DESCRIPTION

This substitute provides that any unincorporated area having a private 18 hole golf course community and at least a 100 acre lake within Cass county may incorporate as a city regardless of any proposed annexation of the area by certain cities. Any attempt of a city to annex the unincorporated area shall not be effective until after the voters of the unincorporated area fail to approve the proposed incorporation of the area as a city.

This act exempts any proposed city, town or village located within Cass county from the prohibition against a proposed municipality being organized within two miles of the limits of certain existing cities.

This act contains an emergency clause.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
