## FISCAL ANALYSIS

### ASSUMPTION

Officials of **Cass County** assume no fiscal impact.

**Oversight** assumes this proposal does not require certain class counties to create geographical information systems, Therefore, Oversight assumes no fiscal impact to eligible counties.

**Oversight** assumes that counties, whose governing bodies would create a geographical information system, would realize the costs of creation of the system in time, equipment, and personnel. Oversight assumes this proposal allows the local government to recover costs by charging a reasonable fee as established in Section 610.026. Oversight assumes no fiscal impact to local governments. Oversight assumes no state fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This act modifies current law to allow any county of the first classification without a charter form of government to create a geographical information system. Under current law only counties of the first classification without a charter form of government and a population of at least two hundred thousand inhabitants and containing a city with a population of at least one hundred forty-four thousand but not more than three hundred thousand inhabitants may create a geographical information system.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
