FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal adds a condition to the State Board of Education's authority to classify the public schools of this state that states that any rule requirements for the purpose of classifying the public schools must be in place for two years prior to implementation. However, the "two years prior to implementation" condition shall not apply to any requirement for which a time line for adoption is mandated in either federal or state law.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
