

With House Amendment No. 1.

HOUSE AMENDMENT NO. 1

Amend Senate Bill No. 414, Page 6, Section 142.875, Line 30, by inserting after all of said line the following:

"142.896. 1. Distributors shall be required to post a bond of not less than three months' total liability based on the number of gallons handled as estimated by the director, with a maximum amount of one hundred and fifty thousand dollars for gasoline and diesel fuel separately.

2. The tax on the motor fuel imported shall not be considered part of potential liability for calculation of the bond required of a distributor's license if the nonexempt motor fuels meet the following conditions:

(1) All of the motor fuel is subject to one or more tax precollection agreements to remit the motor fuel tax of this state to the supplier or

permissive supplier as trustee with respect to the imports, as provided [under] **pursuant to** section 142.839; and

(2) The director has determined that all border states have adopted terminal reporting requirements adequate for the mutual enforcement of this chapter.

3. If a distributor qualifies [under] **pursuant to** subsection 3 of section 142.851 and was not required to have a bond posted [under] **pursuant to** the predecessor act, then such distributor may elect to either post the bond as set out in this subsection or participate in a cash bond as set out below. The cash bond shall be held by the director in a "Motor Fuel Bond Trust Fund", which is hereby created, for the benefit of the participating distributors. The bond shall be used solely for the purpose of preventing a loss to the state for motor fuel taxes, surcharges and fees not paid. No distributor shall have any claim or rights against the fund as a separate person. Contributions to the fund will be made at the rate [of one-fourth of one percent of the prevailing motor fuel tax rate until such fund equals one-fourth of one percent of the prior year's motor fuel tax collections] **as defined in regulations promulgated by the director of the department of revenue**. Contributions will be remitted by the participating distributors through the suppliers under the same procedures as set out for remitting of motor fuel taxes set out in this chapter. The director shall notify the suppliers of which distributors have elected to participate, when the contributions are required and when the fund has reached its maximum. At that time no further contributions will be required until the fund has been depleted to [one-eighth of one percent of prior year's motor fuel tax collections] **the minimum amount established by regulation**, at which time the director shall notify the distributors and suppliers to resume contributions at the [above] **defined** rate. In the event the director has made a demand for payment from a participating distributor in this fund, and such demand has not been satisfied within ninety days, the director shall use the cash bond to satisfy the delinquency. Such action shall not affect the liability of the distributor for the tax or prevent the director from taking other actions permitted by this chapter.

4. After the expiration of three consecutive years of satisfactory tax compliance, as determined by the director, a licensed distributor will be eligible to participate in the pool bond in lieu of furnishing any other type of bond. The licensed distributor will be required to pay into the pool bond for a minimum of one year regardless whether the pool bond has reached its maximum or not.

5. The director shall compile a monthly report of all activities regarding the motor fuel bond fund including the name and license number of all licensees who have had a claim made against them, and the report shall be made available to pool members.

6. A distributor is required to remit the tax due on the last day of the succeeding month and file reports prescribed by the director.

7. Each licensed distributor shall report such information as required by the director including, but not limited to imports of motor fuel, exports of motor fuel, blending of motor fuels, all receipts of motor fuel, all receipts and sales of dyed fuel, all receipts and sales of tax-free undyed kerosene and the transporting of motor fuel or blend stocks for or on behalf of others.

8. The report required by this section shall be due on the last day of each month with respect to information required for the next preceding calendar month."; and

Further amend said bill, Page 8, Section 142.908, Line 15, by inserting after all of said line the following:

"Section 1. The director of the department of revenue or any person designated by the director may conduct investigations as necessary to enforce the provisions of this chapter.

Section 2. The director of the department of revenue may prescribe forms upon which reports are made to the director and all other forms and information the director deems necessary to enforce the provisions of this chapter, and may require periodic submission of information from any person dealing in, transporting or storing motor fuel.

Section 3. A person who violates any

provision of this chapter, including, but not limited to the failure to obtain required licenses or permits, or fails to keep records as prescribed herein, or neglects, fails or refuses to allow the director, the director's authorized agents or the Missouri highway patrol to inspect an item of equipment or records, or who fails, neglects or refuses to pay the tax due is guilty of a misdemeanor and may be punished as prescribed by law. Any person who violates any of the provisions of this section with the purpose to defraud is guilty of a class D felony."; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **HB 120**, entitled:

An Act to repeal section 143.124, RSMo Supp. 1998, relating to income taxation, and to enact in lieu thereof one new section relating to the same subject.
