FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the Governor**, the **City of St. Joseph**, and the **Office of Administration, Division of Design and Construction** assume this proposal would have no direct fiscal impact to their organizations.

Although they did not respond to our request for information, in response to a similar proposal, officials from the **Office of the Attorney General** assumed that any costs associated with the proposal could be met from existing resources.

Oversight assumes the conveyance of title would be at the fair market value of the property and has shown no fiscal impact to the state or the city.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
